A.2 QUESTIONS BY MEMBERS OF THE PUBLIC

Riverside Carlisle

Pursuant to Procedure Rule 10, the Director of Governance to report eh receipt of the following questions to the Chairman which have been submitted on notice by Mr Barker, Secretary of the Carlisle and Rural Tenants' Federation.

Question 1

Given the expressions of improved relations between the city council and Riverside Carlisle made at the Panel meeting on February 9 2012, and given that these expressions of improved relations formed the basis of the Federation`s questions at the subsequent Panel meeting held on March 22, what explanation has the Panel for such an apparent deterioration in those relations that in just four months the council has now found it necessary to take what appears to be an extraordinary step, an away day with Riverside, as outlined to the Panel on July 19, and has the Panel`s explanation for this apparent deterioration any connection with the Federation`s similar problems with Riverside outlined at the panel meeting on March 22?

Question 2

Given the Chairman`s replies to the Federation at the meeting on March 22, which stated that the Panel was "very supportive" of Riverside`s "attempts to engage with representative groups that are prepared to engage properly in the process", and given the Panel` advice to the Federation (advice stated once by the Chairman and then repeated) "to engage reasonably in the processes available and act in the best interests of those it represents", and given the deplorable implication of those Chairman`s emphasised replies that the Federation had not been prepared to engage properly in the processes available and act reasonably and had not acted in the best interests of those the

Federation represents, does the Panel now agree that it has not acted in an even-handed way vis a vis Riverside and the Federation?
