results.
- 10.02.03 Interviewed on Radio Cumbria regarding recycling
- 17.02.03 Council

With regard to questions at Council in respect of Council parking charges on a Sunday, and in particular the possibility the worshippers at St Cuthbert's Church being disadvantaged, I intend to introduce a £20 season ticket which would be available to anyone making application.

In addition those persons holding contract season tickets for Council car parks for Monday to Saturday would have those extended to include Sundays at no extra charge.
