1 INDIVIDUAL DECISIONS

I have taken no key decisions.

2. Finance

The budget season is now underway so I am having increased involvement in budgetary matters. The bulk of this work is inevitably covered by reports to the Executive and the Council.

I have also had early involvement in the decision by the Executive to carry out extensive consultation on the Executive's budget proposals, which will be announced in December. Further reports on the detail will be produced in due course.

3. Property

I have had meetings with the Head of Property which included a tour of the key property sites owned by the Council which was illuminating.
