**EXCERPT FROM THE MINUTES OF  
THE EXECUTIVE  
HELD ON 28 JANUARY 2002**

---

**EX.018/02    BEST VALUE REVIEW – REGENERATION (Non-Key Decision)**

**Portfolio**    Economic Prosperity, Infrastructure, Environment  
and Transport

**Subject Matter**

To consider Minute IOS.23/01 of the Infrastructure Overview and Scrutiny Committee of 13 December 2001 seeking approval to a definition of regeneration to be applied in relation to the Best Value Review of Regeneration. A briefing note from the Head of Economic Development was also submitted.

**Summary of options rejected**

None

**DECISION**

That the following definition of regeneration be used in relation to the Best Value Review:

"Regeneration - supporting local communities in addressing problems of economic, social and environmental disadvantage, to achieve improved prosperity, well being and quality of life."

**Reasons for Decision**

In order to provide a definition of regeneration for use in the Regeneration Best Value Review.
