

Report to Regulatory Panel

Meeting Date: 4th January 2023
Portfolio: Finance, Governance and Resources
Key Decision: No
Within Policy and Budget Framework: No
Public / Private: Public

Title: Hackney Carriage Driver – Failure to produce required documents
Report of: Licensing Manager
Report Number: GD.71/22

Purpose / Summary:

Atila Eyin, a licensed Hackney Carriage Driver has failed to provide the Licensing Authority with required documents in order to ascertain his continued fitness and propriety to hold the Licence. Despite several attempts to communicate with Mr Eyin, the required checks have not been submitted and therefore referred to the Regulatory Panel to consider.

Recommendations:

To consider the content of the report and any representations made by the Licence Holder and come to a decision in line with the Options proposed in Paragraph 4.

1. LICENSING BACKGROUND

- 1.1. Atila Eyin has held a Hackney Driver licence since 2012. His current licence commenced 6 June 2021 and expires on 5 June 2024. (**Appendix 1**).

2. CURRENT ISSUE

- 2.1. From April 2022 the Licensing Authority undertake DVLA checks via Know Your People and a mandate form was sent to Mr Eyin in March 2022. We contacted him several times in the meantime and Mr Eyin was contacted again on the 5th October 2022 and a new form was provided for him to check and sign but to date we have not received the necessary information required to process the check.
- 2.2. Mr Eyin has been contacted on several occasions to request the information and to return the form to the Civic Centre and following an audit of checks by the Licensing Manager, the case was escalated.
- 2.3. As no contact was received by Mr Eyin, a letter was sent to him on 27th October 2022 notifying him that the matter would be referred to the Regulatory Panel for consideration. (**Appendix 2**)

3. LEGAL COMMENTS

- 3.1. Section 59 of the 1976 Act provides that a licensing authority shall not grant a Hackney Carriage Driver's Licence unless it is satisfied that the applicant is a fit and proper person to hold such a licence. Section 61(1)(b) enables the Panel to take action in respect of a driver if they consider that circumstances exist which mean that the driver is not, or is no longer, a fit and proper person to hold a driving licence.
- 3.2. While there is no statutory definition of 'fit and proper person', the Courts have given helpful guidance over the years and it is established that the objectives of the licensing regime are intended to ensure that licensed drivers are "suitable persons to do so, namely that they are safe drivers with good driving records and adequate experience; sober, mentally and physically fit, honest and not persons who would take advantage of their employment to abuse or assault passengers" (*McCool –v- Rushcliffe Borough Council [1998]*).
- 3.3. Mr Eyin has continually failed to meet the requirements of part of his Hackney Carriage Drivers Licences in a timely manner. He has failed to submit necessary documentation to the Licensing Department despite various reminders from the Council's Licensing Department.
- 3.4. Members need to consider whether Mr Eyin is, in light of these facts, a fit and proper person to continue to hold his licence. If not, it should be revoked. If the Panel feel that revocation is not necessary, it may consider whether a suspension or other lesser sanction is appropriate.

4. OPTIONS

4.1. Members are asked to consider the report and reach an agreement on the following options:

- Suspend Mr Eyin's Hackney Carriage Driver licence until such a time that he provides a signed KYP mandate form in order to undertake a check on his DVLA driving licence.
- In addition to the above, award Mr Eyin 4 penalty points for not providing the necessary paperwork in a timely manner. (4 points total)
- Revoke Mr Eyin's Hackney Carriage Driving Licence.

27 October 2022

Dear Mr Eyin

Despite several reminders you have still not returned a signed KYP mandate form in order for the Licensing Authority to check the status of your DVLA licence. You were originally sent a mandate form in March 2022 and have been telephoned on several occasions since.

You were contacted most recently on 5th October 2022 and a new form provided for you to check and sign but still you have failed to supply the necessary information or attend the Civic Centre to sign the form.

I would remind you that the documentation is required, not for administrative purposes, but to ensure the safety of the travelling public. Your failure to submit documentation on time and as required does not allow the Council to properly discharge its duty to ensure public safety by being able to verify your continued fitness and propriety.

The matter is therefore being referred to the Council's Regulatory Panel and a report will be prepared for the meeting of the Panel on 4th January 2023. The Regulatory Panel will have the option to revoke or suspend your Licence. You will be sent a copy of the report in due course and will be invited to attend the meeting.

Please contact the Licensing Department on 01228 817523 or licensing@carlisle.gov.uk if you have any questions about the content of this letter.

Yours sincerely

Nicola Edwards
Licensing Manager
