In common with applications contained in Schedule B, where a verbal recommendation is made to the Committee, Officer recommendations are made, and the Committee's decisions must be based upon, the provisions of the Development Plan in accordance with S38(6) of the Planning and Compulsory Purchase Act 2004 <http://www.legislation.gov.uk/ukpga/2004/5/contents> unless material considerations indicate otherwise.

In order to reach a recommendation the reports have been prepared having taken into account the following background papers:-

SCHEDULE B - comprises applications for which a full report and recommendation on the proposal is not able to be made when the Schedule is compiled due to the need for further details relating to the proposal or the absence of essential consultation responses or where revisions to the proposal are awaited from the applicant. As the outstanding information and/or amendment is expected to be received prior to the Committee meeting, Officers anticipate being able to make an additional verbal report and recommendations.

SCHEDULE C - provides details of the decisions taken by other authorities in respect of those applications determined by that Authority and upon which this Council has previously made observations.

SCHEDULE D - reports upon applications which have been previously deferred by the Development Control Committee with authority given to Officers to undertake specific action on the proposal, for example the attainment of a legal agreement or to await the completion of consultation responses prior to the issue of a Decision

Notice. The Reports confirm these actions and formally record the decision taken by the City Council upon the relevant proposals. Copies of the Decision Notices follow reports, where applicable.

SCHEDULE E - is for information and provides details of those applications which have been determined under powers delegated by the City Council since the previous Committee meeting.

The officer recommendations made in respect of applications included in the Schedule are intended to focus debate and discussions on the planning issues engendered and to guide Members to a decision based on the relevant planning considerations. The recommendations should not therefore be interpreted as an intention to restrict the Committee's discretion to attach greater weight to any planning issue when formulating their decision or observations on a proposal.

If you are in doubt about any of the information or background material referred to in the Schedule you should contact the Development Management Team of the Planning Services section of the Economic Development Directorate.

This Schedule of Applications contains reports produced by the Department up to the 26/06/2014 and related supporting information or representations received up to the Schedule's printing and compilation prior to despatch to the Members of the Development Control Committee on the 10/07/2015.

Any relevant correspondence or further information received subsequent to the printing of this document will be incorporated in a Supplementary Schedule which will be distributed to Members of the Committee 5 working days prior to the day of the meeting.
