With some of the best lights you'll ever see and our fabulous **Christmas Market**, it's bigger and better for 2007 and is the best Christmas experience for groups in the North.

## Our Christmas Market

From 1st to 9th December, Carlisle City Centre will again play host to our fabulous Christmas Market in the pedestrianised area. It's back by popular demand with over 80 stalls selling quality festive gifts and foods from across the Continent as well as local specialities made right here in Cumbria. It will operate alongside the City's spectacular indoor Victorian Market Hall offering a wide range of traditional, local market traders.
