  12. the Notice of Decision;

13. any such variation as may subsequently be approved in writing by the local planning authority.

**Reason:** To define the permission.

2. The access hereby approved shall not be brought into use until visibility splays providing clear visibility of 60 metres measured 2.4 metres down the centre of the access road and the nearside channel line of the major road in both directions have been provided at the junction of the access road with the county highway. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any Order revoking and re-enacting that Order) relating to permitted development, no structure, vehicle or object of any kind shall be erected, parked or placed and no trees, bushes or other plants shall be planted or be permitted to grow within the visibility splay which obstruct the visibility splays. The visibility splays shall be constructed before general development of the site commences so that construction traffic is safeguarded.

**Reason:** In the interests of highway safety and in accordance with Policies SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.

3. The vehicular crossing over the verge, including the lowering of kerbs, shall be carried out to the specification of the Local Highways Authority.

**Reason:** In the interests of highway safety and in accordance with Policies SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.

4. The access drive shall be surfaced in bituminous or cement bound materials, or otherwise bound and shall be constructed and completed before the development is brought into use. This surfacing shall extend for a distance of at least 6 metres inside the site, as measured from the carriageway edge. There shall be no vehicular access or egress from the site other than via the approved access.

**Reason:** In the interests of highway safety and in accordance with Policies SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.

5. Access gates, if provided, shall be hung to open inwards only away from the highway, be recessed no less than 6m as measured from the carriageway edge of the adjacent highway and shall incorporate 45 degree splays to each side.

**Reason:** In the interests of highway safety and in accordance with Policies SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.

6. Solid edge carriageway markings through the build-out on both sides which is extended past the proposed access shall be installed prior to the access being brought into use. Details of the proposed markings shall be agreed in writing with Local Planning Authority prior to installation.

**Reason:** In the interests of highway safety and in accordance with Policies

SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.

7. All new external stonework relating to the reconstructed boundary wall shall be carried out in natural stone which shall, in type, and in the manner in which it is laid, match that of the existing wall.

**Reason:** For the avoidance of doubt, and to ensure that materials to be used are acceptable visually and harmonise with existing development, in accordance with Policy SP6 of the Carlisle District Local Plan 2015-2030.

8. Prior to the access being brought into use and within 3 months from the date of this permission, any existing highway wall boundary shall be reduced to a height not exceeding 1.05m above the carriageway level of the adjacent highway in accordance with the details shown on the Visibility Splays Drawing no. IM/NEW ENT/VS1 Rev B received 9 September 2020 and shall not be raised to a height exceeding 1.05m thereafter.

**Reason:** In the interests of highway safety and in accordance with Policies SP6, IP2 and IP3 of the Carlisle District Local Plan 2015-2030.
