**RP.31/15 HACKNEY CARRIAGE FARES REVIEW**

The Licensing Officer submitted the annual Hackney Carriage Fares Review (GD.62/15).

The report outlined the history of the annual review and the relevant legislation. He explained that the Council's Financial Services had produced the changes in the RPI to the identified criteria for transport costs since the last increase. The changes had been multiplied by the 'weighting' agreed with the taxi associations previously and an overall decrease of -0.30% in transport costs had been identified. The two main costs were fuel and labour and although fuel prices had continued to fall, wages had increased for a second year. Inflation overall had risen by 1%.

In view of the decrease in transport related inflation (-0.30%) it was recommended that there be no increase to the 2015/2016 tariff.

The Chairman informed the Panel that the Taxi Association had agreed that there be no increase.

**RESOLVED** – That the Hackney Carriage tariff for 2015/2016 remain unchanged.
