The purpose of this report is essentially to present the CSP's work programme for the coming year in the form of their Partnership Plan. While this is presented as a developed document it represents a 'live' work programme - which develops throughout the year and can be influenced and shaped through the City Council's representation on the CSP's Leadership Group.

BACKGROUND INFORMATION

The Crime & Disorder Act 1998 placed statutory obligations on local authorities and the police to act in co-operation with the probation service, health authorities and other relevant agencies, and to work together to develop and implement a partnership plan for tackling crime and disorder in their area.

The legislation requires local Community Safety Partnerships to produce a plan setting out how it intends to tackle crime and disorder and allowing the development of strategies to tackle short, medium and long-term priorities. This also allows alignment to other planning cycles, most notably partners' individual corporate planning and Carlisle's Community Plan.

The attached plan outlines these priorities for 2013-14 and is supported by a series of actions plans being developed and delivered by the task groups of the CSP.

Successes

Violent Crime

Best Bar None Scheme

The scheme has been instrumental in raising standards in bars, pubs and clubs in North Cumbria and has contributed to significant reductions in violent crime.

Taxi Rank Marshals

Deployment of marshals at public ranks helps prevent escalation of serious disorder by early intervention which is reassuring to taxi operators and the public.

Domestic Violence Champions

The network has been developed to support victims and raise awareness/ knowledge of domestic and sexual violence with partner agencies.

Carlisle and Eden Community Safety Partnership has and continues to be a successful partnership of multi agencies working together to address crime and disorder in North Cumbria. Since its inception, we have worked effectively to contribute to significant and sustained falls in crime and disorder. This plan sets out how, in partnership, we will address the priorities identified to ensure North Cumbria remains a safe place to live, work and study.

The partnership continues to have strong strategic leadership and dedicated and knowledgeable people in our task groups who are committed, prepared and focussed on the priorities for the year ahead. The Police and Crime Commissioner, who came into post in November 2012, is keen the existing partnership continues the good work already been delivered and has advised funding will continue for the coming year 2013/14.
