Subject Matter

Consideration was given to a report from the Executive Director (CE.11/03) updating Members on progress with the LSVT Action Plan. The Executive Director informed Members that the Audit Commission had met Officers on 27 May 2003 and following the meeting the Action Plan had been updated. Whilst the majority of issues had now been resolved, there were still a number outstanding and arrangements being made to progress these.

He added that there were other housing issues relating to the transfer which were not part of the Action Plan, but nevertheless had significant implications for the success of the transfer and the further development of a future partnership with Carlisle Housing Association. These key issues related mainly to Property and Regeneration. The Senior Officers responsible would continue to develop these areas of work in collaboration with relevant Portfolio Holders, the Lead Officers on the Action Plan and the Carlisle Housing Association.
