1. MANAGEMENT COMMITTEE

The first meeting of the Management Committee was held on 27 September 2001. We are working with a brand new method of Local Government and the initial difficulties involved were soon obvious. However the Committee showed good co-operation and a willingness to understand that more experience of the system would soon produce results.

2. TERMS OF REFERENCE

The Committee discussed the Terms of Reference and the role of the Overview and Scrutiny Management Committee. It was RESOLVED that:-

The Management Committee would be able, under the Council's Constitution, to scope Best Value reviews and allocate them to the appropriate Overview and Scrutiny Committee to carry out the reviews.

3. WORK PROGRAMME

The workload for the Overview and Scrutiny Committees was discussed and allocated on to the programmes.
