## 1 INDIVIDUAL DECISIONS

I have taken no key decisions.

2. My main involvement again has been discussing the various budget papers and responding to the Treasurer's report at the meeting of the Executive on 27<sup>th</sup> May 2002. At that meeting I set out the Executive's response, which has been available to all Members. There will be ongoing work on the formulation of the budget for 2003 / 04 and the three-year strategy throughout the Summer.

In response to the above I attended the meeting of the Overview and Scrutiny Committee on 28<sup>th</sup> June 2002 and responded to questions from that Committee.

3. I have also been involved with the Property Department and in particular the decision relating to the policy on surplus land.

I am to attend a lunch meeting at Tullie House with Members of the business community highlighting the role of the Property Department and also bringing to their attention its policy on surplus land.
