

PORTFOLIO:

STRATEGY & PERFORMANCE
Report of
Portfolio Holder:

**COUNCILLOR
LAWRENCE FISHER**

1. INDIVIDUAL NON KEY DECISIONS

During the period I made no non key individual Executive decisions.

2. KEY DECISIONS

All key decisions relating to the Portfolio for Strategy and Performance taken by the Executive have been circulated to all Members of the Council.

3. E-GOVERNMENT

A training event was held on the 12 October 2001 at Newton Rigg and unfortunately due to holidays I was unable to attend. Councillor D Joscelyne however did attend and reported back to me. I did attend a presentation at the Sands Centre on the 16 October 2001 by Northgate Information Solutions on E-Government with particular reference to Halton Borough Council, and this presentation was enlightening in the part E-Government has to play and I will be following this up with the appropriate Officers.
