SCHEDULE B - provides details of the decisions taken by other authorities in respect of those applications determined by that Authority and upon which this Council has previously made observations.

The officer recommendations made in respect of applications included in the Schedule are intended to focus debate and discussions on the planning issues engendered and to guide Members to a decision based on the relevant planning considerations. The recommendations should not therefore be interpreted as an intention to restrict the Committee's discretion to attach greater weight to any

planning issue when formulating their decision or observations on a proposal.
