CARLISLE LEISURE LTD INCORPORATING

## Morton Leisure Centre Feasibility Study

May 2003

Dear Parent

Negotiations are currently taking place between the County Council, Morton School, Carlisle Leisure Limited (operators of the Sands Centre, Carlisle Pools and the city's Outdoor Recreation sites) and local community groups with a view to reopening The Morton School swimming pool. The initial plan involves developing both the pool and the surrounding spaces into a Leisure Centre designed for use by the school during weekdays and as an asset for local people during evenings and weekends.

We are anxious to find out what local people think of this idea and to gauge how much potential there would be in the project. To this end we have enclosed a short questionnaire which we would be grateful if you would complete and return in the FREEPOST envelope provided. This will help us to put together a feasibility document which will form the first stage of the plan to reopen and improve the existing facilities.

As an incentive to return the questionnaire all returned forms will be entered into a prize draw for a family Ultimate Card giving family access to all of the facilities currently managed by Carlisle Leisure Limited. The family card would normally cost £720.00 and will be valid for one year.

We look forward to receiving your completed forms in due course. If you have any questions that you wish to raise with regard to this exciting project then please do not hesitate to call Mr M Bell (Principal of Morton School) on 01228 607545 or Jim Douglas (Managing Director Carlisle Leisure Limited) on 01228 625555.

To qualify for the draw please return your completed survey by Friday 13th June 2003.

Thank you for your help.
