

EXCERPT FROM THE MINUTES OF THE EXECUTIVE HELD ON 9 NOVEMBER 2020

BUDGET OVERVIEW 2021/22

The Deputy Leader introduced Agenda item A.1 which constituted the formal beginning of the 2021/22 Budget process. He reminded Members that the various reports listed under that item and which were under consideration by the Executive today would proceed to the Business and Transformation; Health and Wellbeing; and Economic Growth Scrutiny Panels. The Executive would then reconvene in December 2020 to assess the Scrutiny feedback on the Budget.

EX.122/20 BUDGET UPDATE - REVENUE ESTIMATES 2021/22 TO 2025/26 (Key Decision – KD.25/20)

Portfolio Finance, Governance and Resources

Relevant Scrutiny Panel Health and Wellbeing; Economic Growth; Business and Transformation

Subject Matter

The Deputy Leader submitted report RD.32/20 providing a summary of the Council's revised revenue base estimates for 2020/21, together with base estimates for 2021/22 and forecasts up to 2025/26 for illustrative purposes. The base estimates had been prepared in accordance with the guiding principles for the formulation of the budget over the next five-year planning period as set out in the Medium Term Financial Plan (MTFP) and Charging Policy; Capital Strategy; and Asset Management Plan approved by Council on 8 September 2020.

The report set out known revisions to the MTFP projections, although there were a number of significant factors affecting the budget that were currently unresolved and which would be considered as the budget process progressed (paragraph 1.3 referred).

Details of the outstanding key issues and resource assumptions were set out at Section 4, the report also alluding to the fact that decisions would need to be taken to limit budget increases to unavoidable and high priority issues, together with maximising savings and efficiencies, and potential use of reserves, to enable a balanced budget position to be recommended to Council in February 2021.

In light of the current position in the MTFP, there were some potential new spending pressures and bids which required consideration. There may also be other pressures on the revenue budget as highlighted within the revenue monitoring report, which may have a recurring impact; however, Officers were reviewing the existing base budget

provisions to ensure that the services could be provided within those budgetary provisions and also contribute towards the savings target. Details of the COVID-19 income and budget monitoring shortfalls were documented at paragraph 5.9.

The current MTFP included a recurring savings requirement to be found by 2021/22 of £1 million.

Also summarised were the movements in base budgets; the updated MTFP projections; Treasury Management and Borrowing; the projected impact on revenue balances; review of reserves and balances; together with a summary of the financial outlook and budget discipline 2021/22 to 2025/26.

The Deputy Leader moved the report, which was seconded by the Leader.

Summary of options rejected none

- (i) Noted the revised base estimates for 2020/21 and base estimates for 2021/22;

- (iv) Noted the review of the earmarked reserves as outlined in paragraph 9 and Appendix F.

--------------------------------	---

Subject Matter

The Deputy Leader submitted report CS.30/20 setting out the proposed fees and charges for 2021/22 relating to those services falling within the Community Services Directorate.

The Deputy Leader informed the Executive that an Addendum to the report, providing an update and details of the proposed charge for refuse bins for new properties and also the charge of a second garden waste bin for 2021/22, had been circulated to all Members of the Council on 4 November 2020.

On the issue of car parking, the report recorded the proposal to simplify the permit fees and base those on the all-day charge in those car parks; and offer a 10% discount if a monthly/annual permit was purchased (plus a small administrative fee) for the applicable car parks. Therefore, the fees for permits would not be shown separately but there was opportunity to review the rate of discount offered.

In terms of pay and display tariffs, an increase of 3% was proposed, with changes to Paddy's Market to make that an all-day car park due to limited spaces and use. Due to lack of interest, it was further proposed to remove the early bird tariff from West Walls.

Details of the other proposed charges in relation to City Centre usage by external organisations; events; digital banner; Old Fire Station; Tourist Information Centre; allotments; use of parks; sports pitches; Talkin Tarn; Bereavement Services; Waste Services and Garage charges were also provided.

The original 2020/21 budgets and 2021/22 forecast income levels based upon the current charge structure and forecast volume was as detailed in the table on page 32 of the document pack. The charges highlighted within the report would result in an anticipated level of income of £2,518,400 against the MTFP target of £3,006,000. That represented a shortfall of £487,600 against the MTFP target.

The Deputy Leader moved the report, which was seconded by the Leader.

2. Made the report of proposed charges and the Addendum available to relevant Scrutiny Panels for their review and comment.

and Transformation

Subject Matter

The Deputy Leader submitted report RD.33/20 detailing the revised Capital Programme for 2020/21, now totalling £19,390,400 together with the proposed method of financing; and highlighting an underspend of £714,250 against the profiled annual budget. Section 4 provided details of the current commitments and new spending proposals. Any capital scheme for which funding had been approved by Council may only proceed after a full report, including business case and financial appraisal, had been approved.

EX.128/20 CORPORATE ASSETS – 3 YEAR REPAIR AND MAINTENANCE PROGRAMME 2021/22 TO 2023/24 (Key Decision – KD.25/20)

Portfolio Finance, Governance and Resources

Relevant Scrutiny Panel Business and Transformation

Subject Matter

The Deputy Leader submitted report GD.52/20 setting out the repair and maintenance programme budget proposals for the Council's corporate property assets for the three-year period 2021/22 to 2023/24, required to ensure that the legal responsibilities of the City Council were met. Background information was as detailed at Section 1.

In terms of planned maintenance, the report recorded that the projects detailed at Section 2 reflected the highest priority projects to be funded from capital. The current allocation of £250,000 included an additional £100,000 allocated to further address maintenance backlog.

The allocation reflected the Council's current financial situation. In an ideal world outstanding maintenance would be reduced to a minimum, however, that was not possible in the current climate. The effect of maintaining a reduced budget would likely result in an increase in the number of properties awaiting maintenance, although that could be alleviated in part by disposal of properties with a high maintenance requirement.

The Deputy Leader moved the report, which was duly seconded by the Leader.

Summary of options rejected that approval should not be granted

DECISION

That the Executive approved:

1. The three-year revenue maintenance programme set out in Appendix A to Report GD.52/20 as part of the budget process.
2. The 2021/22 capital budget of £250,000 as part of the budget process.
3. The List of capital projects selected to meet the allocated capital budget of £250,000.

Reasons for Decision

The Council's property assets require regular repair and maintenance to ensure they provide a safe working environment for their users and occupiers. The recommendations outlined ensured that Council assets were maintained to a standard that supported service provision and ensured the safety and comfort of their users and occupiers

EX.129/20 TREASURY MANAGEMENT QUARTER 2 2020/21 AND FORECASTS FOR 2021/22 TO 2025/26 (Key Decision – KD.25/20)

Portfolio Finance, Governance and Resources

Relevant Scrutiny Panel Business and Transformation

Subject Matter

The Deputy Leader submitted report RD.34/20 providing the regular quarterly report on Treasury Transactions, together with an interim report on Treasury Management as required under the Financial Procedure Rules. The report also discussed the City Council's Treasury Management estimates for 2021/22 with projections to 2025/26 and set out information regarding the requirements of the Prudential Code on local authority capital finance.

Treasury Management projections were reviewed annually to ensure that current interest rate forecasts were updated, and that current and future spending implications were built into the cash flow forecasts model. Average cash balances would need to be amended to reflect revised forecasts for anticipated capital receipts, capital expenditure and use of revenue reserves and that would adjust the final pressure/saving requirement from treasury management. The draft base Treasury Management estimates for 2021/22 with projections for 2025/26 were set out at Appendix C.

The Deputy Leader moved the report, which was seconded by the Leader.

Summary of options rejected none

DECISION

That Report RD.34/20 be received and the projections for 2021/22 to 2025/26 be incorporated into the Budget reports considered elsewhere on the Agenda.

Reasons for Decision

To receive the report on Treasury Management and refer it as part of the budget process

That the Executive:

1. Noted the contents of Report RD.35/20 including the current assumptions built into the MTFP with regard to local taxation issues;
2. Approved, for recommendation to Council as part of the budget process, the 2021/22 Local Support for Council Tax scheme as set out in paragraph 2.4.
3. Approved the continuation of involvement in the Cumbria Business Rate Pool arrangements for 2021/22 subject to the continuing involvement of the other partners, with the final decision on participation being delegated to the Corporate Director of Finance and Resources.

PUBLIC AND PRESS

RESOLVED – That the Agenda be agreed as circulated.

CALL-IN AND URGENCY PROCEDURES

The Leader reported that the Mayor had, on 27 November 2020, agreed that Agenda item A.2 – Local Government Reorganisation – Approval of Carlisle City Council's Submission should be exempt from call-in since, if a call-in was received, call-in procedures would

delay transmission of the final submission on the topic to Government by the 9 December 2020 deadline, thereby prejudicing the Council's interests.

EX.138/20 BUDGET 2021/22 – FEEDBACK FROM THE SCRUTINY PANELS ON THE DRAFT BUDGET REPORTS
(Key Decision – KD.25/20)

Portfolio Finance, Governance and Resources

Relevant Scrutiny Panel Health and Wellbeing; Economic Growth; Business and Transformation

Subject Matter

Speaking at the invitation of the Leader, the Deputy Leader indicated that the Scrutiny Panels had scrutinised the draft Budget Reports for 2021/22 considered by the Executive on 9 November 2020.

The Executive would now consider feedback from the Scrutiny Panels, as detailed within the Minutes of the undernoted Panel meetings, copies of which were submitted:

(a) Health and Wellbeing – 19 November 2020 (HWSP.67/20)

The Deputy Leader advised that the substantive resolution from the Panel was that more detailed information be provided with regard to the policy which the City Council would pursue in relation to climate change.

The Deputy Leader reported that information had now been incorporated into the Executive's Budget Proposals, the most significant change being that any carbon reducing schemes would initially have to be funded from resources currently contained in the Council's existing revenue and capital budgets; with any new climate change initiatives following formal adoption and approval of the Local Environment (Climate Change) Strategy being supported by a robust business case and a cost benefit analysis provided.

The Chair of the Health and Wellbeing Scrutiny Panel had been invited to speak but was not in attendance today.

(b) Economic Growth – 26 November 2020 (EGSP.59/20)

The Deputy Leader stated that, having scrutinised the Charges Review Report 2021/22 - Community Services, the Panel had resolved that a review of the parking permit scheme at Talkin Tarn be carried out.

He believed that the Executive would agree that consideration should be given to the strategy governing parking at Talkin Tarn in terms of the management of parking and income received therefrom. Accordingly, certain of those proposals would be reviewed.

The Chair of the Economic Growth Scrutiny Panel had been invited to address the Executive but was not present at the meeting.

(c) Business and Transformation – 1 December 2020 (BTSP.73/20)

The Deputy Leader highlighted the Panel's request that the Executive give further consideration to the introduction of a pest control charge for dealing with rats and the impact upon households in the event that they could not meet the charge.

In response, the Deputy Leader could confirm that the Executive had taken that on board and that the Charges Review Report 2021/22 – Governance and Regulatory Services (GD.48/20) had been amended to ensure that the intended discount for senior citizens was available for domestic rat and mice treatments.

The Environment and Transport Portfolio Holder confirmed that he had nothing to add at this time.

The Vice-Chair of the Business and Transformation Scrutiny Panel was pleased to note that the Executive was looking to amend the pest control charges and discounts as alluded to by the Deputy Leader.

She explained that the Scrutiny Panel had also asked that the Executive look at introducing an element of flexibility for waste services charges to assist households that were struggling financially. The feeling at the meeting was that collections from households were increasing. A cost benefit analysis may therefore be useful since, if people were able to dispose of their waste, that may be beneficial from a fly tipping perspective.

The Vice-Chair concluded by questioning whether the Executive was also prepared to look at that issue.

The Deputy Leader replied that investigation into some of those charges would comprise a larger piece of work than could be undertaken within the timescales to date. He did not, however, think that the Executive was opposed to looking into the matter.

The Environment and Transport Portfolio Holder reported that he had discussed the issue with Officers. One alternative to bulky household waste collection was the County Council's household waste sites which took items free of charge. Clearly, however, not everyone could avail themselves of that service.

The Portfolio Holder added that work would be required to try to understand the manner by which a scheme could be put in place, and that the matter was under consideration.

The Vice-Chair thanked the Deputy Leader, and the Environment and Transport Portfolio Holder for their responses.

The Leader wished to place on record his thanks to the Scrutiny Panels for their consideration of the draft Budget Reports and for their comments and recommendations. He was also appreciative of the Vice-Chair's attendance today.

The Executive would give detailed consideration to the issues and recommendations raised prior to putting forward their draft Budget Proposals for consultation on 14 December 2020.

The Leader so moved and the Deputy Leader duly seconded.

Subject Matter

The Leader submitted report CE.07/20, the purpose of which was for the Executive to consider the views and decisions taken at the special meeting of the City Council held on 1 December 2020, relating to Local Government Reorganisation and delegate approval of the final submission to the Chief Executive and himself.

Copies of the Cumbria Local Government Reorganisation Case for Change – December 2020 submission document and an Excerpt from the Minutes of the special Council meeting (C.133/20) had also been circulated.

The Leader was pleased to move the report, adding that the Executive believed that Carlisle City Council's submission represented the best way forward for local government reform in Cumbria. The arguments were well rehearsed at the full Council meeting and he did not propose to reiterate the same.

Whilst the decision was clearly one to be taken by the Executive today, the Leader was further pleased that Council had been consulted; and, whilst one could not claim total unanimity, he could record that only one vote was recorded against the option before the Executive at full Council on 1 December 2020.

The Leader truly believed that the Executive's preferred north / south option, which provided the correct balance between economies of scale and community cohesion, was

the one which would best serve Cumbria for decades to come. It would be one of four submissions and he felt sure that it would be judged to be the strong and compliant bid that it was. He had numerous discussions with fellow District Leaders and numerous other people since February 2020.

The Leader was grateful to Members of this Council for their support and, in particular, wished to record thanks to the Chief Executive and his Team, without whom a submission of that quality would not have been possible.

The Leader concluded his presentation by moving the recommendation that the Executive approve the Carlisle City Council's draft proposal for local government reorganisation, attached to the report and delegate submission of the final document, with any minor amendments and corrections, to the Chief Executive in consultation with himself.

The Deputy Leader seconded the recommendation.

The Communities, Health and Wellbeing Portfolio Holder also wished to support the recommendation. It was currently a very exciting time, a time to put right the 1992 Maud Report which saw Cumbria come into existence.

Cumbria was too large and diverse, with the north looking to Scotland and the north-east for their television and hospital services, and the south of the county very much looking towards Manchester for service provision.

The Portfolio Holder emphasised the diverse nature of the county, believing that local government reorganisation would present jobs and opportunities for the residents of Cumbria. People, including herself, were looking forward to discussing the matter in due course, including the potential for two unitary councils to be created in Cumbria so that we could look to the locality working which the District Councils were exceptionally good at.

Summary of options rejected that the draft proposal and delegation should not be approved

DECISION

That the Executive approve the Carlisle City Council's draft proposal for local government reorganisation, attached to Report CE.07/20 and delegate submission of the final document, with any minor amendments and corrections, to the Chief Executive in consultation with the Leader of the Council.

Reasons for Decision

To enable Carlisle City Council to submit its proposals for Local Government Reorganisation to UK Government before the deadline on 9 December 2020
