**Summary:**

Section 38 (1) of the Localism Act 2011 requires Authorities to produce and publish a pay policy statement for Chief Executive and Chief Officers by 31 March 2012 and annually after that. Attached is a Statement that fulfils this requirement.

The Employment Panel recommends the Statement to Council for approval.

**Contact Officer:** Jean Cross

## **1. INTRODUCTION**

- 1.1 Section 38 (1) of the Localism Act 2011 requires English and Welsh local authorities to produce a pay policy statement for 2012/3 which has been agreed by Council by 31 March 2012 and for each financial year after that. It can be amended mid year if required.
- 1.2 The issues to be covered by the Statement relate to Chief Officers' and Chief Executive's remuneration and also comparison with other employees. The detail to be covered is:
- the Authority's policy on the level and elements of remuneration for each Chief Officer
  - the Authority's policy on remuneration of its lowest paid employees (together with a definition of "lowest-paid employees" and reasons for that definition)
  - the Authority's policy on the relationship between the remuneration of its chief Officers and other officers
  - the Authority's policy on other specific aspects of chief officers' remuneration: remuneration on recruitment, increases and additions to remuneration, use of performance-related pay and bonuses, termination and transparency.

Remuneration is defined widely and includes charges, fees, benefits in kind, increases/enhancements of pension entitlements and termination payments, as well as pay.

- 1.3 Council has previously agreed a number of policies relating to the majority of issues that are covered by the definition of "remuneration" within the Localism Act which apply to all employees including the Chief Executive and Chief Officers. The Statement attached makes reference to these but does not reproduce the content. A number of minor changes are required to the policies referred to in the statement (due mainly to legislative and organisational changes) and these are dealt with in report RD 88/11.

## **2. CONSULTATION**

- 2.1 Consultation to Date.
- (i) The Executive at their meeting on 13 February 2012 and any views they have will be brought to the Employment Panel at the meeting.
  - (ii) The Trades Unions have been advised and any comments they have will be brought to the meeting.
- 2.2 Consultation proposed. None.

### **3 RECOMMENDATIONS**

3.1 Members are recommended to:

- Consider the report and attached Statement
- Recommend its approval to Council

### **4 REASONS FOR RECOMMENDATIONS**

4.1 The Statement meets the requirements of the Localism Act. Under the Council's constitution, the Employment Panel is responsible for recommending to Council matters relating to pay and employment conditions.

### **5 IMPLICATIONS**

- Staffing/Resources – No further implications as it is a statement of current policy rather than a new proposal.
- Legal – S38 of the Localism Act 2011 came in to force on 15 January 2012 and requires that we must publish for the year 2012/13 and each subsequent year:
  - A pay policy statement setting out our policies relating to:
    - The remuneration of Chief Officers
    - The remuneration of our lowest paid officers
    - The relationship between the remuneration of the Chief Officers and employees that are not COs.
  - We have to state our definition of 'lowest paid employees' together with our reasoning
  - The statement has to explain
    - CO levels on appointment/progression and increases and additions
    - Performance related pay
    - Bonuses
    - Payment on ceasing to hold office
  - The Policy has to be approved by a resolution of the Council
    - First one has to be done by 31 March 2012 (and that date each year thereafter)
    - We have to publish in a manner we see fit (including on our website)
- Financial - There are no financial implications arising from this new policy.
- Corporate Equality Issues – no new implications
- Environmental – none.
- Crime and Disorder – none.
- Impact on Customers – none.

## CARLISLE CITY COUNCIL

### POLICY STATEMENT ON SENIOR OFFICER PAY

#### 1 Introduction and Purpose

- 1.1 This pay policy statement sets out Carlisle City Council's approach to pay policy in accordance with the requirements of section 38 (1) of the Localism Act 2011.
- 1.2 The purpose of this statement is to provide transparency with regard to the Council's approach to setting the pay of its employees by identifying:
  - the methods by which salaries of all employees are determined
  - the detail and level of remuneration of its most senior staff
  - the Panel responsible for ensuring that the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to full Council.
- 1.3 Once approved by full Council, this policy will come into effect immediately and will be reviewed on a minimum annual basis, the policy for the next financial year being approved on 31 March 2012.

#### 2 Aims and principles

- 2.1 Carlisle City Council's aims to offer a remuneration package which is fair and equitable, complies with all the relevant legislation, enables it to attract and retain quality staff that will achieve its strategic and operational objectives and is underpinned by the need to achieve value for money having regard to its financial restraints.

#### 3 Definitions

*Senior Officers* are the Town Clerk and Chief Executive and Chief Officers. The posts within Carlisle City Council that are classified as *Chief Officers* are the Deputy Chief Executive and Directors.

*Lowest paid employees* are those on grade A (£12,489 - £12,784 per year in March 2012). The Council uses this definition as it is the nearest equivalent to the old 'manual' grades which existed before the job evaluation was used to determine pay and before Single Status was implemented. Jobs at this level are relatively straight forward, quick to learn and require limited pre-existing knowledge.

*Employment Panel* is a cross party group of Councillors who are responsible for recommending to Council pay and conditions for employees.

*Multiplier* is the ratio of pay between senior staff and other employees (at full time equivalent rates) i.e. the pay for the senior officer divided by that for the lower paid employees.

#### **4 Pay Structure**

4.1 The Pay Structure and pay related allowances for all employees below Chief Officer level (except apprentices and any employee on a "permitted work" scheme) is detailed in the document Pay Policy and Arrangements ([internet link](#)) which was approved by Council initially in November 2009, following extensive consultation with staff. It is a local pay and grading structure which uses some of the nationally negotiated pay spines configured into local pay grades. Nationally negotiated cost of living awards are applied to those spine points that form part of the local pay structure.

4.2 From time to time, it may be necessary to take account of the external pay levels in the labour market in order to attract and retain employees with particular experience, skills and capacity. The document Pay Policy Arrangements details these.

#### **5 Senior Management Remuneration**

5.1 Terms of employment for senior officers in Carlisle City Council are derived from a number of sources:

- pay rates determined by Carlisle City Council
- cost of living awards as negotiated nationally between the Local Government Employers Organisation (LGE) and the recognised trades unions and applied to existing pay grades
- nationally negotiated terms and conditions of employment for chief officers and chief executives as appropriate
- policies determined and approved locally by Carlisle City Council.

#### **6 Responsibility for determining pay and allowances**

6.1 The Employment Panel is responsible for proposing pay and grading structure to Council.

6.2 In the case of senior officers' pay, the Employment Panel seek advice from a suitably experienced external organisation such as North West Employers Organisation (NWEEO) to inform their recommendations.

- 6.3 Pay rates (including car allowances) for the Town Clerk and Chief Executive is reviewed each time the job is vacant, and may be reviewed between these periods on a decision by the Chair of the Employment Panel following a request from the post holder. A review can result in the pay remaining the same, an increase or a decrease. Market rates for District Councils form the basis of any review. The pay rate is a single pay point, within a range, and determined on appointment by the Employment Panel and is based on experience of the successful candidate.
- 6.4 In the case of the other senior officer posts, these are reviewed when organisational structural changes take place and use the Local Authority Senior Staff job evaluation scheme to determine the rank order, and market rates for a District Council to set the pay grade. The pay grades consist of three pay points.
- 6.5 Table 1, paragraph 10, gives current pay rates.

## **7 Elements of the remuneration package for senior officers**

- 7.1 This is made up of:
- actual pay as determined by the Council
  - car allowance of 9.09% of salary or participation in the Chief Executive or Chief Officer Car Lease Scheme to the same value
- 7.2 Pay for the Town Clerk and Chief Executive is a single pay point within a range plus car allowance as detailed as detailed above. This rate includes returning officer duties for elections relating to Carlisle City Council. Fees for election duties for other elections (County Council, national and European elections) are paid as an additional sum at the rate prescribed by government as and when each election occurs.
- 7.3 Pay for the Deputy Chief Executive and Directors consists of three point scales and, subject to satisfactory performance, the officer progresses through the grade on an annual basis until the top of the grade is reached, in line with national conditions. A car allowance, as detailed above is also paid.
- 7.4 No bonuses, profit related pay or other allowances are paid as part of the regular pay. Honoraria for undertaking additional duties are only paid if the additional duties are significant.

## **8 Chief Executive and Chief Officers' Recruitment**

- 8.1 Details of the appointment process for Chief Officers and Chief Executive is set out in the Council's constitution

[http://www.carlisle.gov.uk/council\\_and\\_democracy/democracy\\_and\\_elections/about\\_the\\_council/constitution.aspx](http://www.carlisle.gov.uk/council_and_democracy/democracy_and_elections/about_the_council/constitution.aspx). Recruitment is the responsibility of the Employment Panel to recommend the successful candidate to full Council for approval.

- 8.2 In the case of the Chief Executive, the Employment Panel determines the salary and take account of the experience of the successful candidate.
- 8.3 In the case of the Deputy Chief Executive and Directors, starting salary is normally the bottom point of their grade unless there are good reasons to pay at a higher point in the scale to secure the best candidate. Such a decision is made by the Employment Panel.
- 8.4 Return of Chief Officers or Chief Executive to local government after redundancy or early release. The same principle applies to all recruitment and any appointment is made on merit, regardless of whether the candidate has been made redundant or given early release in former employment. The provisions of the Redundancy Payments Modification Order would be applied in that if return to local government occurred within a month of redundancy, and the redundancy payment would be forfeited. Cumbria County Council, as the administering body for the pension scheme operated by Carlisle City Council, implements 'abatement' which means that if pension plus earnings in the new job is greater than earnings prior to leaving or the pension is reduced accordingly.
- 8.6 Interim Support. Where the Council has need for interim support to cover work at Chief Officer or Chief Executive level, and there is no-one suitable within the Council, it will make use of agencies to recommend suitable candidates from which to select the most suitable. Selection will be in line with the appointment process for senior officers unless support is required too quickly to make this possible, when it will reported to Council at the earliest opportunity. The services of the successful interim will be engaged by either:
- On an agency basis where the person is employed by the agency *or*
  - On a self employed basis where the person meets the HMRC definition of 'self employed' *or*
  - Direct employment by the Council on a temporary contract.

Pay for temporary interim support will be at the required rate to secure a suitable candidate bearing in mind the temporary nature of the work, value for money, salaries within the Council and budgetary considerations.

At the date of this policy Statement, there the Council has no temporary or interim support at Chief Officer level.

## 9 Other aspects of remuneration

- 9.1 Termination Payments – the Council's policy on termination payments in the event of redundancy or early release in the interests of the service (ERS) apply to all employees, irrespective of level in the organisation. Full details are given in the document *Redundancy and Early Release Schemes Policy, Guidance Notes and Procedures* ([internet link](#)).

In summary, redundancy payments are 2½ times the statutory requirement and based on full pay, with the option to convert the sum above the statutory redundancy value to additional pension. Compensatory payments are not normally paid in the cases of early retirement in the interests of efficiency unless there is a strong business case for doing so in a particular situation. Where payments are made, these are equivalent to 1½ times the statutory redundancy payment that would have applied had the officer been made redundant with the option to convert this to additional pension.

Dismissals of the Chief Executive and Chief Officers (including redundancy and early release) are made by Council on the recommendation of the Employment Panel.

- 9.2 Flexible Retirement. The policy on flexible retirement applies to all employees alike and details are covered in the document *Flexible Retirement Policy Guidance Notes and Procedures* ([internet link](#)). In summary, flexible retirement (with pension) is agreed if it is supported by a business case. Hours must be reduced by a minimum of 20% or grade by a minimum of one grade and earnings plus pension after flexible retirement must not be more than earnings before it.

- 9.3 Pension. Where employees exercise their statutory right to become members of the Local Government Pension Scheme, the Council is required to make a contribution to the scheme representing a percentage of the pensionable remuneration due to that employee. The contribution rate is set by Actuaries advising Cumbria County Council Pension fund and reviewed on a triennial basis in order to ensure that the scheme is appropriately funded. The current rate is 11.8%. The employee contribution rates are defined by statute and relate to the salary level of that employee. Details of the current employee contribution rates can be found at ([internet link](#)).

Carlisle City Council applies the discretions given to them as an employer under the Local Government Pensions Regulations to all employees on the same basis. The key ones are shown in appendix 1 attached.

## 10 Senior Officers pay and it's relation to that of other employees

10.2 All aspects of other employees' pay and related benefits are detailed in the document *Pay Policy and Arrangements* ([internet link](#)).

10.3 Table one, below, shows details of senior officer's current pay and the relationship to other staff's pay.
