Title: PERFORMANCE REPORT QUARTER 2 2019/20
 Report of: Policy and Communications Manager
 Report Number: PC 18-19

Purpose / Summary:

This report contains the Quarter 2 2019/20 performance against the current Service Standards and a summary of the Carlisle Plan 2015-18 actions as defined in the 'plan on a page'. Performance against the 2019/20 Key Performance Indicators (KPIs) are also included.

Recommendations:

1. Consider the performance of the City Council as presented in the report with a view to seeking continuous improvement in how the Council delivers its priorities.

1. BACKGROUND

This report contains the Quarter 2 2019/20 performance against the Service Standards and a summary of the Carlisle Plan 2015-18 actions as defined in the 'plan on a page'. The Key Performance Indicators (KPIs) are also included as an appendix.

Service Standards are the measures judged to be the most important to our customers and therefore the mostly likely to influence the overall satisfaction with how the Council performs. The following pages contains the Council's performance against the Service Standards.

The updates against the actions in the Carlisle Plan are presented in Section 3. The intention is to give the Executive a brief overview of the current position without duplicating the more detailed reporting that takes place within the Scrutiny agendas and Portfolio Holder reports.

Summary of KPIs and Service Standards:

Service Standards – 0 'red', 2 'amber' and 8 'green'

KPIs – 4 'red', 6 'amber', 23 'green'

Summary of Exceptions (RED)

Key Performance Indicators:

Measure	Target	Performance	Comments
CSe04 Revenue gained from household waste recycling collected	£335k	£260k	Shortfall due to reduced market value of recycled material.
CSe14 Actual car parking revenue as a percentage of car parking expenditure (including recharges).	129%	121%	Most significant contributing factor is a £33k shortfall in carpark ticket sales across City Council carparks.
CSe18 Actual Old Fire Station (OFS) revenue as a percentage of OFS expenditure (including recharges).	27%	19%	Revenue (majority of which are ticket sales) is 39% (£18.5k) under budget but costs are only 10% (£17.4k) under budget.
GRS10 Proportion of food hygiene inspections completed as scheduled	90%	66%	The food hygiene inspections completed versus scheduled is a new indicator. The indicator requires that scheduled inspections need to be

			<p>completed within the FSA target of 28 days. As a new indicator there have been monitoring and administrative challenges which are being resolved. We are confident that improvements towards the target will be reported in quarters 3 and 4.</p> <p>Please note that inspections are up to date – the target performance is being affected by not all inspections being within 28 days of scheduled.</p>

Section 1: Service Standards 2019/20

Service Standards were introduced in 2012 after consultation with Service Managers, DMTs, SMT and JMT. Five further measures were introduced from Quarter 2 2017/18 and all are reviewed during Quarter 3 each year.

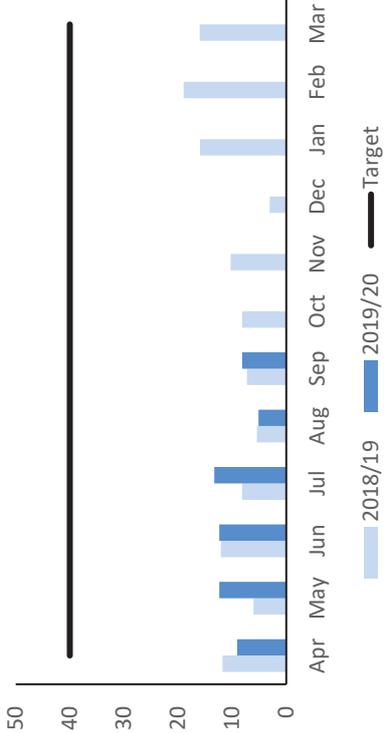

Service Standards are the measures judged to be the most important to our customers and therefore the mostly likely to influence the overall satisfaction with how the Council performs.

The following pages contains the Council's performance against the Service Standards.

Section 2: Key Performance Indicators (KPIs)

Service Standards are not the only set of measures used to interrogate the performance of the Council. Alongside the review of Service Standards, a set of Key Performance Indicators, derived from the links between the service plans and Budget Resolution were developed. These are attached as a dashboard.

Section 3: Carlisle Plan on a Page 2015–18 Delivery

The current Carlisle Plan covered the period 2015-18 and the majority of the key actions are now either delivered or considered 'business as usual' and feature within existing service plans. These actions were closed by the Executive following the reporting of Quarter 1 performance. Updates to the remaining seven key actions are contained within the following pages.

Priority 1: Support business growth and skills development to improve opportunities and economic prospects for the people of Carlisle

Business Property & Infrastructure:

OUTCOME	<u>2. City Centre redevelopment projects</u>
SMT OWNER	Jane Meek
Scrutiny Panel	Economic Growth / Business & Transformation
Specific – What is the task	Promote development opportunities and regeneration opportunities within the city centre (including Carlisle Station, Caldew Riverside, The Citadel, English Street and The Pools). Set out a strategy for the future vitality and viability of the city centre including development options for the regeneration opportunity sites (Carlisle Station, The Pools, Court Square, Caldew Riverside and the Citadel).
Measurable – How will success be measured?	Production of a city centre masterplan
Achievable – Is it feasible?	Yes
Realistic – Resources available	Consultancy support will be required to produce the masterplan. This will be funded by revenue budgets secured through the MTFP process.
Time Bound – Start/end dates	The preparation of the masterplan will commence Q3 2018-19, with a draft version produced by the end of Q4.
Progress in Quarter 2 2019/20 against project plan / key milestones achieved	The Council's application for the Future High Streets Fund has been selected to be taken forward to the 2nd stage of assessment as part of the 100 Wave One areas. The Council has secured specialist support to assist with the development of projects to be delivered through the Fund and the preparation of a detailed business case.
Emerging issues / risks to the project	None

OUTCOME	6. Progress the Borderlands Initiative
SMT OWNER	Jane Meek
Scrutiny Panel	Economic Growth
Specific – What is the task	Progress the Borderlands Initiative
Measurable – How will success be measured?	By way of the successful continuation of the innovative and long-term partnership and the level of additional public and private sector investment secured as a direct result of the initiative.
Achievable – Is it feasible?	Yes. A co-ordinated approach to support regional economic development through partnership working will help to attract additional investment. Progression of 'The Borderlands Proposal' will rely on support from both the UK and Scottish Government.
Realistic – Resources available	Corporate Director of Economic Development and Borderlands Project Officer time to support the Initiative. In addition, partners have contributed towards a centralised fund to enable the appointment of consultancy support to develop a suite of strategic outline business cases and other evidence base requirements. It is anticipated that additional financial revenue resources will be required to provide support to move from Heads of Terms to Final Deal, which will be considered as part of the 2019/20 budget process.
Time Bound – Start/end dates	The Borderlands Partnership submitted the Borderlands Inclusive Growth Deal Proposal 2018 to UK and Scottish Government on 28 th September 2018. It is anticipated that a Heads of Terms agreement on a Deal could be reached by the end of the calendar year/early 2019. Thereafter it can typically take twelve months to agree and sign a Deal based on the experience of other areas. The Deal would then progress to the implementation and delivery phase, timescales for which would be dependent on individual projects or programmes.
Progress in Quarter 2 2019/20 against project plan / key milestones achieved	£345M Borderlands Inclusive Growth Deal awarded March 2019. Heads of Terms signed June 2019 prior to the summer recess of the Scottish Government.

Emerging issues / risks to the project	None

OUTCOME	7. Infrastructure Delivery Plan
SMT OWNER	Jane Meek
Scrutiny Panel	Economic Growth
Specific – What is the task	Maintain an up to date Infrastructure Delivery Plan and develop proposals to address identified issues.
Measurable – How will success be measured?	Progress and issues will be reported through the annual statutory Authority Monitoring Report.
Achievable – Is it feasible?	Regular dialogue with infrastructure providers set up and maintained.
Realistic – Resources available	Can be delivered within existing staff resource and budget allocation.
Time Bound – Start/end dates	The Plan is aligned to the Carlisle District Local Plan 2015-30. Comprehensive update critical to development of masterplan and delivery strategy for St. Cuthbert's Garden Village.
Progress in Quarter 2 2019/20 against project plan / key milestones achieved	There is continued engagement with a broad range of infrastructure providers, including through dedicated workshops, to better understand their needs moving forward not only for St Cuthbert's Garden Village but for the District as a whole. We continue to pursue funding to implement specific improvement projects. The team is currently putting together a Full Business Case to secure LGF grant funding from the Cumbria LEP for a highway improvement project for Sewells Lanning in Harraby. This follows a recent successful submission of a Strategic Outline Business Case for the project in September 2019 where an indicative allocation of approximately £438,000 was agreed subject to the completion of a full business case to evidence that the project is deliverable.
Emerging issues / risks to the project	None

OUTCOME	8. Develop a St Cuthbert's Garden Village Masterplan covering housing, design, employment land, community facilities, transport and infrastructure
SMT OWNER	Jane Meek
Scrutiny Panel	Economic Growth
Specific – What is the task	The development and adoption of a masterplan covering St. Cuthbert's Garden Village.
Measurable – How will success be measured?	Masterplan will be incorporated into a Development Plan Document (DPD) which will require approval by Council. Masterplan to be delivered in 2 parts: Part 1 is visioning and concept framework; Part 2 is detailed framework plans.
Achievable – Is it feasible?	Production of DPD governed by Government Regulations, with policy and guidance also set out nationally
Realistic – Resources available	The project is detailed in the Council's approved Local Development Scheme (LDS). An adequate allocation has followed through the process of the MTFP. Additional funding to accelerate delivery and enhance quality has been forthcoming through inclusion in the Government's Locally Led Garden Villages Programme. Further Garden Village Capacity Funding applied for as and when funding rounds are announced.
Time Bound – Start/end dates	Mandate forthcoming from LDS which was approved in July 2016. Inclusion in Garden Village programme confirmed on 2nd January 2017. Anticipated adoption date of DPD April 2020.
Progress in Quarter 2 2019/20 against project plan / key milestones achieved	Consultation on the draft options stage of the masterplanning for St Cuthbert's Garden Village has now been completed. The six week period of consultation from 2 nd September to 14 th October saw six drop in events held throughout the area, including two events in the city centre. These were attended by nearly six hundred people. In addition, workshops were held with St Cuthbert Without Parish Council, Cummersdale Parish Council and the cross party Members' Advisory Group. A further stakeholder workshop was held towards the end of the consultation which was attended by a broad range of representatives from

organisations as diverse as Natural England, Stagecoach, those seeking to set up free schools and the Cumbria LEP. A separate session was also held with the Environment Agency. A bespoke Design Review Panel was put together which included experts in the field of public health, green infrastructure, urban design and development who were tasked with reviewing the three proposed options for the garden village.

The consultation was widely advertised through local and social media, the dedicated St Cuthbert's Garden Village website, the banner on the Civic Centre and leaflets, and this led to fantastic level of response to the consultation.

Feedback has also been received via an on-line questionnaire, and from individual emails and letters from the community. Work is underway to summarise and analyse the feedback, which will be used to inform the development of the next stage of the project which will be the preferred option for the Garden Village. A revised programme has been issued through to project completion.

Project risks continue to be monitored and reviewed. No risk warrants being reported at the current time.

Emerging issues / risks to the project

Priority 2: Further develop sports, arts and cultural facilities to support the health and wellbeing of our residents
Service and Facilities Development:

OUTCOME	<u>12. Develop and deliver the proposed new leisure contract to improve facilities at The Sands Centre in line with the City Sports Facilities Development Plan and enhance the leisure services across the city.</u>
SMT OWNER	Darren Crossley
Scrutiny Panel	Business & Transformation / Health & Wellbeing
Specific – What is the task	<ol style="list-style-type: none"> 1. To retender and award a new leisure contract with a significantly reduced subsidy. 2. Develop Outline Designs and budgetary package and secure approvals for Sands Centre Development. 3. Complete works on cycle track and open the facility. 4. Complete works on tennis canopy and open the facility.
Measurable – How will success be measured?	<ol style="list-style-type: none"> 1. The award of a new contract. 2. Executive approval for outline designs and consent (inc budgetary provision) to develop detailed design and works. 3. An operational track by October 2017. 4. Canopy covered courts by Spring 2018.
Achievable – Is it feasible?	<ol style="list-style-type: none"> 1. COMPLETE 2. Sufficient budget and permission has been secured to appoint a design team to take the project to the end of outline design. The design team are currently working on a more detailed design to RIBA Stage 3. 3. COMPLETE 4. Support in place from the LTA and a clear scheme identified, subject to planning permission the canopy can be delivered.
Realistic – Resources available	<ol style="list-style-type: none"> 1. COMPLETE

	<p>2. The project is on schedule and has adequate financial resource to be completed.</p> <p>3. COMPLETE</p> <p>4. Sufficient budgetary provision has been made via grant funding from the LTA and the city council's capital programme. Work is currently underway to procure the enabling work to get the tennis courts back into service.</p>
<p>Time Bound – Start/end dates</p>	<p>1. COMPLETE</p> <p>2. Route to Affordability to be completed by the end of October 2018 and contracts put in place for the Principal Contractor. The designers need to be novated to the Principal Contractor by the end 2018, to maintain programme. Temporary accommodation (or alternative arrangements') need to be put in place by the end of October 2018 to allow demolition and construction of the Sands Leisure facilities by March 2019. Completion of the project scheduled for December 2020.</p> <p>3. COMPLETE</p> <p>4. The enabling works was scheduled for completion by end November 2018.</p>
<p>Progress in Quarter 2 2019/20 against project plan / key milestones achieved</p>	<p>The Sands Centre design is now complete up to the end of RIBA stage 4A i.e. detailed design excluding subcontract specialist design. Work has now started on RIBA stage 4B - specialist subcontract design and RIBA Stage 5 - the planning element of the construction phase. On site survey work has been carried out as far as possible to determine how the two elements of the building can be split apart e.g. where the existing building services are and the condition of the existing internal dividing wall. Survey work still needs to be carried out when the site is handed over e.g. an asbestos Refurbishment and Demolition (R & D) Survey and an archaeological survey of the site. The tender price has been updated based on the design and survey work carried out to date. The tender sum has been submitted and reviewed in detail in terms of scope of work and third party stakeholder requirements. Work is ongoing to de-risk the project price and scope of works.</p>

	<p>The current focus is on dealing with issues which have arisen on the delivery of the temporary accommodation on both the Sands site and the old Newman School site and the enabling works required to link the temporary facilities to the main events space. Minor work has started on the main site to improve the fire doors on the ground floor and modifications to the existing accessible WC to maintain access during the refurbishment works.</p>
<p>Emerging issues / risks to the project</p>	<p>We have very recently encountered a significant problem commencing the temporary accommodation for the Events space, as a result of the Environment Agency's modified flood wall construction and access requirements to the site. This will need to be resolved and the temporary accommodation put in place before work can start on the demolition of the main works. Work is currently being undertaken to establish what the EA's requirements are now and what can be done to mitigate it. Other focus areas include the technical separation of the two halves of the building, asbestos in the existing Sands building, existing services on both sites, archaeological survey on the main site and completing the contract documentation and lease documents for all areas.</p> <p>Other areas of risk are: Insurance requirements Designer and Contractor Agreement terms CDM Regs activities.</p>

EXCERPT FROM THE MINUTES OF THE HEALTH AND WELLBEING SCRUTINY PANEL HELD ON 21 NOVEMBER 2019

HWSP.71/19 QUARTER 2 PERFORMANCE REPORT 2019/20

The Policy and Performance Officer presented the Quarter 2 Performance Report 2019/20 (PC.15/19).

The report contained the Quarter 2 performance against the current Service Standards and a summary of the Carlisle Plan 2015-18 actions as defined in the 'plan on a page'. Performance against the Panels' 2019/20 Key Performance Indicators were also included.

The Policy and Performance Officer drew the Panel's attention to the summary of exceptions which showed three measures as under target (red) and the reasons:

- CSe04 Revenue gained from household waste recycling collected
- CSe18 Actual Old Fire Station (OFS) revenue as a percentage of OFS expenditure
- GRS1- Proportion of food hygiene inspections completed as scheduled.

In considering the report Members raised the following comments and questions:

- A Member asked for more clarity on the percentage of household waste sent for recycling.

The Deputy Chief Executive responded that the service standard reflected the percentage of the household waste collected that could be recycled. He added that the figure was not a nationally imposed KPI but it was a useful monitoring tool for the Council.

- The Panel congratulated the Communications and Digital Marketing Apprentice for achieving the increased performance with regard to CSe36 Social Media reach.
- Had the Council learned from the difficulties in recruiting drivers to enable them to move forward in recruiting when required?

The Deputy Chief Executive confirmed that the Council had changed the recruitment of loaders and drivers. He outlined some of the difficulties in retaining drivers due to the location of the City and the opportunities for HGV drivers in the area. The new loader/driver posts were an opportunity for a career step in the authority and had worked quite well to date.

- With regard to SS09 there was some concern that one driver leaving the authority could negatively impact the performance in the proportion of new waste and recycling bins, bags and containers delivered. The Panel asked for more details on the number and type of items delivered.

The Deputy Chief Executive agreed to circulate further information to the Panel.

RESOLVED – 1) That the Quarter 2 Performance Report 2019/20 (PC.15/19) had been submitted to the Panel;

- 2) That the Panel congratulated the Communications and Digital Marketing Apprentice for achieving the increased performance with regard to CSe36 Social Media reach.
- 3) That the Deputy Chief Executive circulate further information on the number and types of waste and recycling bins, bags and containers being delivered (SS09).

**EXCERPT FROM THE MINUTES OF THE
ECONOMIC GROWTH SCRUTINY PANEL
HELD ON 28 NOVEMBER 2019**

EGSP.76/19 QUARTER 2 PERFORMANCE REPORT 2019/20

The Policy and Performance Officer presented the Quarter 2 2019/20 performance against the current Service Standards and a summary of the Carlisle Plan 2015-18 actions as defined in the 'plan on a page'. (PC.16/19)

The report included a summary of the Key Performance Indicators and Service Standards for the Panel, all KPIs and Service Standards were in green. The Policy and Performance Officer drew Member's attention to the fact that all of the performance measures were green indicating that they had achieved their target.

In considering the report Members raised the following questions and concerns:

- Had a date for the next St. Cuthbert's Garden Village stakeholder even been set?

The Corporate Director of Economic Development advised the feedback from previous sessions was still being worked through, and that it would be reported to a future meeting of the Panel. As yet dates for the next stakeholder event had yet to be identified.

In response to a request from a Member for further detail on the Sewells Lonning Funding, the Corporate Director of Economic Development defined the area of land and set out the grant funding bid which had been applied for.

The Panel commended the work undertaken by Officers to achieve the specified targets on the performance measures presented in the report.

RESOLVED – 1) That the Panel commended the work undertaken by Officers to achieve the specified targets on the performance measures presented in the report.

2) That the Quarter 2 Performance Report 2019/20 (PC.16/19) be noted.
