Summary and Explanation

The Council's Constitution

The Council of the City of Carlisle has agreed a new constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 16 articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

Article 1 of the Constitution commits the Council to providing clear leadership to the community in partnership with citizens, businesses and other organisations and ensuring that local people are clear about how decisions are made and who is responsible for them. Articles 2 – 16 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2).
- Citizens and the Council (Article 3).
- The Council meeting (Article 4).
- Chairing the Council (Article 5).
- Overview and scrutiny of decisions (Article 6).
- The Executive (Article 7).
- Regulatory and other committees (Article 8).
- The Standards Committee (Article 9).
- Area committees (Article 10).
- Joint arrangements (Article 11).
- Officers (Article 12).
- Decision making (Article 13).
- Finance, contracts and legal matters (Article 14).
- Review and revision of the Constitution (Article 15).
- Suspension, interpretation and publication of the Constitution (Article 16).

How the Council operates

The Council is composed of 39 councillors with one-third elected three years in four. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Standards Committee trains and advises them on the code of conduct.

All councillors meet together as the Council. Meetings of the Council are normally open to the public. Here councillors decide the Council's overall policies and set the budget each year. The Council appoints the leader and he/she in turn appoints members of the executive and delegates powers and responsibilities to them. The Council also appoints committees such as the Licensing Committee and the Development Control Committee to carry out certain functions. The Council is also responsible for holding the executive to account for its actions and it does this by questioning members of the executive, by allowing the public to do the same and by holding "state of the City of Carlisle" debates. It also appoints overview and scrutiny committees to review the decisions of the executive and assist with the formulation of policy.

HOW DECISIONS ARE MADE

THE EXECUTIVE

The executive is the part of the Council which is responsible for most day-to-day decisions. The executive is made up of the leader, who is appointed by the Council, with at least two but not more than nine other Councillors whom he/she appoints to the executive. When major decisions are to be discussed or made, these are published in the executives' forward plan in so far as they can be anticipated. If these major decisions are to be discussed with Council officers present at a meeting of the executive, this will generally be open for the public to attend except where personal or confidential matters are being discussed. The executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

OVERVIEW AND SCRUTINY

There are overview and scrutiny committees who support the work of the executive and the Council as a whole. They allow citizens to have a greater say in Council matters by holding public inquiries into matters of local concern. These lead to reports and recommendations which advise the executive and the Council as a whole on its policies, budget and service delivery. Overview and scrutiny committees also monitor the decisions of the executive. They can 'call-in' a decision

which has been made by the executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the executive reconsider the decision. They may also be consulted by the executive or the Council on forthcoming decisions and the development of policy.

AREA COMMITTEES

In order to give local citizens a greater say in Council affairs, area committees can be created if the Council decides. No such committees have yet been established but if they are they will involve councillors for particular areas and will be held in public.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between officers and members of the Council.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific Council services, for example as a Council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- vote at local elections if they are registered;
- contact their local councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of executive;
- participate in the Council's question time and contribute to investigations by the overview and scrutiny committees;
- find out, from the executive's forward plan, what major decisions are to be discussed by the executive or decided by the executive or officers, and when;
- attend meetings of the executive where key decisions are being discussed or decided;

- see reports and background papers, and any record of decisions made by the Council and executive;
- complain to the Council about the way in which it delivers its services or it has dealt with individuals;
- complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- complain to the Council's Standards Committee if they have evidence which they think shows that a councillor has not followed the Council's Code of Conduct; and
- inspect the Council's accounts and make their views known to the external auditor.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact Democratic Services at the Civic Centre, Carlisle, CA3 8QG on telephone number 01228 817000.

Your rights as a citizen to inspect agendas and reports and attend meetings are also set out in the Access to Information Procedure Rules in Section 3 of this Constitution.

12. APPLICATION OF RULES TO THE EXECUTIVE

Rules 13 – 24 apply to the executive and its committees. If the executive or its committees meet to take a key decision then it must also comply with Rules 1 – 11 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. A key decision is as defined in Article 13.03 of this Constitution.

If the executive or its committees meet to discuss a key decision to be taken collectively, with an officer other than a political assistant present, within 28 days of the date according to the forward plan by which it is to be decided, then it must also comply with Rules 1 – 11 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. A key decision is as defined in Article 13.03 of this Constitution. This requirement does not include meetings, whose sole purpose is for officers to brief members.

13. PROCEDURE BEFORE TAKING KEY DECISIONS

Subject to Rule 15 (general exception) and Rule 16 (special urgency), a key decision may not be taken unless:

- (a) a notice (called here a forward plan) has been published in connection with the matter in question;
- (b) at least 5 clear days have elapsed since the publication of the forward plan; and
- (c) where the decision is to be taken at a meeting of the executive or its committees, notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

14. THE FORWARD PLAN

14.1 Period of forward plan

Forward plans will be prepared by the leader to cover a period of twenty eight days before the decision is taken. They will be prepared on a monthly basis and subsequent plans will cover a period beginning with the first day of the second month covered in the preceding plan.

14.2 Contents of forward plan

The forward plan will contain matters which the leader has reason to believe will be subject of a key decision to be taken by the executive, a committee of the executive, individual members of the executive, officers, area committees or under joint arrangements in the course of the discharge of an executive function during the period covered by the plan. It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- (a) that a key decision is to be made on behalf of the relevant local authority;

(b) the matter in respect of which the decision is to be made;

(c) where the decision maker is an individual, that individual's name, and title if any and, where the decision maker is a decision-making body, its name and a list of its members;

(d) the date on which, or the period within which, the decision is to be made;

(e) a list of the documents submitted to the decision maker for consideration in relation to the matter in respect of which the key decision is to be made;

(f) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;

(g) that other documents relevant to those matters may be submitted to the decision maker; and

(h) the procedure for requesting details of those documents (if any) as they become available.

The forward plan must be published at least 28 clear days before a key decision is made and must be available for inspection by the public at the Council's offices and on its website.

Exempt information need not be included in a forward plan and confidential information cannot be included.

15. GENERAL EXCEPTION

If a matter which is likely to be a key decision has not been included in the forward plan, then subject to Rule 16 (special urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and until the start of the next period to which the next forward plan relates;

- (b) the proper officer has informed the chair of a relevant overview and scrutiny committee, or if there is no such person, each member of that committee in writing, by notice, of the matter to which the decision is to be made;
- (c) the proper officer has made copies of that notice available to the public at the offices of the Council; and
- (d) at least 5 clear days have elapsed since the proper officer complied with (b) and (c).

Where such a decision is taken collectively, it must be taken in public unless it relates to either confidential or exempt information as defined in Rule 10.

16. SPECIAL URGENCY

If by virtue of the date by which a decision must be taken Rule 15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the chair of the body making the decision, obtains the agreement of the chair of a relevant overview and scrutiny committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant overview and scrutiny committee, or if the chair of each relevant overview and scrutiny committee is unable to act, then the agreement of the chairman of the Council, or in his/her absence the vice chairman will suffice.

17. REPORT TO COUNCIL

17.1 When an overview and scrutiny committee can require a report

If an overview and scrutiny committee thinks that a key decision has been taken which was not:

- (a) included in the forward plan; or
- (b) the subject of the general exception procedure; or
- (c) the subject of an agreement with a relevant overview and scrutiny committee chair, or the chairman/vice chairman of the Council under Rule 16; the committee may require the executive to submit a report to the Council within such reasonable time as the committee specifies. The power to require a report rests with the committee, but is also delegated to the proper officer, who shall require such a report on behalf of the committee when so requested by the chairman or any 5 members. Alternatively, the requirement may be raised by resolution passed at a meeting of the relevant overview and scrutiny committee.

17.2 Executive's report to Council

The executive will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the committee, then the report

may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the leader is of the opinion that it was not a key decision the reasons for that opinion.

17.3 Quarterly reports on special urgency decisions

In any event the leader will submit quarterly reports to the Council on the executive decisions taken in the circumstances set out in Rule 16 (special urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

18. RECORD OF DECISIONS

After any meeting of the executive or any of its committees, whether held in public or private, the Corporate Director of Governance and Regulatory Services or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

19. EXECUTIVE MEETINGS RELATING TO MATTERS WHICH ARE NOT KEY DECISIONS

The executive will decide whether meetings relating to matters which are not key decisions will be held in public or private. However, in considering whether to hold a meeting in public, the executive will have regard to the principles of efficiency, transparency and accountability and the presumption in favour of openness referred to in Article 13 of this Constitution and the presumption will be that all meetings of the executive will be held in public unless confidential or exempt information is being considered.

20. NOTICE OF PRIVATE MEETING OF THE EXECUTIVE

Members of the executive or its committees will be entitled to receive five clear working days' notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

Where an overview and scrutiny committee does not have a chair, the notice will be served on all the members of that committee.
- (b) Where a matter under consideration at a private meeting of the executive, or a committee of it, is within the remit of an overview and scrutiny committee/ sub-committee, the chair of that committee or in his/her absence the vice chair may attend that private meeting with the consent of the person presiding, and speak.

OFFICERS

- (a) The head of the paid service, the chief financial officer and the monitoring officer, and their nominees are entitled to attend any meeting of the executive and its committees. The executive may not meet unless the Corporate Director of Governance and Regulatory Services has been given reasonable notice that a meeting is to take place.
- (b) A private executive meeting may only take place in the presence of the Corporate Director of Governance and Regulatory Services or his/her nominee with responsibility for recording and publicising the decisions.

In all of the above examples, the provisions of Rule 18 (recording and publicising decisions) will apply.

22. DECISIONS BY INDIVIDUAL MEMBERS OF THE EXECUTIVE

22.1 Reports intended to be taken into account

Where an individual member of the executive receives a report which he/she intends to take into account in making any key decision, then he/she will not make the decision until at least 5 clear days after receipt of that report.

22.2 Provision of copies of reports to overview and scrutiny committees

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the chair of every relevant overview and scrutiny committee as soon as reasonably practicable, and make it publicly available at the same time.

22.3 Record of individual decision

As soon as reasonably practicable after an executive decision has been taken by an individual member of the executive or a key decision has been taken by an officer, he/she will prepare, or instruct the Corporate Director of Governance and Regulatory Services to prepare, a record of the decision, a statement of the

reasons for it and any alternative options considered and rejected. The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual members of the executive. This does not require the disclosure of exempt or confidential information or advice from a political or mayor's assistant.

23. OVERVIEW AND SCRUTINY COMMITTEES ACCESS TO DOCUMENTS

23.1 Rights to copies

Subject to Rule 23.2 below, an overview and scrutiny committee (including its sub-committees) will be entitled to copies of any document which is in the possession or control of the executive or its committees and which contains material relating to

- (a) any business transacted at a public or private meeting of the executive or its committees; or

All members will be entitled to inspect any document which is in the possession or under the control of the executive or its committees and contains material relating to any business previously transacted at a private meeting unless either (a) or (b) below applies.

24.3 **Nature of rights**

These rights of a member are additional to any other right he/she may have.

The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the executive to implement it.

The process by which the budget and policy framework shall be developed is:

The chairs of overview and scrutiny committees will also be notified. The consultation period shall in each instance be not less than 4 weeks.
- (b) At the end of that period, the executive will then draw up firm proposals having regard to the responses to that consultation. If a relevant overview and scrutiny committee wishes to respond to the executive in that consultation process then it may do so. As the overview and scrutiny committees have responsibility for fixing their own work programme, it is open to the overview and scrutiny committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The executive will take any response from an overview and scrutiny committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the executive's response.
- (c) Once the executive has approved the firm proposals, they shall be referred at the earliest opportunity to the Council for decision.
- (d) Where the Executive has referred a draft plan or strategy as defined in paragraph 2 of the Local Authorities (Standing Orders) (England) Regulations 2001 ("plan or strategy") to the Council for its consideration and, if following consideration of that draft plan or strategy, the Council has no objections to it, the Council may make a decision which has immediate effect. Otherwise, if the Council has any objections to it, the Council must take the action set out in paragraph (e) below. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.

 - ii) estimates of other amounts to be used for the purposes of such a calculation;
 - iii) estimates of such a calculation; or
 - iv) amounts required to be stated in a precept under Chapter IV of Part I of the Local Government Finance Act 1992,

and following consideration of those estimates or amounts if the Council has no objections to them the Council may make a decision having immediate effect. Otherwise if the Council has any objections to them, it must take the action set out in paragraph (j) below. In either case the decision will be made on the basis of a simple majority of votes cast at the meeting.

- (n) Paragraphs (i) to (l) shall not apply in relation to the following duties in relation to the Council Tax:
 - i) calculations or substitute calculations which the Council is required to make in accordance with Section 52I, 52J or 52U of the Local Government Finance Act 1992; and
 - ii) amounts stated in a precept issued to give effect to calculations or substitute calculations made in accordance with Section 52J or 52U of that Act.
- (o) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the executive, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). - (a) Subject to the provisions of paragraph 5 (viement) the executive, committees of the executive, individual members of the executive and any officers, area committees or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to paragraph 4 below.
- (b) If the executive, committees of the executive, individual members of the executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the monitoring officer and/or the chief financial officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

4. Urgent decisions outside the budget or policy framework

- (a) The executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:

 - ii) if the chair of a relevant overview and scrutiny committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the chair of the relevant overview and scrutiny committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chair of a relevant overview and scrutiny committee the consent of the mayor, and in the absence of both the deputy mayor, will be sufficient.

- (b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

- (a) The Council shall have the budget heads as set out in the Council's Financial Procedure Rules contained in Section 4 of this Constitution
- (b) Steps taken by the executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, such bodies or individuals shall be entitled to vire across budget heads in accordance with Rules set out in the Council's Financial Procedure Rules contained in Section 4 of this Constitution. Beyond that limit, approval to any virement across budget heads shall require the approval of the full Council.

6. In-year changes to policy framework

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

7. Call-in of decisions outside the budget or policy framework

- (a) Where an overview and scrutiny committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the monitoring officer and/or chief financial officer.
- (b) In respect of functions which are the responsibility of the executive, the monitoring officer's report and/or chief financial officer's report shall be to the executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the executive must meet to decide what action to take in respect of the monitoring officer's report and to prepare a report to Council in the event that the monitoring officer or the chief finance officer conclude that the decision was a departure, and to the overview and scrutiny

committee if the monitoring officer or the chief finance officer conclude that the decision was not a departure.

- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the monitoring officer and/or the chief financial officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the overview and scrutiny committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 10 days of the request by the overview and scrutiny committee. At the meeting it will receive a report of the decision or proposals and the advice of the monitoring officer and/or the chief financial officer. The Council may either:
- i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way;

Or,

- ii) amend the Council's financial regulations or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way;

Or

- iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the executive to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Financial Officer.

Executive Procedure Rules

1. How does the executive operate?

1.1 Who may make executive decisions?

The arrangements for the discharge of executive functions may be set out in the executive arrangements adopted by the Council. If they are not set out there, then the leader may decide how they are to be exercised. In either case, the arrangements or the leader may provide for executive functions to be discharged by:

- i) the executive as a whole;
- ii) a committee of the executive;
- iii) an individual member of the executive;
- iv) an officer;
- v) an area committee;
- vi) joint arrangements; or
- vii) another local authority.

1.2 Delegation by the leader

At the annual meeting of the Council, the leader will present to the Council a written record of delegations made by him/her for inclusion in the Council's scheme of delegation at Section 2 to this Constitution. The document presented by the leader will contain the following information about executive functions in relation to the coming year:

- i) the names, addresses and wards of the people appointed to the executive by the leader;
- ii) the extent of any authority delegated to executive members individually, including details of the limitation on their authority, and this may include the nomination of a deputy leader to undertake the functions of the leader when he/she is absent or otherwise unavailable to act for any reason.
- iii) the terms of reference and constitution of such executive committees as the leader appoints and the names of executive members appointed to them;
- iv) the nature and extent of any delegation of executive functions to area committees, any other authority or any joint arrangements and the names of those executive members appointed to any joint committee for the coming year; and

- v) the nature and extent of any delegation to officers with details of any limitation on that delegation, and the title of the officer to whom the delegation is made.

1.3 **Sub-delegation of executive functions**

- (a) Where the executive, a committee of the executive or an individual member of the executive is responsible for an executive function, they may delegate further to an area committee, joint arrangements or an officer.
- (b) Unless the Council directs otherwise, if the leader delegates functions to the executive, then the executive may delegate further to a committee of the executive or to an officer.
- (c) Unless the leader directs otherwise, a committee of the executive to whom functions have been delegated by the leader may delegate further to an officer.
- (d) Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

1.4 **The Council's scheme of delegation and executive functions**

- (a) Subject to (b) below the Council's scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.
- (b) If the leader is able to decide whether to delegate executive functions, he/she may amend the scheme of delegation relating to executive functions at any time during the year. To do so, the leader must give written notice to the proper officer and to the person, body or committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the executive as a whole. The proper officer will present a report to the next ordinary meeting of the Council setting out the changes made by the leader.
- (c) Where the leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he/she has served it on its chair.

1.5 **Conflicts of Interest**

- (a) Where the leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Section 7 of this Constitution.
- (b) If every member of the executive has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Section 7 of this Constitution.
- (c) If the exercise of an executive function has been delegated to a committee of the executive, an individual member or an officer, and should a conflict of interest

arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Members in Section 7 of this Constitution.

1.6 Executive meetings – when and where?

The executive will meet at least 13 times per year at times to be agreed by the leader. The leader may call additional meetings at his/her discretion. The executive shall meet at the Council's main offices or another location to be agreed by the leader.

1.7 Public or private meetings of the executive?

Whether a meeting of the executive will be held in public or in private will be decided in accordance with the Access to Information Rules in Section 3 of this Constitution and the principles of decision making in Article 13.

1.8 Quorum

The quorum for a meeting of the executive, or a committee of it, shall be one quarter of the total number of members of the executive (including the leader), or 3 including the leader, whichever is the larger, but the leader need not be present at such a meeting for there to be a quorum.

1.9 How are decisions to be taken by the executive?

- (a) Executive decisions which have been delegated to the executive as a whole will be taken at a meeting convened in accordance with the Access to Information Rules in Section 3 of the Constitution.
- (b) Any matter will be decided by a simple majority of those members of the executive voting and present in the room at the time the question was put.
- (c) If there are equal numbers of votes for and against, the person presiding will have a second or casting vote. There will be no restriction on how the person presiding chooses to exercise a casting vote.
- (d) The person presiding will take the vote by show of hands, or if there is no dissent, by the affirmation of the meeting.
- (e) Where any member of the executive requests it immediately after the vote is taken, their vote will be so recorded in the minutes to show whether they voted for or against the motion or abstained from voting.
- (f) Where executive decisions are delegated to a committee of the executive, the rules applying to executive decisions taken by them shall be the same as those applying to those taken by the executive as a whole.

2. HOW ARE EXECUTIVE MEETINGS CONDUCTED?

2.1 **Who presides?**

If the leader is present he/she will preside. In his/her absence, then the deputy leader, if one has been nominated, will preside. If the leader and (if one has been nominated) the deputy leader are absent then a person appointed to do so by those present shall preside.

2.2 **Who may attend?**

Attendance at public and private meetings of the executive will be as set out in the Access to Information Rules in Section 3 of this Constitution.

2.3 **What business?**

At each meeting of the executive the following business will be conducted:

- i) consideration of the minutes of the last meeting;
- ii) declarations of interest, if any;
- iii) matters referred to the executive (whether by an overview and scrutiny committee or by the Council) for reconsideration by the executive in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4 of this Constitution;
- iv) consideration of reports from overview and scrutiny committees; and
- v) matters set out in the agenda for the meeting, and which shall indicate which are key decisions and which are not in accordance with the Access to Information Procedure rules set out in Part 4 of this Constitution.

2.4 **Consultation**

All reports to the executive from any member of the executive or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant overview and scrutiny committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 **Who can put items on the executive agenda?**

- (a) The leader will decide upon the schedule for the meetings of the executive. He/she may put on the agenda of any executive meeting any matter which he/she wishes, whether or not authority has been delegated to the executive, a committee of it or any member or officer in respect of that matter. The proper officer will comply with the leader's requests in this respect.

- (b) The proper officer will make sure that an item is placed on the agenda of the next available meeting of the executive where a relevant overview and scrutiny committee or the full Council have resolved that an item be considered by the executive.
- (c) Any member of the Council may ask the leader to put an item on the agenda of an executive meeting for consideration, and if the leader agrees the item will be considered at the next available meeting of the executive. The notice of the meeting will give the name of the Councillor who asked for the item to be considered. This individual will be invited to attend the meeting, whether or not it is a public meeting.
- (d) The monitoring officer and/or the chief financial officer and/or the head of paid service may include an item for consideration on the agenda of an executive meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the head of paid service, chief financial officer and monitoring officer are of the opinion that a meeting of the executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an executive meeting. If there is no meeting of the executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

2.6 **Recording of Meetings**

- (a) While any meeting is open to the public, any person present is permitted to report the proceedings by:
 - i. filming, photographing or making an audio recording of the proceedings at the meeting;
 - ii. using any other means for enabling persons not present to see or hear proceedings at the meeting as it takes place or later;
 - iii. reporting or providing commentary on proceedings at the meeting orally (but not whilst present in the meeting) or in writing, so that the report or commentary is available to other persons as the meeting takes place or later; or
 - iv. using any communication method, including the internet, to publish, post or otherwise share the report.
- (b) The right to report is subject to the person presiding's power to deal with disturbance at the meeting. The meeting should not be disrupted by, for example, reporting activities, flash photography or intrusive equipment.
- (c) Any person recording a meeting is requested to focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. No

recording should take place of children, vulnerable persons or other members of the public who actively object to being filmed.

Overview and Scrutiny Procedure Rules

1. What will be the number and arrangements for overview and scrutiny committees?

The Council has overview and scrutiny committees (which will be called Scrutiny Panels) with the terms of reference and functions set out in Article 6 and whose scope is more particularly described in the Table to these Rules and will appoint to them as it considers appropriate from time to time. Such committees may appoint sub-committees. Overview and Scrutiny committees may also be appointed for a fixed period, on the expiry of which they shall cease to exist.

2. Membership of overview and scrutiny committees

All councillors except members of the executive may be members of an overview and scrutiny committee. However, no member may be involved in scrutinising a decision with which they have been directly involved. Each overview and scrutiny committee shall comprise eight Members and shall be politically balanced.

3. Co-optees

Each overview and scrutiny committee or sub-committee shall be entitled to recommend to Council the appointment of a number of people as non-voting co-optees.

4. Meetings of the overview and scrutiny committees

There shall be at least one ordinary meeting of the People and Place overview and scrutiny committee every six weeks and at least three meetings of the Resources overview and scrutiny committee on a schedule approved by the Council. In addition, extraordinary meetings of the overview and scrutiny committees may be called from time to time as and when appropriate. Any overview and scrutiny committee acting as the Council's Crime and Disorder Committee under the Police and Justice Act 2006 shall meet no less than once every twelve months (or otherwise as legislation may require) to discharge the Council's functions and responsibilities under the said Act. An overview and scrutiny committee meeting may be called by the chair of the relevant overview and scrutiny committee, or by the proper officer if he/she considers it necessary or appropriate.

5. Quorum

The quorum for an overview and scrutiny committee shall be as set out for committees in the Council Procedure Rules in Section 3 of this Constitution.

6. Who chairs overview and scrutiny committee meetings?

Chairs and vice chairs of overview and scrutiny committees/sub-committees will be drawn from among the councillors sitting on the committee/sub-committee, and subject to this requirement, will be appointed at the Annual Council meeting. The Council requires that each of the two largest political groups has one overview and scrutiny chair and one vice-chair (on separate committees where possible) to be decided in discussion by the leaders of the two largest political groups and, in the absence of agreement, then the Council will decide the appointments in such manner as it determines. The remaining Chair and Vice-Chair appointments to be decided by the Council in such manner as it determines.

7. Work programme

The overview and scrutiny committees/sub-committees will, subject to any requests from the Council, be responsible for setting their own work programme and in doing so they shall take into account wishes of members on that committee who are not members of the largest political group on the Council.

8. Agenda items

Any member of an overview and scrutiny committee or sub-committee shall be entitled to give notice to the Proper Officer that they wish an item relevant to the functions of the committee or sub-committee to be included on the agenda for the next available meeting of the committee or sub-committee. On receipt of such a request the Proper Officer will ensure that it is included on the next available agenda.

Any six members of the Council who are not members of an overview and scrutiny committee may give written notice to the proper officer that they wish an item to be included on the agenda of a relevant overview and scrutiny committee. If the proper officer receives such a notification, then he/she will include the item on the first available agenda of the relevant overview and scrutiny committee for consideration by the committee.

Any member of the Council who is not a member of an overview and scrutiny committee may give written notice to the proper officer that he/she wishes an item in respect of any "local government matter" (as defined in section 21A of the Local Government Act 2000) relevant to the Committee's functions to be included on the agenda of a relevant overview and scrutiny committee. If the proper officer receives such a notification, then he/she will include the item on the first available agenda of the relevant overview and scrutiny committee for

consideration by the committee who shall deal with the matter in accordance with section 21A of the said Act.

Any member of the Council who is not a member of the authority's crime and disorder committee may give written notice to the proper officer that he/she wishes an item in respect of any "local crime and disorder matter" (as defined in section 19 of the Police and Justice Act 2006) to be included on the agenda of the crime and disorder committee. If the proper officer receives such a notification then they will include the item on the first available agenda of the committee for consideration by the committee who shall deal with the matter in accordance with the said Act or any relevant regulations or guidance. This will include making a report or recommendations to the Council with respect to any local crime and disorder matter which might be raised by a member of the Council in accordance with these provisions.

The overview and scrutiny committees shall also respond, as soon as their work programme permits, to requests from the Council and if they consider it appropriate the executive to review particular areas of Council activity. Where they do so, the overview and scrutiny committees shall report their findings and any recommendations back to the executive and/or Council. The Council and/or the executive shall consider the report of an overview and scrutiny committee within one month of receiving it.

9. Policy review and development

- (a) The role of the overview and scrutiny committees in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules.
- (b) In relation to the development of the Council's approach to other matters not forming part of its policy and budget framework, overview and scrutiny committees or sub-committees may make proposals to the executive for developments in so far as they relate to matters within their terms of reference.
- (c) Overview and scrutiny committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

10. Reports from overview and scrutiny committees

- (a) Once they have formed recommendations on proposals for development, the overview and scrutiny committees will prepare a formal report and submit it to the proper officer for consideration by the executive (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework).
- (b) If an overview and scrutiny committee cannot agree on one single final report to the Council or executive as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or executive with the majority report.
- (c) The Council or executive shall consider the report of the overview and scrutiny committee within one month of it being submitted to the proper officer.

11. Making sure that overview and scrutiny reports are considered by the executive

- (a) Once an overview and scrutiny committee has completed its deliberations on any matter it will forward a copy of its final report to the proper officer who will allocate it to either or both the executive and the Council for consideration, according to whether the contents of the report would have implications for the Council's budget and policy framework.
 - (i) If the proper officer refers the matter to Council, he/she will also serve a copy on the leader with notice that the matter is to be referred to Council. The executive will have 4 weeks in which to respond to the overview and scrutiny report, and the Council shall not consider it within that period. When the Council does meet to consider any referral from an overview and scrutiny committee on a matter which would impact on the budget and policy framework, it shall also consider the response of the executive to the overview and scrutiny proposals.
 - (ii) If the Proper Officer refers the matter to the Executive it shall be included on the agenda of the next available meeting of the executive unless the matter which is the subject of the report is scheduled to be considered by the executive within a period of 4 weeks from the date the report was adopted by the overview and scrutiny committee. In such cases, the report of the overview and scrutiny committee shall be considered by the executive when that matter is scheduled to be considered by the Executive. If for any reason the executive does not consider the overview and scrutiny report within 4 weeks then the matter will be referred to Council for review, and the proper officer will call a Council meeting to consider the report and make a recommendation to the executive.
- (b) Where an overview and scrutiny committee or sub-committee prepares a report for consideration by the executive in relation to a matter where the leader has delegated decision making power to another individual member of the executive,

then the overview and scrutiny committee will submit a copy of their report to that individual for consideration. At the time of doing so, the overview and scrutiny committee shall serve a copy on the proper officer and the leader. If the member with delegated decision making power does not accept the recommendations of the overview and scrutiny committee then he/she must then refer the matter to the next available meeting of the executive for debate before exercising his/her decision making power and responding to the report in writing to the overview and scrutiny committee. The executive member to whom the decision making power has been delegated will respond to the overview and scrutiny committee within 4 weeks of receiving it. A copy of his/her written response to it shall be sent to the proper officer and he/she will attend a future meeting to respond.

12. Rights of overview and scrutiny committee members to documents

- (a) In addition to their rights as councillors, members of overview and scrutiny committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Section 3 of this Constitution.
- (b) Nothing in this paragraph prevents more detailed liaison between the executive and overview and scrutiny committees as appropriate depending on the particular matter under consideration.

13. Members and officers giving account

- (a) Any overview and scrutiny committee or sub-committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require any member of the executive, the head of paid service and/or any senior officer as defined below to attend before it to explain in relation to matters within their remit:
 - i) any particular decision or series of decisions;
 - ii) the extent to which the actions taken implement Council policy; and/or
 - iii) their performance.

and it is the duty of those persons to attend if so required.

For the purposes of this paragraph 13(a) the expression "senior officer" means any officer who is employed by the Council at not below Principal Officer level and shall not normally be below the level of Director unless he/she has a particular expertise or knowledge which is of assistance to the overview and scrutiny committee or sub-committee.

- (b) Where any member or officer is required to attend an overview and scrutiny committee under this provision, the chair of that committee will inform the proper officer. The proper officer shall inform the member or officer in writing giving at least 5 clear working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the overview and scrutiny committee shall in consultation with the member or officer arrange an alternative date for attendance.

14. Attendance by others

An overview and scrutiny committee may invite people other than those people referred to in paragraph 13 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

15. Call-in

- (a) When a decision is made by the executive, an individual member of the executive or a committee of the executive, or a key decision is made by an officer with delegated authority from the executive, or an area committee or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 working days of being made. Chairs of all overview and scrutiny committees will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.
- (b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 clear working days after the publication of the decision, unless an overview and scrutiny committee objects to it and calls it in.
- (c) During that period, the Proper Officer shall call-in a decision for scrutiny by the committee if so requested by the chair or any three members (including substitute members) of the committee, and shall then notify the decision-taker of the call-in. They shall call a meeting of the committee on such date as they may determine, where possible after consultation with the chair of the committee, and in any case within 10 clear working days of the decision to call-in unless it is agreed by all relevant parties that the decision which has been called in may be

scrutinised at the next scheduled meeting of the overview and scrutiny committee.

- (d) If, having considered the decision, the overview and scrutiny committee is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. If referred to the decision maker they shall then reconsider within a further 7 clear working days, amending the decision or not, before adopting a final decision.
- (e) If following an objection to the decision, the overview and scrutiny committee does not meet in the period set out in paragraph (c) above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the overview and scrutiny meeting, or the expiry of that further 7 clear working day period, whichever is the earlier.
- (f) If the matter was referred to full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the executive as a whole or a committee of it, a meeting will be convened to reconsider within 7 clear working days of the Council request. Where the decision was made by an individual, the individual will reconsider within 7 clear working days of the Council request.
- (g) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.
- (h) Where an executive decision has been taken by an area committee, then the right of call-in shall extend to any three members of another area committee if they are of the opinion that the decision made but not implemented will have an adverse effect on the area to which their committee relates. In such cases, those

three members may request the proper officer to call-in the decision. He/she shall call a meeting of the relevant overview and scrutiny committee on such a date as he/she may determine, where possible after consultation with the chairman of the committee, and in any case within seven clear working days of the decision to call-in. All other provisions relating to call in shall apply as if the call in had been exercised by members of a relevant overview and scrutiny committee.

Call-In and Urgency

- (i) The call-in procedure set out above shall not apply where the decision being taken by the executive is urgent. A decision will be urgent if any delay likely to be caused by the call in process would seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The chairman of the Council must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the chairman, the vice-chair's consent shall be required. In the absence of both, the head of paid service or his/her nominee's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- (j) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

16. The party whip

"The Party Whip" means *"Any instruction given by or on behalf of a political group to any councillor who is a member of that group as to how that councillor shall speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that councillor should he/she speak or vote in any particular manner"*.

When considering any matter in respect of which a member of an overview and scrutiny committee is subject to a party whip the member must declare the existence of the whip, and the nature of it before the commencement of the committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

17. Procedure at overview and scrutiny committee meetings

- (a) Overview and scrutiny committees and sub-committees shall consider the following business:
 - i) minutes of the last meeting;
 - ii) declarations of interest (including whipping declarations);
 - iii) consideration of any matter referred to the committee for a decision in relation to call in of a decision;
 - iv) responses of the executive to report of the overview and scrutiny committee; and

- v) the business otherwise set out on the agenda for the meeting.
- (b) Where the overview and scrutiny committee conducts investigations (e.g. with a view to policy development), the committee may also ask people to attend to give evidence at committee meetings which are to be conducted in accordance with the following principles:
 - i) that the investigation be conducted fairly and all members of the committee be given the opportunity to ask questions of attendees, and to contribute and speak;
 - ii) that those assisting the committee by giving evidence be treated with respect and courtesy; and
 - iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- (c) Following any investigation or review, the committee/sub-committee shall prepare a report, for submission to the executive and/or Council as appropriate and shall make its report and findings public.

18. Matters within the remit of more than one overview and scrutiny committee

Where an overview and scrutiny committee conducts a review or scrutinises a matter which also falls (whether in whole or in part) within the remit of another overview and scrutiny committee, then the committee conducting the review shall invite the chair of the other committee (or his/her nominee) to attend its meetings when the matter is being reviewed.

- 5.4 The Head of Paid Service represents the Council on partnership and external bodies, in accordance with the scheme of delegation.
- 5.5 The Monitoring Officer must consider the overall corporate governance arrangements and legal issues when arranging contracts with external bodies. He must ensure that the risks have been fully appraised before agreements are entered into with external bodies.
- 5.6 The Corporate Director of Finance and Resources is responsible for promoting and maintaining the same high standards of conduct with regard to financial administration in partnerships that apply throughout the Council and must ensure that the accounting arrangements to be adopted relating to partnerships and joint ventures are satisfactory.

5.7 Directors are responsible for ensuring that appropriate approvals are obtained before any negotiations are concluded in relation to work with external bodies.

External Funding

5.8 The Corporate Director of Finance and Resources is responsible for ensuring that all funding notified by external bodies is received and properly recorded in the Council's accounts.

Work for Third Parties

5.9 The Executive is responsible for approving the contractual arrangements for any work for third parties or external bodies.

Appendices

Appendix A: Financial Management

Financial Management Standards

Why is this important?

A.1 All staff and Members have a duty to abide by the highest standards of probity in dealing with financial issues. This is facilitated by ensuring that everyone is clear about the standards to which they are working and the controls that are in place to ensure that these standards are met.

Key controls

A.2 The key controls and control objectives for financial management standards are:

- their promotion throughout the Council;
- a monitoring system to review compliance with financial standards; and
- regular comparisons of performance indicators and benchmark standards that are reported to the Executive and Council.

Responsibilities of the Corporate Director of Finance and Resources

A.3 To ensure the proper administration of the financial affairs of the Council.

A.4 To set the financial management standards and to monitor compliance with them.

A.5 To ensure proper professional practices are adhered to and to act as the lead officer in relation to the standards, performance and development of finance staff throughout the Council.

- A.6 To advise on the key strategic controls necessary to secure sound financial management.
- A.7 To ensure that financial information is available to enable accurate and timely monitoring and reporting of comparisons of national and local financial performance indicators.

Responsibilities of Directors

- A.8 To promote the financial management standards set by the Corporate Director of Finance and Resources in their Directorates and to monitor adherence to the standards and practices, liaising as necessary with the Corporate Director of Finance and Resources.
- A.9 To promote sound financial practices in relation to the standards, performance and development of staff in their Directorates.

Managing Expenditure

Scheme of virement

Why is this important?

A.10 The scheme of virement is intended to enable the Executive, Portfolio Holders, Directors and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the Council, and therefore to optimise the use of resources.

Key controls

A.11 The scheme of virement is administered by the Corporate Director of Finance and Resources within guidelines set by the Council. Any variation from this scheme requires the approval of the Council.

A.12 The overall budget is agreed by the Executive and approved by the Council. The Executive, Portfolio Holders, Directors and budget managers are therefore authorised to incur expenditure in accordance with the estimates that make up the budget. The rules below cover virement; that is, switching resources between approved estimates or heads of expenditure.

A.13 Virement must not create additional overall budget liability. The Executive, Portfolio Holders and Directors are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not incur recurring expenditure from one-off sources of savings or additional income, nor create future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Budget managers must plan to fund such commitments from within their own budgets.

A.14 Virement that is likely to impact on the level of service activity of another Director should be implemented only after agreement with the relevant Director.

A.15 No virement relating to a specific financial year can be made after 31 March in that year (refer to treatment of year-end balances section below).

A.16 Where an approved budget is a lump-sum budget or contingency intended for allocation during the year, its allocation will not be treated as a virement, provided that:

- the amount is used in accordance with the purpose for which it has been established;
- the Executive has approved the basis and the terms, including financial limits, on which it will be allocated. Individual allocations in excess of amounts provided should be reported to the Executive.

A.17 The virement limits apply equally to:

- Virements between budgets of different accountable Portfolio Holders/Directors (although relevant Deputy Chief Executive approval will be required);
- Virements from either controllable or uncontrollable budgets (as determined by the Corporate Director of Finance and Resources).

A.18 The virement limits apply in total i.e. a maximum of £35,000 from any one budget head per annum can be vired without the approval of the Executive or Council.

A.19 The Corporate Director of Finance and Resources may recommend that the virement procedures be suspended if overall corporate budgetary constraints should necessitate it.

Responsibilities of the Corporate Director of Finance and Resources

A.20 To prepare jointly with the Director a report to the Executive where virement in excess of £35,000 is proposed, or to the Council for sums in excess of £70,000.

- A.21 To authorise all proposed exercise of virement for items under £35,000 (in all cases a formal virement request form must be completed).
- A.22 To ensure that the limit applies in total i.e. a maximum of £35,000 from any one budget head per annum can be vired without the approval of the Executive or the Council.
- A.23 To monitor and report to the Executive and the Business and Transformation Scrutiny Panel on the exercise of virement on a quarterly basis.

Responsibilities of the Executive, Portfolio Holders and Directors

- A.24 The Executive, a Portfolio Holder or Directors may exercise virement on budgets under their control for amounts up to £35,000 on any budget head during the year. Prior authorisation is required from the Corporate Director of Finance and Resources together with completion of the formal virement request form. Formal consultation with other Directors and Portfolio Holders will be required as appropriate.
- A.25 Amounts greater than £35,000 require the approval of the Executive, following a joint report by the Corporate Director of Finance and Resources and the Director, which must specify the proposed expenditure and the source of funding, and must explain the implications in the current and future financial years. Amounts greater than £70,000 require the approval of the Council.

Treatment of year-end balances

Why is this important?

- A.26 The rules below cover arrangements for the transfer of resources between one accounting year to another, i.e. a carry-forward. The scheme is administered by the Corporate Director of Finance and Resources within guidelines set by the Council. Any variation from the scheme requires the approval of the Council.

Key controls

- A.27 All requests for carry forward of unspent budgets must be submitted to the Corporate Director of Finance and Resources.
- A.28 Appropriate accounting procedures will be set by the Corporate Director of Finance and Resources to ensure that carried-forward totals are correct. Underspends or savings will be calculated by reference to controllable costs as determined by the Corporate Director of Finance and Resources, and no carry forward requests will be authorised without Executive and Council approval where a Directorate overspends its controllable budget.
- A.29 The accounting mechanism for the carry forward is the granting of a supplementary estimate funded from underspends or savings in the previous year.
- A.30 The Corporate Director of Finance and Resources may recommend the procedures for carry forward be suspended if overall budgetary constraints should necessitate it.

Responsibilities of the Corporate Director of Finance and Resources

- A.31 To administer the scheme of carry-forward within the guidelines approved by the Council.
- A.32 To report all overspending and underspending on service estimates carried forward to the Executive, Business and Transformation Scrutiny Panel and to the Council.
- A.33 To authorise carry forward requests in full where it relates to a specific committed item of expenditure where, due to external or other factors, the Director has been unable to spend the approved budget by 31 March. The use of the resource will be restricted to the purpose for which the estimate was originally approved. The carry forward will only be approved by the Corporate Director of Finance and Resources if the expenditure is within both the Directorate's and the Authority's budget as approved for that year. Any carry forward which would result in an overspend for the Authority will require authorisation by the Council.
- A.34 To comment formally to the Executive, Business and Transformation Scrutiny Panel and Council on proposals for carry forward where the proposal is to vire the budget carried

forward to be used for purposes other than that originally intended.

Responsibilities of Directors

A.35 Any overspending on service estimates in total on budgets under the control of the Director must be carried forward to the following year, and will constitute the first call on service estimates in the following year, unless the Council subsequently determines otherwise by way of a supplementary estimate. The Corporate Director of Finance and Resources will report the extent of overspending carried forward to the Executive and to the Council.

A.36 Net underspending on service estimates under the control of the Director may be carried forward, subject to:

- The authorisation of the Corporate Director of Finance and Resources where the expenditure is committed and the use of the resource is restricted to the purpose the budget was originally provided for;
- Reporting to the Executive, Business and Transformation Scrutiny Panel and Council the request for carry forward where the use of the resource is intended to be used for a purpose not as originally intended.

In accordance with the Council's Corporate Charging Policy, and as an incentive to Managers, any additional income over and above the budget target agreed by the Corporate Director of Finance and Resources will be shared on a request for carry forward by the Director. This is on the basis of 75% returning to the Council's corporate reserves and 25% being retained for use in the service area, but with a limit of £10,000 being retained by the service to avoid distortion of the Council's overall spending priorities. Any amounts required over £10,000 will be subject to a report to the Executive, Business and Transformation Scrutiny Panel and Council.

A.37 All internal Directorate surpluses and any undistributed profits shall be earmarked within the Council's reserves and retained for the benefit of the Council. Their application shall require the approval of the Executive up to £10,000 and the Council over £10,000.

Accounting Policies

Why is this important?

A.38 The Corporate Director of Finance and Resources is responsible for the preparation of the Council's statement of accounts, in accordance with proper practices as set out in the format required by the Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA/LASAAC), for each financial year ending 31 March.

Key controls

A.39 The key controls for accounting policies are:

- systems of internal control are in place that ensure that financial transactions are lawful
- suitable accounting policies are selected and applied consistently
- proper accounting records are maintained
- financial statements are prepared which present a true and fair view of the financial position of the Council and its expenditure and income

Responsibilities of the Corporate Director of Finance and Resources

A.40 To select suitable accounting policies and to ensure that they are applied consistently. The accounting policies are set out in the statement of accounts, which is prepared at 31 March each year, and covers such items as:

- separate accounts for capital and revenue transactions
- the basis on which debtors and creditors at year end are included in the accounts
- details on substantial provisions and reserves
- fixed assets
- depreciation
- capital charges
- work in progress

- stocks and stores
- revenue expenditure funded from capital (under statute)
- accounting for value added tax
- government grants
- leasing

Responsibilities of Directors

A.41 To adhere to the accounting policies and guidelines approved by the Corporate Director of Finance and Resources.

Accounting Records and Returns

Why is this important?

A.42 Maintaining proper accounting records is one of the ways in which the Council discharges its responsibility for stewardship of public resources. The Council has a statutory responsibility to prepare its annual accounts to present a true and fair view of its operations during the year. These are subject to external audit. This audit provides assurance that the accounts are prepared properly, that proper accounting practices have been followed and that quality arrangements have been made for securing economy, efficiency and effectiveness in the use of the Council's resources.

Key controls

A.43 The key controls for accounting records and returns are:

- all Executive Members, finance staff and budget managers operate within the required accounting standards and timetables
- all the Council's transactions, material commitments and contracts and other essential accounting information are recorded completely, accurately and on a timely basis

- procedures are in place to enable accounting records to be reconstituted in the event of systems failure
- reconciliation procedures are carried out to ensure transactions are correctly recorded
- prime documents are retained in accordance with legislative and other requirements.

Responsibilities of the Corporate Director of Finance and Resources

A.44 To determine the accounting procedures and records for the Council. Where these are maintained outside the finance Directorate, the Corporate Director of Finance and Resources should consult the Director concerned.

A.45 To arrange for the compilation of all accounts and accounting records under his direction.

A.46 To comply with the following principles when allocating accounting duties:

- separating the duties of providing information about sums due to or from the Council and calculating, checking and recording these sums from the duty of collecting or disbursing them
- employees with the duty of examining or checking the accounts of cash transactions must not themselves be engaged in these transactions.

A.47 To make proper arrangements for the external audit of the Council's accounts in accordance with the Accounts and Audit Regulations 2015.

A.48 To maintain a proper record of all grants and contributions due to the Council and ensure that all claims for funds including grants are made by the due date.

A.49 To prepare and publish the audited accounts of the Council for each financial year, in accordance with the statutory timetable and with the requirement for the Audit Committee to

approve the statement of accounts before 30 September in the following year.

- A.50 To administer the Council's arrangements for under and overspending to be carried forward to the following financial year.
- A.51 To ensure the proper retention of financial documents in accordance with the requirements set out in the Council's document retention schedule, as outlined in Appendix F: Retention of Records.

Responsibilities of Directors

- A.52 To consult and obtain the approval of the Corporate Director of Finance and Resources before making any changes to accounting records and procedures.
- A.53 To comply with the principles outlined in paragraph 1.38 when allocating accounting duties.
- A.54 To maintain adequate records to provide a management trail leading from the source of income/expenditure through to the accounting statements.
- A.55 To supply information required to enable the statement of accounts to be completed in accordance with guidelines issued by the Corporate Director of Finance and Resources.

Annual Statement of Accounts

Why is this important?

- A.56 The Council has a statutory responsibility to prepare its own accounts to present a true and fair view of its operations during the year. The Audit Committee is responsible for approving the statutory annual statement of accounts.

Key controls

A.57 The key controls for the annual statement of accounts are:

- the Council is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of these affairs. In this Council, that officer is the Corporate Director of Finance and Resources and is referred to throughout this document as the Corporate Director of Finance and Resources;
- the Council's statement of accounts must be prepared in accordance with proper practices as set out in the Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA/LASAAC).

Responsibilities of the Corporate Director of Finance and Resources

A.58 To select suitable accounting policies and to apply them consistently.

A.59 To make judgements and estimates that are reasonable and prudent.

A.60 To comply with the Code of Practice.

A.61 To sign and date the statement of accounts, stating that it presents a true and fair view of the financial position of the Council at the accounting date and its income and expenditure for the year ended 31 March.

A.62 To draw up the timetable for final accounts preparation and to advise staff and external auditors accordingly.

Responsibilities of Directors

- A.63 To comply with accounting guidance provided by the Corporate Director of Finance and Resources and to supply the Corporate Director of Finance and Resources with information when required.

Appendix B: Financial Planning

Performance Plans

Why is this important?

B.1 Each local Council has a statutory responsibility to publish various performance plans, including a sustainable community strategy and crime reduction strategies. The purpose of these plans is to explain overall priorities and objectives, current performance, and proposals for further improvement. These plans should reflect local as well as national priorities and are developed in consultation with our partners and or local communities.

Key controls

B.2 The key controls for performance plans are:

- to ensure that all relevant plans are produced and that they are consistent;
- to produce plans in accordance with statutory requirements;
- to meet the timetables set;
- to ensure that all performance information is accurate, complete and up to date to reflect local as well as national priorities;
- to provide improvement targets which are meaningful, realistic and challenging.

Responsibilities of the Corporate Director of Finance and Resources

B.3 To advise and supply the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

B.4 To contribute to the development of corporate and service targets and objectives and performance information.

- B.5 To ensure that systems are in place to measure activity and collect accurate financial information for use as performance indicators.
- B.6 To ensure that performance and financial management information is monitored sufficiently frequently to allow corrective action to be taken if targets are not likely to be met.

Responsibilities of Directors

- B.7 To contribute to the development of performance plans in line with statutory requirements.
- B.8 To contribute to the development of corporate and service targets and objectives and performance information.

Budgeting

Format of the budget

Why is this important?

- B.9 The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around virement operate, the operation of cash limits and sets the level at which funds may be reallocated within budgets.

Key controls

- B.10 The key controls for the budget format are:
- the format complies with all legal requirements;
 - the format complies with CIPFA's Service Reporting Code of Practice;
 - the format reflects the accountabilities of service delivery.

Responsibilities of the Corporate Director of Finance and Resources

B.11 To advise the Executive on the format of the budget to be approved by the Council.

Responsibilities of Directors

B.12 To comply with accounting guidance provided by the Corporate Director of Finance and Resources.

Revenue budget preparation, monitoring and control

Why is this important?

B.13 Budget management ensures that once the Council has approved the budget, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

B.14 By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Council in total does not overspend, each service is required to manage its own expenditure within the cash-limited budget allocated to it.

B.15 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost-centre. However, budgetary control may take place at a more detailed level if this is required by the Director's Scheme of Delegation.

Key controls

B.16 The key controls for managing and controlling the revenue budget are:

- budget managers should be responsible only for income and expenditure that they can influence;
- there is nominated budget manager for each cost-centre heading;
- budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
- budget managers follow an approved certification process for all expenditure;
- income and expenditure are properly recorded and accounted for performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget.

Responsibilities of the Corporate Director of Finance and Resources

B.17 To establish an appropriate framework of budgetary management and control that ensures that:

- budget management is exercised within annual cash limits unless the Council agrees otherwise;
- each Director has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
- expenditure is committed only against an approved budget head;
- all officers responsible for committing expenditure comply with relevant guidance, and the Financial Procedure Rules;
- each cost-centre should have a single named manager, determined by the relevant Director. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commits expenditure;
- significant variances from approved budgets are investigated and reported on by budget managers.

B.18 To administer the Council's scheme of virement.

- B.19 To submit reports to the Executive and to the Council, in consultation with the relevant Director, where a Director is unable to balance expenditure and resources within existing approved budgets under his control.
- B.20 To prepare and submit reports on the Council's projected income and expenditure compared with the budget on a regular basis.

Responsibilities of Directors

- B.21 To maintain budgetary control within their Directorates, in adherence to the principles in B.17 (appropriate framework of budgetary management) and to ensure that all income and expenditure are properly recorded and accounted for.
- B.22 To ensure that an accountable budget manager is identified for each item of income and expenditure under the control of the Director (grouped together in a series of cost centres). As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.
- B.23 To ensure that spending remains within the service's overall cash limit, and that individual budget heads are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.
- B.24 To ensure that a monitoring process is in place to review performance levels/levels of service in conjunction with the budget.
- B.25 To prepare and submit to the Executive reports on the service's projected expenditure compared with its budget, in consultation with the Corporate Director of Finance and Resources.
- B.26 To ensure prior approval by the Council or Executive (as appropriate) for new proposals, of whatever amount, that:
- create financial commitments in future years;

- change existing policies, initiate new policies or cease existing policies;
- materially extend or reduce the Council's services.

B.27 To ensure compliance with the scheme of virement.

B.28 To agree with the relevant Director where it appears that a budget proposal, including a virement proposal, may impact materially on another service area or Director's level of service activity.

Budgets and medium-term planning

Why is this important?

B.29 The Council is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Council's plans and policies.

B.30 Any report on new proposals should explain the full financial implications, following consultation with the Corporate Director of Finance and Resources. Unless the Council or Executive has agreed otherwise, Directors must plan to contain the financial implications of such proposals within their cash limit.

B.31 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for a Council to budget for a deficit balance at the end of the financial year.

B.32 Medium-term planning (or a five-year planning system) involves a planning cycle in which managers develop their own plans. As each year passes, another future year will be added to the medium-term plan. This ensures that the Council is always preparing for events in

advance.

Key controls

B.33 The key controls for budgets and medium-term planning are:

- specific budget approval for all expenditure
- budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Executive for their budgets and the level of service to be delivered
- a monitoring process is in place to review regularly the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

Responsibilities of the Corporate Director of Finance and Resources

B.34 To prepare and submit reports on budget prospects for the Executive, including resource constraints set by the Government. Reports should take account of medium-term prospects, where appropriate.

B.35 To determine the detailed form of revenue estimates and the methods for their preparation, consistent with the budget approved by the Council, and after consultation with the Executive and Directors.

B.36 To prepare and submit reports to the Executive on the aggregate spending plans of Directorates and on the resources available to fund them, identifying, where appropriate, the implications for the level of Council Tax to be levied.

B.37 To advise on the medium-term implications of spending decisions.

B.38 To encourage the best use of resources and value for money by working with Directors to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in

developing financial aspects of service planning.

- B.39 To advise the Council on Executive proposals in accordance with his responsibilities under section 151 of the Local Government Act 1972.

Responsibilities of Directors

- B.40 To prepare estimates of income and expenditure, in consultation with the Corporate Director of Finance and Resources, to be submitted to the Executive.
- B.41 To prepare budgets that are consistent with any relevant cash limits, with the Council's annual budget cycle and with guidelines issued by the Executive. The format should be prescribed by the Corporate Director of Finance and Resources in accordance with the Council's general directions.
- B.42 To integrate financial and budget plans into service planning, so that budget plans can be supported by financial and non-financial performance measures.
- B.43 In consultation with the Corporate Director of Finance and Resources and in accordance with the laid-down guidance and timetable, to prepare detailed draft revenue and capital budgets for consideration by the Executive.
- B.44 When drawing up draft budget requirements, to have regard to:
- spending patterns and pressures revealed through the budget monitoring process;
 - legal requirements;
 - policy requirements as defined by the Council;
 - policy framework initiatives already under way.

Resource allocation

Why is this important?

B.45 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods and materials.

Key controls

B.46 The key controls for resource allocation are:

- resources are acquired in accordance with the law and using an approved authorisation process;
- resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
- resources are securely held for use when required;
- resources are used with the minimum level of waste, inefficiency or loss for other reasons.

Responsibilities of the Corporate Director of Finance and Resources

B.47 To advise on methods available for funding.

B.48 To assist in the allocation of resources to budget managers.

Responsibilities of Directors

- B.49 To work within budget limits and to utilise resources allocated in the most efficient, effective and economic way.
- B.50 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

Capital Programme

Why is this important?

- B.51 Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.
- B.52 The Government places strict controls on the financing capacity of the Council. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

Key controls

- B.53 The key controls for capital programmes are:
- specific approval by the Council for the programme of capital expenditure in accordance with the Capital Strategy;
 - proposed expenditure on capital schemes is subject to the approval of the Corporate Director of Finance and Resources;
 - a scheme and estimate, including project plan, progress targets and associated revenue expenditure is prepared for each capital project, for approval by the Executive;

- proposals for improvements and alterations to buildings must be approved by the appropriate Director;
- schedules for individual schemes within the overall budget approved by the Council must be submitted to the Executive for approval (for example, minor works), or under other arrangements approved by the Council;
- the development and implementation of asset management plans;
- accountability for each proposal is accepted by a named manager;
- monitoring of progress in conjunction with expenditure and comparison with approved budget.

Responsibilities of the Corporate Director of Finance and Resources

- B.54 To prepare capital estimates jointly with Directors and the Head of Paid Service and to report them to the Executive. The Executive will make recommendations on the capital estimates and on any associated financing requirements to the Council. Executive approval is required where a Director proposes to bid for additional borrowing approval not anticipated in the capital programme. This is because the extra borrowing may create future commitments to financing costs.
- B.55 To prepare and submit reports to the Executive on the projected income, expenditure and resources compared with the approved estimates.
- B.56 To issue guidance concerning capital schemes and controls, for example, on project appraisal techniques. The definition of 'capital' will be determined by the Corporate Director of Finance and Resources, having regard to government regulations and accounting requirements.
- B.57 To obtain authorisation from the Executive for individual schemes where the estimated expenditure exceeds the capital programme provision by more than £10,000 or 10% of the accepted tender figure, whichever is the lower.

Responsibilities of Directors

- B.58 To comply with guidance concerning capital schemes and controls issued by the Corporate Director of Finance and Resources.
- B.59 To ensure that all capital proposals have undergone a project appraisal in accordance with guidance issued by the Corporate Director of Finance and Resources.
- B.60 To prepare regular reports reviewing the capital programme provisions for their services. They should also prepare a quarterly return of estimated final costs of schemes in the approved capital programme for submission to the Corporate Director of Finance and Resources.
- B.61 To ensure that adequate records are maintained for all capital contracts.
- B.62 To proceed with projects only when there is adequate provision in the capital programme and with the agreement of the Corporate Director of Finance and Resources, where required.
- B.63 To prepare and submit reports, jointly with the Corporate Director of Finance and Resources, to the Executive, of any variation in contract costs greater than the limits outlined above. The Executive may meet cost increases of up to 10% or £10,000 whichever is the lower by virement from savings elsewhere within their capital programme.
- B.64 To prepare and submit reports, jointly with the Corporate Director of Finance and Resources, to the Executive, on completion of all contracts where the final expenditure exceeds the approved contract sum by more than the specified amount.
- B.65 To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the Corporate Director of Finance and Resources and, if applicable, approval of the scheme through the capital programme.

- B.66 To consult with the Corporate Director of Finance and Resources and to seek Executive approval where the Director proposes to bid for capital funding from external sources to support expenditure that has not been included in the current year's capital programme.

Maintenance of reserves

Why is this important?

- B.67 The Council must decide the level of general reserves it wishes to maintain before it can decide the level of Council tax. Reserves are maintained as a matter of prudence. They enable the Council to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items.

Key controls

- B.68 To maintain reserves in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA/LASAAC) and agreed accounting policies.
- B.69 For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
- B.70 Authorisation of expenditure which is to be met from reserves by the appropriate Director in consultation with the Corporate Director of Finance and Resources.

Responsibilities of the Corporate Director of Finance and Resources

- B.71 To advise the Executive and/or the Council on prudent levels of reserves for the Council, and to take account of the advice of the external auditor in this matter.

Responsibilities of Directors

- B.72 To ensure that reserves are used only for the purposes for which they were intended.

Appendix C: Risk Management and Control of Resources

Risk Management

Why is this important?

- C.1 All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an integral part of good business practice. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.
- C.2 It is the overall responsibility of the Executive to approve the Council's risk management strategy, and to promote a culture of risk management awareness throughout the Council.

Key controls

- C.3 The key controls for risk management are:
- procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the Council;
 - a monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis;
 - managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives;
 - provision is made for losses that might result from the risks that remain;
 - procedures are in place to investigate claims within required timescale;

- acceptable levels of risk are determined and insured against where appropriate;

Internal Controls

Why is this important?

- C.13 The Council is complex and beyond the direct control of individuals. It therefore requires internal controls to manage and monitor progress towards strategic objectives.
- C.14 The Council has statutory obligations and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.
- C.15 The Council faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.
- C.16 The system of internal controls is established in order to provide measurable achievement of:
- efficient and effective operations
 - reliable financial information and reporting
 - compliance with laws and regulations
 - risk management.

Key controls

C.17 The key controls and control objectives for internal control systems are:

- key controls should be reviewed on a regular basis and the Council should make a formal statement annually to the effect that it is satisfied that the systems of internal control are operating effectively;
- managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities;
- financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems;
- an effective Internal Audit function that is properly resourced. It should operate in accordance with the principles contained in the Auditing Practices Board's auditing guideline *Guidance for Internal Auditors*, CIPFA's *Code of Practice for Internal Audit in Local Government in the United Kingdom* and with any other statutory obligations and regulations.

Why is this important?

C.22 The Accounts and Audit Regulations 2015 (S1 2011/234), regulation 5, specifically require that a “relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes” with regulation 6 requiring relevant a relevant authority to “conduct a review of effectiveness of the system of internal control”. Impartial monitoring and inspection of activities is essential to a healthy organisation. All financial and other operations are subject to audit reviews and investigations which, inter alia, assist the Corporate Director of Finance and Resources to meet his statutory duties and provide Members and Managers with an objective view of the standard of financial management, administration and general performance.

C.23 Accordingly, Internal Audit is an independent and objective appraisal function established by the Council for reviewing the system of internal control. It examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources and assists the Corporate Director of Finance and Resources in discharging his fiduciary responsibilities to Council Tax payers under common law as decided in “A.G. v. C.36 To ensure that new systems for maintaining financial records, or records of assets, or changes to such systems, are discussed with and agreed by the Audit Manager prior to implementation.

External audit

Why is this important?

C.37 Public Sector Audit Appointments Ltd are now responsible for appointing external auditors to each local Council in England and Wales. The external auditor has rights of access to all documents and information necessary for audit purposes.

C.38 The basic duties of the external auditor are defined in the Local Audit and Accountability Act 2014. In particular, section 4 of the said Act provides that the accounts of a relevant authority for a financial year must be audited in accordance with the statutory requirements by a local auditor appointed under the Act. The Act requires the National Audit Office through the Comptroller and Audit General to prepare a Code of Audit Practice, which external auditors follow when carrying out their duties. The Code of Audit Practice issued in April 2015 sets out the auditor's objectives to review and report upon:

- the financial aspects of the audited body's corporate governance arrangements;
- the audited body's financial statements;
- aspects of the audited body's arrangements to manage its performance.

- C.39 The external auditor must be satisfied that the statement of accounts present a 'true and fair view' of the financial position of the Council and its income and expenditure for the year in question and complies with the legal requirements.

- C.45 To ensure that all records and systems are up to date and available for inspection.

Preventing Fraud and Corruption

Why is it this important?

- C.46 The Council will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the Council.
- C.47 The Council's expectation of propriety and accountability is that Members and staff at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices.

Assets

Security

Why is this important?

- C.57 The Council holds assets in the form of property, vehicles, equipment, furniture, computer systems, stocks and materials and other items. It is important that assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations. An up-to-date asset register is a prerequisite for proper fixed asset accounting and sound asset management. The Council's assets must be securely and properly safeguarded.
- C.58 The key controls for the security of resources such as land, buildings, fixed plant machinery, equipment, software and information are:
- resources are used only for the purposes of the Council and are properly accounted for;
 - resources are available for use when required;
 - resources no longer required are disposed of in accordance with the law and the Procedures of the Council so as to maximise benefits;
 - an asset register is maintained by the Council. Assets are recorded when they are acquired by the Council and this record is updated as changes occur with respect to the location and condition of the asset;

- all staff are aware of their responsibilities with regard to safeguarding the Council's assets and information, including the requirements of the Data Protection Act and software copyright legislation;

C.62 Inventories shall be prepared in the form approved by the Corporate Director of Finance and Resources and shall be kept up to date by each Director in respect of the establishments under his control. Such inventories shall include an adequate description of all moveable plant and machinery, furniture and fittings and office equipment belonging to the Council. Intellectual property

Why is this important?

- C.90 Intellectual property is a generic term that includes inventions and writing. If these are created by the employee during the course of employment, then, as a general rule, they belong to the employer, not the employee. Various acts of Parliament cover different types of intellectual property.

Obsolete, non-repairable or unnecessary resources should be disposed of in accordance with the rules for the Disposal of Redundant Furniture and Equipment. (See Appendix H: Disposal of Redundant Furniture and Equipment).

Key controls

- C.96 Assets for disposal are identified and are disposed of at the most appropriate time, and only when it is in the best interests of the Council, and best price is obtained, bearing in mind other factors, such as environmental issues. Why is this important?

C.102 Many millions of pounds pass through the Council's books each year. This led to the establishment of codes of practice. D.6 To ensure that vouchers and documents with financial implications are not destroyed, except in accordance with arrangements approved by the Corporate Director of Finance and Resources.

D.7 To ensure that a complete management trail, allowing financial transactions to be traced from the accounting records to the original document, and vice versa, is maintained.

D.8 To incorporate appropriate controls to ensure that, where relevant:

- all input is genuine, complete, accurate, timely and not previously processed
- all processing is carried out in an accurate, complete and timely manner

D.13 To establish a scheme of delegation identifying officers authorised to act upon the Director's behalf in respect of payments, income collection and placing orders, including variations, and showing the limits of their authority.

D.14 To supply lists of authorised officers, with specimen signatures and delegated limits, to the Corporate Director of Finance and Resources, together with any subsequent variations.

D.15 To ensure that effective contingency arrangements, including back-up procedures, exist for computer systems and in respect of all information held in electronic files on which the Council's finance and management systems rely. Wherever possible, back-up information should be securely retained in a fireproof location, preferably off site or at an alternative location within the building.

D.17 To ensure that relevant standards and guidelines for computer systems issued by the Director are observed.

D.18 To ensure that computer equipment and software are protected from loss and damage through theft, vandalism, etc.

D.19 To comply with the copyright, designs and patents legislation and, in particular, to ensure that:

- only software legally acquired and installed by the Council is used on its computers
- staff are aware of legislative provisions
- in developing systems, due regard is given to the issue of intellectual property rights.

Income and Expenditure

Income

Why is this important?

D.20 Effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly and that cash flow is optimised. It is preferable to obtain income in advance of supplying goods or services as this both improves the Council's cashflow and avoids the time and cost of administering debts.

Key controls

D.21 The key controls for income are that:

- all income due to the Council is identified and allocated correctly, in accordance with an approved charging policy, which is regularly reviewed
- all income is collected from the correct person, at the right time, using the correct procedures and the appropriate stationery
- all money received by an employee on behalf of the Council is paid in at least weekly to the Corporate Director of Finance and Resources or, as he directs, to the Council's bank account, and properly recorded. All monies must be held securely before being paid in. The responsibility for cash collection should be separated from that for identifying the amount due and for reconciling the amount due to the amount received
- effective action is taken to pursue non-payment within defined timescale
- formal approval for debt write-off is obtained
- appropriate write-off action is taken within defined timescale
- appropriate accounting adjustments are made following write-off action
- all appropriate income documents are retained and stored for the defined period in accordance with the document retention schedule
- money collected and deposited is reconciled to the bank account by a person who is not involved in the collection or banking process.

Responsibilities of the Corporate Director of Finance and Resources

D.22 To agree arrangements for the collection of all income due to the Council and to approve the procedures, systems and documentation for its collection and subsequent banking.

D.23 To order and supply to Directorates all receipt forms, books or tickets and similar items and to satisfy herself regarding the arrangements for their control.

D.24 To agree the write-off of bad debts without limit.

D.25 To approve all debts to be written off in consultation with the relevant Director, to keep a record of all sums written off up to the approved limit and to

adhere to the requirements of the Accounts and Audit Regulations 2015.

D.26 To report all debts written off to the Executive and the Business and Transformation Scrutiny Panel, in consultation with the relevant Director.

D.27 To ensure that appropriate accounting adjustments are made following write-off action.

Responsibilities of Directors

D.28 To establish a charging policy for the supply of goods or services, including the appropriate charging of VAT. Each Director working in conjunction with the Corporate Director of Finance and Resources shall submit at least annually to the Executive a review of those charges where the Council controls their setting.

D.29 All invoices and demands for payment shall specify that remittances should be made payable to Carlisle City Council and in no circumstances will payment be made in the name of an officer/Member of the Council.

D.30 The Corporate Director of Finance and Resources shall make proper arrangements for the financial organisation, accounting and record keeping necessary to ensure the proper recording of all sums due to the Council and for the proper collection, control, banking and prompt and proper accounting for all cash in all Directorates of the Council.

D.31 Except where specifically approved (e.g. Leisuretime) no new charges or changes to existing charges shall be made without prior approval of the Executive on a report from the Director concerned, prepared in conjunction with the Corporate Director of Finance and Resources.

D.32 Except where alternative procedures are approved by the Corporate Director of Finance and Resources, every sum received by an officer of the Council shall be acknowledged immediately by the issue of an official receipt, ticket or voucher.

Sums received shall be banked promptly, in full and in the manner received, in accordance with instructions issued or approved by the Corporate Director of Finance and Resources.

D.33 Personal cheques shall not be cashed out of monies held on behalf of the Council.

D.34 Directors shall ensure that charges for work done are billed promptly and substantiated as each contract or internal agreement specifies. Appropriate charging records and billing systems will be operated and agreed with the Corporate Director of Finance and Resources. The Corporate Director of Finance and Resources will ensure that internal bills are paid promptly by accounting transfer upon certification of the amount by the client unit.

D.35 Sums due to Council shall not be written off except by the authority of the Corporate Director of Finance and Resources. A report or summary of all amounts so written off shall be submitted quarterly to the Executive.

D.36 To separate, as far as is practicable, the responsibility for identifying amounts due and the responsibility for their collection.

D.37 To establish and initiate appropriate recovery procedures, including legal action where necessary, for debts that are not paid promptly.

D.38 To issue official receipts or to maintain other documentation for income collection.

D.39 To ensure that at least two employees are present when post is opened so that money received by post is properly identified and recorded.

D.40 To hold securely receipts, tickets and other records of income for the appropriate period.

D.41 To lock away all income to safeguard against loss or theft, and to ensure the security of cash handling.

D.42 To ensure that income is paid fully and promptly into the appropriate Council bank account in the form in which it is received. Appropriate details should be recorded on to paying-in slips to provide an audit trail. Money collected and deposited must be reconciled to the bank account on a regular basis.

D.43 To supply the Corporate Director of Finance and Resources on a timely basis with details relating to work done, goods supplied, services rendered or other amounts due, to enable the Corporate Director of Finance and Resources to record correctly the sums due to the Council and to ensure accounts are sent out as close to the event as possible. To do this, Directors should use established performance management systems to monitor recovery of income and flag up areas of concern to the Corporate Director of Finance and Resources. Directors have a responsibility to assist the Corporate Director of Finance and Resources in collecting debts that they have originated, by providing any further information requested by the debtor, and in pursuing the matter on the Council's behalf. Only up to approved levels of cash can be held

on individual premises.

D.44 To keep a record of every transfer of money between employees of the Council. The Receiving Officer must sign for the transfer and the transferor must retain a copy.

D.45 To recommend to the Corporate Director of Finance and Resources all debts to be written off and to keep a record of all sums written off. Once raised, no bona fide debt may be cancelled, except by full payment or by its formal writing off. A credit note to replace a debt can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt.

D.46 To notify the Corporate Director of Finance and Resources of outstanding income relating to the previous financial year as soon as possible after 31 March in line with the timetable determined by the Corporate Director of Finance and Resources.

Ordering and Paying for Work, Goods and Services

Why is this important?

D.47 Public money should be spent with demonstrable probity and in accordance with the Council's policies. Authorities have a statutory duty to achieve best value in part through economy and efficiency. The Council's procedures should help to ensure that services obtain value for money from their purchasing arrangements. These procedures should be read in conjunction with the Council's Standing Orders relating to tenders and contracts.

General

D.48 Every officer and Member of the Council has a responsibility to declare any links or personal interests that they or their immediate family may have with purchasers, suppliers and/or contractors if they are engaged in contractual or purchasing decisions on behalf of the Council, in accordance with appropriate codes of conduct and Standing Orders.

D.49 Official orders must be in a form approved by the Corporate Director of Finance and Resources. Official orders must be issued in advance for all work, goods or services to be supplied to the Council, except for supplies of utilities, periodic payments such as rent or rates, petty cash purchases or other exceptions specified by the Corporate Director of Finance and Resources.

D.50 Each order must conform to the approved guidelines on central purchasing and the standardisation of supplies and materials. Standard terms and conditions must not be varied without the prior approval of the Corporate Director of Finance and Resources.

D.51 Apart from petty cash and other payments from advance accounts, the normal method of payment from the Council shall be by cheque or other instrument or approved method, drawn on the Council's bank account by the Corporate Director of Finance and Resources. The use of direct debit shall require the prior agreement of the Corporate Director of Finance and Resources.

D.52 Official orders must not be raised for any personal or private purchases, nor must personal or private use be made of Council contracts.

D.53 Before ordering any goods or services, reference must be made to the Council's Contract Procedure Rules.

D.54 The Council's Procurement team should be contacted in all cases where advice relating to prospective purchases/orders is required.

Key controls

D.55 The key controls for ordering and paying for work, goods and services are that:

- all goods and services are ordered only by appropriate persons and are correctly recorded;
- all goods and services shall be ordered in accordance with the Council's Standing Orders for tenders and contracts;
- goods and services received are checked to ensure they are in accordance with the order. Goods should not be received by the person who placed the order;
- payments will not normally be made unless goods or services have been received by the Council to the correct price, quantity and quality standards. Circumstances may arise, however, where payment is required in advance – for example in order to secure the supply or to take advantage of discounted prices. The risk of making an advance payment must always be considered and where necessary the financial standing of the organisation concerned should be assessed. In every such case, an appropriate note, with signature at Director level, must be written on to the invoice;
- all payments are made to the correct person, for the correct amount and are properly recorded, regardless of the payment method;

- all appropriate evidence of the transaction and payment documents are retained and stored for the defined period, in accordance with the Rules for the Retention of Documents;
- all expenditure, including VAT, is accurately recorded against the right budget and any exceptions are corrected;
- in addition, the effect of e-business/e-commerce and electronic purchasing requires that processes are in place to maintain the security and integrity of data for transacting business electronically.

Responsibilities of the Corporate Director of Finance and Resources

D.56 To ensure that all the Council's financial systems and procedures are sound and properly administered.

D.57 To approve any changes to existing financial systems and to approve any new systems before they are introduced.

D.58 To approve the form of official orders and associated terms and conditions. All order books or forms and all documents or vouchers with a financial value shall be in a form approved by the Corporate Director of Finance and Resources and shall be ordered, controlled and issued in accordance with procedures issued and approved by the Corporate Director of Finance and Resources.

D.59 To make payments from the Council's funds on the Director's authorisation that the expenditure has been duly incurred in accordance with Financial Procedure Rules.

D.60 The Corporate Director of Finance and Resources shall be at liberty to apply any check he thinks desirable and shall be responsible for ensuring that all accounts have been duly checked and certified by the Directorate

concerned.

D.61 To make payments, whether or not provision exists within the estimates, where the payment is specifically required by statute or is made under a court order.

D.62 To make payments to contractors on the certificate of the appropriate Director, which must include details of the value of work, retention money, amounts previously certified and amounts now certified.

D.63 To provide advice and encouragement on making payments by the most economical means.

D.64 To ensure that a budgetary control system is established that enables commitments incurred by placing orders to be shown against the appropriate budget allocation so that they can be taken into account in budget monitoring reports.

D.65 To ensure that all cheques and other instruments drawn on the Council's bank accounts are authorised by the Corporate Director of Finance and Resources. All cheques in excess of £5,000 shall be countersigned by an officer authorised for this purpose.

D.66 The Corporate Director of Finance and Resources shall obtain from the Bank on a daily basis, statements of sums paid and received on all of the Council's accounts and reconcile them to the lists of accounts paid, the paid cheques and sums deposited by Council staff.

Responsibilities of Directors

D.67 To ensure that uniquely numbered official orders are used for all goods and services, other than the exceptions specified in D49.

D.68 To ensure that orders are only used for goods and services provided to the Council. Individuals must not use official orders to obtain goods or services for their private use.

D.69 To ensure that only those staff authorised by her sign orders and to maintain an up-to-date list of such authorised staff, including specimen signatures identifying in each case the limits of their authority. The authoriser of the order should be satisfied that the goods and services ordered are appropriate and needed, that there is adequate budgetary provision and that quotations or tenders have been obtained if necessary. Best value principles should underpin the Council's approach to procurement. Value for money should always be achieved. All orders shall be raised in accordance with the procedures outlined in the Contract Procedure Rules. Where it is necessary or desirable (e.g. in order to obtain discounts) to place an order by means of electronic communication (e.g. telephone/Internet), this shall be confirmed by an official order (prominently marked CONFIRMATION ONLY) not later than the next working day. Where in such cases the supplier does not require a written order, the supplier's copy of the order should be retained and annotated accordingly. All orders shall conform with the direction of the Council with respect to purchasing contracts for those items for which a contract exists, i.e. a list of authorised suppliers. All orders for computer equipment, software or services shall be made via DIS Services.

D.70 To ensure that goods and services are checked on receipt to verify that they are in accordance with the order. This check should, where possible, be carried out by a different officer from the person who authorised the order.

Appropriate entries should then be made in inventories or stores records.

D.71 All invoices for goods or services shall be examined in the Directorate concerned and registered on the Purchase Ledger System. Under the terms of the Late Payment of Commercial Debts (Interest) Act 1998, all businesses are legally entitled to charge interest on all outstanding debts. Directorates will be required to meet any interest charges from their own budgets. If no credit period has been agreed, the Act sets a default period of 30 days after which interest can run. The 30 day period starts running from the later of two actions:

- the delivery of the goods or performance of the service by the supplier;
- the day on which the purchaser has notice of the debt.

D.72 Before certifying an account, the certifying officer shall, save to the extent that the Director may otherwise determine, have satisfied herself that:-

- the work, goods or services, to which the account relates, have been properly ordered received, carried out examined and approved.
- all prices, extensions, calculations, trade discounts, other allowances, credits and tax are correct.
- prices and arithmetic are correct and accord with quotations, tenders, contracts or catalogue prices
- the invoice is correctly coded
- expenditure has been properly incurred and is within the relevant estimate provision.
- appropriate entries have been made in inventories, stores records or stock books as required.
- the account has not been previously passed for payment and is a proper liability of the Council.
- If VAT is included within the invoice, that it is a valid VAT invoice.

D.73 Certified invoices shall be passed to the Corporate Director of Finance and Resources without delay. Certification shall be in manuscript by or on behalf of the Director but shall not be by the same person who ordered the item.

D.74 The Director shall as soon as possible after the 31 March in each year give the Corporate Director of Finance and Resources any details he may require regarding outstanding invoices for that Directorate for the previous financial year. When such invoices are finally certified for payment, he shall if the Corporate Director of Finance and Resources requires identify them accordingly.

D.75 Directors shall be specified on all orders that invoices shall be sent in the first instance to the Directorate issuing the order.

D.76 To ensure that payments to suppliers of goods and/or services are not made on a photocopied or faxed invoice, statement or other document other than the formal invoice. Where, in very exceptional circumstances, it is considered necessary to make payments against documents other than official invoices, it is essential that Directorates ensure that no payment has already been made and annotate the invoice as such. This check will also be carried out by the Corporate Director of Finance and Resources, but the onus nevertheless remains with Directorates to ensure that there is no possibility of duplicate payment. Payments, other than those made to suppliers of goods and/or services, should be paid on stationery as supplied by the Corporate Director of Finance and Resources with supporting evidence provided.

D.77 To encourage suppliers of goods and services to receive payment by the most economic means for the Council. It is essential, however, that

payments made by direct debit have the prior approval of the Corporate Director of Finance and Resources.

D.78 To ensure that the Directorate obtains best value from purchases by taking appropriate steps to obtain competitive prices for goods and services of the appropriate quality, with regard to the best practice guidelines issued by the Corporate Director of Finance and Resources, which are in line with best value principles and contained in the Council's Standing Orders and Procurement Code of Practice.

D.79 To utilise the central purchasing procedures established by the Corporate Director of Finance and Resources in putting purchases, where appropriate, out to competitive quotation or tender. These will comply with the Standing Orders relating to tenders and contracts and will cover:

- authorised officers and the extent of their authority
- advertisement for tenders
- procedure for creating, maintaining and revising a standard list of contractors
- selection of tenderers
- compliance with UK and EC legislation and regulations
- procedures for the submission, receipt, opening and recording of tenders
- the circumstances where financial or technical evaluation is necessary
- procedures for negotiation
- acceptance of tenders
- the form of contract documentation
- cancellation clauses in the event of corruption or bribery
- contract records.

D.80 To ensure that employees are aware of the national Code of Conduct for local government employees (summarised in the procedures and conditions

of employment manual).

D.81 To ensure that loans, leasing or rental arrangements are not entered into without prior agreement by the Corporate Director of Finance and Resources. This is because of the potential impact on the Council's borrowing powers, to protect the Council against entering into unapproved credit arrangements, to ensure that value for money is being obtained and to ensure compliance with the Council's Treasury Management Policy Statement.

D.82 With regard to contracts for construction and alterations to buildings and for civil engineering works, to document and agree with the Corporate Director of Finance and Resources the systems and procedures to be adopted in relation to financial aspects, including certification of interim and final payments, checking, recording and authorising payments, the system for monitoring and controlling capital schemes and the procedures for validation of subcontractors' tax status.

D.83 To notify the Corporate Director of Finance and Resources immediately of any expenditure to be incurred as a result of statute/court order where there is no budgetary provision.

D.84 To ensure that all appropriate payment records are retained and stored for the defined period, in accordance with the Rules for the Retention of Documents.

Payments under contract for works

D.85 The Corporate Director of Finance and Resources shall keep a register of contracts and the appropriate Director shall notify her of any contract entered into. All contracts made on behalf of the Council shall be subject to Standing

Orders, Financial Procedure Rules and Contract Procedure Rules.

D.86 All contract payments will be recorded in the register and total sums paid against contracts will be compared to the accepted tender price.

D.87 Payments on account to contractors shall be made by the Corporate Director of Finance and Resources only on the certificate signed by the supervising officer of the appropriate Directorate, showing the original amount of the contract, the value of work executed to date, retention monies, amount paid to date and the amount now certified.

D.88 The prior approval of the Executive shall be obtained to any variations or additions to a contract involving the Council in payment of an additional sum of £10,000 or 10% of accepted tender figure, whichever is the smaller. All variations shall be notified to the Corporate Director of Finance and Resources and no orders for goods or services shall be raised for which budgetary provision is not available. In cases of emergency, the relevant Director should consult with the Head of Paid Service in accordance with the Council's agreed procedures. Adequate procedures for the monitoring of contracts and the controlling of variations shall be the responsibility of the relevant Director.

D.89 Before a supervising officer issues a final certificate of payment under a contract; a report on the contractor's final account shall be obtained. All relevant documents as may be required by the Corporate Director of Finance and Resources shall be submitted.

D.90 The Corporate Director of Finance and Resources shall, to the extent he deems necessary, examine final accounts for contracts and shall be entitled to make all enquiries and receive such information and explanations as he may

require in order to be satisfied as to the accuracy of the accounts.

D.91 Claims from contractors in respect of matters not clearly within the terms of any existing contract shall be referred to the Corporate Director of Governance and Regulatory Services for consideration of the Council's legal liability and, where necessary to the Corporate Director of Finance and Resources for financial consideration before a settlement is reached.

D.92 Where completion of a contract is delayed beyond the date of completion or such extended time as may have been authorised under the contract, and where the supervising Director is of the opinion that the work ought reasonably to have been completed within the (extended) time, he shall certify in writing to this effect with a view to action for the recovery of liquidated damages in accordance with the contract and inform the Corporate Director of Finance and Resources thereof.

Housing Benefit

D.93 The Corporate Director of Finance and Resources will be responsible for the examination of all claims for housing benefit or rebate of local taxation in accordance with Government regulations. The names of officers authorised to approve and sign such claims shall be recorded by the Corporate Director of Finance and Resources along with specimen signatures and shall be amended on the occasion of any change.

D.94 In all appropriate cases and where not expressly prohibited by law, housing benefit or rebate of local taxation shall be set against the recipients' liability to the Council for arrears of rent/local taxation, otherwise payment will be made in accordance with procedures approved by the Corporate Director of Finance and Resources.

D.95 No Member of staff shall deal with a case where the applicant/s are related to or otherwise well known to them. In any such cases staff should declare an interest and the case should be re-allocated.

Payments to Employees and Members

Why is this important?

D.96 Staff costs are the largest item of expenditure for most Council services. It is therefore important that payments are accurate, timely, made only where they are due for services to the Council and that payments accord with individuals' conditions of employment. It is also important that all payments are accurately and completely recorded and accounted for and that Members' allowances are authorised in accordance with the scheme adopted by the Council. Failure to apply taxation and National Insurance regulations properly can incur significant financial penalties.

Key controls

D.97 The key controls for payments to employees and Members are that:

- proper authorisation procedures are in place and that there is adherence to corporate timetables in relation to:
 - i. starters
 - ii. leavers
 - iii. variations
 - iv. enhancements

and that payments are made on the basis of hours worked

- frequent reconciliations of payroll expenditure are made against approved budgets and bank accounts
- all appropriate payroll documents are retained and stored for the defined period in accordance with the Rules for the Retention of Documents
- H M Revenues and Customs regulations are complied with.

D.100 To maintain personal records relating to the above.

D.101 To make arrangements for payment of all travel and subsistence claims or financial loss allowance.

D.102 To make arrangements for paying Members' travel or other allowances upon receiving the prescribed form duly completed and authorised.

D.103 To provide advice and encouragement to secure payment of salaries and wages by the most economic means.

Responsibilities of Directors

D.104 To ensure appointments are made in accordance with the Procedures of the Council and approved establishments, grades and scale of pay and that

adequate budget provision is available.

D.105 To notify the Corporate Director of Finance and Resources of all appointments, terminations, resignations or other variations that may affect the pay or pension of an employee or former employee, in the form and to the timescale required by the Corporate Director of Finance and Resources. This is to include minute references where necessary and details of any sick leave/special absence.

D.106 Monthly overtime and sickness returns shall be made by the penultimate Monday in each month. All such returns shall be signed by an authorised officer.

D.107 To ensure that adequate and effective systems and procedures are operated, so that:

- payments are only authorised to bona fide employees
- payments are only made where there is a valid entitlement
- conditions and contracts of employment are correctly applied
- employees' names listed on the payroll are checked at regular intervals to verify accuracy and completeness.

D.108 To send an up-to-date list of the names of officers authorised to sign timesheets, claims and other records to the Payroll Manager, together with specimen signatures.

D.109 If any item subject to taxation or national insurance is not reported to the Corporate Director of Finance and Resources (in accordance with his advice and requirements) for central payment via the payroll or mileage systems and this subsequently gives rise to a financial penalty or charge, such cost will be recharged to the Service concerned, unless otherwise determined

by the Executive.

D.110 To ensure that payroll transactions are processed only through the payroll system. Directors should give careful consideration to the employment status of individuals claiming to be employed on a self-employed consultant or subcontract basis. H M Revenues and Customs apply a tight definition for employee status, and in cases of doubt, advice should be sought from the Corporate Director of Finance and Resources.

D.111 To certify travel and subsistence claims and other allowances. Certification is taken to mean that journeys were authorised and expenses properly and necessarily incurred, and that allowances are properly payable by the Council, ensuring that cost-effective use of travel arrangements is achieved. Due consideration should be given to tax implications and that the Corporate Director of Finance and Resources is informed where appropriate.

D.112 To ensure that the Corporate Director of Finance and Resources is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system.

D.113 To ensure that all appropriate payroll documents are retained and stored for the defined period in accordance with the Rules for the Retention of Documents.

Allowances for travelling, subsistence and attendance

Employees

D.114 All claims for payment of car allowances, subsistence allowances, travelling and incidental expenses shall be submitted, duly certified in a form approved by the Corporate Director of Finance and Resources, on a monthly

basis within the notified timescales.

D.115 The names of officers authorised to certify claims for payment shall be notified to the Corporate Director of Finance and Resources by each Director together with specimen signatures and shall be amended on the occasion of any change.

D.116 Certification of a claim shall be taken to mean that the journeys were properly undertaken, the expenses were properly and necessarily incurred and that the allowances are properly payable by the Council in accordance with the agreed rates.

Elected Members

D.117 Members of the Council who are entitled to claim allowances as detailed in the Members' Allowances Scheme approved by the City Council from time to time, shall be made to the Corporate Director of Finance and Resources on the appropriate forms. All claims will be made regularly and all final claims in a financial year will be submitted within two months of the last meeting in the year.

Taxation

Why is this important?

D.118 Like all organisations, the Council is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax are severe. It is therefore very important for all officers to be aware of their role.

Value Added Tax

D.119 The Corporate Director of Finance and Resources is responsible for completing the monthly VAT return to HM Revenues and Customs, which is extracted from details on the Nominal Ledger.

D.120 Directors are responsible for ensuring that their staff are aware of VAT liabilities and that the correct VAT treatment is given when certifying invoices for payment or raising debtor accounts.

D.121 If Members of staff are uncertain about the VAT liability on either income or expenditure they should contact the Financial Services.

D.122 "Output Tax" relates to income and is the VAT charged on debtor invoices and other miscellaneous income.

D.123 "Input Tax" relates to expenditure and is payable on all business-related goods and services. It is allocated to the relevant VAT control code through the Purchase Ledger system when the correct VAT indicator is entered.

D.124 VAT can only be reclaimed from HM Revenues and Customs when supported by a proper tax invoice which should show the following:

- Identifying invoice number
- Date of supply (i.e. tax point)
- Name, address and VAT number of the supplier
- Name and address of the customer to whom the goods or services are supplied
- Type of supply
- Sufficient description to identify the goods or services supplied
- Quantity of goods or extent of services, rate of tax and amount payable

- Gross amount payable excluding tax
- Rate of cash discount offered
- Amount of tax chargeable at each rate
- Total amount of tax

D.125 VAT cannot be reclaimed on internal bill-head vouchers unless supported by a suitable VAT invoice.

Key controls

D.126 The key controls for taxation are that:

- budget managers are provided with relevant information and kept up to date on tax issues
- budget managers are instructed on required record keeping
- all taxable transactions are identified, properly carried out and accounted for within stipulated timescales
- records are maintained in accordance with instructions
- returns are made to the appropriate authorities within the stipulated timescale.

Responsibilities of the Corporate Director of Finance and Resources

D.127 To complete all H M Revenues and Customs returns regarding PAYE.

D.128 To complete a monthly return of VAT inputs and outputs to HM Revenues and Customs.

D.129 To provide details to the H M Revenues and Customs regarding the Construction Industry Tax Deduction scheme.

D.130 To maintain up-to-date guidance for Council employees on taxation issues.

Responsibilities of Directors

D.131 To ensure that the correct VAT liability is attached to all income due and that all VAT recoverable on purchases complies with H M Revenues and Customs regulations.

D.132 To ensure that, where construction and maintenance works are undertaken, the contractor fulfils the necessary Construction Industry Tax Deduction requirements.

D.133 To ensure that all persons employed by the Council are added to the Council's payroll and tax deducted from any payments, except where the individuals are bona fide self-employed or are employed by a recognised staff agency.

D.134 To follow the guidance on taxation issued by the Corporate Director of Finance and Resources.

Trading Accounts and Directorates

Why is this important?

D.135 Trading accounts and Directorates have become more important as local authorities have developed a more commercial culture. Under best value, authorities are required to keep trading accounts for services provided on a basis other than straightforward recharge of cost. They are also required to disclose the results of significant trading operations in the annual Statement of

Accounts.

Responsibilities of the Corporate Director of Finance and Resources

D.136 To advise on the establishment and operation of trading accounts.

Responsibilities of Directors

D.137 To consult with the Corporate Director of Finance and Resources where a Directorate wishes to enter into a contract with a third party where the contract expiry date exceeds the remaining life of their main contract with the Council. In general, such contracts should not be entered into unless they can be terminated within the main contract period without penalty.

D.138 To observe all statutory requirements, including the maintenance of a separate revenue account to which all relevant income is credited and all relevant expenditure, including overhead costs, is charged, and to produce an annual report in support of the final accounts.

D.139 To ensure that the same accounting principles are applied in relation to trading accounts as for other services.

D.140 To ensure that each Directorate prepares an annual business plan

Data Processing

D.141 The following items shall not be purchased or procured for Council use by any other means without reference to the Head of DIS and if required to SMT:

- Any IT equipment capable of running a program loaded by the user;

- Any device capable of being attached to the above;
- Any communications equipment to link such devices;
- Any software to be used on any of the above devices.

Appendix E: External Arrangements

Partnerships

Why is this important?

- E.1 Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.
- E.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

General

- E.3 The main reasons for entering into a partnership are:
- the desire to find new ways to share risk
 - the ability to access new resources
 - to provide new and better ways of delivering services
 - to forge new relationships.
- E.4 A partner is defined as either:
- an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project, or
 - a body whose nature or status gives it a right or obligation to support the project.

E.5 Partners participate in projects by:

- acting as a project deliverer or sponsor, solely or in concert with others
- acting as a project funder or part funder
- being the beneficiary group of the activity undertaken in a project.

E.6 Partners have common responsibilities:

- to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation
- to act in good faith at all times and in the best interests of the partnership's aims and objectives
- to be open about any conflict of interests that might arise
to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors
- to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature
- to act wherever possible as ambassadors for the project.

Key controls

E.7 The key controls for Council partners are:

- if appropriate, to be aware of their responsibilities under the Council's Financial Procedure Rules and the Contract Procedure Rules
- to ensure that risk management processes are in place to identify and assess all known risks
- to ensure that project appraisal processes are in place to assess the viability of the project in terms of resources, staffing and expertise
- to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences

- to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

Responsibilities of the Corporate Director of Finance and Resources

- E.8 To advise on effective controls that will ensure that resources are not wasted.
- E.9 To advise on the key elements of funding a project. They include:
- a scheme appraisal for financial viability in both the current and future years
 - risk appraisal and management
 - resourcing, including taxation issues
 - audit, security and control requirements
 - carry-forward arrangements.
- E.10 To ensure that the accounting arrangements are satisfactory.

Responsibilities of Directors

- E.11 To maintain a register of all contracts entered into with external bodies in accordance with procedures specified by the Corporate Director of Finance and Resources.
- E.12 To ensure that, before entering into agreements with external bodies, a risk management appraisal has been prepared for the Corporate Director of Finance and Resources.
- E.13 To ensure that such agreements and arrangements do not impact adversely upon the services provided by the Council.
- E.14 To ensure that all agreements and arrangements are properly documented and that they provide clarity as to the Council's role in the partnership, including where appropriate whether the Council is acting as Agent, Principal or Joint Principal and the basis on which these roles are undertaken.

- E.15 To provide appropriate information to the Corporate Director of Finance and Resources to enable a note to be entered into the Council's statement of accounts concerning material items.

External Funding

Why is this important?

- E.16 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies such as the National Lottery and the Single Regeneration Budget provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

Key controls

- E.17 The key controls for external funding are:
- to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the Accountable Body are clearly understood;
 - to ensure that funds are acquired only to meet the priorities approved in the policy framework by the Council;
 - to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements;
 - to ensure that the consequences for the Council, or for any partners for whom the Council may be acting as Agent, of exceeding the funding or expenditure requirements are clearly set out and understood;

- all bids for external funding are to be referred to and signed off by the Corporate Director of Finance and Resources

Responsibilities of the Corporate Director of Finance and Resources

- E.18 To consider, sign off as appropriate and maintain a central record of, all bids for external funding which have been so referred by other Director/s.
- E.19 To ensure that all funding notified by external bodies is received and properly recorded in the Council's accounts.
- E.20 To ensure that the match-funding requirements are considered prior to entering into the agreements and that future revenue budgets reflect these requirements.
- E.21 To ensure that audit requirements are met.

Responsibilities of Directors

- E.22 To ensure that all bids for external funding are referred to, and are signed off by, the Corporate Director of Finance and Resources prior to submission to the funding body/ies.
- E.23 To ensure that the project progresses in accordance with the agreed timetable and that all expenditure is properly incurred and recorded in accordance with the Authority's "Grants and External Funding" procedures.
- E.24 To ensure that all claims for funds are made by the due date and that the Corporate Director of Finance and Resources is informed accordingly.

Work for Third Parties

Why is this important?

E.25 Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is intra vires.

Key controls

E.26 The key controls for working with third parties are:

- to ensure that proposals are costed properly in accordance with guidance provided by the Corporate Director of Finance and Resources
- to ensure that contracts are drawn up using guidance provided by the Corporate Director of Finance and Resources and that the formal approvals process is adhered to
- to issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

Responsibilities of Corporate Director of Finance and Resources

E.27 To issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

Responsibilities of Directors

E.28 To ensure that the approval of the Executive is obtained before any negotiations are concluded to work for third parties.

- E.29 To maintain a register of all contracts entered into with third parties in accordance with procedures specified by the Corporate Director of Finance and Resources.
- E.30 To ensure that appropriate insurance arrangements are made.
- E.31 To ensure that the Council is not put at risk from any bad debts.
- E.32 To ensure that no contract is subsidised by the Council.
- E.33 To ensure that, wherever possible, payment is received in advance of the delivery of the service.
- E.34 To ensure that the Directorate/Service has the appropriate expertise to undertake the contract.
- E.35 To ensure that such contracts do not impact adversely upon the services provided for the Council.
- E.36 To ensure that all contracts are properly documented.
- E.37 To provide appropriate information to the Corporate Director of Finance and Resources to enable a note to be entered into the statement of accounts.

Appendix F: Retention of Records

There is a legal requirement to retain certain records for periods between three years and permanently. A grid, which gives guidelines on how long documents should be held, is shown below. However, other contracts, partnerships, agreements and grant related certification requirements may stipulate longer timeframes and these should take precedence over such obligations. Relevant responsible officers should provide the necessary information on retention periods to Financial Services:

Appendix G: Theft, Fraud and Corruption Response Plan

Introduction

G.1. **This procedure note sets out the responsibilities of officers and actions to be taken in cases where theft, fraud, irregularity or corruption is suspected within the Council. Definitions of each of these are set out below.**

- *Theft*
Dishonestly appropriating property belonging to another with the intention of permanently depriving them.
- *Fraud*
The intentional distortion of financial statements or other records by persons internal or external to the organisation carried out to conceal the misappropriation of assets or otherwise for gain.
- *Irregularity*
The intentional distortion or mis-statement of financial statements or accounting records and/or the misappropriation of assets.
- *Corruption*
The offering, giving, soliciting or accepting of an inducement favour or reward which may influence the actions taken by the Council, its Members or Officers.

Discovery of Fraud or Corruption

G.2. **All financial irregularities should be reported immediately to the Corporate Director of Finance and Resources or in his/her absence to the Audit Manager, as outlined in Financial Procedure Rules section C33. Where actions are thought to be deliberate then the possibility of fraud or corruption should be considered.**

G.3. **Cases of fraud and corruption often come to light in the following ways:**

- Management follows up areas where there is evidence of controls not being applied
- Routine systems checks

- Tip-offs from a third party

- G.4. **Initial reports should be treated with discretion and caution as apparently suspicious circumstances may turn out to have a reasonable explanation or could be malicious.**
- G.5. **Where suspicions are aroused during audit reviews, the details should immediately be brought to the attention of the Audit Manager who should in turn report to the Corporate Director of Finance and Resources. Consideration should then be given to consulting the police, depending on the scale of the incident, at the discretion of the Corporate Director of Finance and Resources in consultation with the Head of Paid Service. (N.B. The Council is not obliged to report all such incidents to the Police).**
- G.6. **Officers should be aware of the rules for interviewing those believed to be involved. In particular, the conditions of the Police and Criminal Evidence Act 1984 (PACE) determine whether the evidence collected will be admissible in court.**
- G.7. **Interviewing under PACE must be left to the police, or where it cannot be avoided, to Internal Audit.**
- G.8. **Where it has been determined that criminal offence may have been committed against the Authority or its employees, the Corporate Director of Finance and Resources, in liaison with the Investigating Officer (normally the Audit Manager), will meet with the Director of the relevant Directorate (or his/her representative) and the Head of Paid Service, or a member of Legal Services (or a representative therefrom), to determine whether to take the matter further.**
- G.9. **This does not preclude informal approaches to the Police by Legal Services and/or the Investigating Officer.**
- G.10. **Where a criminal offence has been committed against the Authority (other than Housing Benefit cases), the matter will be referred to the Police.**
- G.11. **Summaries of the responsibilities of the key officers follow.**

Responsibilities of the Corporate Director of Finance and Resources

G.12. Action this Response Plan:

- Inform the relevant Director (unless he/she is under suspicion)
- Inform the Audit Manager
- Inform other Managers e.g. Personnel, as necessary

G.13. Review the preliminary findings of the Audit Manager, and decide whether to :

- Discontinue the investigation as suspicions are not confirmed
- Continue with a full internal investigation
- Involve the Police, External Audit and/or other bodies affected

G.14. Agree the objectives and terms of the investigation as proposed by the Audit Manager.

G.15. Agree the resources that are necessary for the investigation as recommended by the Audit Manager. Agree any non-performance of other activities as necessary (particularly internal audit work).

G.16. Inform the Head of Paid Service that an investigation is under way.

G.17. Manage any public relations necessary.

G.18. Remain in contact with the Audit Manager throughout the Investigation.

G.19. Review the likely outcome.

G.20. Liaise with Personnel and the relevant Director to determine whether action is to be taken against a member of staff.

Responsibilities of the Audit Manager

Detailed guidelines are set out in the CIPFA booklet “The Investigation of Fraud in the Public Sector” which should be read in conjunction with the following:

- G.21. **The Audit Manager will organise the investigation on behalf of the Corporate Director of Finance and Resources, keeping her/her informed of significant events.**
- G.22. **The Audit Manager will carry out a preliminary and discreet investigation in order to produce initial evidence as to the validity of the suspicions. This will include an assessment of the scale and implications of the suspected fraud or corruption. This will enable the Corporate Director of Finance and Resources to determine how to proceed.**
- G.23. **If suspicions are confirmed, the Audit Manager will set up a full investigation by:**
- agreeing terms of reference, scope and key issues;
 - identifying staffing resources, skill mix required and officers’ responsibilities.
- G.24. **The Audit Manager will form the investigating team, attend progress meetings and keep other officers (as appropriate) fully informed of progress.**
- G.25. **The Audit Manager will arrange for audit days to be available for the Investigation. The appropriate level of skill mix should be made available, including specialist skills, e.g. computing, where necessary. The Corporate Director of Finance and Resources will be informed of the likely effect this will have on the Annual Audit Plan.**
- G.26. **Internal Audit will carry out the collection of evidence in the expected discrete and professional manner. However, extra care needs to be taken. Secrecy and confidentiality must be maintained, since the suspicions may be unfounded, or the perpetrator(s) alerted.**

- G.27. **Working papers will be dated, initialled and set out in a form that a lay person could understand and could be presented in court. It is important to ensure that all relevant documents/records are collated at as early a stage as possible.**
- G.28. **It is equally important to ensure that all “prime” documents, notes of discussions etc. however “rough and ready” are retained for possible use as evidence, as the Courts do not take kindly to “non-contemporaneous” material.**
- G.29. **Prime documents should be removed to a safe place. Copies should be used for working purposes. In order to maintain secrecy, batches of documents rather than individual ones should be removed.**
- G.30. **Observation of suspect’s activity should be undertaken by two staff. Care should be taken not to act as an “agent provocateur”. Advice should be taken from the RIPA Monitoring Officer on the application of the Regulation of Investigatory Powers Act 2000.**
- G.31. **Interviewing (other than for internal disciplinary purposes) is a specialist skill that is best left to the police. If Internal Audit have to interview, the PACE rules must be observed.**
- G.32. **The Audit Manager will be the point of contact with the police, External Auditors, and/or other bodies affected.**
- G.33. **At the conclusion of the investigation, the Audit Manager will prepare a report identifying any systems weaknesses and lessons to be learned, together with an Action Plan with named responsibilities and (where appropriate) completion dates.**

Responsibilities of Director

- G.34. **The Director will make any necessary arrangements in the Directorate:**
- to arrange for any employee under suspicion to be suspended pending the investigation and provide alternative staff cover;
 - to secure any documents or premises which may be interfered with;

- to arrange to have documents etc. available for scrutiny;
- to ensure that Internal Audit have unlimited and unrestricted access to all members of staff, and to all information, records etc. which may be required for purposes of the investigation.

Responsibilities of the Corporate Director of Finance and Resources

G.35. If staff are involved, advise on personnel and procedural issues in relation to:

- Investigations
- Suspension
- Disciplinary procedures
- Dismissal

G.36. Liaise with employee's Union representative, if appropriate.

G.37. If it is determined necessary for employees to be dismissed, carry out termination procedures. Advise Managers about the wording of future references, if any, for such employees.

Theft, Fraud & Corruption - Guidance Notes

Action to be taken by staff on discovery of a potential offence

G.38. It is essential that any person discovering or suspecting theft, fraud or corruption should inform either the Corporate Director of Finance and Resources or the Audit Manager immediately. If this is not practicable, the line manager must be informed as a minimum. Discretion is needed especially where the suspicion rests with a superior officer.

G.39. Out of office hours, the Director/person in charge must use his/her discretion whether to contact the Police. This is especially relevant in the case of theft where a delay in reporting to the Police may be undesirable.

G.40. Confidentiality will be respected; "anonymous tip-offs" will be assessed and followed up where appropriate. It is in each person's interest if he/she believes that a colleague (or

indeed any other person) may be acting unlawfully, to report such suspicions.

- G.41. Full details should be made available. Any actions relating to the potential offence should not, however, be made in a way that might arouse the suspicions of an individual who may be involved.
- G.42. During the course of any investigation it is essential that details are not discussed with anyone other than members of the investigation team. Talking to the "wrong" people may jeopardise a successful outcome to the investigation.
- G.43. Media attention should be directed to the Corporate Director of Finance and Resources; no personal comments should be passed, even if it is believed that the comments will not be reported.
- G.44. Where the Police are involved statements may need to be given to secure a prosecution.
- G.45. Contact telephone numbers:
 - i. Corporate Director of Finance and Resources Ext. 7290
 - ii. Audit Manager 01228 226261
 - iii. Cumbria Constabulary Tel 101

Guidelines and information regarding action that can be taken by employees who have serious concerns about any aspect of the Authority's work are contained in the City Council's Confidential Reporting Code.

Appendix H: Disposal of Redundant Furniture and Equipment

Furniture and Non-IT Equipment

- H.1 From time to time, the question of disposal of redundant items of furniture and equipment arises.
- H.2 It is important to ensure that all such disposals are carried out in a proper manner, and the following guidelines are intended to assist in this respect.
- H.3 Clearly, it is not possible to draft a set of rules that will fit every instance. The onus will therefore be on Managers to demonstrate that they have acted reasonably and in the Authority's best interest and that there can be no subsequent complaints of unfair/unreasonable action relating to the chosen method of disposal. This is particularly likely to be the case where individual members of staff are allowed to obtain such items.
- H.4 Where items are damaged beyond reasonable repair, or they are considered to be so obsolete as to be of no further use, they should be sent to the refuse tip, unless a [preferred user](#) wishes to take the items away at no cost to the Authority. Should no preferred user be found, the items may be offered to members of staff, who should be asked to make a bid and given sufficient time to ensure proper scope for a competitive response.
- H.5 Notice of the item, its condition, where it can be seen and the closing date for offers should be circulated via e-mail with a hard copy to each Director.
- H.6 Where an item is deemed to have some degree of continuing usefulness, albeit not to the Authority, and therefore to have a residual value, reasonable efforts must be made to ensure that the maximum income is received from its disposal. The method of disposal will clearly depend on the assessed value of the item. It is not considered to be economic to advertise items publicly where the assessed value is less than the cost of advertising, nor to arrange to have items disposed of through auction unless the estimated sale value is sufficient to cover the cost of transport and the auctioneer's fees and still provide a surplus.

- H.7 In all cases where items are disposed of, a proper record of their disposal should be made and the inventories etc. should be suitably amended.
- H.8 The above procedures do not apply to the disposal of vehicles, which are subject to sale via auction, or to computer equipment, for the disposal of which the Shared DIS Services Manager's advice must be sought.
- H.9 For the purposes of this document, **preferred users** are Community Centres and other Authority supported agencies (e.g. Citizens Advice Bureau, Council for Voluntary Services, Carlisle Community Law Centre, BRAG), Charities and non-profit making bodies, LEA schools and other Public Service bodies.

IT Equipment

Corporate Responsibility

- H.10 Managers have a responsibility to ensure that they are able to demonstrate that they have acted reasonably and in the Authority's best interest, and that there can be no subsequent complaints of unfair/unreasonable action relating to the method of disposal. (Such complaints are particularly likely where individual members of staff are allowed to obtain such items). It is therefore required that, given the specialist nature of IT equipment, disposal is undertaken by DIS Services.

DIS Services' Role

- H.11 Upon receipt of all equipment due for disposal, DIS Services should first estimate the value of each individual item.
- H.12 On a regular basis, a list of equipment should be circulated to all Directorates, who will have first call on the items. (This note should include a date by which all applications must be received).
- H.13 Once the application date has passed, any items remaining which are deemed to have some degree of continuing usefulness, albeit not to the Council, and therefore have a residual value, should be made available for sale. The sale of these items should be

organised so as to provide opportunity for members of the general public (including members of staff) to bid for each item/s of equipment.

- H.14 All reasonable efforts must be made to ensure that the maximum income is received from its or their disposal. The method of disposal will clearly depend on the assessed value of the item or items. It is not considered to be economic to advertise items publicly where the assessed value is less than the cost of advertising, nor to have items disposed of through auction unless the estimated sale value is sufficient to cover the cost of transport and the auctioneer's fee and still provide a surplus.
- H.15 Any items that are damaged beyond economic repair, or are considered to be so obsolete as to have no residual value, would normally be disposed of to tip. However, given that IT equipment requires specialist disposal due to certain environmental factors, which would therefore incur a charge, the remaining equipment should first be offered to any preferred user willing to take items away at no cost to the Council.
- H.16 Where no preferred user can be found, the item or items should be offered to members of staff, who should be asked to make a nominal bid and given sufficient time to ensure proper scope for a competitive response.
- H.17 Notice of the item/s, its condition, where it can be seen and the closing date for offers should be circulated via e-mail with a hard copy to each Director.
- H.18 Any items remaining after this exercise should be disposed of in the appropriate fashion, as advised by DIS Services.
- H.19 In all cases where items are disposed of, DIS Services should maintain a proper record of their disposal and inventories etc. should be suitably amended.

- l)** The indicative tenders received in the relevant period shall be evaluated for admittance to the System before the Council proceeds with the issue of invitations to tender in relation to any specific contract to be awarded under the System to an operator on that System.

The Council may disclose the number of economic operators participating in that phase of the auction but at no stage can the Council disclose the identity of any of the economic operators in the auction.
- l)** The auction will close at either: the date and time fixed for closure in the invitation; when the Council receives no further new prices or new values which meet the requirements concerning minimum differences; or when the number of phases in the electronic auction, as specified in the invitation, has been completed.

CARLISLE CITY COUNCIL
Councillor Code of Conduct
Adopted 27 April 2021

Definitions

For the purposes of this Code of Conduct, a “Councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of Councillor and local government.

General principles of Councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of Councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a Councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of Councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a Councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a Councillor:

1.1 I treat other Councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's Councillor-officer protocol.

2. Bullying, harassment and discrimination

As a Councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in virtual meetings, emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a Councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a Councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a Councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow Councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a Councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a Councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a Councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a Councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a Councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**

- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 within 28 days of its receipt.**

- 10.3 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable pecuniary interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the Councillor, or a person connected with the Councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room/meeting unless you have been granted a dispensation. In addition, you may speak on the matter only if members of the public are also allowed to speak and having spoken you must leave the room/meeting. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registrable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registrable Interests (as set out in Table 2), you must disclose the interest. If you have such an interest you must consider whether a reasonable member of the public, knowing all the facts, would think the interest such that it may influence the way you vote. If the ordinary person would think that the interest may influence your vote then

you should not participate in the matter. In these circumstances you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter. If it is a 'sensitive interest', you do not have to disclose the nature of the interest

Disclosure of Non- Registrable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which **affects**–

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a friend, relative, close associate; or
- c. a body included in those you need to disclose under Disclosable Pecuniary Interests as set out in **Table 1**

you must disclose the interest. In order to determine whether you may participate in the meeting after disclosing your interest the following test should be applied:

9. Where a matter **affects** your financial interest or well-being so that a reasonable member of the public knowing all the facts would believe that it may affect your view of the wider public interest you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

CARLISLE CITY COUNCILMEMBERS'

E-MAIL & INTERNET PROTOCOL

INTRODUCTION

1. The Council has adopted a Code of Conduct for Members in accordance with its statutory responsibilities which applies to all Members of the Council. This Protocol is intended to assist Members in complying with their obligations under the Code of Conduct with regard to matters relating to E-Mail and Internet. In the event of any conflict between the Code of Conduct and this Protocol then the Code will prevail.
2. This Protocol contains important rules covering E-Mail and access to the Internet. Many of the rules apply equally to the Council's other methods of communicating with the outside world such as letter, fax and telephone.
3. This Protocol governs the rules of behaviour for Council Members. A separate Protocol exists for staff.
4. This Protocol explains how E-Mail and Internet access should be used. It explains what you are allowed to do and what you are not allowed to do.
5. The Protocol starts with some general rules, do's and don'ts. We have then identified 6 areas where legal problems might arise for you and for the Council. These are:
Harassment, defamation, copyright, pornography and confidential information.
Under each section there is an explanation of the potential legal problems and some rules to help avoid those problems.
6. Failure to comply with the rules set out in this Protocol:
 - (a) May result in legal claims against you and the Council; and
 - (b) May lead to you breaking the Council's Code of Conduct and to you being reported to the Standards Committee for Members.
7. It is vital that you read this Protocol carefully. If there is anything that you do not understand, it is your responsibility to ask for clarification.
8. Any Council supplied IT equipment and software may only be used in connection with Council business. In particular, you should note that it is not permitted to load your own software, connect any hardware or subscribe to any E-Mail or Internet service other than that supplied by the Council. Any such misuse will result in a breach of the Council's Code of Conduct and to the appropriate disciplinary action being taken.

GENERAL RULES, DO'S AND DON'TS

1. The Council's E-Mail system is primarily for business use. Occasional and reasonable personal use is permitted provided that this does not interfere with the performance of your duties.
2. All E-Mail is stored and E-Mail (including personal E-Mail) may be inspected by the Council at any time without notice.
3. If you send a personal E-Mail start or sign off the E-Mail message with the following statement:

"The views and opinions expressed on this message are solely those of the sender, and may not reflect those of the Council".
4. Ask yourself, before sending an E-Mail, how you would feel if your message was read out in Court. E-Mail messages may have to be disclosed in litigation.
5. Obtain confirmation of receipt for all important E-Mails sent. E-Receipts are acceptable.
6. Keep copies of all important E-Mails in separate computer folders.
7. Keep all passwords secure. You are responsible for the security of your password. An unauthorised disclosure of your password could result in a breach of the Council's Code of Conduct and the disciplinary procedures being invoked and you being reported to the Standards Committee.
8. Check your E-Mail on each working day or arrange for a duly authorised person to do so on your behalf.
9. Reply promptly to all E-Mail messages requiring a reply. Where a prompt detailed response is not possible, a short E-Mail acknowledging receipt and giving an estimate of when a detailed response will be sent, should be sent.
10. Do not impersonate any other person when using E-Mail or amend messages received.
11. Do not create E-Mail congestion by sending trivial messages or personal messages or by copying E-Mails to those who do not need to see them.
12. It is permitted to access the World Wide Web for occasional and reasonable personal use.
13. Do not deliberately visit, view, or download any material from any Web site containing sexual or illegal material or material which is offensive in any way whatsoever.
14. Do not download software onto the Council's system. This includes software, screen savers and shareware available for free on the Internet or magazine disks.

HARASSMENT

What is Harassment?

1. It is the Council's policy that all employees must be allowed to work in an environment free from harassment of any kind. This includes (but is not limited to) sexual and racial harassment and harassment on the grounds of sexual orientation, religion and disability. Harassment affects morale and prevents a person fulfilling their full potential in their work. The Council's Code of Conduct also contains obligations on Members in this regard.
2. Sexual harassment is unwanted conduct of a sexual nature, or other conduct based on sex affecting the dignity of women and men at work. In the context of this Protocol this includes sending messages with sexually suggestive material repeated offensive sexual propositions or abuse of a sexual nature.
3. Racial harassment is unwanted conduct based on race affecting the dignity of women and men at work. In the context of this Protocol this includes sending messages containing offensive insults or "jokes" based on race and abuse of a racial nature.

What you must not do

4. **Do Not** send abusive messages or messages which contain sexual or racist material.

What are the consequences of not following this Protocol?

5. In certain circumstances harassment may constitute a criminal offence for which the harasser can be imprisoned. Victims of harassment may be able to claim damages from the harasser and from the Council.
6. If you are suspected of having committed acts of harassment, you will be dealt with under the Council's Code of Conduct which may lead to being reported to the Standards Committee for Members.

Reporting

- 7.1 Any Member who is subjected to or has knowledge of harassment (whether emanating from inside or outside of the Council) is encouraged to immediately report that harassment to:
 - (a) The Group Leader or, where that is not possible or appropriate;
 - (b) The Chairman of the Standards Committee or, where that is not possible or appropriate.
 - (c) The Town Clerk and Chief Executive.
- 7.2 Any Member must also, if he/she becomes aware of any conduct by another Member which he believes involves a failure to comply with the Authority's Code of Conduct report the matter in writing to the Monitoring Officer as soon as practicable.

Defamation

What is defamation

1. Defamation is the publication of a statement which adversely affects a person's, or an organisation's reputation. Publication may be by way of Internet or E-Mail.

What you must not do

2. **Do Not** send or circulate, internally or externally, any information which is defamatory. In particular, you must not send or circulate, internally or externally, any information which contains negative comments about an individual or organisation without first checking that the contents of the information are accurate. If in doubt, take legal advice.

What are the consequences of not following this policy?

3. A person or Company defamed may sue you and/or the Council for damages. There is a defence that the information was "true" but the onus would be on you or the Council to show that.
4. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Copyright

What is copyright?

1. The owner of copyright has the exclusive right in certain works such as documents, articles, books, plays and musical compositions, so that they cannot be copied or used in certain other ways without the consent of the copyright owner.

What you must not do

2. **Do Not** download, copy or transmit to third parties the works of others without their permission as this may infringe copyright. Copyright is most likely to be breached:
 - (a) When you download material from the Internet; or
 - (b) When you copy text or attach it to an E-Mail message.

What are the consequences of not following this Policy?

3. You and/or the Council can be sued by the owner of the copyright for damages for unauthorised use of the copyrighted material.
4. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Pornography

What is pornography?

1. As there can be no possible legitimate business use for accessing or transmitting sexually explicit materials at work, the question of whether or not sexual material constitutes pornography is not relevant to use of Council E-Mail and Internet access.

What you must not do

2. **Do Not** access or transmit any material with a sexual content.

What are the consequences of not following this Policy?

3. Accessing and transmitting sexual material may be a criminal offence for which both you and the Council could be liable.
4. The display on screen of sexual material or the transmitting of such material to other people may constitute sexual harassment (see the harassment section of this Policy).
5. Failure to follow these rules may lead to a breach of the Council's Code of Conduct to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Legislation

The use of E-Mail is subject to the Data Protection and Computer Misuse Act. Brief details of your responsibilities under these Acts are detailed below.

Data Protection Act

1. Under the Act, information stored by the Council may only be used for the purpose for which it is registered.
2. Under the Data Protection Act **you** are responsible for any information under your control. If you are unsure as to your responsibilities in managing data you should contact the Council's Data Protection Officer.

Computer Misuse Act 1990

3. It is a criminal offence to access or attempt to access computer data or a computer application for which you are not authorised.

What you must not do

4. **Do not** disclose information to anyone, even other Council employees or Members if the information will be used for a purpose for which it wasn't collected. If in doubt take legal advice.
5. **Do not** attempt to access computer data from systems you are not authorised to access.

What are the consequences of not following this Policy?

6. Breaches of the legislation may result in the Council and/or you being prosecuted by the Data Protection Registrar.

7. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Background

This Code of Good Practice has been prepared in response to the Local Government Association's Guidance Note, on the preparation of Local Codes of Good Practice on Planning Matters, in the light of the introduction of the new ethical framework and in consultation with the District Audit Service, Local Government Ombudsman and the Standards Board for England (before its abolition). It updates the City Council's former Supplementary Guidance Note for dealing with Planning Matters. The Code has been further amended to reflect the Council's Code of Conduct.

Introduction

The aim of this Code of Good Practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

The key purpose of Planning: to control development in the public interest.

Your role as a Member of the Planning Authority: is to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.

When the Code of Good Practice applies: this code applies to Members at all times when involving themselves in the planning process. (This includes, where applicable, when part of decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with Officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of his or her staff, and preferably well before any meeting takes place.

1.0 Relationship to the Members' Code of Conduct

- 1.1 **Do** apply the rules in the Members' Code of Conduct first, which must be always be complied with.
- 1.2 **Do** then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Members' Code of Conduct for the purposes of planning control. If you do not abide by this Code of Good Practice, you may put:
 - the Council at risk of proceedings on the legality or maladministration of the related decision; and
 - yourself at risk of either being named in a report made to the Standards Committee or Council or, if the failure is also likely to be a breach of the Code of Conduct.

2.0 Development Proposals and Interests under the Members' Code

- 2.1 **Do** disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Preferably, disclose your interest at the beginning of the meeting and not just at the commencement of discussion on that particular matter. Members may wish to use the disclosure form that is available for full Council meetings to ensure that the details of the minute are correct.
- 2.2 **Do** then act accordingly. Where your interest is personal and prejudicial:-
- 2.3 **Don't** participate, or give the appearance of trying to participate in the making of any decision on the matter by the Planning Authority.
- 2.4 **Don't** get involved in the processing of the application.
- 2.5 **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a Councillor. This would include, where you have a personal and prejudicial interest in a proposal, using your position to discuss that proposal with Officers or Members when other members of the public would not have the same opportunity to do so.
- 2.6 **Do** be aware that you are able to attend the meeting of the Development Control Committee to make representations, answering questions or giving evidence provided it is an item of business that the public are also allowed to attend the Meeting for the same purpose. Once you have made your representations **do** leave the Meeting.

- 2.7 **Do** notify the Monitoring Officer in writing of your own application and note that:
- notification to the Monitoring Officer should be made no later than submission of the application;
 - the proposal will always be reported to the Committee as a main item and not dealt with by Officers under delegated powers; and
 - it is advisable that you employ an agent to act on your behalf on the proposal in dealing with Officers.

3.0 Fettering Discretion in the Planning Process

- 3.1 **Don't** fetter your discretion and therefore your ability to participate in planning decision making at this Council by making up your mind, or clearly appearing to have made up your mind (particularly in relation to an external interest or lobby group) on how you will vote on any planning matter prior to formal consideration of the matter at the meeting of the Planning Authority and of your hearing the Officer's presentation and evidence and arguments on both sides.
- 3.2 **Fettering your discretion** in this way and then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of there being a danger of bias or pre-determination, or a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- 3.3 **Do** be aware that you are likely to have fettered your discretion where the Council is the landowner, developer or applicant and you have acted as, or could be perceived as being, a chief advocate for the proposal. (This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating the proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits).
- 3.4 **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (where you are also a member of the parish council, for example, or both a District and County Councillor), provided:
- the proposal does not affect the financial standing of the consultee body or relate to the determining of any approval, consent, licence, permission or registration in relation to the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;

- you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish as and when it comes before the Committee and you hear all of the relevant information;
 - you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee; and
 - you disclose the personal interest regarding your membership or role when the Committee comes to considers the proposal.
- 3.5 **Don't** speak and vote on a proposal where you have fettered your discretion. You do not have to withdraw, but you may prefer to do so for the sake of appearances.
- 3.6 **Do** explain that you do not intend to speak and vote because you have, or you could reasonably be perceived as having, judged (or reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes. Members may wish to use the disclosure form that is available for full Council meetings to ensure that the details of the minutes are correct.
- 3.7 **Do** take the opportunity to exercise your separate speaking rights as a Ward Member where you have represented your views or those of local electors and fettered your discretion, where you do:
- advise the proper Officer or Chairman that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the member seating area for the duration of that item; and
 - ensure that your actions are recorded.

4.0 Contact with Applicants, Developers and Objectors

- 4.1 **Do** refer those who approach you for planning, procedural or technical advice to Officers.
- 4.2 **Don't** agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should never seek to arrange that meeting yourself, but should request that either the Corporate Director of Economic Development or the Development Manager organise it. The Officer will then ensure that those present at the meeting are advised from the start that the discussions will not bind the Authority to any particular course of action, that the

meeting is properly recorded on the application file and the record of the meetings disclosed when the application is considered by the Committee.

4.3 **Do** otherwise:

- follow the rules on lobbying;
- consider whether or not it would be prudent in the circumstances to make notes when contacted; and
- report to either the Corporate Director of Economic Development or the Development Manager any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them and ensure that this is recorded on the planning file.

In addition in respect of presentations by applicants/developers:

4.4 **Don't** attend a planning presentation unless an Officer is present and/or it has been organised by Officers.

4.5 **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.

4.6 **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application, this will be carried out by the Development Control Committee of the City Council.

4.7 **Do** be aware that a presentation is a form of lobbying and you must not express any strong view, or state how you or other Members might vote.

5.0 Lobbying of Councillors

5.1 **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it prejudices your impartiality and therefore your ability to participate in the Committee's decision making to express an intention to vote one way or another, or such a firm point of view that it amounts to the same thing.

5.2 **Do** remember that your overriding duty is to the whole community not just to the people in your ward area and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.

5.3 **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible and remember to register the gift or hospitality and declare it as a personal interest as required by the Code of Conduct.

- 5.4 **Do** copy or pass on any lobbying correspondence you receive to either the Director of Economic Development or the Development Manager at the earliest opportunity.
- 5.5 **Do** promptly refer to either the Corporate Director of Economic Development or the Development Manager any offers made to you of planning gain or constraint of development through a proposed Section 106 Planning Obligation, or otherwise.
- 5.6 **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate Officers to follow the matter up.
- 5.7 **Do** note that, unless you have a personal and prejudicial interest, you will not have fettered your discretion or breached this Planning Code of Good Practice through:
- listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Members or appropriate Officers, provided they do not consist of or amount to pre-judging the issue and you make clear you are keeping an open mind;
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion or speaking at the meeting as a Ward Member, provided you explain your actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward view, you have not committed yourself to vote in accordance with those views and will make up your own mind having heard all the facts and listened to the debate.

6.0 Lobbying by Councillors

- 6.1 **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby, promote or oppose planning proposals. If you do, you will have fettered your discretion and are likely to have a personal and prejudicial interest and have to withdraw (subject to your right to make representations to the Committee described in paragraph 2.6).
- 6.2 **Do** join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals, such as the Victorian Society, CPRE, Ramblers Association or a local civic society, but disclose a personal interest where that organisation has made representations on a particular proposal and make it clear to that organisation and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal.

- 6.3 **Don't** excessively lobby fellow Councillors regarding your concerns or views, nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.
- 6.4 **Don't** decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

7.0 Site Visits

- 7.1 **Do** try to attend site visits organised by the Council where possible.
- 7.2 **Don't** request a site visit unless you feel it is strictly necessary because:
- particular site factors are significant in terms of the weight attached to them relative to other factors, or the difficulty of their assessment in the absence of a site inspection; or
 - there are significant policy or precedent implications and specific site factors need to be carefully addressed.
- 7.3 **Do** ensure that any information which you gained from the site visit is reported back to the Committee, so that all Members have the same information
- 7.4 **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.
- 7.5 **Do** ask the Officers at the site visit questions, or seek clarification from them on matters which are relevant to the site inspection.
- 7.6 **Don't** hear representations from any other party, with the exception of the Ward Member(s) whose address must focus only on site factors and site issues. Where you are approached by the applicant or a third party, advise them that they should make representations in writing to the Authority and direct them to or inform the Officer present.
- 7.7 **Don't** express opinions or views to anyone.
- 7.8 **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
- you feel it is essential for you to visit the site other than through attending the official site visit,
 - you have first spoken to either the Corporate Director of Economic Development or the Development Manager about your intention to do so and why (which will be recorded on the file); and

- you can ensure you will comply with these good practice rules on site visits.

8.0 Public Speaking at Meetings

- 8.1 **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking, as this may give the appearance of bias.
- 8.2 **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9.0 Officers

- 9.1 **Don't** put pressure on Officers to put forward a particular recommendation. This does not prevent you from asking questions or submitting views to either the Corporate Director of Economic Development or the Development Manager, which may be incorporated into any Committee report.
- 9.2 **Do** recognise that Officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with the Corporate Director of Economic Development, the Development Manager or those Officers who are authorised by either of them to deal with the proposal at a Member level.
- 9.3 **Do** recognise and respect that Officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, Planning Officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

10.0 Decision Making

- 10.1 **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through Officer delegation, that your reasons are recorded and repeated in the report to the Committee.
- 10.2 **Do** come to meetings with an open mind and demonstrate that you are open-minded.
- 10.3 **Do** comply with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan, unless material considerations indicate otherwise.
- 10.4 **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient

time to digest new information or that there is simply insufficient information before you request that further information. If necessary, defer or refuse.

- 10.5 **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present to hear the entire debate, including the Officers' introduction to the matter.
- 10.6 **Do** have recorded the reasons for Committee's decision to defer any proposal.
- 10.7 **Do** make sure that if you are proposing, seconding or supporting a decision contrary to Officer recommendations or the Development Plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11.0 Training

- 11.1 **Do** endeavour to attend any specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans and thus assist you in carrying out your role properly and effectively.
- 11.2 **Do** participate in the review of a sample of planning decisions to ensure that Members' judgements have been based on proper planning considerations.

All public office-holders are both servants of the public and stewards of public resources. The principles also have application to all those in other sectors delivering public services.
<i>Selflessness</i>	Holders of public office should act solely in terms of the public interest.

<i>Integrity</i>	Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
<i>Objectivity</i>	Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
<i>Accountability</i>	Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
<i>Openness</i>	Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
<i>Honesty</i>	Holders of public office should be truthful.
<i>Leadership</i>	Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

3. **TREATMENT OF INFORMATION**

- 3.1 It is generally accepted that open government is best. The law requires that certain types of information must be available to elected members, auditors, government departments, service users and the public. The Council itself may decide to be open about other types of information. Employees must be aware of which information the Council is and is not open about, and act accordingly.
- 3.2 Council employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way.

- 3.3 Employees must be aware of their responsibilities in relation to data protection. Each person is responsible for the information they gather, retain and have access to during the course of their work and must treat it in line with data protection requirements. In particular:
- (a) Information received by an employee from an elected member or employee which is private or personal to that individual should not be divulged by the employee without the prior approval of the Councillor or member of staff, except where such disclosure is required or sanctioned by the law, or is required legitimately by the employee or Member to carry out their role within the Council, or the person concerned has agreed to it.
 - (b) Information concerning any service user's private affairs shall not be supplied to any person outside the employment of the Council unless the consent of the service user concerned is obtained first.
 - (c) No employee shall communicate to the public/media the proceedings of the private part of any Council or Executive meeting nor the content of any private document relating to the Council unless required by law or expressly authorised to do so.
 - (d) All personal or private information gained during employees' work must be kept safe and secure. The IT Security policy must be complied with and employees must not, for example, share passwords or leave them lying around and take care to co-operate with measures designed to keep computer data secure.

4. **POLITICAL NEUTRALITY**

- 4.1 Employees serve the Council as a whole. It follows they must serve all Elected Members and not just those of any controlling group, and must ensure that the individual rights of all Councillors are respected. Some employees may be requested to advise political groups. They must do so in ways which do not compromise their political neutrality.
- 4.2 Employees, whether or not politically restricted, must follow every lawful expressed policy of the Council and must not allow their own personal or political opinions to interfere with their work.
- 4.3 The Local Government and Housing Act 1989 designates certain posts as politically restricted. Amongst other things, holders are not permitted to be or become a Member of Parliament, an Elected Member with any local authority (other than a Parish or Town

Council), or a political agent or sub-agent. Applications for exemption may be made to the Council's Standards Committee.

5. RELATIONSHIPS

Elected Members

- 5.1 Employees are responsible to the Council through its Senior Managers. For some, their role is to give advice to Members and Senior Managers and all are there to carry out the Council's work. Mutual respect between employees and Councillors is essential to good Local Government. Close personal familiarity between employees and individual Members can damage the relationship and prove embarrassing to other employees and Members and should therefore be discouraged.

The Local Community and Service Users

- 5.2 Employees should remember that they represent the Council and always behave in a way that does not undermine public confidence.
- 5.3 Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the Council.
- 5.4 It is the Council's policy to encourage and investigate complaints. Employees must treat complaints seriously and handle them in accordance with the Corporate Complaints and Feedback Policy.

Contractors

- 5.5 Orders and contracts must be awarded on merit, by fair competition against other tenders, and in line with financial regulations with no special favour being shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

- 5.6 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should disclose that relationship. Employees in such circumstances must not participate in any purchasing decisions where that contractor has the potential to be awarded the business.

Employees

- 5.7 Everyone is entitled to be treated with respect and all employees must treat each other courteously and with respect in line with the Council's policy 'Encouraging Mutual Dignity and Respect'.

6. SAFETY

- 6.1 Employees have a duty to their employer not to act in a manner that prejudices the health and safety of another employee, a service user or anyone else. Employees have a duty to be aware of the contents of the Council's Health and Safety Policy and any codes of practice which relate to their work, and comply with their requirements.

7. EQUALITY

- 7.1 Council employees must comply with policies relating to equality and diversity issues as agreed by the Council in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated with fairness and equality.
- 7.2 Employees should take all reasonable care to ensure that none of their actions could reasonably be interpreted as harassment by anyone else.

8. STEWARDSHIP AND USE OF RESOURCES

- 8.1 Council employees must ensure that they use public funds entrusted to them in a responsible and lawful manner and must not use property, vehicles or other Council facilities for personal use, unless authorised to do so.
- 8.2 They should strive to ensure value for money to the local community.

- 8.3 Employees involved in purchasing goods and services for the Council, disposing of assets or any other activity involving money must follow Council's procedures relating to that activity as detailed in the Council's Financial Rules in the Constitution and any other related procedures which may be drawn up from time to time.

9. **DRESS AND APPEARANCE**

- 9.1 Employees at work represent the City Council and should dress appropriately. Where a uniform or personal protective clothing is provided this must be worn in the correct manner and kept in a reasonable condition.

10. **PERSONAL INTERESTS**

- 10.1 Whilst employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests or the interests of others. In particular, they must :
- (a) Declare to the Chief Finance Officer any financial or non-financial interest that could bring about a conflict with the Council's interests.
 - (b) Comply with the Council's rules on the declaration by employees of hospitality or gifts offered to or received by them from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the Council. This includes recording the offer whether or not it is accepted. Employees must not accept benefits from a third party, unless authorised to do so by the Council.
 - (c) Seek permission from their Director to carry out paid work outside the Council if their pay rate is grade G and above (pay point 18 and above). Permission will not be unreasonably withheld. The work must not cause a conflict of interest with their Carlisle City Council job (or be capable of being reasonably perceived to do this).
 - (d) Advise their Line Manager if they have a second job or participate in outside activities that may cause difficulty with their Carlisle City Council job. This could occur if, for example, a second job involves a lot of driving and their Carlisle City Council job also involves driving and there is a danger of them exceeding the number of driving hours allowed, or their

second job means they get insufficient rest at night and compromise theirs and others' health and safety.

- 10.2 In order to avoid any perception of partiality, staff must not handle service requests for themselves, their relatives or friends and, if requested to do so, must pass it to a colleague. Examples of such requests include Council Tax and Housing benefits, planning applications, or applications for grants.
- 10.3 Employees must not use, or attempt to use, their position improperly for their, or anyone else's advantage or disadvantage.

11. **APPOINTMENT OF STAFF AND OTHER EMPLOYMENT MATTERS**

- 11.1 Employees involved in appointments should ensure that these are made on the basis of merit in accordance with the Council's Equal Opportunities Policy. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have/have had a close personal relationship outside work with him or her. If necessary, disclosure should be made.
- 11.2 Similarly, employees should not be involved in decisions relating to discipline, promotion, pay adjustments or any other activity which has the potential to confer a benefit or disadvantage for any other employee who is a relative, or have/have had a close personal relationship outside work with him or her. If an employee finds themselves in this position they must advise their Line Manager who will make suitable alternative arrangements.

12. **CORRUPTION**

- 12.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity.

13. **SPONSORSHIP – GIVING AND RECEIVING**

- 13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Local Government activity, whether by invitation, tender, negotiation or voluntarily, the basic

conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

- 13.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to an appropriate manager of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

14. **WHISTLEBLOWING**

- 14.1 Where an employee becomes aware of any activity which that employee believes to be illegal, improper, unethical or otherwise inconsistent with the Code of Conduct for Employees, the employee should report the matter. The Public Interest Disclosure Act 1998 and Carlisle City Council's Confidential Reporting Policy provide for any employee making a disclosure that they reasonably believe to be true is protected from any detrimental treatment by their employer.

15. **INVESTIGATIONS BY THE MONITORING OFFICER**

- 15.1 Where the Council's Monitoring Officer is undertaking an investigation in accordance with regulations made under Section 7i3(1) of the Local Government Act 2000, a Council employee must comply with any requirement made by that Monitoring Officer in connection with such an investigation.

16. **RELATED POLICIES, PROCEDURES AND OTHER DOCUMENTS**

The following documents will provide more detail on the issues covered in this Code, where the employee needs to know more detail. A copy can be found on the Intranet, except where otherwise stated. Those without easy access to the Intranet should ask their Manager for a copy.

“Every local authority should have its own written statement or protocol governing relations between members and officers.” (Third report of the Committee on Standards in Public Life – the Nolan Committee)

Preamble

1. Mutual trust and respect between members and officers is at the heart of a Council’s good governance. They are essential if the partnership necessary for the effective running of a local authority is to succeed.
2. This may seem obvious. But what happens when relationships go awry? Where can members and officers turn for guidance? What mechanisms exist for addressing concerns? How can matters be improved?
3. Such questions point to the need for a written guide to the basic elements of the relationship between members and officers – a protocol :
 - to promote trust, openness, fairness and honesty by establishing some ground rules;
 - to define roles so as:
 - to clarify responsibilities (i.e. who does what),
 - to avoid conflict, and
 - to prevent duplication or omission;
 - to secure compliance with the law, codes of conduct and a council’s own practices; and
 - to lay down procedures for dealing with concerns by members or officers.
4. A protocol should be recognised both as a central element of the council’s corporate governance, and as a commitment to upholding standards of conduct in public life. It’s one way of demonstrating to the public at large that local

government is serious about protecting and enhancing its integrity and reputation. Carlisle City Council has therefore adopted this protocol governing relationships between its officers and members as part of its governance arrangements in order to achieve the above objectives.

Definitions

5. Unless the context indicates otherwise, references to the term *Council* include the Executive, Overview and Scrutiny Committees, and other Committees and Sub-Committees.
6. For the purposes of this protocol, the term *Executive* refers to the Leader and other members of the Executive under the Council's Constitutional arrangements.
7. Unless the context indicates otherwise, the terms *member* and *members* include non-elected (i.e. co-opted) members as well as elected councillors.
8. *Officers* and *staff* mean all persons employed by the Council.
9. *Senior Officer* means the Town Clerk and Chief Executive, the Deputy Town Clerk & Chief Executive and the Chief Officers.
10. *Designated Finance Officer* means the officer exercising the duties prescribed by law for the financial administration of the Council.

Principles

11. Members and officers must at all times observe this protocol.
12. The protocol has been approved and adopted by the Council.
13. The protocol seeks to maintain and enhance the integrity (real and perceived) of local government which demands the highest standards of personal conduct.

14. Members and officers must always respect the roles and duties of each other. They must show respect in all their dealings by observing reasonable standards of courtesy, and by not seeking to take unfair advantage by virtue of their position.
15. Whilst members and officers are indispensable to one another, their responsibilities are distinct. Members are accountable to the electorate and serve only as long as their term of office lasts. Officers are accountable to the Council as a whole. Their job is to give advice to members (individually and collectively) and to carry out the Council's work under the direction of the Council.
16. The Council has adopted codes of conduct for both members and officers. Both represent best practice. The members' code follows the national code which in turn is based on the general principles governing members' conduct enshrined in law, viz:
 - Selflessness – serving only the public interest.
 - Honesty and integrity – not allowing these to be questioned; not behaving improperly.
 - Objectivity – taking decisions on merit.
 - Accountability – to the public, being open to scrutiny.
 - Openness – giving reasons for decisions.
 - Personal judgement – reaching one's own conclusions and acting accordingly.
 - Respect for others – promoting equality; avoiding discrimination; respecting others (member/member, as well as member/officer).
 - Duty to uphold the law – not acting unlawfully.
 - Stewardship – ensuring the prudent use of a council's resources.
 - Leadership – acting in a way which has public confidence.
17. These principles underpin this protocol. They will also be reflected in a new national code of conduct for employees due in the near future.
18. Until such time as a new national code appears, officers are bound by the Council's own code of conduct for staff and, in some cases, by the codes of their professional associations.

19. Breaches of this protocol by a member may result in a complaint if it appears the members' code has also been breached. Breaches by an officer may lead to disciplinary action.

The Role of Members

20. Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, members may wish to seek the advice of senior colleagues, the relevant senior officers(s), and/or the Monitoring Officer, who is the Council's Corporate Director of Governance & Regulatory Services.
21. Collectively, members are the ultimate policy-makers, determining the core values of the Council and approving the authority's policy framework, strategic plans and budget.
22. Members represent the community, act as community leaders and promote the social, economic and environmental well-being of the community often in partnership with other agencies.
23. Every elected-member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local bodies.
24. Some members have roles relating to their position as members of the Executive, overview and scrutiny committees or other committees and sub-committees of the Council.
25. Members of the Executive can have individual delegated powers. They may determine matters within their portfolios in accordance with the Leader's Scheme of Delegation but implementation of their decisions is the responsibility of officers.

26. Members serving on overview and scrutiny committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor local health service provision.
27. Members who serve on other committees and sub-committees collectively have delegated responsibilities, e.g. deciding quasi-judicial matters which by law are excluded from the remit of the Executive.
28. Some members may be appointed to represent the Council on local, regional or national bodies.
29. As politicians, members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as members they have a duty always to act in the public interest.
30. Members are not authorised to instruct officers other than:
 - Through the formal decision-making process;
 - to request the provision of consumable resources provided by the Council for members' use;
 - where staff have been specifically allocated to give support to a member or group of members; and
 - in the case of political assistants (if any) which the Council may employ.
31. Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.
32. Members must avoid taking actions which are unlawful, financially improper or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the designated Finance Officer.
33. Members must respect the impartiality of officers and do nothing to compromise it, e.g. by insisting that an officer change his/her professional advice.

34. Members have a duty under their code of conduct :
- to promote equality by not discriminating unlawfully against any person, and
 - to treat others with respect.
35. Under the code, a member must not when acting as a member or in any other capacity:
- bring the Council or his/her position as a member into disrepute, or
 - use his/her position as a member improperly to gain an advantage
 - or disadvantage for him/herself or any other person.

The Role of Officers

36. Officers are responsible for giving advice to members to enable them to fulfil their roles. In doing so, officers will take into account all available relevant factors.
37. Under the direction and control of the Council (including, as appropriate, the Executive, committees and sub-committees), officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.
38. Officers have a duty to implement decisions of the Council, the Executive, committees and sub-committees which are lawful, and which have been properly approved in accordance with the requirements of the law and the Council's Constitution, and duly minuted.
39. Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.

40. Officers must assist and advise all parts of the Council. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
41. Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for members, the media or other sections of the public.
42. Officers have the right not to support members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on officers' involvement in political activities for those officers employed in politically restricted posts.

The Relationship between Members and Officers: General

43. The conduct of members and officers should be such as to instil mutual confidence and trust.
44. The key elements are a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.
45. Informal and collaborative two-way contact between members and officers is encouraged. But personal familiarity can damage the relationship, as might a family or business connection.
46. Members and officers should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles.
47. It is not enough to avoid actual impropriety. Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship

has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, a member should not sit on a body or participate in any decision which directly affects the officer on a personal basis.

48. Officers serve the Council as a whole. They have a duty to implement the properly authorised decisions of the Council.
49. With the exception of political assistants (if any), officers work to the instructions of their managers, not individual members. It follows that, whilst such officers will always seek to assist a member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, members should normally direct their requests and concerns to a senior officer, at least in the first instance.
50. Officers will do their best to give timely responses to members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities.
51. Members will endeavour to give timely responses to enquiries from officers.
52. An officer shall not discuss with a member personal matters concerning him/herself or another individual employee. This does not prevent an officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.
53. Members and officers should respect each other's free (i.e. non-Council) time.

The Council as Employer

54. Officers are employed by the Council as a whole.
55. Members' roles are limited to :

- the appointment of some senior posts, specified in the Constitution;
- determining human resources policies and conditions of employment;
- the appointment of political assistants (if any), and
- hearing and determining appeals.

56. Members shall not act outside these roles.

57. If participating in the appointment of officers, members should:

- remember that the sole criterion is merit (other than in the case of political assistants where political considerations may apply);
- never canvass support for a particular candidate;
- not take part where one of the candidates is a close friend or relative,
- not be influenced by personal preferences, and
- not favour a candidate by giving him/her information not available to the other candidates.

58. A member should not sit on an appeal hearing if the appellant is a friend, a relative, or an officer with whom the member has had a close working relationship.

Mayor and Officers

59. Officers will respect the position of Mayor and provide appropriate support.

Executive members and officers

60. Executive members will take decisions in accordance with the constitution and any relevant scheme of delegation and will not otherwise direct staff. Senior officers will be responsible for instructing staff to implement the Executive's decisions.

61. In addition to individual members of the Executive, senior officers (including the Monitoring Officer and the designated Finance Officer) have the right to submit

papers to the Executive as a whole or to individual Executive members for consideration.

62. Senior officers and Executive members shall agree mutually convenient methods of regular contact. Before taking any formal decisions, the Executive will seek appropriate professional advice including, without exception, the Monitoring Officer and designated Finance Officer, and will not direct officers in the framing of recommendations.
63. Before any formal decisions with a financial implication are taken by the Executive, the Chief Finance Officer and the senior officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:
 - are aware of the proposed decision,
 - have the opportunity to offer advice, and
 - are subsequently able properly to authorise the financial transactions needed to implement decisions.
64. An individual Executive member who is minded to write or commission a report or to make a decision about a matter within his/her portfolio must ensure that those other members and officers who need to know of the matter are so informed. There is a particular requirement to involve other Executive members on cross-cutting issues.
65. Executive members when making decisions (whether collectively or individually) must state the reasons for those decisions. The written record of the decisions must include the reasons.
66. Officers taking decisions under their delegated powers must consider the advisability of informing the relevant Executive member(s) of their intentions in

advance when the matter to which the decisions relate is likely to be sensitive or contentious, or has wider policy implications. They must also observe the requirements set out in any relevant scheme of delegation (including the Leader's Scheme) when taking decisions.

Overview and Scrutiny Members and Officers

67. Chairmen and other leading overview and scrutiny members shall maintain regular contact with the officer(s) providing the principal support to the overview and scrutiny function. In consultation with chairmen, it shall be the responsibility of the latter to ensure that those who need to know of matters being considered or for possible future consideration are so informed.
68. An overview and scrutiny committee or its chairman acting on its behalf may require officers to attend overview and scrutiny meetings. Members should not normally expect junior officers to give evidence but only officers employed at Principal Officer level and above as set out in the Overview and Scrutiny Procedure Rules. All requests should be made to senior officers in the first instance.
69. When making requests for officer attendance, overview and scrutiny members shall have regard to the workload of officers.
70. It is recognised that officers required to appear before an overview and scrutiny committee may often be those who have advised the Executive or another part of the Council on the matter under investigation. In these circumstances, an officer may have a conflict of interest, though not a personal interest. Both members and officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought elsewhere – from the Council's dedicated overview and scrutiny support unit or externally.
71. Subject to 70 above, officers should be prepared to justify advice given to the Council, the Executive, or other committees and sub-committees even when the advice was not accepted.

72. Officers must also be prepared to justify decisions they have taken under delegated powers.
73. In giving evidence, officers must not be asked to give political views.
74. Officers should respect members in the way they respond to members' questions.
75. Members should not question officers in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature.
76. Overview and scrutiny proceedings must not be used to question the capability or competence of officers. Chairmen and members need to make a distinction between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not an overview and scrutiny function.
77. In exercising the right to call-in a decision of the Executive, overview and scrutiny members must seek officer advice if they consider the decision is contrary to the Council's approved plans, policies or frameworks, or is unlawful.

Members of other Committees or Sub-Committees and Officers

78. The appropriate senior officers will offer to arrange regular informal meetings with chairmen, vice-chairmen and spokesmen of committees and sub-committees.
79. Senior officers (including the Monitoring Officer and the designated Finance Officer) have the right to present reports and give advice to committees and sub-committees.
80. Members of a committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct officers to act.

81. At some committee or sub-committee meetings, a resolution may be passed which authorises a named officer to take action between meetings in consultation with the chairman. In these circumstances it is the officer, not the chairman, who takes the action and is responsible for it. A chairman has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

Party Groups and Officers (excluding Political Assistants)

82. Senior officers may properly be asked to contribute to deliberations of matters concerning Council business by party groups.
83. Officers have the right to refuse such requests, and will normally not attend a meeting of a party group where some of those attending are not members of the Council.
84. Officer support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed.
85. Party group meetings are not empowered to make decisions on behalf of the Council, and conclusions reached at such meetings do not rank as formal decisions. The presence of an officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so.
86. Where officers provide factual information and advice to a party group in relation to a matter of Council business, this is not a substitute for providing all the necessary information and advice when the matter in question is formally considered by the relevant part of the Council.
87. It must not be assumed that an officer is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting.

88. Officers will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, will not relay the content of such discussions to another party group or to any other members. This shall not prevent an officer providing feedback to other senior officers on a need-to-know basis.
89. In their dealings with party groups, officers must treat each group in a fair and even-handed manner.
90. Members must not do anything which compromises or is likely to compromise officers' impartiality.
91. The duration of an officer's attendance at a party group meeting will be at the discretion of the group, but an officer may leave at any time if he/she feels it is no longer appropriate to be there.
92. An officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each.
93. An officer who is not a senior officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf.
94. An officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting.
95. No member will refer in public or at meetings of the Council to advice or information given by officers to a party group meeting.
96. At party group meetings where some of those present are not members of the Council, care must be taken not to divulge confidential information relating to Council business. Persons who are not members are not bound by the Members'

Code of Conduct. They do not have the same rights to Council information as members.

97. Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Town Clerk and Chief Executive and the relevant party group leader.

Political Assistants (if appointed by the Council)

98. These officers (if any such are appointed) have been appointed by the Council exclusively to provide support to each of the party groups. Their function is to assist the interests and work of the group to which they have been assigned. This is in contrast to all other staff whose duty is to serve the Council as a whole.
99. Political assistants will be treated in accordance with and expected to observe all codes, policies and practices relating to the Council's staff. This includes the courtesy and consideration which the Council expects its officers to show to one another.
100. Except for their immediate secretarial and clerical support, the assistants will have no line management responsibility or power of direction over other staff.
101. Political assistants are not authorised to comment publicly on behalf of the Council as a whole, or to commit the Council to any particular course of action, but can comment on behalf of the party group to which they have been assigned.
102. The level of access to Council documents and information shall be that enjoyed by members.

Local Members and Officers

103. To enable them to carry out their ward role effectively, members need to be fully informed about matters affecting their ward. Senior officers must ensure that all relevant staff are aware of the requirement to keep local members informed, thus allowing members to contribute to the decision-making process and develop their representative role.

104. This requirement is particularly important:
- during the formative stages of policy development, where practicable;
 - in relation to significant or sensitive operational matters;
 - whenever any form of public consultation exercise is undertaken, and
 - during an overview and scrutiny investigation.
105. Issues may affect a single ward. Where they have a wider impact, a number of local members will need to be kept informed.
106. Whenever a public meeting is organised by the Council to consider a local issue, all the members representing the wards affected should be invited to attend the meeting as a matter of course.
107. If a local member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant officer. Provided the meeting has not been arranged on a party-political basis:
- an officer may attend but is not obliged to do so, and
 - the meeting may be held in Council-owned premises.
108. No such meetings should be arranged or held in the immediate run-up to Council elections. Further advice on this should be obtained from the Council's Monitoring Officer.
109. Whilst support for members' ward work is legitimate, care should be taken if staff are asked to accompany members to ward surgeries. In such circumstances:
- the surgeries must be open to the general public, and
 - officers should not be requested to accompany members to surgeries held in the offices or premises of political parties.

110. Officers must never be asked to attend ward or constituency political party meetings.
111. It is acknowledged that some Council staff (e.g. those providing dedicated support to Executive members) may receive and handle messages for members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party-political purposes.
112. In seeking to deal with constituents' queries or concerns, members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by members in the requested timescale, and may need to seek instructions from their managers.

Members' Access to Documents and Information

113. This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's Constitution.
114. Members may request senior officers to provide them with such information, explanation and advice as they may reasonably need to assist them to discharge their roles as members. This may range from general information about some aspect of the Council's services to specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
 - it is in the public domain, and
 - it is not barred by the Data Protection Act from being given.
115. Every member of the Executive, an overview and scrutiny committee, and/or any other committee or sub-committee has a right to inspect documents about the business of that overview and scrutiny committee, other committee or sub-committee or the Executive.

116. A member who is not a member of a specific overview and scrutiny committee, other committee or subcommittee, or the Executive may have access to any document of that specific part of the Council provided:
- he/she can demonstrate a reasonable need to see the documents in order to carry out his/her roles as a member (the “need to know” principle), and
 - the documents do not contain “confidential” or “exempt” information as defined by the law.
117. Disputes as to the validity of a member’s request to see a document on a need to know basis will be determined by the Monitoring Officer. Officers should seek his/her advice if in any doubt about the reasonableness of a member’s request.
118. A member should obtain advice from the Monitoring Officer in circumstances where he/she wishes to have access to documents or information:
- where to do so is likely to be in breach of the Data Protection Act, or
 - where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the members’ code of conduct.
119. Information given to a member must only be used for the purpose for which it was requested.
120. It is an accepted convention that a member of one party group will not have a need to know and therefore a right to inspect a document which forms part of the internal workings of another party group.
121. Members and officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so.
122. When requested to do so, officers will keep confidential from other members advice requested by a member.

123. Members and officers must not prevent another person from gaining access to information to which that person is entitled by law.

Media Relations

124. All formal relations with the media must be conducted in accordance with the Council's agreed procedures and the law on local authority publicity.
125. Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They cannot be used to promote a party group.
126. Officers will keep relevant members informed of media interest in the Council's activities, especially regarding strategic or contentious matters.
127. Before responding to enquiries from the media, officers shall ensure they are authorised to do so.
128. Likewise, officers will inform the Council's Communications section of issues likely to be of media interest, since that unit is often the media's first point of contact.
129. If a member is contacted by, or contacts, the media on an issue, he/she should:
 - indicate in what capacity he/she is speaking (e.g. as ward member, in a personal capacity, as an Executive member, on behalf of the Council, or on behalf of a party group);
 - be sure of what he/she wants to say or not to say;
 - if necessary, and always when he/she would like a press release to be issued, seek assistance from the Council's Communications section and/or relevant senior officer, except in relation to a statement which is party political in nature;
 - consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions);

- never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter;
- consider whether to consult other relevant members; and
- take particular care in what he/she says in the run-up to local or national elections to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or political party activist.

Correspondence

130. Correspondence between an individual member and an officer should not be copied to another member unless the author expressly intends and states that this is the case or consents. Where correspondence is copied, this should always be made explicit, i.e. there should be no “blind” copies.
131. Official letters written on behalf of the Council should normally be in the name of the relevant officer. It may be appropriate in some circumstances (e.g. representations to a Government Minister) for letters to appear in the name of an Executive member or the chairman of an overview and scrutiny committee.
132. The Mayor may initiate correspondence in his/her own name.
133. Letters which create legally enforceable obligations or which give instructions on behalf of the Council should never be sent in the name of a member.
134. When writing in an individual capacity as a ward member, a member must make clear that fact.

Access to Premises

135. Officers have the right to enter Council land and premises to carry out their work. Some officers have the legal power to enter property in the ownership of others.
136. Members have a right of access to Council land and premises to fulfil their duties.
137. When making visits as individual members, members should:

- whenever practicable, notify and make advance arrangements with the appropriate manager or officer in charge;
- Comply with health and safety, security and other workplace rules;
- Not interfere with the services or activities being provided at the time of the visit;
- If outside his/her own ward, notify the ward member(s) beforehand; and
- Take special care at schools and establishments serving vulnerable sections of society to avoid giving any impression of improper or inappropriate behaviour.

Use of Council Resources

138. The Council provides all members with services such as typing, printing and photocopying, and goods such as stationery and computer equipment, to assist them in discharging their roles as members of the Council. These goods and services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.
139. Members should ensure they understand and comply with the Council's own rules about the use of such resources, particularly:
- where facilities are provided in members' homes at the Council's expense;
 - in relation to any locally-agreed arrangements e.g. payment for private photocopying;
 - regarding ICT security, and
 - the Council's members' e-mail and internet protocol set out in the Constitution.
140. Members should not put pressure on staff to provide resources or support which officers are not permitted to give. Examples are:
- business which is solely to do with a political party;
 - work in connection with a ward or constituency party political meeting;
 - electioneering;

- work associated with an event attended by a member in a capacity other than as a member of the Council;
- private personal correspondence;
- work in connection with another body or organisation where a member's involvement is other than as a member of the Council; and
- support to a member in his/her capacity as a councillor of another local authority.

Interpretation, Complaints and Allegations of Breaches

141. This part of the protocol should be read in conjunction with any “whistle-blowing” policy the Council may have.
142. Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.
143. A member who is unhappy about the actions taken by, or conduct of, an officer should:
- avoid personal attacks on, or abuse of, the officer at all times;
 - ensure that any criticism is well founded and constructive;
 - never make a criticism in public, and
 - take up the concern with the officer privately.
144. If direct discussion with the officer is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the member should raise the issue with the officer's manager or the relevant senior officer.
145. A serious breach of this protocol by an officer may lead to an investigation under the Council's disciplinary procedure.
146. An officer who believes a member may have acted other than in accordance with this protocol should raise his/her concern with the Monitoring Officer. He/she will

consider how the complaint or allegation should be dealt with. At a minor level, this may be no more than informally referring the matter to the leader of the relevant party group. More serious complaints may involve alleged breaches of the members' code of conduct, and may be referred to the Standards Committee.

**CARLISLE CITY COUNCIL
MEMBERS'
E-MAIL & INTERNET
PROTOCOL**

INTRODUCTION

1. The Council has adopted a Code of Conduct for Members in accordance with its statutory responsibilities which applies to all Members of the Council. This Protocol is intended to assist Members in complying with their obligations under the Code of Conduct with regard to matters relating to E-Mail and Internet. In the event of any conflict between the Code of Conduct and this Protocol then the Code will prevail.
2. This Protocol contains important rules covering E-Mail and access to the Internet. Many of the rules apply equally to the Council's other methods of communicating with the outside world such as letter, fax and telephone.
3. This Protocol governs the rules of behaviour for Council Members. A separate Protocol exists for staff.
4. This Protocol explains how E-Mail and Internet access should be used. It explains what you are allowed to do and what you are not allowed to do.
5. The Protocol starts with some general rules, do's and don'ts. We have then identified 6 areas where legal problems might arise for you and for the Council. These are:
Harassment, defamation, copyright, pornography and confidential information.
Under each section there is an explanation of the potential legal problems and some rules to help avoid those problems.
6. Failure to comply with the rules set out in this Protocol:
 - (a) May result in legal claims against you and the Council; and
 - (b) May lead to you breaking the Council's Code of Conduct and to you being reported to the Standards Committee for Members.
7. It is vital that you read this Protocol carefully. If there is anything that you do not understand, it is your responsibility to ask for clarification.
8. Any Council supplied IT equipment and software may only be used in connection with Council business. In particular, you should note that it is not permitted to load your own software, connect any hardware or subscribe to any E-Mail or Internet service other than that supplied by the Council. Any such misuse will result in a breach of the Council's Code of Conduct and to the appropriate disciplinary action being taken.

GENERAL RULES, DO'S AND DON'TS

1. The Council's E-Mail system is primarily for business use. Occasional and reasonable personal use is permitted provided that this does not interfere with the performance of your duties.
2. All E-Mail is stored and E-Mail (including personal E-Mail) may be inspected by the Council at any time without notice.
3. If you send a personal E-Mail start or sign off the E-Mail message with the following statement:

"The views and opinions expressed on this message are solely those of the sender, and may not reflect those of the Council".
4. Ask yourself, before sending an E-Mail, how you would feel if your message was read out in Court. E-Mail messages may have to be disclosed in litigation.
5. Obtain confirmation of receipt for all important E-Mails sent. E-Receipts are acceptable.
6. Keep copies of all important E-Mails in separate computer folders.
7. Keep all passwords secure. You are responsible for the security of your password. An unauthorised disclosure of your password could result in a breach of the Council's Code of Conduct and the disciplinary procedures being invoked and you being reported to the Standards Committee.
8. Check your E-Mail on each working day or arrange for a duly authorised person to do so on your behalf.
9. Reply promptly to all E-Mail messages requiring a reply. Where a prompt detailed response is not possible, a short E-Mail acknowledging receipt and giving an estimate of when a detailed response will be sent, should be sent.
10. Do not impersonate any other person when using E-Mail or amend messages received.
11. Do not create E-Mail congestion by sending trivial messages or personal messages or by copying E-Mails to those who do not need to see them.
12. It is permitted to access the World Wide Web for occasional and reasonable personal use.
13. Do not deliberately visit, view, or download any material from any Web site containing sexual or illegal material or material which is offensive in any way whatsoever.
14. Do not download software onto the Council's system. This includes software, screen savers and shareware available for free on the Internet or magazine disks.

HARASSMENT

What is Harassment?

1. It is the Council's policy that all employees must be allowed to work in an environment free from harassment of any kind. This includes (but is not limited to) sexual and racial harassment and harassment on the grounds of sexual orientation, religion and disability. Harassment affects morale and prevents a person fulfilling their full potential in their work. The Council's Code of Conduct also contains obligations on Members in this regard.
2. Sexual harassment is unwanted conduct of a sexual nature, or other conduct based on sex affecting the dignity of women and men at work. In the context of this Protocol this includes sending messages with sexually suggestive material repeated offensive sexual propositions or abuse of a sexual nature.
3. Racial harassment is unwanted conduct based on race affecting the dignity of women and men at work. In the context of this Protocol this includes sending messages containing offensive insults or "jokes" based on race and abuse of a racial nature.

What you must not do

4. **Do Not** send abusive messages or messages which contain sexual or racist material.

What are the consequences of not following this Protocol?

5. In certain circumstances harassment may constitute a criminal offence for which the harasser can be imprisoned. Victims of harassment may be able to claim damages from the harasser and from the Council.
6. If you are suspected of having committed acts of harassment, you will be dealt with under the Council's Code of Conduct which may lead to being reported to the Standards Committee for Members.

Reporting

- 7.1 Any Member who is subjected to or has knowledge of harassment (whether emanating from inside or outside of the Council) is encouraged to immediately report that harassment to:
 - (a) The Group Leader or, where that is not possible or appropriate;
 - (b) The Chairman of the Standards Committee or, where that is not possible or appropriate.
 - (c) The Town Clerk and Chief Executive.
- 7.2 Any Member must also, if he/she becomes aware of any conduct by another Member which he believes involves a failure to comply with the Authority's Code of Conduct report the matter in writing to the Monitoring Officer as soon as practicable.

Defamation

What is defamation

1. Defamation is the publication of a statement which adversely affects a person's, or an organisation's reputation. Publication may be by way of Internet or E-Mail.

What you must not do

2. **Do Not** send or circulate, internally or externally, any information which is defamatory. In particular, you must not send or circulate, internally or externally, any information which contains negative comments about an individual or organisation without first checking that the contents of the information are accurate. If in doubt, take legal advice.

What are the consequences of not following this policy?

3. A person or Company defamed may sue you and/or the Council for damages. There is a defence that the information was "true" but the onus would be on you or the Council to show that.
4. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Copyright

What is copyright?

1. The owner of copyright has the exclusive right in certain works such as documents, articles, books, plays and musical compositions, so that they cannot be copied or used in certain other ways without the consent of the copyright owner.

What you must not do

2. **Do Not** download, copy or transmit to third parties the works of others without their permission as this may infringe copyright. Copyright is most likely to be breached:
 - (a) When you download material from the Internet; or
 - (b) When you copy text or attach it to an E-Mail message.

What are the consequences of not following this Policy?

3. You and/or the Council can be sued by the owner of the copyright for damages for unauthorised use of the copyrighted material.
4. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Pornography

What is pornography?

1. As there can be no possible legitimate business use for accessing or transmitting sexually explicit materials at work, the question of whether or not sexual material constitutes pornography is not relevant to use of Council E-Mail and Internet access.

What you must not do

2. **Do Not** access or transmit any material with a sexual content.

What are the consequences of not following this Policy?

3. Accessing and transmitting sexual material may be a criminal offence for which both you and the Council could be liable.
4. The display on screen of sexual material or the transmitting of such material to other people may constitute sexual harassment (see the harassment section of this Policy).
5. Failure to follow these rules may lead to a breach of the Council's Code of Conduct to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Legislation

The use of E-Mail is subject to the Data Protection and Computer Misuse Act. Brief details of your responsibilities under these Acts are detailed below.

Data Protection Act

1. Under the Act, information stored by the Council may only be used for the purpose for which it is registered.
2. Under the Data Protection Act **you** are responsible for any information under your control. If you are unsure as to your responsibilities in managing data you should contact the Council's Data Protection Officer.

Computer Misuse Act 1990

3. It is a criminal offence to access or attempt to access computer data or a computer application for which you are not authorised.

What you must not do

4. **Do not** disclose information to anyone, even other Council employees or Members if the information will be used for a purpose for which it wasn't collected. If in doubt take legal advice.
5. **Do not** attempt to access computer data from systems you are not authorised to access.

What are the consequences of not following this Policy?

6. Breaches of the legislation may result in the Council and/or you being prosecuted by the Data Protection Registrar.

7. Failure to follow these rules may lead to a breach of the Council's Code of Conduct and to disciplinary action being taken against you which could include being reported to the Standards Committee for Members.

Background

This Code of Good Practice has been prepared in response to the Local Government Association's Guidance Note, on the preparation of Local Codes of Good Practice on Planning Matters, in the light of the introduction of the new ethical framework and in consultation with the District Audit Service, Local Government Ombudsman and the Standards Board for England (before its abolition). It updates the City Council's former Supplementary Guidance Note for dealing with Planning Matters. The Code has been further amended to reflect the Council's Code of Conduct.

Introduction

The aim of this Code of Good Practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

The key purpose of Planning: to control development in the public interest.

Your role as a Member of the Planning Authority: is to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.

When the Code of Good Practice applies: this code applies to Members at all times when involving themselves in the planning process. (This includes, where applicable, when part of decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with Officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of his or her staff, and preferably well before any meeting takes place.

1.0 Relationship to the Members' Code of Conduct

1.1 **Do** apply the rules in the Members' Code of Conduct first, which must be always be complied with.

1.2 **Do** then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Members' Code of Conduct for the purposes of planning control. If you do not abide by this Code of Good Practice, you may put:

- the Council at risk of proceedings on the legality or maladministration of the related decision; and
- yourself at risk of either being named in a report made to the Standards Committee or Council or, if the failure is also likely to be a breach of the Code of Conduct.

2.0 Development Proposals and Interests under the Members' Code

2.1 **Do** disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Preferably, disclose your interest at the beginning of the meeting and not just at the commencement of discussion on that particular matter. Members may wish to use the disclosure form that is available for full Council meetings to ensure that the details of the minute are correct.

2.2 **Do** then act accordingly. Where your interest is personal and prejudicial:-

2.3 **Don't** participate, or give the appearance of trying to participate in the making of any decision on the matter by the Planning Authority.

2.4 **Don't** get involved in the processing of the application.

2.5 **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a Councillor. This would include, where you have a personal and prejudicial interest in a proposal, using your position to discuss that proposal with Officers or Members when other members of the public would not have the same opportunity to do so.

2.6 **Do** be aware that you are able to attend the meeting of the Development Control Committee to make representations, answering questions or giving evidence provided it is an item of business that the public are also allowed to attend the Meeting for the same purpose. Once you have made your representations **do** leave the Meeting.

- 2.7 **Do** notify the Monitoring Officer in writing of your own application and note that:
- notification to the Monitoring Officer should be made no later than submission of the application;
 - the proposal will always be reported to the Committee as a main item and not dealt with by Officers under delegated powers; and
 - it is advisable that you employ an agent to act on your behalf on the proposal in dealing with Officers.

3.0 **Fettering Discretion in the Planning Process**

- 3.1 **Don't** fetter your discretion and therefore your ability to participate in planning decision making at this Council by making up your mind, or clearly appearing to have made up your mind (particularly in relation to an external interest or lobby group) on how you will vote on any planning matter prior to formal consideration of the matter at the meeting of the Planning Authority and of your hearing the Officer's presentation and evidence and arguments on both sides.
- 3.2 **Fettering your discretion** in this way and then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of there being a danger of bias or pre-determination, or a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- 3.3 **Do** be aware that you are likely to have fettered your discretion where the Council is the landowner, developer or applicant and you have acted as, or could be perceived as being, a chief advocate for the proposal. (This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating the proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits).
- 3.4 **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (where you are also a member of the parish council, for example, or both a District and County Councillor), provided:
- the proposal does not affect the financial standing of the consultee body or relate to the determining of any approval, consent, licence, permission or registration in relation to the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;

- you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish as and when it comes before the Committee and you hear all of the relevant information;
 - you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee; and
 - you disclose the personal interest regarding your membership or role when the Committee comes to considers the proposal.
- 3.5 **Don't** speak and vote on a proposal where you have fettered your discretion. You do not have to withdraw, but you may prefer to do so for the sake of appearances.
- 3.6 **Do** explain that you do not intend to speak and vote because you have, or you could reasonably be perceived as having, judged (or reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes. Members may wish to use the disclosure form that is available for full Council meetings to ensure that the details of the minutes are correct.
- 3.7 **Do** take the opportunity to exercise your separate speaking rights as a Ward Member where you have represented your views or those of local electors and fettered your discretion, where you do:
- advise the proper Officer or Chairman that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the member seating area for the duration of that item; and
 - ensure that your actions are recorded.
- 4.0 Contact with Applicants, Developers and Objectors**
- 4.1 **Do** refer those who approach you for planning, procedural or technical advice to Officers.
- 4.2 **Don't** agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should never seek to arrange that meeting yourself, but should request that either the Corporate Director of Economic Development or the Development Manager organise it. The Officer will then ensure that those present at the meeting are advised from the start that the discussions will not bind the Authority to any particular course of action, that the

meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Committee.

4.3 **Do** otherwise:

- follow the rules on lobbying;
- consider whether or not it would be prudent in the circumstances to make notes when contacted; and
- report to either the Corporate Director of Economic Development or the Development Manager any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them and ensure that this is recorded on the planning file.

In addition in respect of presentations by applicants/developers:

4.4 **Don't** attend a planning presentation unless an Officer is present and/or it has been organised by Officers.

4.5 **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.

4.6 **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application, this will be carried out by the Development Control Committee of the City Council.

4.7 **Do** be aware that a presentation is a form of lobbying and you must not express any strong view, or state how you or other Members might vote.

5.0 Lobbying of Councillors

5.1 **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it prejudices your impartiality and therefore your ability to participate in the Committee's decision making to express an intention to vote one way or another, or such a firm point of view that it amounts to the same thing.

5.2 **Do** remember that your overriding duty is to the whole community not just to the people in your ward area and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.

5.3 **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible and remember to register the gift or hospitality and declare it as a personal interest as required by the Code of Conduct.

- 5.4 **Do** copy or pass on any lobbying correspondence you receive to either the Director of Economic Development or the Development Manager at the earliest opportunity.
- 5.5 **Do** promptly refer to either the Corporate Director of Economic Development or the Development Manager any offers made to you of planning gain or constraint of development through a proposed Section 106 Planning Obligation, or otherwise.
- 5.6 **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate Officers to follow the matter up.
- 5.7 **Do** note that, unless you have a personal and prejudicial interest, you will not have fettered your discretion or breached this Planning Code of Good Practice through:
- listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Members or appropriate Officers, provided they do not consist of or amount to pre-judging the issue and you make clear you are keeping an open mind;
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion or speaking at the meeting as a Ward Member, provided you explain your actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward view, you have not committed yourself to vote in accordance with those views and will make up your own mind having heard all the facts and listened to the debate.

6.0 Lobbying by Councillors

- 6.1 **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby, promote or oppose planning proposals. If you do, you will have fettered your discretion and are likely to have a personal and prejudicial interest and have to withdraw (subject to your right to make representations to the Committee described in paragraph 2.6).
- 6.2 **Do** join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals, such as the Victorian Society, CPRE, Ramblers Association or a local civic society, but disclose a personal interest where that organisation has made representations on a particular proposal and make it clear to that organisation and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal.

6.3 **Don't** excessively lobby fellow Councillors regarding your concerns or views, nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.

6.4 **Don't** decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

7.0 Site Visits

7.1 **Do** try to attend site visits organised by the Council where possible.

7.2 **Don't** request a site visit unless you feel it is strictly necessary because:

- particular site factors are significant in terms of the weight attached to them relative to other factors, or the difficulty of their assessment in the absence of a site inspection; or
- there are significant policy or precedent implications and specific site factors need to be carefully addressed.

7.3 **Do** ensure that any information which you gained from the site visit is reported back to the Committee, so that all Members have the same information

7.4 **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.

7.5 **Do** ask the Officers at the site visit questions, or seek clarification from them on matters which are relevant to the site inspection.

7.6 **Don't** hear representations from any other party, with the exception of the Ward Member(s) whose address must focus only on site factors and site issues. Where you are approached by the applicant or a third party, advise them that they should make representations in writing to the Authority and direct them to or inform the Officer present.

7.7 **Don't** express opinions or views to anyone.

7.8 **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:

- you feel it is essential for you to visit the site other than through attending the official site visit,
 - you have first spoken to either the Corporate Director of Economic Development or the Development Manager about your intention to do so and why (which will be recorded on the file); and

- you can ensure you will comply with these good practice rules on site visits.

8.0 Public Speaking at Meetings

- 8.1 **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking, as this may give the appearance of bias.
- 8.2 **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9.0 Officers

- 9.1 **Don't** put pressure on Officers to put forward a particular recommendation. This does not prevent you from asking questions or submitting views to either the Corporate Director of Economic Development or the Development Manager, which may be incorporated into any Committee report.
- 9.2 **Do** recognise that Officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with the Corporate Director of Economic Development, the Development Manager or those Officers who are authorised by either of them to deal with the proposal at a Member level.
- 9.3 **Do** recognise and respect that Officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, Planning Officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

10.0 Decision Making

- 10.1 **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through Officer delegation, that your reasons are recorded and repeated in the report to the Committee.
- 10.2 **Do** come to meetings with an open mind and demonstrate that you are open-minded.
- 10.3 **Do** comply with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan, unless material considerations indicate otherwise.
- 10.4 **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient

time to digest new information or that there is simply insufficient information before you request that further information. If necessary, defer or refuse.

- 10.5 **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present to hear the entire debate, including the Officers' introduction to the matter.
- 10.6 **Do** have recorded the reasons for Committee's decision to defer any proposal.
- 10.7 **Do** make sure that if you are proposing, seconding or supporting a decision contrary to Officer recommendations or the Development Plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11.0 Training

- 11.1 **Do** endeavour to attend any specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans and thus assist you in carrying out your role properly and effectively.
- 11.2 **Do** participate in the review of a sample of planning decisions to ensure that Members' judgements have been based on proper planning considerations.

**OFFICER CODE OF CONDUCT
CARLISLE CITY COUNCIL**

CODE OF CONDUCT FOR EMPLOYEES

1. INTRODUCTION

- 1.1 This Code of Conduct applies to all employees of Carlisle City Council. Inevitably some of the issues covered by the code will affect senior, managerial and professional employees more than others.
- 1.2 The public is entitled to expect the highest standards of conduct from all employees of Carlisle City Council. The role of such employees is to serve the Council in providing advice, implementing its policies and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality, objectivity and within the law.
- 1.3 A breach of the Code of Conduct may be the subject of disciplinary action which in some cases could result in dismissal.
- 1.4 Other documents relating to the areas covered by this Code are referred to at the end to enable those employees who need reference to these to be aware of them.

2. UNDERPINNING VALUES AND PRINCIPLES

The following principles underpin this Code:

Principle	Description
<i>Preamble</i>	The principles of public life apply to anyone who works as a public office-holder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the civil service, local government, the police, courts and probation services, NDPBs, and in the health, education, social and care services. All public office-holders are both servants of the public and stewards of public resources. The principles also have application to all those in other sectors delivering public services.
<i>Selflessness</i>	Holders of public office should act solely in terms of the public interest.

<i>Integrity</i>	<p>Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.</p>
<i>Objectivity</i>	<p>Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.</p>
<i>Accountability</i>	<p>Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.</p>
<i>Openness</i>	<p>Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.</p>
<i>Honesty</i>	<p>Holders of public office should be truthful.</p>
<i>Leadership</i>	<p>Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.</p>

3. **TREATMENT OF INFORMATION**

- 3.1 It is generally accepted that open government is best. The law requires that certain types of information must be available to elected members, auditors, government departments, service users and the public. The Council itself may decide to be open about other types of information. Employees must be aware of which information the Council is and is not open about, and act accordingly.
- 3.2 Council employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way.

- 3.3 Employees must be aware of their responsibilities in relation to data protection. Each person is responsible for the information they gather, retain and have access to during the course of their work and must treat it in line with data protection requirements. In particular:
- (a) Information received by an employee from an elected member or employee which is private or personal to that individual should not be divulged by the employee without the prior approval of the Councillor or member of staff, except where such disclosure is required or sanctioned by the law, or is required legitimately by the employee or Member to carry out their role within the Council, or the person concerned has agreed to it.
 - (b) Information concerning any service user's private affairs shall not be supplied to any person outside the employment of the Council unless the consent of the service user concerned is obtained first.
 - (c) No employee shall communicate to the public/media the proceedings of the private part of any Council or Executive meeting nor the content of any private document relating to the Council unless required by law or expressly authorised to do so.
 - (d) All personal or private information gained during employees' work must be kept safe and secure. The IT Security policy must be complied with and employees must not, for example, share passwords or leave them lying around and take care to co-operate with measures designed to keep computer data secure.

4. **POLITICAL NEUTRALITY**

- 4.1 Employees serve the Council as a whole. It follows they must serve all Elected Members and not just those of any controlling group, and must ensure that the individual rights of all Councillors are respected. Some employees may be requested to advise political groups. They must do so in ways which do not compromise their political neutrality.
- 4.2 Employees, whether or not politically restricted, must follow every lawful expressed policy of the Council and must not allow their own personal or political opinions to interfere with their work.
- 4.3 The Local Government and Housing Act 1989 designates certain posts as politically restricted. Amongst other things, holders are not permitted to be or become a Member of Parliament, an Elected Member with any local authority (other than a Parish or Town

Council), or a political agent or sub-agent. Applications for exemption may be made to the Council's Standards Committee.

5. **RELATIONSHIPS**

Elected Members

- 5.1 Employees are responsible to the Council through its Senior Managers. For some, their role is to give advice to Members and Senior Managers and all are there to carry out the Council's work. Mutual respect between employees and Councillors is essential to good Local Government. Close personal familiarity between employees and individual Members can damage the relationship and prove embarrassing to other employees and Members and should therefore be discouraged.

The Local Community and Service Users

- 5.2 Employees should remember that they represent the Council and always behave in a way that does not undermine public confidence.
- 5.3 Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the Council.
- 5.4 It is the Council's policy to encourage and investigate complaints. Employees must treat complaints seriously and handle them in accordance with the Corporate Complaints and Feedback Policy.

Contractors

- 5.5 Orders and contracts must be awarded on merit, by fair competition against other tenders, and in line with financial regulations with no special favour being shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

- 5.6 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should disclose that relationship. Employees in such circumstances must not participate in any purchasing decisions where that contractor has the potential to be awarded the business.

Employees

- 5.7 Everyone is entitled to be treated with respect and all employees must treat each other courteously and with respect in line with the Council's policy 'Encouraging Mutual Dignity and Respect'.

6. SAFETY

- 6.1 Employees have a duty to their employer not to act in a manner that prejudices the health and safety of another employee, a service user or anyone else. Employees have a duty to be aware of the contents of the Council's Health and Safety Policy and any codes of practice which relate to their work, and comply with their requirements.

7. EQUALITY

- 7.1 Council employees must comply with policies relating to equality and diversity issues as agreed by the Council in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated with fairness and equality.
- 7.2 Employees should take all reasonable care to ensure that none of their actions could reasonably be interpreted as harassment by anyone else.

8. STEWARDSHIP AND USE OF RESOURCES

- 8.1 Council employees must ensure that they use public funds entrusted to them in a responsible and lawful manner and must not use property, vehicles or other Council facilities for personal use, unless authorised to do so.
- 8.2 They should strive to ensure value for money to the local community.

- 8.3 Employees involved in purchasing goods and services for the Council, disposing of assets or any other activity involving money must follow Council's procedures relating to that activity as detailed in the Council's Financial Rules in the Constitution and any other related procedures which may be drawn up from time to time.

9. **DRESS AND APPEARANCE**

- 9.1 Employees at work represent the City Council and should dress appropriately. Where a uniform or personal protective clothing is provided this must be worn in the correct manner and kept in a reasonable condition.

10. **PERSONAL INTERESTS**

- 10.1 Whilst employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests or the interests of others. In particular, they must :
- (a) Declare to the Chief Finance Officer any financial or non-financial interest that could bring about a conflict with the Council's interests.
 - (b) Comply with the Council's rules on the declaration by employees of hospitality or gifts offered to or received by them from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the Council. This includes recording the offer whether or not it is accepted. Employees must not accept benefits from a third party, unless authorised to do so by the Council.
 - (c) Seek permission from their Director to carry out paid work outside the Council if their pay rate is grade G and above (pay point 18 and above). Permission will not be unreasonably withheld. The work must not cause a conflict of interest with their Carlisle City Council job (or be capable of being reasonably perceived to do this).
 - (d) Advise their Line Manager if they have a second job or participate in outside activities that may cause difficulty with their Carlisle City Council job. This could occur if, for example, a second job involves a lot of driving and their Carlisle City Council job also involves driving and there is a danger of them exceeding the number of driving hours allowed, or their

second job means they get insufficient rest at night and compromise theirs and others' health and safety.

10.2 In order to avoid any perception of partiality, staff must not handle service requests for themselves, their relatives or friends and, if requested to do so, must pass it to a colleague. Examples of such requests include Council Tax and Housing benefits, planning applications, or applications for grants.

10.3 Employees must not use, or attempt to use, their position improperly for their, or anyone else's advantage or disadvantage.

11. APPOINTMENT OF STAFF AND OTHER EMPLOYMENT MATTERS

11.1 Employees involved in appointments should ensure that these are made on the basis of merit in accordance with the Council's Equal Opportunities Policy. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have/have had a close personal relationship outside work with him or her. If necessary, disclosure should be made.

11.2 Similarly, employees should not be involved in decisions relating to discipline, promotion, pay adjustments or any other activity which has the potential to confer a benefit or disadvantage for any other employee who is a relative, or have/have had a close personal relationship outside work with him or her. If an employee finds themselves in this position they must advise their Line Manager who will make suitable alternative arrangements.

12. CORRUPTION

12.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity.

13. SPONSORSHIP – GIVING AND RECEIVING

13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Local Government activity, whether by invitation, tender, negotiation or voluntarily, the basic

conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

- 13.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to an appropriate manager of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

14. WHISTLEBLOWING

- 14.1 Where an employee becomes aware of any activity which that employee believes to be illegal, improper, unethical or otherwise inconsistent with the Code of Conduct for Employees, the employee should report the matter. The Public Interest Disclosure Act 1998 and Carlisle City Council's Confidential Reporting Policy provide for any employee making a disclosure that they reasonably believe to be true is protected from any detrimental treatment by their employer.

15. INVESTIGATIONS BY THE MONITORING OFFICER

- 15.1 Where the Council's Monitoring Officer is undertaking an investigation in accordance with regulations made under Section 7i3(1) of the Local Government Act 2000, a Council employee must comply with any requirement made by that Monitoring Officer in connection with such an investigation.

16. RELATED POLICIES, PROCEDURES AND OTHER DOCUMENTS

The following documents will provide more detail on the issues covered in this Code, where the employee needs to know more detail. A copy can be found on the Intranet, except where otherwise stated. Those without easy access to the Intranet should ask their Manager for a copy.

“Every local authority should have its own written statement or protocol governing relations between members and officers.” (Third report of the Committee on Standards in Public Life – the Nolan Committee)

Preamble

1. Mutual trust and respect between members and officers is at the heart of a Council's good governance. They are essential if the partnership necessary for the effective running of a local authority is to succeed.

2. This may seem obvious. But what happens when relationships go awry? Where can members and officers turn for guidance? What mechanisms exist for addressing concerns? How can matters be improved?

3. Such questions point to the need for a written guide to the basic elements of the relationship between members and officers – a protocol :
 - to promote trust, openness, fairness and honesty by establishing some ground rules;

 - to define roles so as:
 - to clarify responsibilities (i.e. who does what),
 - to avoid conflict, and
 - to prevent duplication or omission;

 - to secure compliance with the law, codes of conduct and a council's own practices; and

 - to lay down procedures for dealing with concerns by members or officers.

4. A protocol should be recognised both as a central element of the council's corporate governance, and as a commitment to upholding standards of conduct in public life. It's one way of demonstrating to the public at large that local

government is serious about protecting and enhancing its integrity and reputation. Carlisle City Council has therefore adopted this protocol governing relationships between its officers and members as part of its governance arrangements in order to achieve the above objectives.

Definitions

5. Unless the context indicates otherwise, references to the term *Council* include the Executive, Overview and Scrutiny Committees, and other Committees and Sub-Committees.
6. For the purposes of this protocol, the term *Executive* refers to the Leader and other members of the Executive under the Council's Constitutional arrangements.
7. Unless the context indicates otherwise, the terms *member* and *members* include non-elected (i.e. co-opted) members as well as elected councillors.
8. *Officers* and *staff* mean all persons employed by the Council.
9. *Senior Officer* means the Town Clerk and Chief Executive, the Deputy Town Clerk & Chief Executive and the Chief Officers.
10. *Designated Finance Officer* means the officer exercising the duties prescribed by law for the financial administration of the Council.

Principles

11. Members and officers must at all times observe this protocol.
12. The protocol has been approved and adopted by the Council.
13. The protocol seeks to maintain and enhance the integrity (real and perceived) of local government which demands the highest standards of personal conduct.

14. Members and officers must always respect the roles and duties of each other. They must show respect in all their dealings by observing reasonable standards of courtesy, and by not seeking to take unfair advantage by virtue of their position.
15. Whilst members and officers are indispensable to one another, their responsibilities are distinct. Members are accountable to the electorate and serve only as long as their term of office lasts. Officers are accountable to the Council as a whole. Their job is to give advice to members (individually and collectively) and to carry out the Council's work under the direction of the Council.
16. The Council has adopted codes of conduct for both members and officers. Both represent best practice. The members' code follows the national code which in turn is based on the general principles governing members' conduct enshrined in law, viz:
 - Selflessness – serving only the public interest.
 - Honesty and integrity – not allowing these to be questioned; not behaving improperly.
 - Objectivity – taking decisions on merit.
 - Accountability – to the public, being open to scrutiny.
 - Openness – giving reasons for decisions.
 - Personal judgement – reaching one's own conclusions and acting accordingly.
 - Respect for others – promoting equality; avoiding discrimination; respecting others (member/member, as well as member/officer).
 - Duty to uphold the law – not acting unlawfully.
 - Stewardship – ensuring the prudent use of a council's resources.
 - Leadership – acting in a way which has public confidence.
17. These principles underpin this protocol. They will also be reflected in a new national code of conduct for employees due in the near future.
18. Until such time as a new national code appears, officers are bound by the Council's own code of conduct for staff and, in some cases, by the codes of their professional associations.

19. Breaches of this protocol by a member may result in a complaint if it appears the members' code has also been breached. Breaches by an officer may lead to disciplinary action.

The Role of Members

20. Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, members may wish to seek the advice of senior colleagues, the relevant senior officers(s), and/or the Monitoring Officer, who is the Council's Corporate Director of Governance & Regulatory Services.
21. Collectively, members are the ultimate policy-makers, determining the core values of the Council and approving the authority's policy framework, strategic plans and budget.
22. Members represent the community, act as community leaders and promote the social, economic and environmental well-being of the community often in partnership with other agencies.
23. Every elected-member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local bodies.
24. Some members have roles relating to their position as members of the Executive, overview and scrutiny committees or other committees and sub-committees of the Council.
25. Members of the Executive can have individual delegated powers. They may determine matters within their portfolios in accordance with the Leader's Scheme of Delegation but implementation of their decisions is the responsibility of officers.

26. Members serving on overview and scrutiny committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor local health service provision.
27. Members who serve on other committees and sub-committees collectively have delegated responsibilities, e.g. deciding quasi-judicial matters which by law are excluded from the remit of the Executive.
28. Some members may be appointed to represent the Council on local, regional or national bodies.
29. As politicians, members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as members they have a duty always to act in the public interest.
30. Members are not authorised to instruct officers other than:
 - Through the formal decision-making process;
 - to request the provision of consumable resources provided by the Council for members' use;
 - where staff have been specifically allocated to give support to a member or group of members; and
 - in the case of political assistants (if any) which the Council may employ.
31. Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.
32. Members must avoid taking actions which are unlawful, financially improper or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the designated Finance Officer.
33. Members must respect the impartiality of officers and do nothing to compromise it, e.g. by insisting that an officer change his/her professional advice.

34. Members have a duty under their code of conduct :
- to promote equality by not discriminating unlawfully against any person, and
 - to treat others with respect.
35. Under the code, a member must not when acting as a member or in any other capacity:
- bring the Council or his/her position as a member into disrepute, or
 - use his/her position as a member improperly to gain an advantage
 - or disadvantage for him/herself or any other person.

The Role of Officers

36. Officers are responsible for giving advice to members to enable them to fulfil their roles. In doing so, officers will take into account all available relevant factors.
37. Under the direction and control of the Council (including, as appropriate, the Executive, committees and sub-committees), officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.
38. Officers have a duty to implement decisions of the Council, the Executive, committees and sub-committees which are lawful, and which have been properly approved in accordance with the requirements of the law and the Council's Constitution, and duly minuted.
39. Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.

40. Officers must assist and advise all parts of the Council. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
41. Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for members, the media or other sections of the public.
42. Officers have the right not to support members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on officers' involvement in political activities for those officers employed in politically restricted posts.

The Relationship between Members and Officers: General

43. The conduct of members and officers should be such as to instil mutual confidence and trust.
44. The key elements are a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.
45. Informal and collaborative two-way contact between members and officers is encouraged. But personal familiarity can damage the relationship, as might a family or business connection.
46. Members and officers should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles.
47. It is not enough to avoid actual impropriety. Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship

has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, a member should not sit on a body or participate in any decision which directly affects the officer on a personal basis.

48. Officers serve the Council as a whole. They have a duty to implement the properly authorised decisions of the Council.
49. With the exception of political assistants (if any), officers work to the instructions of their managers, not individual members. It follows that, whilst such officers will always seek to assist a member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, members should normally direct their requests and concerns to a senior officer, at least in the first instance.
50. Officers will do their best to give timely responses to members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities.
51. Members will endeavour to give timely responses to enquiries from officers.
52. An officer shall not discuss with a member personal matters concerning him/herself or another individual employee. This does not prevent an officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.
53. Members and officers should respect each other's free (i.e. non-Council) time.

The Council as Employer

54. Officers are employed by the Council as a whole.
55. Members' roles are limited to :

- the appointment of some senior posts, specified in the Constitution;
- determining human resources policies and conditions of employment;
- the appointment of political assistants (if any), and
- hearing and determining appeals.

56. Members shall not act outside these roles.

57. If participating in the appointment of officers, members should:

- remember that the sole criterion is merit (other than in the case of political assistants where political considerations may apply);
- never canvass support for a particular candidate;
- not take part where one of the candidates is a close friend or relative,
- not be influenced by personal preferences, and
- not favour a candidate by giving him/her information not available to the other candidates.

58. A member should not sit on an appeal hearing if the appellant is a friend, a relative, or an officer with whom the member has had a close working relationship.

Mayor and Officers

59. Officers will respect the position of Mayor and provide appropriate support.

Executive members and officers

60. Executive members will take decisions in accordance with the constitution and any relevant scheme of delegation and will not otherwise direct staff. Senior officers will be responsible for instructing staff to implement the Executive's decisions.

61. In addition to individual members of the Executive, senior officers (including the Monitoring Officer and the designated Finance Officer) have the right to submit

papers to the Executive as a whole or to individual Executive members for consideration.

62. Senior officers and Executive members shall agree mutually convenient methods of regular contact. Before taking any formal decisions, the Executive will seek appropriate professional advice including, without exception, the Monitoring Officer and designated Finance Officer, and will not direct officers in the framing of recommendations.
63. Before any formal decisions with a financial implication are taken by the Executive, the Chief Finance Officer and the senior officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:
 - are aware of the proposed decision,
 - have the opportunity to offer advice, and
 - are subsequently able properly to authorise the financial transactions needed to implement decisions.
64. An individual Executive member who is minded to write or commission a report or to make a decision about a matter within his/her portfolio must ensure that those other members and officers who need to know of the matter are so informed. There is a particular requirement to involve other Executive members on cross-cutting issues.
65. Executive members when making decisions (whether collectively or individually) must state the reasons for those decisions. The written record of the decisions must include the reasons.
66. Officers taking decisions under their delegated powers must consider the advisability of informing the relevant Executive member(s) of their intentions in

advance when the matter to which the decisions relate is likely to be sensitive or contentious, or has wider policy implications. They must also observe the requirements set out in any relevant scheme of delegation (including the Leader's Scheme) when taking decisions.

Overview and Scrutiny Members and Officers

67. Chairmen and other leading overview and scrutiny members shall maintain regular contact with the officer(s) providing the principal support to the overview and scrutiny function. In consultation with chairmen, it shall be the responsibility of the latter to ensure that those who need to know of matters being considered or for possible future consideration are so informed.
68. An overview and scrutiny committee or its chairman acting on its behalf may require officers to attend overview and scrutiny meetings. Members should not normally expect junior officers to give evidence but only officers employed at Principal Officer level and above as set out in the Overview and Scrutiny Procedure Rules. All requests should be made to senior officers in the first instance.
69. When making requests for officer attendance, overview and scrutiny members shall have regard to the workload of officers.
70. It is recognised that officers required to appear before an overview and scrutiny committee may often be those who have advised the Executive or another part of the Council on the matter under investigation. In these circumstances, an officer may have a conflict of interest, though not a personal interest. Both members and officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought elsewhere – from the Council's dedicated overview and scrutiny support unit or externally.
71. Subject to 70 above, officers should be prepared to justify advice given to the Council, the Executive, or other committees and sub-committees even when the advice was not accepted.

72. Officers must also be prepared to justify decisions they have taken under delegated powers.
73. In giving evidence, officers must not be asked to give political views.
74. Officers should respect members in the way they respond to members' questions.
75. Members should not question officers in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature.
76. Overview and scrutiny proceedings must not be used to question the capability or competence of officers. Chairmen and members need to make a distinction between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not an overview and scrutiny function.
77. In exercising the right to call-in a decision of the Executive, overview and scrutiny members must seek officer advice if they consider the decision is contrary to the Council's approved plans, policies or frameworks, or is unlawful.

Members of other Committees or Sub-Committees and Officers

78. The appropriate senior officers will offer to arrange regular informal meetings with chairmen, vice-chairmen and spokesmen of committees and sub-committees.
79. Senior officers (including the Monitoring Officer and the designated Finance Officer) have the right to present reports and give advice to committees and sub-committees.
80. Members of a committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct officers to act.

81. At some committee or sub-committee meetings, a resolution may be passed which authorises a named officer to take action between meetings in consultation with the chairman. In these circumstances it is the officer, not the chairman, who takes the action and is responsible for it. A chairman has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

Party Groups and Officers (excluding Political Assistants)

82. Senior officers may properly be asked to contribute to deliberations of matters concerning Council business by party groups.
83. Officers have the right to refuse such requests, and will normally not attend a meeting of a party group where some of those attending are not members of the Council.
84. Officer support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed.
85. Party group meetings are not empowered to make decisions on behalf of the Council, and conclusions reached at such meetings do not rank as formal decisions. The presence of an officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so.
86. Where officers provide factual information and advice to a party group in relation to a matter of Council business, this is not a substitute for providing all the necessary information and advice when the matter in question is formally considered by the relevant part of the Council.
87. It must not be assumed that an officer is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting.

88. Officers will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, will not relay the content of such discussions to another party group or to any other members. This shall not prevent an officer providing feedback to other senior officers on a need-to-know basis.
89. In their dealings with party groups, officers must treat each group in a fair and even-handed manner.
90. Members must not do anything which compromises or is likely to compromise officers' impartiality.
91. The duration of an officer's attendance at a party group meeting will be at the discretion of the group, but an officer may leave at any time if he/she feels it is no longer appropriate to be there.
92. An officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each.
93. An officer who is not a senior officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf.
94. An officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting.
95. No member will refer in public or at meetings of the Council to advice or information given by officers to a party group meeting.
96. At party group meetings where some of those present are not members of the Council, care must be taken not to divulge confidential information relating to Council business. Persons who are not members are not bound by the Members'

Code of Conduct. They do not have the same rights to Council information as members.

97. Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Town Clerk and Chief Executive and the relevant party group leader.

Political Assistants (if appointed by the Council)

98. These officers (if any such are appointed) have been appointed by the Council exclusively to provide support to each of the party groups. Their function is to assist the interests and work of the group to which they have been assigned. This is in contrast to all other staff whose duty is to serve the Council as a whole.
99. Political assistants will be treated in accordance with and expected to observe all codes, policies and practices relating to the Council's staff. This includes the courtesy and consideration which the Council expects its officers to show to one another.
100. Except for their immediate secretarial and clerical support, the assistants will have no line management responsibility or power of direction over other staff.
101. Political assistants are not authorised to comment publicly on behalf of the Council as a whole, or to commit the Council to any particular course of action, but can comment on behalf of the party group to which they have been assigned.
102. The level of access to Council documents and information shall be that enjoyed by members.

Local Members and Officers

103. To enable them to carry out their ward role effectively, members need to be fully informed about matters affecting their ward. Senior officers must ensure that all relevant staff are aware of the requirement to keep local members informed, thus allowing members to contribute to the decision-making process and develop their representative role.

104. This requirement is particularly important:
- during the formative stages of policy development, where practicable;
 - in relation to significant or sensitive operational matters;
 - whenever any form of public consultation exercise is undertaken, and
 - during an overview and scrutiny investigation.
105. Issues may affect a single ward. Where they have a wider impact, a number of local members will need to be kept informed.
106. Whenever a public meeting is organised by the Council to consider a local issue, all the members representing the wards affected should be invited to attend the meeting as a matter of course.
107. If a local member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant officer. Provided the meeting has not been arranged on a party-political basis:
- an officer may attend but is not obliged to do so, and
 - the meeting may be held in Council-owned premises.
108. No such meetings should be arranged or held in the immediate run-up to Council elections. Further advice on this should be obtained from the Council's Monitoring Officer.
109. Whilst support for members' ward work is legitimate, care should be taken if staff are asked to accompany members to ward surgeries. In such circumstances:
- the surgeries must be open to the general public, and
 - officers should not be requested to accompany members to surgeries held in the offices or premises of political parties.

110. Officers must never be asked to attend ward or constituency political party meetings.
111. It is acknowledged that some Council staff (e.g. those providing dedicated support to Executive members) may receive and handle messages for members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party-political purposes.
112. In seeking to deal with constituents' queries or concerns, members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by members in the requested timescale, and may need to seek instructions from their managers.

Members' Access to Documents and Information

113. This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's Constitution.
114. Members may request senior officers to provide them with such information, explanation and advice as they may reasonably need to assist them to discharge their roles as members. This may range from general information about some aspect of the Council's services to specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
 - it is in the public domain, and
 - it is not barred by the Data Protection Act from being given.
115. Every member of the Executive, an overview and scrutiny committee, and/or any other committee or sub-committee has a right to inspect documents about the business of that overview and scrutiny committee, other committee or sub-committee or the Executive.

116. A member who is not a member of a specific overview and scrutiny committee, other committee or subcommittee, or the Executive may have access to any document of that specific part of the Council provided:
- he/she can demonstrate a reasonable need to see the documents in order to carry out his/her roles as a member (the “need to know” principle), and
 - the documents do not contain “confidential” or “exempt” information as defined by the law.
117. Disputes as to the validity of a member’s request to see a document on a need to know basis will be determined by the Monitoring Officer. Officers should seek his/her advice if in any doubt about the reasonableness of a member’s request.
118. A member should obtain advice from the Monitoring Officer in circumstances where he/she wishes to have access to documents or information:
- where to do so is likely to be in breach of the Data Protection Act, or
 - where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the members’ code of conduct.
119. Information given to a member must only be used for the purpose for which it was requested.
120. It is an accepted convention that a member of one party group will not have a need to know and therefore a right to inspect a document which forms part of the internal workings of another party group.
121. Members and officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so.
122. When requested to do so, officers will keep confidential from other members advice requested by a member.

123. Members and officers must not prevent another person from gaining access to information to which that person is entitled by law.

Media Relations

124. All formal relations with the media must be conducted in accordance with the Council's agreed procedures and the law on local authority publicity.

125. Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They cannot be used to promote a party group.

126. Officers will keep relevant members informed of media interest in the Council's activities, especially regarding strategic or contentious matters.

127. Before responding to enquiries from the media, officers shall ensure they are authorised to do so.

128. Likewise, officers will inform the Council's Communications section of issues likely to be of media interest, since that unit is often the media's first point of contact.

129. If a member is contacted by, or contacts, the media on an issue, he/she should:

- indicate in what capacity he/she is speaking (e.g. as ward member, in a personal capacity, as an Executive member, on behalf of the Council, or on behalf of a party group);
- be sure of what he/she wants to say or not to say;
- if necessary, and always when he/she would like a press release to be issued, seek assistance from the Council's Communications section and/or relevant senior officer, except in relation to a statement which is party political in nature;
- consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions);

- never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter;
- consider whether to consult other relevant members; and
- take particular care in what he/she says in the run-up to local or national elections to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or political party activist.

Correspondence

130. Correspondence between an individual member and an officer should not be copied to another member unless the author expressly intends and states that this is the case or consents. Where correspondence is copied, this should always be made explicit, i.e. there should be no “blind” copies.
131. Official letters written on behalf of the Council should normally be in the name of the relevant officer. It may be appropriate in some circumstances (e.g. representations to a Government Minister) for letters to appear in the name of an Executive member or the chairman of an overview and scrutiny committee.
132. The Mayor may initiate correspondence in his/her own name.
133. Letters which create legally enforceable obligations or which give instructions on behalf of the Council should never be sent in the name of a member.
134. When writing in an individual capacity as a ward member, a member must make clear that fact.

Access to Premises

135. Officers have the right to enter Council land and premises to carry out their work. Some officers have the legal power to enter property in the ownership of others.
136. Members have a right of access to Council land and premises to fulfil their duties.
137. When making visits as individual members, members should:

- whenever practicable, notify and make advance arrangements with the appropriate manager or officer in charge;
- Comply with health and safety, security and other workplace rules;
- Not interfere with the services or activities being provided at the time of the visit;
- If outside his/her own ward, notify the ward member(s) beforehand; and
- Take special care at schools and establishments serving vulnerable sections of society to avoid giving any impression of improper or inappropriate behaviour.

Use of Council Resources

138. The Council provides all members with services such as typing, printing and photocopying, and goods such as stationery and computer equipment, to assist them in discharging their roles as members of the Council. These goods and services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.
139. Members should ensure they understand and comply with the Council's own rules about the use of such resources, particularly:
- where facilities are provided in members' homes at the Council's expense;
 - in relation to any locally-agreed arrangements e.g. payment for private photocopying;
 - regarding ICT security, and
 - the Council's members' e-mail and internet protocol set out in the Constitution.
140. Members should not put pressure on staff to provide resources or support which officers are not permitted to give. Examples are:
- business which is solely to do with a political party;
 - work in connection with a ward or constituency party political meeting;
 - electioneering;

- work associated with an event attended by a member in a capacity other than as a member of the Council;
- private personal correspondence;
- work in connection with another body or organisation where a member's involvement is other than as a member of the Council; and
- support to a member in his/her capacity as a councillor of another local authority.

Interpretation, Complaints and Allegations of Breaches

141. This part of the protocol should be read in conjunction with any “whistle-blowing” policy the Council may have.
142. Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.
143. A member who is unhappy about the actions taken by, or conduct of, an officer should:
- avoid personal attacks on, or abuse of, the officer at all times;
 - ensure that any criticism is well founded and constructive;
 - never make a criticism in public, and
 - take up the concern with the officer privately.
144. If direct discussion with the officer is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the member should raise the issue with the officer's manager or the relevant senior officer.
145. A serious breach of this protocol by an officer may lead to an investigation under the Council's disciplinary procedure.
146. An officer who believes a member may have acted other than in accordance with this protocol should raise his/her concern with the Monitoring Officer. He/she will

consider how the complaint or allegation should be dealt with. At a minor level, this may be no more than informally referring the matter to the leader of the relevant party group. More serious complaints may involve alleged breaches of the members' code of conduct, and may be referred to the Standards Committee.

Elected Members' Allowances Scheme

2022/23

CARLISLE CITY COUNCIL

CARLISLE CITY COUNCIL MEMBERS' ALLOWANCES SCHEME 2022/23

Carlisle City Council, in exercise of the powers conferred by the Local Authorities (Members' Allowances) (England) Regulations 2003, hereby makes the following Scheme.

1. This Scheme may be cited as the Carlisle City Council Members' Allowances Scheme, and shall have effect for the period set out in **Schedule 1 to this scheme, until amended or revoked.**
2. In this Scheme, 'Councillor' means a Member of the Carlisle City Council who is a Councillor.
3. Duties of Councillors, Executive Members & Portfolio Holders are set out in the **Guidance Notes at Appendix 1** which accompany this scheme.
4. **Independent Remuneration Panel (IRP)**
 - The Council is required by the Local Authorities (Members Allowances) (England) Regulations 2003 to establish and maintain an Independent Remuneration Panel (IRP), which will broadly have the functions of providing the Council with advice on its scheme and the amounts to be paid.
 - The IRP will make recommendations about the level of basic allowance for all Councillors, a recommendation about the special responsibilities for which a special responsibility allowance should be paid and the levels of those allowances.
 - The IRP will make recommendations about childcare and dependent carer's allowance and the level of this allowance.
 - The IRP will make decisions regarding Pension arrangements for Elected Members, and which Members are eligible to join the Local Government Pension Scheme (LGPS).
 - The IRP will make recommendations regarding which aspects of a Members Remuneration i.e. Basic & Special Responsibility Allowances are subject to Pension contributions.
 - The IRP will make recommendations about the rates of travel & subsistence allowances which Members can claim when undertaking Official Council business.
 - The IRP will make recommendations in respect of allowances to be paid to co opted members of committees and the levels of those allowances.

Any decision of the Council to amend, revoke or replace their scheme of allowances, and to make a new annual scheme must be taken having regard to the recommendations of the IRP. The function of agreeing and adopting a scheme is the function of the full Council.

The decision by the Council to amend or revoke recommendations made by the IRP, does not extend to the issue of Pensions for Elected Members. The Council can only approve admission to the LGPS in respect of those Members explicitly recommended by the IRP.

5. Basic Allowance

Subject to paragraph 12, a Basic Allowance shall be paid to each Councillor **at the annual rate specified in Schedule 1 to this Scheme**. The allowance shall be paid in monthly instalments on the 15th day of each month.

6. Special Responsibility Allowances

Subject to paragraph 12, a Special Responsibility Allowance shall be paid **at the annual rate specified in Schedule 1** to those Councillors who hold the special responsibilities in relation to the City Council as are specified in that Schedule. The allowance shall be paid in monthly instalments on the 15th day of each month. No Councillor shall be entitled to be paid more than one Special Responsibility Allowance at any one time and in the event that a Councillor undertakes more than one Special Responsibility at a time, then the entitlement shall be to the Special Responsibility Allowance of that Councillor's choice.

SRA ceases to be payable as at the day immediately prior to the Annual Council meeting. Chair's re elected at the Annual Council meeting will receive SRA payable effective from that date. Where a committee does not sit until some time after the Annual Council meeting, SRA will not be payable to the outgoing Chair after the day before the Annual Council meeting, and will only be payable from the date the committee sits and the Chair is elected or re elected.

7. Telephone Provision / Miscellaneous expenses

No separate provision shall be paid in respect of line rental, telephone calls or other miscellaneous expenses associated with being a Councillor except as provided within this scheme. All such costs are to be met from the annual amount of Basic Allowance identified in *Schedule 1*.

8. Dependant Carer's Allowances

A Dependant Carer's Allowance shall be payable based upon a reimbursement of actual receipted costs of **up to the rate per hour specified in Schedule 1** to any Councillor who incurs expenditure in respect of the care of their children or dependent relatives, whilst undertaking the qualifying duties specified in **Schedule 1**.

9. Subsistence Allowances

Subsistence Expenses shall be reimbursed in accordance with **the scales detailed in Schedule 1**, in respect of the qualifying duties specified in that Schedule by reference to the period of absence from home or place of work as appropriate

10. Travel Arrangements

Members should travel by Public Transport where reasonably possible. Where Members travel by rail, they shall be entitled to travel at Standard Class rates, and tickets for the journey can be organised through your member support officer.

Where a Member undertakes a journey by car then reimbursement shall not exceed **the mileage rates specified in Schedule 1**.

Travel by Air will only be authorised and paid on the conditions and rates set out *in Schedule 1*.

11. Travel Abroad

When travelling beyond the United Kingdom, the Member in consultation with the organising department and the Corporate Director of Finance & Resources should ensure as far as practical that the arrangements are made for accommodation to be provided on a fully inclusive basis as a direct charge to the City Council. Where this is not practical, the Corporate Director of Finance & Resources will determine an appropriate scale of allowance having regard to the nature of the event, the location, and the published scales relating to Senior Civil Servants undertaking duties abroad in the location concerned.

12. Town Twinning

When Members visit Flensburg or Slupsk or participate in other approved activities beyond the United Kingdom in circumstances when no other entitlement to a Conference Attendance or full Subsistence Allowance arises, then an **out of country** expense allowance as specified in *Schedule 1* will be payable.

13. Part Year Entitlements

- (i) The provisions of this paragraph regulate the entitlement of a Councillor to a Basic or Special Responsibility Allowance, where, in the course of a year, this Scheme is amended, or a Councillor becomes or ceases to be a Councillor, or accepts or relinquishes a Special Responsibility in respect of which a Special Responsibility Allowance is payable.
- (ii) If an amendment to this Scheme changes the amount to which a Councillor is entitled by way of a Basic Allowance or a Special Responsibility Allowance, or if a Councillor accepts or relinquishes a Special Responsibility Allowance, then the entitlement to the allowance shall be in proportion to the number of days entitlement to each allowance relative to the number of days in that year.
- (iii) If an amendment to this Scheme changes the amount payable by way of a Conference, Dependant Carer's or Subsistence Allowance or to the rates of travel entitlement, the entitlement to such an allowance or payment shall be to the amount under the scheme as it has effect when the duty was carried out.
- (iv) Where the term of office of a Councillor begins or ends otherwise than at the beginning or end of a year, the entitlement of that Councillor to a Basic or Special Responsibility Allowance shall be in proportion to the number of days of his term of office, relative to the number of days in that year.

14. Renunciation

A Councillor may by notice, in writing given to the Deputy Chief Executive, forego any part of his entitlement to an allowance under this Scheme.

15. **Annual Review of Allowances**

The Basic Allowance, Special Responsibility Allowance and Dependent Carer's Allowance shall be index linked to the Council's annual salary increase for staff and submitted annually for approval by Council.

Travel and Subsistence rates will also be index linked to the Council's annual increase for staff and submitted annually for approval by Council.

16. **Claims and Payments**

- (a) A claim for Dependant Carer's or Subsistence Allowance or to reimbursement of travel expenses under this Scheme shall be made in writing within **two months** of the date of the meeting in respect of which the entitlement arises.
- (b) A claim for Dependant Carer's or Subsistence Allowance or to reimbursement of any travel expenses, shall be on the form provided by the Corporate Director of Finance & Resources and shall include a statement by the Councillor making the claim that he or she is not entitled to receive remuneration, reimbursement or any allowance claimable from another body in respect of the matter to which the claim relates, otherwise than under this Scheme.
- (c) Where a payment of the amount specified in this Scheme in respect of a Basic Allowance or a Special Responsibility Allowance would result in a Councillor receiving more than the amount to which he or she is entitled, the payment shall be restricted to such an amount as will ensure that no more is paid than the amount to which he or she is entitled. In the event of a Councillor no longer holding a Special Responsibility, or ceasing to be a Councillor, the amount of any allowance that has been overpaid will be recovered.

17. **Chief Officers**

Chief Officers shall be subject to the same terms and conditions in respect of subsistence as relate to Members.

18. **Elected Members' Pensions**

The Local Authorities (Members' Allowances) (England) Regulations 2003, allow the Council to provide Pension arrangements for any Elected members explicitly recommended by the IRP.

The IRP has recommended that no Members should be entitled to currently participate in the Pension Scheme.

The IRP will reconsider this matter with a view to making a further recommendation to Council.

19. **Co Opted Members Allowances**

The Local Authorities (Members' Allowances) Regulations 2003, allow the Council to pay Co-opted members of committees an annual allowance in respect of their attendance at meetings.

The City Council will pay each Co-Opted Member of the Standards Committee an amount per annum in full recompense for their time & involvement on the committee. **See Schedule 1**

20. **Guidance Notes**

Guidance Notes which are produced to assist Councillors, and which do not form part of the regulations are set out in **Appendix 1** to this document.

GUIDANCE NOTES –CARLISLE CITY COUNCIL MEMBERS’ ALLOWANCES SCHEME

These notes are produced to assist elected Members in submitting their claims and do not form part of the regulations.

1. ALLOWANCES FROM MORE THAN ONE AUTHORITY OR BODY

Membership of more than one authority or body may involve the Member in attendance at separate meetings of or the performance of other approved duties, for more than one such authority or body during the course of any 24-hour period.

If a Member who is a member of more than one authority or body attends a qualifying meeting then any claim for a Conference Allowance, Carer’s Allowance or Travel and Subsistence, shall be made only against the authority nominating their attendance.

2. PAYMENT OF ALLOWANCES

One-twelfth of the basic allowance and/or the special responsibility allowance shall be paid monthly on the pay date on or preceding the **15th** of each month, in respect of that calendar month.

Claims for Dependent Carers’ Allowances should be made **within two months** of the date of the meeting and be submitted to the Payroll and HR Systems Manager by the **2nd** of the month for payment on the **15th** of that month directly into a Member’s bank account.

An advice note detailing the amount of each payment and the cumulative position during the fiscal year to date will be available to view and download through i-Trent.

Payment will be made each month

3. PAYMENT OF DEPENDENT CARER’S ALLOWANCE

Expenditure incurred by a Councillor for the care of their children or dependent relatives whilst undertaking particular duties shall be reimbursed to a maximum amount **detailed in Schedule 1**, for such reasonable period of the absence giving rise to the claim including reasonable travelling time to and from the meeting.

(i) Each Councillor who wishes to claim a Dependent Carer’s Allowance will register their intention to do so (on a form designed for that purpose available from the Payroll and i-Trent Supervisor), together with the broad details of the circumstances and dependents giving rise to the claim. This initial registration must be approved by the Deputy Chief Executive and can be undertaken at any time during a Councillor’s membership of the Council.

(ii) Thereafter, each individual claim will be made on a Dependent Carer’s Allowance Claim form and submitted to the Payroll Team.
A valid invoice must accompany all claims.

4. **TRAVELLING ALLOWANCES**

Claims for reimbursement of travelling costs should be made **within two months** of the date of the meeting and be submitted to the Payroll and HR Systems Manager by the **2nd** of the month for payment on the **15th** of that month directly into a Member's bank account.

Please note that Receipts must be provided for fuel, Public Transport fares and other expenses in order to negate any tax/NI liability and allow VAT to be reclaimed by the City Council.

Councillors should note that if they use their own vehicle for the purpose of Council business (including attendance at Council meetings), they should ensure that they are fully covered for business purposes on their motor vehicle insurance policy, their vehicle is roadworthy and covered by a current MOT certificate (see also section 11). And that they hold a valid UK driving licence.

5. **VAT RECEIPTS FOR MILEAGE CLAIMS**

Members who submit mileage claims for reimbursement must request and submit VAT receipts for the purchase of fuel to support their claim. This procedure is necessary to allow the Council to recover VAT from HM Revenue & Customs (HMRC).

Receipts are not required to substantiate every journey. A single (or a few) VAT receipts from the start of the period to the end of the period of the claim would be acceptable.

6. **SUBSISTENCE ALLOWANCES**

Claims for subsistence should be made **within two months** of the date of the meeting and be submitted to the Payroll and HR Systems Manager by the **2nd** of the month for payment on the **15th** of that month directly into a Member's bank account.

7. **SUSPENSION OF ALLOWANCES**

Payment of all Allowances will be suspended where a Member is suspended, or partly suspended, under Part 3 of the Local Government Act 2000, is adopted.

Subject to the outcome of any investigation, any amount suspended or recouped may be reimbursed.

- v. Office stationery & IT consumables

9 INCOME TAX ON BASIC, SPECIAL RESPONSIBILITY AND CONFERENCE ALLOWANCES

- 9.1 Allowances are taxed under Schedule E. Deductions will be made from attendance allowances in accordance with the Members' tax code: A Member will then be able to claim tax allowances from HM Revenues and Customs in respect of expenses incurred and not re-claimed from the Council.
- 9.2 In determining the liability to tax, allowances will be made for expenses agreed between the Member and the HM Revenues and Customs. Basic Allowance is designed to include an element for miscellaneous expenditure on postage, telephones etc.
- 9.3 Members should take up the question of allowable expenses with HM Revenues and Customs.
- 9.4 Council Members liable to pay income tax at the higher rate should advise the Payroll and i-Trent Supervisor accordingly, in order that a correct notice of coding can be obtained from HM Revenues and Customs.
- 9.5 All taxation matters relating to allowances are centred at Bootle and any queries should be referred to the following address, quoting **tax reference No. 083/100**:

9.6 INCOME TAX ON MILEAGE

All business miles will be reported to HM Revenues and Customs at the end of the tax year and may incur a tax liability.

10.0 NATIONAL INSURANCE MATTERS INCLUDING THE EFFECT OF RECEIVING ATTENDANCE ALLOWANCES ON RETIREMENT AND OTHER BENEFITS

- 10.1 Unless otherwise instructed, the Council is required to deduct Class 1 National Insurance contributions from allowance payments above the Primary Threshold.
- 10.2 A Member over minimum state retirement pension age need pay no contribution, whether they are receiving a pension or not, but must obtain a certificate of age-exemption to pass to the Payroll and i-Trent Supervisor.
- 10.3 If you do not fall into any of these categories, then the Department for Works and Pension (DWP) strongly advise that you contact them to establish your position. They say that because of the large variety of individual circumstances it is difficult to set out

everybody's position. They also stress that the National Insurance regulations put the onus on each individual to find out his/her position.

- 10.4 The DWP have requested that Members be reminded that the receipt of attendance and dependent carers' allowances may affect any benefit that they are receiving, and amounts received must be declared to the local office. If Members elect to forego any part of their entitlement to an allowance, this will be disregarded when calculating entitlement to many benefits and the Member is treated as still in receipt of the Allowance. Again, it means a visit to your local Job Centre Plus office if you are affected.
- 10.5 The level of reimbursement currently payable for business mileage may incur a NI liability.
- 10.6 Council Members who currently pay National Insurance up to or over the Upper Earnings Limit in an employed position should apply to the DWP in order that they are subjected to correct NI payments on their Council earnings. This may need to be done on an annual basis.**

11 METHOD OF CLAIMING

- 11.1 National Insurance contributions will be calculated on a monthly basis and it would be helpful if Members could complete claims for travel and subsistence so that each calendar month is entered on a separate claim.
- 11.2 National Insurance is calculated by reference to the date and payment period in which payment is made. Members should therefore try to ensure that they submit a claim for payment each month. Failure to submit claims on a monthly basis may result in the Member paying more National Insurance than they would otherwise, i.e. receiving a large payment covering a period of several months may result in a higher liability arising.

12 STATUTORY SICK PAY

- 12.1 Members who are required to make National Insurance contributions in respect of Allowance payments are entitled to receive Statutory Sick Pay (SSP).
- 12.2 Members who are exempt from paying National Insurance contributions are not eligible for SSP.
- 12.3 SSP is payable only if average 'monthly' earnings (i.e. Allowances and NI'able mileage) are above the lower earnings limit at which National Insurance contributions become payable. If a Member does qualify then the entitlement on average earnings of **£534.44** per month and above would be **£99.35** per week of sickness.
- 12.4 Any SSP entitlement paid by the City Council is quite independent of any entitlement a Member may have from any other employment. SSP is payable for the first 28 weeks of sickness and is subject to income tax and National Insurance contributions.
- 12.5 The entitlement (if any) of an individual Member will depend on a number of factors/calculations. SSP is payable only on the production of medical evidence.
- 12.6 Members under the State Retirement Pension Age who are subject to National Insurance deduction from their allowances and who are ill for a period of four consecutive days

(including Saturday, Sunday and Bank Holidays) are therefore advised to contact **Mrs Anne-Marie McKeown on 01228 817075** no later than the fourth day. They will be advised as to whether or not they will be entitled to SSP and if so the procedures that they are required to follow. Any delay in notification may affect the entitlement.

CARLISLE CITY COUNCIL

INTRODUCTION

The district of Carlisle was formed by the amalgamation of the areas previously administered by the former Councils of Border, Rural District and Carlisle County Borough. It is one of the six administrative districts which make up the County of Cumbria.

Carlisle City Council serves a population of 100,000 within an area stretching 30 miles from Bewcastle in the North to Dalston in the South and 25 miles from Rockcliffe on the coast to the Northumberland Border in the East.

Local Government exists to serve the people and provides various services to the local community under the guidance and control of the Council and its officers.

Local Democracy

Carlisle City Council operates what is known as a **Leader and Cabinet** (also known as the Executive) style of local government.

There are four main parts to the democratic system:

- The Council
- The Executive
- The Overview and Scrutiny Committees (known as Panels)
- Regulatory Committees

The Council

The Council has 39 councillors who are elected and accountable to the residents in their ward. All councillors meet together as the full Council.

The Council's role is to:

- Decide the Council's overall policies and set the budget.
- Appoint the leader who will in turn appoint members of the Executive.
- Appoint Committees such as Licensing, Development Controls and Appeals.
- Hold the Executive to account by questioning the members.

- Appoint Overview and Scrutiny Committees to help develop and review policy.

The Executive

The Executive is responsible for most day to day decisions. It is made up of the Leader and up to nine other councillors who the Leader appoints to the Executive.

Members of the Executive will have 'portfolios' or areas they are responsible for. These are:

- Health and Community Development
- Finance
- Performance and Development
- Promoting Carlisle
- Economy
- Environment and Infrastructure
- Culture and Community Services

Overview and Scrutiny

There are Overview and Scrutiny Committees (known as Panels) that support the work of the Executive and the Council as a whole. They hold enquiries into matters of local concern, which lead to reports and recommendations that advise the Executive and the Council on its policies, budget and service delivery.

Overview and Scrutiny Panels also monitor the Executive's decisions and can 'call in' decisions to consider whether they are appropriate. They can recommend that the Executive reconsiders decisions.

There are three Overview and Scrutiny Panels linked to portfolios.

- People Scrutiny Panel which is responsible for community activities and wellbeing, including crime and disorder
- Resources Scrutiny Panel which is responsible for Budgetary Matters.
- Place Scrutiny Panel which is responsible for Economic Development and Regeneration and Infrastructure, Environment and Transport.

Regulatory and other Committees

Regulatory bodies and licensing or appeals panels will continue to exist, some with altered terms of reference. In this category are;

- Development Control Committee
- Licensing Committee
- Regulatory Panel
- Appeals Panels
- Standards Committee
- Audit Committee

COUNCIL OFFICER STRUCTURE

The Council is organised into a number of departments – called Directorates – and each contains a number of services that the Council either delivers to the public, or which are required to ensure that the Council can function effectively. Each is briefly outlined below, and a structure chart is also included.

Town Clerk and Chief Executive: The Town Clerk and Chief Executive is the head of the Council's paid service and is the Council's chief adviser on matters of general policy. Through his leadership of the Senior Management Team, he is responsible for co-ordination of the Authority's activities, ensuring the efficient management and execution of the Council's functions and the effective utilisation and organisation of resources. The Chief Executive is responsible for the Customer Contact Centre, Revenues and Benefits and ICT services.

Deputy Town Clerk & Chief Executive:

The Deputy assists the Town Clerk and Chief Executive in the corporate management of the authority and is also responsible for Carlisle Partnership, Sport & Leisure and Tullie House Museum.

The Deputy Town Clerk & Chief Executive is also responsible for 'front line' services such as refuse collection, waste management, recycling, green spaces, CCTV, car parks and highways drainage, cemeteries and crematorium and street lighting.

Economic Development: This directorate is responsible for planning, building control, conservation, strategic housing, co-ordinating activities relating to economic development, as well as tourism, business support and rural policy.

Finance and Resources: provides some of the central support services that a large complex organisation like Carlisle City Council requires to ensure it is able to function. Included in this directorate are finance, audit, procurement and payroll, human resources, organisational development and service support. In addition, the Corporate Director is the authority's section 151 officer function.

Governance and Regulatory Services: supports the Council by providing legal services, democratic services (arranging committee and council meetings, recording decisions, running elections and supporting councillors in their elected roles), electoral services, health and safety, licensing, environmental health, private sector housing, homeless services, benefits advice, homelife, disabled facilities grants, and property services. The Director is also the Council's statutory Monitoring Officer.
