1. Forward Plan of Key Decisions of the Executive

- 1.1. The Forward Plan of the Executive, covering the period 1 September to 31 December 2009 was published on 17th August 2009.
- 1.2. The issues which fall within the remit of this Panel are as follows and full details are set out in Appendix 3:
 - i) Carlisle City Centre Conservation Area
This item is to be considered at this meeting of the Panel.
 - ii) Repairs to River Banks
Members are reminded that they took a decision at their meeting on 23rd July not to consider the Repairs to Riverbanks item.
 - iii) Designing Out Crime and Supplementary Planning Document
 - iv) Trees and Development Supplementary Planning Document
 - v) Local Development Framework – Statement of Community Involvement

Although the details of these items state that they are available to be considered at today's meeting, with the Chair's agreement it has been arranged that these items are available for scrutiny at the next meeting of the Panel on 22nd October 2009, prior to the decision to be taken by the Executive on 26th October 2009. Members are, therefore, asked to consider whether they wish to scrutinise items (iii), (iv) and (v) at their meeting on 22nd October.

- vi) Submitted Draft North West Plan Partial Review
- vii) Release of Local Authority Business Growth Initiative (LABGI) Funds to implement the Carlisle Economic Strategy

These items were only available for scrutiny at today's meeting. The Chair, after consulting with other Panel Members, decided to put (vii) on today's agenda but not scrutinise (vi).

- viii) Procurement of advice on Asset Management
For this item, Members are asked if they wish to consider it on 22nd October. Scrutiny of Asset Management is the responsibility of the Resources O&S Panel and so it may be most appropriate for Resources O&S Panel to decide whether or not to scrutinise the item on 15th October. If they decide to consider the report, the Resources O&S panel could invite two representatives of Economy and Environment along for that item.

2. Environment & Economy O&S Panel Development Session

2.1. It was agreed at the meeting of the Panel held on 11th June 2009 that a Development Session would be arranged for Members to develop the Panel's Work Programme and map out ideas for subject review work over the next 12 months. The session was arranged for 22nd July 2009 and notes of the session are attached at Appendix 2.

2.2. Panel Members are requested to:

- (a) Approve notes of Development Session and relevant amendments to the 2009/10 Work Programme.
- (b) Agree issues where the Panel would like to be further involved (listed under 3. *Topics for Review* in Appendix 2), and, if appropriate, nominate Members for Task and Finish Work.

3. Scrutiny Chairs Group and approval of Scrutiny Annual Report

3.1. Following consideration of the above items at all Scrutiny Panels during the last cycle (considered by Environment and Economy O&S Panel 23rd July 2009) it was subsequently agreed at a meeting of the Scrutiny Chairs on 28th July 2009:

- That the Scrutiny Chairs Group be made up of the Chairman and Vice Chairman of the three Overview and Scrutiny Panels;
- That minutes would be taken for all meetings of the Scrutiny Chairs Group;
- That a brief Terms of Reference would be produced for the Scrutiny Chairs Group based on the content of the report already circulated to the three Overview and Scrutiny Panels;
- That the Scrutiny Chairs Group would meet as and when required and could be called by any Member of the Group.
- That the proposed process for agreeing the Scrutiny Annual Report be agreed with the Report being formally considered by each of the three subject based Overview and Scrutiny Panels.

Notes of the above meeting of the Scrutiny Chairs have been circulated to all Scrutiny Members.

22nd July 2009

Present:

Cllr C Rutherford

Cllr M Styth

Cll F Robson

Cllr T Allison

Apologies:

Cllr N Farmer

Cllr J Bainbridge

Cllr A Glendinning

Cllr J Hendry

Members were informed that the purpose of the session was to:

- Review Work Programme
- Identify areas for Subject Review/Task and Finish work
- Identify Lead Members for topics
- Identity gaps in knowledge

1. General Discussion and Work Programme

Members started the session by having a general discussion on the workings of the Panel. Cllr Styth asked that the seating arrangements of the Chair and Vice-Chair be moved so that they sat in the middle of the front rather than to one side. It was agreed that this would be in place for the next meeting.

Cllr Robson raised that the timings of the workshops and other meetings were, at times, difficult to attend due to work commitments. It was asked that workshops be arranged on the same day as the

Panel meeting if possible. Scrutiny support would look into the possibility of providing a lunch for days where Members were asked to attend for full days.

Members agreed that they receive too many reports which they “note” and that items being scrutinised in the formal panel arena should be items where scrutiny can add value.

Task and Finish groups were discussed and generally Members felt that this was a positive way of working and enabled them to get really involved in a topic which could produce real outcomes. It was agreed that there should be more Task and Finish Groups over the next year.

Members also discussed the idea of having lead or specialist Member for topics, whereby a nominated Member would take the lead on an issue and outside of the formal panel meetings to build their knowledge and make sure that the Panel as a whole is better informed and more able to pursue proper scrutiny of the given area.

Members then looked at the current work programme and agreed the following amendments.

Item	Frequency 2009/10	Lead Member
Performance Monitoring Report	Quarterly	To be appointed at panel 23/7/09
Waste Services	Bi-Annual	To be appointed at panel 23/7/09
Environment		To be appointed at panel 23/7/09
Budget		To be appointed following Budget Scrutiny T&F Group
Kingmoor-Currock Cycleway		Scrutiny support to get update and circulate to Panel Members – take off work programme
Transformation		Move to completed items
Area Team Working		Circulate revised Members Handbook – not an agenda item
Making Space for Water		Update required 3/12/09
Core Strategy		Agenda 3/12/09
Movement Strategy		Update required 22/10/09
