1. Summary of Application

- 1.1. In accordance with Section 51 of the Licensing Act 2003 an application has been received from Cumbria Constabulary for a review of the premise licence relating to The Pizza Base, 4-10 Lowther Street, Carlisle (PL149).
- 1.2. The application for the review is attached at **Appendix 1**.
- 1.3. Copies of the application were sent to the premises licence holder and Responsible Authorities.
- 1.4. The application has been advertised on the premises, at the Council offices and on the Council website as required by statute for a 28 day period.
- 1.5. The grounds for the review are that on Saturday 5th October 2019, alcohol from the premises was ordered over the telephone and delivered to a property in the Carlisle area by The Pizza Base. The alcohol was purchased and paid for by children. As a result of consumption of the alcohol, two 13 year old girls were admitted to A&E at the Cumberland Infirmary.
- 1.4 Mr Niyazi Enver is the Premises Licence holder and Gokcan Sevin, is the designated premises supervisor.
- 1.5 The Licensing authority must, having regard to the application and any relevant representations, take such steps it considers necessary for the promotion of the licensing objectives. These steps are:
 - (a) to modify the conditions of the licence;
 - (b) to exclude a licensable activity from the scope of the licence;
 - (c) to remove the designated supervisor;
 - (d) to suspend the licence for a period not exceeding 3 months;
 - (e) to revoke the licence
 - (f) Issue an informal warning to the Licence holder and/or to recommend improvement within a particular time

2. Premises History

- 2.1. The premises was first licensed under the Licensing Act 2003 on 11 July 2005 as a restaurant named Leonardo's.
- 2.2. The licence was transferred to the current licence holder, Mr Niyazi Enver, on 28th January 2010.

- 2.3. A copy of the premise licence is attached at **Appendix 2 which details the licensable activities allowed during the hours shown.**
- 2.4. The licence is also subject to a number of conditions.
- 2.5. The current Designated Premises Supervisor (DPS) is Mr Gokcan Sevin who holds a Personal Licence (PA1372), issued by Carlisle City Council. Mr Sevin took over the duties of DPS on 19th June 2018.
- 2.6. On the 23rd August 2019 Licensing Officers carried out an inspection of the premises to ensure compliance with the premises licence. Concerns were raised by Licensing Officers as the licence conditions were not reflective of the current business. The Premises was difficult to inspect alongside licence conditions which were inherited from the old club/restaurant premises.
- 2.7. Arrangements were made for the licence holder to attend the Civic Centre on 11th October 2019 to meet with Licensing Officers with a view to varying the licence so that it was fit for purpose and reflected the current offer of the premises.
- 2.8. However before this meeting was held the Licensing Authority was made aware of a complaint that a sale and delivery of alcohol had been made from The Pizza Base which resulted in two 13 year old girls attending the A&E Department of The Cumberland Infirmary due to the effects of consumption of this alcohol.

3. Circumstances leading to a review

- 3.1. On the 7th October 2019 Licensing received a complaint via Cumbria Police that alcohol had been sold and delivered to a 13 year old child by The Pizza Base. This resulted in in the young person and her friend being hospitalised for observation due to the effects of consuming alcohol.
- 3.2. Licensing Officers visited the premises on Tuesday 8th October 2019 and a request was made to look at their receipts and ascertain the name of the delivery driver. The Designated Premises Supervisor (DPS), Mr Sevin, informed officers that telephone order receipts were thrown away on a nightly basis and that the delivery driver concerned was currently on holiday.
- 3.3. Statements were taken from Child A and Child B in the presence of their parent to ascertain their version of events (**Appendix 3**). With the written permission of the parent photographs were also taken of Child A and Child B and will be available for Members of the Sub-Committee at the hearing but will not be placed in the public domain.

- 3.4. As a potential offence had been committed the Police Licensing Officer, PC Mike Watson was requested to be involved in the PACE interviews of the DPS, Mr Sevin and the delivery driver Mr Ferdun Fahriev Ibryamov.
- 3.5. Language Line was commissioned to provide a Turkish interpreter for Mr Ibryamov's interview as Mr Sevin had informed the Licensing Officer that Mr Ibryamov was unable to speak English.
- 3.6. As a result of the above PC Watson on behalf of Cumbria Police made a formal request for a review of the Premises Licence PL149 on 5th November 2019. PC Watson details the content of the above PACE interviews with Mr Sevin and Mr Ibryamov and states that there is great concern in the way that Mr Sevin is operating the premises in relation to the sale of alcohol and ask that the Sub-Committee consider the removal of the sale of alcohol for on and off sales.

4. Summary of Representations

- 4.1. The application for review of the premises licence was advertised in accordance with statute for a 28 day period.
- 4.2. During this period no formal representations were received by the Licensing Authority but concerns regarding the premises were raised by both the Health and Wellbeing Team and the Parking Services Team at Cumbria County Council and the Home Office, Immigration, Compliance & Enforcement Team.
- 4.3. The Health and Wellbeing Team raised concerns that a lady known to the team has been getting regular deliveries of alcohol from a takeaway. They believe that the lady would be intoxicated and would appear unkept and unwell to drivers. A neighbour of the lady, without any prompting or suggesting, informed the team that the deliveries were always from The Pizza Base.
- 4.4. The Parking Team informed the Licensing Department of an assault on a Parking Enforcement Officer by a delivery driver from The Pizza Base in August 2019. The Officer was head butted after he issued a fixed penalty charge notice (PCN) due to a parking contravention as to the no loading restriction on Lonsdale Street. The driver received an Adult Caution from Cumbria Police for the offence.
- 4.5. Officers from the Home Office Immigration, Compliance & Enforcement Team attended the premises on 23rd August 2019 alongside the Licensing Authority. One Nigerian male was encountered who was working in Breach of his visa. The subject was paid £100 pounds for 20 hours work and was receiving cash in hand.

- 4.6. When the subject was interviewed he admitted that he had never shown any documentation to the manager to show that he could work and he also stated that he was never asked to provide ID.
- 4.7. The subject was bailed by Immigration as the subject had a return flight booked and a Referral notice was served on the business.

Please state the ground(s) for review (please read guidance note 2)

On Monday 7th October 2019 I received an email from a police call handler in relation to a complaint from a parent of a thirteen year female who had been sold alcohol via a home delivery from Pizza Base takeaway Carlisle on Saturday 5th October 2019. The delivery consisted of a bottle of Vodka and a bottle of Apple Sourz where no age verification was requested by the delivery driver as he handed over and received payment of thirty pounds for the alcohol from persons aged between thirteen and fifteen years old. As a result of this alcohol being consumed the parent stated that her daughter became intoxicated and was taken to the Cumberland Infirmary where she was hospitalised while observations were carried out on her daughter.

I have seen statements from two thirteen year olds which state that an order for alcohol was made to Pizza base via the telephone at the start of a birthday party and when the delivery was made no age identification was asked for by the driver. The payment was made by the thirteen year old girls and a boy aged fifteen at the house front door. They state that the driver spoke very limited English and that other under eighteens were at the location.

On Thursday 31st October 2019 I was present during two taped interviews with DPS, Mr Gokcan SEVIN and the delivery driver Mr Ferdun Fahriev IBRYAMOV where a Turkish interpreter was used.

As a result of the interviews it became apparent that training and a system was lacking within the business to identify the age of the customer making the order for the delivery of alcohol over the telephone and then at the point of sale. In this case money is handed over when the customer receives the delivery on the door step of the delivery address which is when the point of sale is made. None of the usual age verification documents for example a driving licence, passport were requested by the delivery driver so at no stage was any age checks made by any Pizza Base staff during this transaction even when they adopt a Challenge 21 or 25 policy. Mr IBRYAMOV stated during interview that he did not ask for any age identification and based his decision to hand over the alcohol on the fact that the females were wearing make-up and the boy had just exited a parked car as he arrived at the premises to make the delivery.

Mr IBRYAMOV spoke virtually no English when I met him for the interview which is clearly a problem when speaking to the public while carrying out his delivery duties. It presents a clear obstacle to ask the most basic questions when determining the age of a person for the sale of alcohol.

Mr SEVIN stated that he carried out the training to his delivery drivers and although he provided a signed document to say Mr IBRYAMOV received training it is clear that no adequate training takes place. Mr SEVIN stated that his training consists of telling his staff not to sell alcohol to people under age people but does not give any training to his staff to assist in identifying persons under the legal age who are persistent in trying to buy alcohol. Mr SEVIN in my opinion does not have a sufficient understanding of his alcohol licence and the sale of alcohol which became apparent when he could not tell me the four licensing objectives one of which is the Prevention Of Harm to Children.

On this occasion due to Pizza Base not make adequate checks to establish the age of the customer for the sale of alcohol a thirteen year old girls was admitted to hospital due to the effects of alcohol as a result of this sale. Luckily on this occasion there appears to be no long lasting issues.

PL149 clearly states that:-

The following conditions shall apply from 1st October 2014

- (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
- (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
- (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either -

(a) a holographic mark, or

(b) an ultraviolet feature.

I am _____ 13yrs and I live with my family at _____ Carlisle. On Saturday 5th October 2019 my parents were going out and I had asked them if I could stay at home and go out with a couple of my friends. They agreed but told me it would be fine for only a couple of friends to be allowed in the house at any time and that they would get one of our neighbours to keep an eye on me. They then left the house.

At about 1130am I was in the house with two female friends getting ready to go out when several other boys and girls arrived, as one of my friends had told them there was a 'free house' at my house. In total there would have been no more than 10 of us in the house and none of us were older than 15yrs.

It was suggested by someone that we should buy some Vodka and Apple Sourz and my friend _____ 13yrs telephoned Pizza Base from my house, using my mobile phone and ordered a bottle of Vodka and a bottle of Apple Sourz to be delivered to my house. I was present when she did this. It was sometime after 1:00pm when she phoned Pizza Base and they took the order. A short time later the delivery driver arrived at the house and

walked up the drive and knocked on the door. One of the boys at the party, [REDACTED] who I believe is 14yrs old answered the door to the delivery driver and shouted to us that the driver needed paying for the drink and so [REDACTED] handed over a £10 note to the driver and at that time I was at the base of the stairs in view of the driver and handed over a further £21 to the [REDACTED] who handed it to the driver. [REDACTED] was given 70p change, the alcohol in a white carrier bag and a receipt for the order. The delivery driver was not English and he had tanned skin and did not ask for any type of identification. In any case no identification could have been given as no one in the house was over 18yrs and the oldest could have been only 15yrs old at most.

We shared the drink out mostly between the girls as they had paid for it and I drank Vodka and Apple Sourz. This eventually made me drunk and unwell (sick) and I remember being taken to the hospital where [REDACTED] was also unwell where we were monitored for over 3hrs and eventually allowed home.

I am _____ aged 13yrs and I reside with my parents in _____ Carlisle.

On Saturday 5th October 2019 I visited my friend _____ who is also 13 years old, at her home in _____ Carlisle. During my visit, there were several other children present all of a similar age to ourselves.

Someone suggested buying some alcohol from Pizza Base and at about 1:00pm one of the girls, called _____, aged 13yrs, placed a telephone order with for Vodka and Apple Sourz with Pizza Base by using _____ mobile phone.

The delivery driver, a man, arrived at the house at about 1.30 pm and he was met at the door by a lad called _____ who I believe is 14yrs. _____ handed over £20 that _____ passed to him and I then handed over another £10 to the driver himself. We were all just inside the doorway and in clear view of the delivery driver.

The driver then handed over the alcohol with a receipt and the change before leaving. At no time was anyone asked to confirm our age or identification although I believe no one in the house was over 15yrs old.

I drank some of the alcohol with others and became very ill. I was later taken to hospital and kept in for observations for around three hours.

I am the mother of [REDACTED], aged 13 years, and our family reside at [REDACTED], Carlisle.

On Saturday 5th October 2019, it was agreed that she could remain at home whilst the rest of the family went out. She was allowed to invite a couple of friends to keep her company and on that understanding she remained in the house.

Later that same day on returning to the house I found that the living room and kitchen had been left in a disgusting state due to [REDACTED] and friends who had been drinking alcohol. Whilst cleaning the kitchen I did find a receipt from Pizza Bravo which I have handed to Officers from the Licensing Office.

[REDACTED] and her friend [REDACTED], 13years old, who had also been in the house, were both very unwell due to consuming the alcohol and as a result were taken to the Cumberland Infirmary where observations were maintained on them for over three hours.

I wish to make a complaint relating to the irresponsible sale and delivery of alcohol to children who were all well under age. My daughter informed me that the delivery driver carried out no verification to confirm the ages, nor ask for identification of the children, before supplying the alcohol to them.

I have allowed a photograph of [REDACTED] to be used for age specific purposes in any investigation or hearing but not for public viewing.
