The Panel resolved to REVOKE Mr Hazard's Hackney and Private Hire Licences.

(see Appendix 1a&b)

Mr Hazard appealed against this decision and on 27/03/07 the Magistrates Court substituted the revocation with a 12 month suspension and requirement to take a Driving Standards Agency Test. No appeal was made to Crown Court and Mr Hazards suspension was enforced from **16/04/07 – 15/04/08**

LATEST CONVICTION

Licensing Section received a phone call from Cumbria County Council Transport Contracts department to enquire if we knew that Mr Hazard had had his DVLA licence suspended. This was due to him failing to send away his licence to have it endorsed for a Speeding conviction committed on 22nd March 2012.

Mr Hazard was travelling in his Hackney Carriage @ 39mph in 30 limit in 22nd March 2012 07.28am on London Rd and caught by speed safety camera. He was not carrying any passengers at the time. Mr Hazard appealed against this speeding conviction so appeared in court on 7th September 2012 where the offence was upheld.

SP30 - 3 points and £200 fine given.

Mr Hazard was written to regarding this matter on 2nd November and 23rd November 2012.

He was interviewed on 27th November 2012 and also written to again on 5th December and 19th December 2012 (**Appendix 7 a,b,c,d,e,f**)

LEGISLATION

Section 61 (1) of the Local Government (Miscellaneous Provisions) Act 1976, states that a District Council may suspend or revoke a Hackney Carriage Licence on a number of grounds.

Section 61 (1) (b) gives the grounds of “any other reasonable cause” (**see Appendix 8**)

OPTIONS

It is recommended that after hearing the evidence and any representations from Mr Hazard, members reach a decision in line with the options available.

24 October 2006

Dear Sir

I write to confirm the decision of the Licensing Panel, which was held on the 18th of October 2006 in the Civic Centre, Carlisle.

The committee's decision was that your Hackney Carriage and Private Hire Driver's Licences be revoked. The actual decision of the committee was as follows:-

RESOLVED – 1) That the Panel had taken into account Mr Hazards statement and that he ran a business but had considered that concentration is the essence of good driving and as a result Mr Hazards Hackney Carriage and Private Hire Drivers licences be revoked.

2) That it be noted that Mr Hazard has a right of appeal against the decision.

You may if you wish appeal against this decision to Carlisle Magistrates Courts within 21 days of receiving this notification and upon proof of the court receipt to my Licensing Officer you may continue to drive until your case is heard.

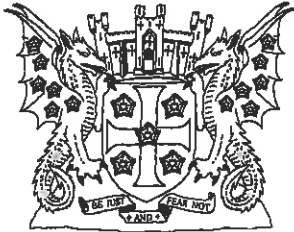

Should you not wish to appeal against this decision, your revocation will commence immediately and you should surrender your identification badges to my Licensing Officer as soon as possible.

Yours faithfully

**Extract from the Minutes of the
proceedings of the REGULATORY PANEL
held on the 18TH OCTOBER 2006 AT 2.00 PM**

**RP.31/06 HACKNEY CARRIAGE & PRIVATE HIRE DRIVER
CONVICTIONS – S HAZARD**

The Licensing Officer submitted report LDS.82/06 regarding convictions for Mr S Hazard, Hackney Carriage and Private Hire Driver.

Mr Hazard, the applicant, was in attendance at the meeting.

The Principal Solicitor outlined the procedure the Panel would follow. Mr Hazard confirmed that he had received and read the Licensing Officer's report. The Principal Solicitor advised Mr Hazard that he had a right to be represented but he indicated that he did not wish to be so represented.

The Licensing Officer reported that Mr Hazard had been licensed as either a Hackney Carriage or Private Hire driver since October 2002 and currently holds both licences. He stated that Mr Hazard was the proprietor of Shankland Taxis. During the period Mr Hazard had been licensed he had received a total of 14 points on his licence for various convictions including Speeding, a Traffic Light Offence, Failing To Produce Documents and Driving Without Due Care and Attention. Mr Hazard failed to declare two of the offences in writing to the Licensing Office within the required 7 days and failed to declare one offence on his Statutory Declaration. The Licensing Officer reported that Penrith Magistrates allowed Mr Hazard to keep his licence because of hardship even though he had 14 points on his licence.

In response to a question from the Principal Solicitor the Licensing Officer stated that the letter inviting Mr Hazard to attend the Panel mentioned both his Hackney Carriage and Private Hire drivers licences.

The Principal Solicitor informed the Panel that any decision taken would affect both the Hackney Carriage licence and Private Hire licence held by Mr Hazard.

Mr Hazard then addressed the Panel. He stated that the last twelve months had been very difficult for him as his father had passed away a year ago. Since then he had been paying his mothers mortgage and had been trying to build up the business to support his mother and brother who both work there. He stated that his driving had been affected by stress as this was the first time he had had to deal with finance. He stated that he had received counselling and he had turned a corner and was dealing with things better. He stated that the driving incidents had been due to a lack of concentration.

In response to Members questions Mr Hazard stated that he did know he had to report convictions within 7 days to the Licensing Office. He stated that his business employs a total of 18 drivers. He stated that he is married with a two year old child which he paid £600 per month child care costs for.

He stated that he had taken the Driving Standards Agency Taxi Driving Test. He also stated that the fine for failing to produce his documents was because his driving licence was at Swansea.

Mr Hazard gave the Panel a letter from his Doctor.

The respective parties then withdrew from the meeting room whilst the Panel considered this matter.

RESOLVED – 1) That the Panel had taken into account Mr Hazards statement and that he ran a business but had considered that concentration is the essence of good driving and as a result Mr Hazards Hackney Carriage and Private Hire Drivers licences be revoked.

2) That it be noted that Mr Hazard has a right of appeal against the decision.

Dear Mr Hazard

Re: Hackney Carriage Licence

I acknowledge receipt of your letter dated 27th March 2007, in which you refer to your appeal before Carlisle Magistrates Court on 23rd March 2007. On this date the Magistrates substituted the revocation of your licence with a 12 month suspension, together with a requirement to take the Driving Standards Agency Taxi test.

In the meantime you may retain your Hackney Carriage and Private Hire driving licences pending your appeal. Should you decide not to appeal, you must surrender your badges and licences to the Licensing Office by 13th April.

Should you have any queries please contact the Licensing Office.

Dear Sir

I refer to your recent complaint made against a taxi driver licensed with this Council.

The complaint related to an allegation that he was using a mobile phone whilst driving. The driver has been interviewed and the complaint put to him.

He denies the allegation, stating that he had his daughter in the car with him at the time and he wouldn't put her at risk by using his phone. He said he didn't think the complainant was telling lies, just genuinely mistaken.

Thank you for taking the trouble to inform us of this incident and I can assure you that all complaints are treated seriously and investigated. This incident will be recorded on the driver's file in the event that a similar complaint is reported.

Motoring Conviction

I note from your recent HC driver's renewal that you have been convicted of a motoring offence in February 2012. I can find no notification of this offence having been sent to the Council. As you are aware it is a condition of your code of practice that you notify the Council, in writing, of any offence within seven days.

I note that you have also failed to declare this offence on your statutory declaration and this is a criminal offence.

As it is 6 years since your last motoring offence I intend to deal with this matter by way of an official warning.

I must warn you therefore that should there be any further convictions, or failure to declare them to the Council or on your statutory declaration, you may be required to appear before the Regulatory Panel where the options available to the members include the suspension or revocation of your licence.

APPENDIX 7(c)

Interview with Simon Hazard 27.11.12

When was the Offence?

It happened on 22.3.12 travelling up London Rd. I was doing 34mph in a 30 zone. I had no passengers with me.

Why did you not report the penalty to the Licensing Department within 7 days of received it?

I wasn't aware I had to, I contested the offence and thought I only had to report it if it went to court.

I went to court on 7.9.12 & fined £200

We were contacted by Cumbria County Council on 2.11.12 to inform us your DVLA licence had been suspended, Why?

I did not have my licence on me in court. I was told to send it into them, which I did. The court sent it back to me and not the DVLA to endorse. As the DVLA did not receive my licence, it was suspended. It was the court at fault and I have some paperwork from them to prove it.

I will let you have this paperwork along with the motoring conviction declaration once I can find them at home. I will ask my mother to drop them in.

What did you do regarding your contract work during this time?

Scott Kennedy undertook my driving duties during my suspension, which was about 10 days.

When was your Driving Licence re-instated?

My licence was suspended for approximately 10 days – I cannot recall the dates but will look for the documentation and supply it. I received my licence in the post on Saturday 24th November 2012.

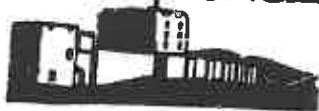

Licence was produced and copied

I also spoke to Barry Sharrock in August 2012 when I received my Hackney Drivers Badge regarding my PC30 conviction; I had not disclosed this on my statutory declaration. This was a mistake on my part.

At this stage I didn't disclose my speeding conviction as it was going to court.
