Dear Sir

On behalf of the Rickergate community, Save Our Streets would like to present a deputation to the Carlisle City Council meeting on 13<sup>th</sup> January 2009.

The object of the deputation is to make Councillors aware that the Rickergate community has a positive contribution to make to the Supplementary Planning Document which will be drawn up for the area as part of the Local Development Scheme. The nature of the deputation will be a speech outlining the strengths of the community, the current climate which encourages grass roots community involvement and how the Rickergate community wishes to be involved in any future development plans for their neighbourhood. It will include the results of a survey ascertaining the opinions of the Rickergate community.

The deputation will consist of the SOS committee:  
Chairman Neil Irving  
Secretary Elizabeth Allnutt  
Treasurer Marcie Bowman Scott  
Committee members Julie Templeton and Simon Osman

A member of the deputation will speak for five minutes.

Yours faithfully
