EX.194/10 CARLISLE COMMUNITY PLAN (SUSTAINABLE COMMUNITY STRATEGY) 2011 - 2016
(Key Decision)

Portfolio Promoting Carlisle

Subject Matter

The Assistant Director (Community Engagement) submitted report PPP.42/10 (amended) concerning the Carlisle Community Plan (Sustainable Community Strategy) 2011-16.

He advised Members that the existing Community Plan (Sustainable Community Strategy) for Carlisle expired in 2010 and, at the last meeting of the Carlisle Partnership Executive a process for development of a new Community Plan for Carlisle was agreed, details of which were provided. The process had seen the content of the Community Plan developed directly by partners from across the LSP within the Partnership's Working Groups and a draft Community Plan 2001 - 2016 had been developed, a copy of which was appended to the report.

The Plan had appeared before the Carlisle Partnership's Executive on 15 November 2010 when a number of changes had been agreed.

The Assistant Director (Community Engagement) further reported that the proposed Carlisle Community Plan 2011-16 would effectively be a live document as soon as the City Council adopted it onto their Policy Framework in the New Year. A formal launch was proposed for March 2011. He added that the Plan would be reviewed on an annual basis at the Carlisle Partnership AGM (June each year), and a performance report detailing progress against the headline measures contained within the Plan would also be produced for that meeting. Whilst those headline measures would be used to assess progress made towards delivering the Community Plan on an annual basis, the Partnership's Executive remained keen to instil a more focussed and performance orientated culture within the Partnership. All of the Priority Working Groups were in the process of developing delivery plans to support and deliver the aims of the Community Plan, which would be reported to the Executive on a quarterly basis.

In response to a question, the Assistant Director and Carlisle Partnership Manager advised that a verbal update on the changes agreed at the Carlisle Partnership's Executive would be provided to the Community Overview and Scrutiny Panel, in addition to which a revised report could be provided.
