Dear Sirs

THE CLUB (former AFS Club), 18 VICTORIA PLACE, CARLISLE, CA1 1ER

We refer to the informal meeting that was held at the Civic Centre on 21st September. As a result of that meeting our clients would like the following conditions to be incorporated into the operating schedule under the heading For the Prevention of Public Nuisance.

1. A smoking area will be identified to the side of the building within the boundary of the premises and an ashtray kept in that area at all times. Customers will not be permitted to take drinks outside when using the smoking area.
2. All external windows will be kept closed when regulated entertainment is being provided.
3. Customers will not be permitted to use the rear fire escape and yard of the premises for smoking, the fire escape and yard to be used for emergency exit purposes only.

Yours faithfully
CARTMELL SHEPHERD
