SCHEDULE B - provides details of the decisions taken by other authorities in respect of those applications determined by that Authority and upon which this Council has previously made observations.

The officer recommendations made in respect of applications included in the Schedule are intended to focus debate and discussions on the planning issues engendered and to guide Members to a decision based on the relevant planning considerations. The recommendations should not therefore be interpreted as an intention to restrict the Committee's discretion to attach greater weight to any planning issue when formulating their decision or observations on a proposal.

If you are in doubt about any of the information or background material referred to in the Schedule you should contact the Development Management Team of the Planning Services section of the Economic Development Directorate.

This Schedule of Applications contains reports produced by the Department up to the 24/05/2019 and related supporting information or representations received up to the Schedule's printing and compilation prior to despatch to the Members of the Development Control Committee on the 07/06/2019.
