Title: MEDIUM TERM FINANCIAL PLAN 2021/22 to 2025/26
 Report of: CORPORATE DIRECTOR OF FINANCE AND RESOURCES
 Report Number: RD 25/20

Purpose / Summary:

The Medium-Term Financial Plan (MTFP) sets out the current framework for planning and managing the Council’s financial resources, to develop its annual budget strategy and update its current five-year financial plan. The Plan links the key aims and objectives of the Council, as contained in the Carlisle Plan, to the availability of resources, enabling the Council to prioritise the allocation of resources to best meet its overall aims and objectives. The MTFP will inform the budget process and will be updated for changes when known. The MTFP has been considered by the Executive and the Business and Transformation Scrutiny Panel.

Recommendations:

The Council is asked to:

- (i) approve the Medium-Term Financial Plan for the period 2021/22 to 2025/26.

1. BACKGROUND

- 1.1 The Medium-Term Financial Plan (MTFP) is the key policy document to guide the Council's forward financial planning process. The attached report details the current Plan for the period 2021/22 to 2025/26. The MTFP is reviewed annually starting with the assumptions made in the Budget Resolution approved by Council on 4 February 2020. The starting point for the MTFP is to show the impact of the Council Resolution and raise awareness of the issues that are on the horizon that will need to be considered as part of the detailed budget process.
- 1.2 The Corporate Charging Policy has also been reviewed and included within the MTFP. It provides a framework detailing potential policy options for each Charging area. This recognises that different approaches may be required for different services and that there are a variety of influences that need to be acknowledged in charge setting.
- 1.3 The MTFP has been prepared at a time of great uncertainty in respect of the economy, especially in terms of the impact of leaving the European Union, the financial impact and economic recovery from COVID-19 and also in terms of the Government's wider approach to Public Sector Funding in general and particularly for Local Government Funding.

2. KEY DATES

- 2.1 A timetable for the budget process will be prepared and the overall budget position for revenue and capital, and individual reports on spending pressures, saving proposals, and charging reports will be considered by the Executive at its meeting on 9 November. These reports will be scrutinised by the three Scrutiny Panels at the end of November and beginning of December.
- 2.2 Development of the budget consultation documents was undertaken as part of previous year's process with improved visuals produced including a 'Have your say' document. This provided more clarity on the budget pressures the Council faced and assisted stakeholders in their understanding of the budget process.

3. KEY MESSAGES

- 3.1 The MTFP shows the starting position for budget considerations for the next five years and gives an indication of the likely factors that will have an impact in the budget setting process. Key to these considerations will be:
 - Further clarity on the future of local government funding through the Spending Review, Fair Funding Review and any changes to future Business

Rate Retention schemes, that may pass on added responsibilities to the Council.

- Achievement of transformation savings;
- Further reductions in government grant as part of the Fair Funding Review, e.g. New Homes Bonus, Housing Benefit Admin Grant;
- Longer term impact of COVID-19

3.2 As well as some significant pressures, there is scope for some additional savings and additional income opportunities to be considered as part of the budget process too. These considerations are likely to be around:

- More commercial and investment opportunities

4. RISKS

4.1 The Medium-Term Financial Plan contains risk analysis of the issues that could potentially affect the budget and financial planning position.

5. CONSULTATION

5.1 The draft MTFP, particularly the Financial Principles, has been considered by the Senior Management Team and the Portfolio Holder for Finance, Governance and Resources.

5.2 The Business and Transformation Scrutiny Panel considered the MTFP on 23 July, and recommendations will be made to full Council on 08 September.

5.3 The Budget Process and MTFP are also informed by consultation with wider stakeholders, including residents. Each year the Council consults with the Business Community and also carries out public consultations as appropriate.

6. CONCLUSION AND REASONS FOR RECOMMENDATIONS

6.1 The Council is asked to:

- (i) approve the Medium-Term Financial Plan for the period 2021/22 to 2025/26.

7. CONTRIBUTION TO THE CARLISLE PLAN PRIORITIES

7.1 The Medium-Term Financial Plan outlines how the Council will prioritise its financial resources in the delivery of services

CORPORATE IMPLICATIONS/RISKS:

Legal – The Council has a legal duty to put in place a balanced budget to the satisfaction of the Council’s Section 151 Officer. The Medium-Term Financial Plan is an important part of fulfilling this obligation.

Finance – Contained within the MTFP

Equality – Corporate Charging Policy includes considerations for the targeting of concessions for named protected characteristic.

Information Governance - There are no Information Governance Implications

Property Services - The Medium-Term Financial Plan links with the Asset Management Plan 2021/22 to 2025/26 to provide details on how the City Council will utilise its property assets to assist with the Council’s finances and development new infrastructure for the City.

1.0 Introduction

- 1.1 The overarching policy guidelines of the Medium-Term Financial Plan (MTFP) are that resources will be redirected to Council priorities via the budget process within the overall caveats that: -
- Redirection of resources towards areas of high priority will be contained within existing budgets, unless increases can be justified and funded through the budget process.
 - Council Tax increases will be limited to fair and reasonable levels, taking account of national guidance from Government.
 - External grants and income will be maximised wherever possible to mitigate the effects of budget increases.
 - Partnership working and funding opportunities will be explored wherever feasible.
- 1.2 The Medium-Term Financial Plan sets out how Carlisle City Council will manage its finances to deliver against its corporate priorities, whilst protecting its financial standing and responding to the many challenges it faces.
- 1.3 Economic growth in Carlisle will impact on the income the Council receives and also the support it is able to give to vulnerable residents. Treasury Management income will be limited whilst interest rates remain low, and the available institutions with which the Council can invest with diminishes due to restrictions in bank credit ratings. The effects on the MTFP of any changes to the state of the economy, including the impact of leaving the European Union, will need to be closely monitored in order to react effectively to changing situations. The Government's approach to public sector funding beyond 2020/21 in terms of the Review of Local Authorities Relative Needs and Resources, the Business Rate Retention Reform (including pooling arrangements), and the Comprehensive Spending Review, will be a significant factor for the lifespan of this MTFP. The impact of COVID-19 will be one of the most significant risks facing this authority in terms of additional costs, reductions in income, and economic recovery especially in terms of receipts of council tax and business rates income. This impact is likely to extend beyond the current financial year and into 2021/22.
- 1.4 The Medium-Term Financial Plan provides the corporate financial planning framework to provide strategic direction to the Council for the next five years and to ensure that the financial resources of the Council are directed to achieving the Council's key corporate priorities.

2.0 Financial Principles supporting the MTFP

2.1 The key principles to be applied to the MTF are set out by theme below:

Financial Principle 1 – Revenue Budget Strategy

- Guide the integration of financial planning with the priorities set out in the Carlisle Plan to ensure that spending decisions contribute to the achievement of the Council's priorities;
- Guide and be informed by Directorate Service Plans and other relevant strategies and plans of the Council, which set out how resources will deliver the outcomes and priorities specified in the Carlisle Plan;
- Forecast a minimum five -year corporate and financial planning horizon, with longer periods developed where necessary;
- Manage performance management and decision-making procedures to help achieve the best use of available resources;
- Monitor and evaluate proposed and actual spending to ensure that value for money is obtained;
- Review the Council's Reserves and Balances Policy in line with CIPFA and other best practice guidance to ensure that all the reserves held by the Council are still applicable and relevant;
- Achieve a minimum level of General Fund Reserves of £3.1m over the life of the MTFP subject to an annual risk assessment (Appendix A);
- Consider the use of earmarked reserves to support non-recurring expenditure;
- Commitment to minimise staff compulsory redundancies;
- Consider the impact of any other Government Budget initiatives e.g. 75% retention of Business Rates, Business Rate Baseline resets, the Fair Funding Review and any Comprehensive Spending Review implications;
- Assess the impact of the decision to leave the European Union may have on the Council's budgets, e.g. changing forecasts for interest rates, inflation forecasts, pension fund revaluation and changes in legislation;
- Consider the implications of the use of financial resources on the levels of Council Tax and other Council charges;
- Services that have a statutory requirement to be self-financing need consideration in the budget process e.g. Licensing, Building Control;
- Consideration to the use of revenue grants received and held in the Revenue Grants Earmarked Reserve to support the revenue budget;

- Develop and implement a robust savings and additional income plan to close the anticipated £1million per annum funding gap (from 1st April 2021);
- Undertake and implement a base budget review.
- Limit revenue budget bids to those which are unavoidable and which cannot be accommodated within existing base budgets.

Revenue Budget Assumptions:

- *Reduction in overall funding from Business Rates of £1,500,000 for 2021/22 pending notification and implications of revised retentions scheme, pooling arrangements and baseline reset;*
- *Inflation is assumed in the MTFP at 2% for expenditure and 3% for income;*
- *Pay Award is assumed in the MTFP at 2%.*

Financial Principle 2 – Commercial and Income Generation

- Annual review of the Corporate Charging Policy to identify areas of potential charging and opportunities for increasing income;
- Consider the levels of income achievable as part of Corporate Charging Policy;
- Consider other sources of potential income generation such as advertising and sponsorship;
- Consider the development of a commercialised culture where the charging powers of the organisation are maximised and encouraged;
- Seek to develop investment opportunities to maximise the use of the Council's asset portfolio;
- Develop a commercial strategy which defines what commercialisation means in Carlisle, risk appetite and potential scope of commercial activity;
- Consider the funding strategy with a view to maximising external grants and contributions.

Charging/Income Assumptions:

- *Income from fees and charges currently achieve approximately £5m per annum;*
- *The Corporate Charging Policy assumes that income from fees and charges will increase at 1% above the inflation rate set for expenditure.*

Financial Principle 3 – Council Tax & Business Rates Policy

- Provide value for money to residents through efficient management of council tax collection;
- Determine Council Tax levels that are prudent and retain stability in the Council's financial strength;
- Annual review of the Business Rate Pooling arrangements and whether this should or can continue for 2021/22 onwards depending upon the outcome of the reset of Business Rate Retention scheme (currently delayed);
- Assessment of the impact of business rates retention including impact on Section 31 grants and funding for Small Business Rate Relief and any additional burdens on councils;
- Consider any implications of the Enterprise Zone on the City and potential resources allocated for future projects;
- Annual review and approval of the Council Tax Reduction Scheme (CTRS);
- Consider any likely reductions to Housing Benefit Admin Grant and the impact on the Council with the onset of Universal Credit.

Council Tax and Business Rate Assumptions:

- *Council tax levels currently assumed at a £5 increase per annum (Band D Equivalent) over the lifetime of the MTFP;*
- *Business Rate Retention growth assumed at £900,000 (reduced from £2,400,000 in 2020/21) above the baseline level set by Government pending the reset and re-design of the Business Rate Retention Scheme.*

Financial Principle 4 – Treasury Management

- Annual review of the Treasury Management budget for revised interest rates, changes to average balances and the effects of capital spending decisions;
- Consider appropriate levels of prudential borrowing that is affordable, sustainable and within acceptable council tax levels, and delivers objectives aligned to the Council priorities;
- Treasury Management Strategy to achieve the optimum return on investments, with the security of the principal sum always being the primary consideration.

Treasury Management Assumptions:

- *Rate for refinancing stock issue currently included in MTFP at an assumed rate of 2.7% on a principal and interest loan;*
- *Average investment return assumed at 1.2% for 2021/22.*

Financial Principle 5 – Capital Investment

- As set out in the Capital Investment Strategy;
- Review of capital financing decisions which will likely have a revenue budget impact due to lack of capital resources (E.g. through re-profiling of capital receipts and borrowing);

Capital Investment Assumptions:

- *The current capital programme is forecast to utilise all forecast capital receipts (including from Asset Disposal Programme) and includes a borrowing requirement to fund the planned programme.*

3.0 Links to other Strategies

3.1 The Carlisle Plan

3.1.1 The Carlisle Plan forms part of the Policy and Budgetary Framework for the Council. These frameworks work together to create the strategic framework.

3.1.2 The Medium-Term Financial Plan must both support and inform the Council's vision for the Carlisle area and the strategic direction set out in the Carlisle Plan. This is to enable resources to be matched against the agreed priorities and any other supporting needs.

3.1.3 The Medium-Term Financial Plan takes account of other Council Plans and Strategies of the Council, which have a potential impact on the use of resources by the Council. Particularly consideration is given to the following key strategies: -

- The Capital Investment Strategy, which provides information on the proposed level of investment in capital projects and the consequent impact on the revenue budget;
- The Treasury Management Strategy Statement, Investment Strategy and Minimum Revenue Provision Strategy, which sets out the assumptions for financing requirements and interest rates and their effect on the revenue budget;
- The Asset Management Plan, which provides forecasts of necessary investment in the Council's land and property portfolio;
- The Procurement and Commissioning Strategy;
- Local Plan/Local Development Framework;
- The ICT Strategy;
- The Organisational Development Plan, which highlights the need for a thorough review of the Council's staffing needs and skill levels to ensure that the Council improves its performance to deliver excellent services to the local community in the future;
- There are also a number of strategies, which set out policy direction for key Council priority areas, and these include the Economic Strategy, and Housing Strategy and Green Infrastructure Strategy
- Directorate Service Plans will be used to inform the budget setting process and identify key strategic and operational objectives and the resources required to deliver those.

4.0 Revenue Budget Forecasts

4.1 Current Budget Forecast

4.1.1 The Council has well established mechanisms in place for forecasting resources and expenditure over a five-year planning period. Projections will inevitably change over the period of the plan and these forecasts are updated as part of the detailed budget process.

4.1.2 The Council approved the current forecast for the period 2020/21 to 2024/25 in February 2020 and updated for the 2019/20 outturn position and details are shown below together with the base estimate figures for 2025/26.

Table 1b: Summary Budget Position (Funding)

4.1.3 The assumptions built into the MTFP that form part of the figures above are detailed at section 7.

4.2 **Funding Prospects**

4.2.1 The Council receives core funding from Government each year as part of the Settlement Funding Assessment which comprises of the Business Rates baseline funding level and information on tariffs and top ups. Although the Government set the Business Rates Baseline, the actual funding is received via the Non- Domestic Rates income the Council collects.

4.2.2 As well as the core funding as agreed in the Settlement Funding Assessment, the Council is also the recipient of other support from central government in the form of specific grants. These are included in the budget as income rather than funding and are linked to specific schemes or services. Further details of grants included in the MTFP are given at section 6.3.

4.2.3 Spending Review

The Chancellor announced on 24th March that the Comprehensive Spending Review 2020 would be delayed to enable the government to remain focused on responding to the public health and economic emergency. Therefore, the Spending Review for 2020, that would have announced the overall funding available to Local Government for the next few years will be deferred until 2021. The government have said they will continue to work with councils on the best approach to the next financial year, and the approach to the 2021/22 local government finance settlement. This means that there will be again, only a 1-year settlement for 2021/22 and will also mean the deferring of the implementation of the Fair Funding Review and Business Rate Retention reset (outlined below). **This will increase uncertainties in the Medium-Term Financial Plan with a further delay to future funding and the implications it will have on the Council.**

4.2.4 Fair Funding Review & Business Rate Retention

The Government have also confirmed that the Review of Relative Needs and Resources ('Fair Funding Review') and 75% Business Rate Retention will no longer be implemented in 2021/22. The Government will keep an open dialogue with local authorities about the best approach to the next financial year, including how to treat accumulated business rates growth and potentially including a reset of the business rate base and the approach to the 2021/22 local government finance settlement. On the latter point, it is understood that this means that some form of a reset of retained business rates next year has not been ruled out. In the longer-term, the Secretary of State reiterated his commitment to reforms.

Therefore, it is very difficult to predict the future potential funding for the Council from Central Government beyond 2020/21. The Fair Funding Review will also have an impact on and be impacted by revisions to the Business Rates Retention system and also specific grants awarded by central government e.g. New Homes Bonus and Housing Benefit Administration Grant.

4.2.5 Business Rates Baseline

The Council budgets for income from Business Rates at the baseline level as set in the Settlement Funding Assessment. However, the income collected and paid over to the main preceptors (Central Government, Cumbria County Council and Carlisle City Council) is based on the projections in the NNDR1 return to Government. Any difference in these amounts is included in the

MTFP as part of the Growth/Pooling amount anticipated of £2,400,000 for 2020/21 falling to £900,000 for 2021/22. **However, uncertainty about the future retained business rates scheme beyond 2020 means that there may be resets to the scheme that could erode any additional income above baseline levels that have been built up under the previous scheme. Until full details of a future scheme are known it is prudent not to over-estimate any future income from business rates.**

Due to the deferral of the 75% Business Rates Retention Scheme, the Council continued to participate in the Cumbria Business Rates Pool, during 2020/21, which enables the County and the Council to retain more of the growth it generates. Given that the Retention Scheme has been deferred again, the specific impact on Carlisle is yet to be understood, but any proposals will likely come with an understanding that local authorities will have to take on additional responsibilities (e.g. absorbing some current one-off grants such as Housing Benefit Administration Grant), which may mean additional cost pressures.

4.2.6 The summary of funding included in the Medium-Term Financial Plan is as follows:

	Budget	Forecasts				
	2020/21 £000	2021/22 £000	2022/23 £000	2023/24 £000	2024/25 £000	2025/26 £000

Table 2: Funding

4.2.7 Council Tax

The MTFP includes Council Tax increases from 2021/22 onwards at £5 per Band D equivalent.

The MTFP assumes an increase in the taxbase of 1.00% per year and the City Council's share of the Collection Fund Surplus is assumed to be a recurring £50,000.

Any increase in the tax base as a result of new housing developments and/or population increases will also mean a requirement to provide services to those households. Although there will be an increase in the amount of funding received through Council Tax, there will also be a cost of providing council services. Further work on the net unit cost of providing services for new developments and population growth will be undertaken during this budget process.

The MTFP also assumes continuation of the statutory Council Tax Reduction Scheme (CTRS) as the Council's localised scheme. Any support provided through the Council Tax Reduction Scheme will be fully funded by all the main preceptors on the Collection Fund i.e. the Council, the County Council and the Police & Crime Commissioner. Consideration will need to be given as to whether this scheme is to be continued in the same format or incorporate changes to the level of support provided.

Total Yield	(7,487)	(7,757)	(8,011)	(8,269)	(8,532)	(8,799)

Table 3: Council Tax

The recent comprehensive funding package announced by the Government refers to:

- A phased recovery of Collection Fund deficits over the next 3 years;

- A commitment to determine what support is needed to help councils meet the pressures of irrecoverable tax income at the Spending Review.

However, until final details are provided the impact on the MTFP cannot be assessed.

A significant risk relates to how the expected overall increase in CTRS claimants (as a result of COVID-19), and the associated cost of CTRS relief, will be funded and be provided to the Council. An increase in claimants directly impacts on the council tax base and ultimately the yield from council tax.

4.3 **Efficiency Strategy**

4.3.1 In order to ensure the Council maintains a minimum level of reserves to the end of the MTFP period, efficiencies are required throughout the period of the plan. The efficiency strategy will concentrate on the following areas:

- Asset Strategy – to focus on ensuring the council's asset portfolio maximises the benefit to the Council through income generation or by realising receipts of assets that do not generate a return that can then be utilised to ease pressures in capital and revenue budgets through the most appropriate means, e.g. re-investment in new assets and supporting the capital programme to reduce the CFR
- Service Reviews – A review of services to include their purpose and relevance in achieving the Carlisle Plan priorities, including a review of those services which do not fall within the Council's core priorities or which are not statutory will be undertaken to ensure that services and resources are properly aligned to what the Council wants to achieve.
- Core Budgets – a review of base budgets, including income generation and a fundamental zero-based budget review of all base budgets, to ensure compliance with best practice and outcome based budgeting and other appropriate budget disciplines.

The recent Peer Review has recommended 3 actions which Members may wish to consider as part of this Savings Strategy:

- Develop a commercial strategy which defines what commercialisation means in Carlisle, risk appetite and potential scope of commercial activity;

- Develop and implement a robust savings and additional income plan to close the anticipated £1million per annum funding gap (from 1st April 2021);
- Undertake and implement a base budget review.

4.3.2 The savings currently included in the MTFP total £1million on a recurring basis increasing by a further £850,000 on a recurring basis:

	Cumulative savings required £	In year savings required £
2020/21	0	0
2021/22	1,000,000	1,000,000
2022/23	1,000,000	0
2023/24	1,850,000	850,000
2024/25	1,850,000	0
2025/26	1,850,000	0

Table 4: Savings

4.3.3 Further savings will be dependent upon future funding settlements, Council Tax increases and changes to income and expenditure levels (pressures and savings) that are outwith the current Medium-Term Financial Plan. Savings will be profiled in the most effective way to ensure that they are achievable, timely and ensure reserves are not adversely affected.

5.0 Provisions, Reserves & Balances

5.1 The Council holds balances in order to meet future commitments. The Council policy on the use of reserves is as follows:

- Reserves generally will not be used to fund recurring items of expenditure, but where it does steps will be taken to address the situation.
- Reserves will not become overcommitted.
- The Council benefits from its level of reserves as it is able to: -
 - Meet its capital programme obligations, with borrowing only undertaken where funded from existing revenue budgets;
 - Fund exceptional increases in its net budget requirement without affecting the Council Tax charged to its taxpayers;
 - Ensure that surplus resources are retained for the general benefit of the Council to protect against large increases in Council Tax;
 - Maximise income received from the investment of its reserves to contribute to the budget requirement of the Council, which is a key part of the Council's Treasury Management Strategy.

5.2 General Fund

5.2.1 Having undertaken a risk assessment considering the risks and working balances required, the balance on the General Fund reserve indicates that this should broadly equal £3.1m as a prudent level. The risk-based assessment of the appropriate level of this reserve is carried out as part of the budget process and the current assessment is shown at **Appendix A**, which will be updated during this budget process. The prudent level of reserves may need to be revised in the medium term to reflect the changes circumstances around funding changes retention of business rates.

5.2.2 If the balance in the short-term falls below minimum levels, the Council will top-up the balance to this level from the General Fund Income and Expenditure Account.

5.2.3 If the balance in the short-term exceeds minimum levels then the surplus will be transferred to the Council's Project Reserve.

5.3 **Earmarked Reserves**

5.3.1 Earmarked reserves will not be used for recurring items of expenditure, nor become over-committed.

5.3.2 For each earmarked reserve there will be a clear protocol in place setting out:

- The purpose of the reserve.
- How and when the reserve can be used.
- Procedures for the management and control of the reserve.
- Processes for the review of the use of the reserve to ensure that it continues to have an adequate level of funds and remains relevant to the business of the Council.

(Further details of this are shown at **Appendix B**)

5.3.3 The revenue reserves the Council currently holds are as follows:

	31/03/2020 £000	31/03/2021 £000	31/03/2022 £000	31/03/2023 £000	31/03/2024 £000	31/03/2025 £000

5.3.4 The MTFP does not assume any use of earmarked reserves beyond 2020/21.

5.3.5 As well as revenue earmarked reserves, the Council also holds a small number of earmarked reserves for capital purposes. These are as follows:

	31/03/2020 £000	31/03/2021 £000	31/03/2022 £000	31/03/2023 £000	31/03/2024 £000	31/03/2025 £000

5.4 **Provisions**

5.4.1 The Council holds a number of provision balances for items where future commitments are likely and use of these are delegated to the relevant Corporate Director in consultation with the Corporate Director of Finance and Resources.

5.5 **Charitable and Other Bequests**

The Council holds a number of bequests for use by the Council. These funds can only be released with the full approval of the Council under the terms set out when the bequest was given. In the first instance it will be the responsibility of the Executive to consider a report outlining proposals for the use of the bequest prior to submission of the request to Council.

5.6 **The Responsibilities of the Corporate Director of Finance and Resources**

5.6.1 The Corporate Director of Finance and Resources will review each reserve and its protocol annually and produce a report for the Executive as part of the annual budget process detailing: -

- Compliance with the use of reserves and associated protocols,
- Movements in the level of reserves, including the purposes for which reserves were used during the previous financial year,
- The adequacy of the level of reserves and the effects on the Council's budget requirement,
- Any reserves which are no longer required,
- Proposals to set up new reserves, including purposes, protocols, funding sources and potential impact on the Council's Medium-Term Financial Plan.

5.6.2 The Corporate Director of Finance and Resources will review this policy at least annually and will obtain the approval of the Council for any change required to either the policy or protocols associated with specific reserves.

5.7 **Planned Use of Reserves**

5.7.1 When the budget was set in February 2020, it assumed that there would be contributions to and from General Fund Reserve over the life of the MTFP. With the outturn position for 2019/20 now confirmed, the General Fund Reserve and Projects Reserve has been updated as shown in Table 5 above.

5.7.2 The reserves position is also subject to the savings required (as in Table 4) being met as scheduled. Any slippage on savings or any savings made in advance will impact on the contributions to and from reserves.

6.0 Income

6.1 Fees & Charges

6.1.1 Fees and Charges for individual services generate in the region of £5m p.a. for the City Council. **Appendix C** sets out the Council's approach to the reviewing and setting of fees and charges on an annual basis. The overall aim is to increase the proportion of income raised from users of discretionary services to ensure that they meet the full cost of these services, rather than the costs falling on Council Taxpayers in general.

6.1.2 In the past the income target has been set at 1% above the inflation rate. Each directorate must prepare a Charges Review Report as part of the budget process that must clearly set out the overall policy objective. In the past few years, increases in income from charges have not always resulted in the MTFP target being achieved.

6.1.3 There are certain functions the Council provides where it has little or no control over the charges to be set and where the service is statutorily bound to be self-financing, for example Building Control. This requirement is likely to extend to Licensing in the future and this means that any surplus income generated by raising fees has to be ring-fenced to these functions.

6.1.4 The main areas of fee generating income are shown in the table below:

	2018/19 Actual £000	2019/20 Actual £000	2020/21 Budget £000
Parking	(1,195)	(1,088)	(1,095)

Total	(3,480)	(3,236)	(3,312)

Table 7: Main areas of Income

6.2 Property Rentals

6.2.1 Income received from property rentals is in the region of £4.1 million per annum.

6.2.2 The yield from property rentals included in the MTFP is shown in the following table: -

	2018/19 Actual £000	2019/20 Actual £000	2020/21 Budget £000

Total	(4,359)	(4,151)	(4,118)

Table 8: Property Income

6.2.4 The MTFP makes no provision for additional rental income from assets via rent reviews.

6.3 **Grants & Contributions**

The Council receives grants from various sources as part of its overall funding. Some of these grants are given as part of the Settlement Funding Assessment by MHCLG and as such, these are budgeted only when notification is received.

6.3.1 **New Homes Bonus**

The Council receives central funding in relation to the New Homes Bonus Scheme. The Council used to receive an allocation of funding under the scheme each year and each allocation lasted for four years. However, as part of the Local Government Finance Settlement for 2020/21 indicative figures were provided for one year only (with no legacy payments being made in subsequent years) with any new funding beyond 2020/21 being subject to the 2020 Spending Review with possible revisions to the scheme too. The MTFP does not therefore assume any new allocations of New Homes Bonus beyond 2020/21; however, it does include the continuation for 4 years of those allocations received in previous years. **Revisions to the New Homes Bonus scheme are expected alongside the Fair Funding Review and changes to Business Rates Retention. It should be anticipated that there may be changes to the scheme that reduce the amount of grant that may be awarded in the future.**

Details of allocations included in the MTFP as shown in the table below:

Allocation Year	2019/20 £000	2020/21 £000	2021/22 £000	2022/23 £000	2023/24 £000	2024/25 £000

6.3.2 Housing Benefit Admin Grant

The Council receives grant funding towards Housing Benefit Administration. The Council currently has a recurring budget of £423,500 for this grant. Allocations are received on an annual basis. However, it is likely that this grant will eventually reduce with the onset of Universal Credit and the resultant downsizing of Housing Benefit Administration by the Council. This reduction in grant will need to be considered in line with any reductions in workload associated with any transition.

7.0 Assumptions

7.1 The MTFP includes assumptions regarding the main items of income and expenditure. Some of these assumptions have been previously explained, e.g. Government Funding and Council Tax. The following sections provide further details of the assumptions currently included in the MTFP. Any deviation from these assumptions will be included in the budget process for 2021/22 as pressures or savings.

7.2 Pay

- Annual increase in MTFP **2%**
- Salary Turnover Savings **£442,100**
- Pension Contribution Rate (Current Service) **19.9%**
- Sensitivity & Risk Analysis:

	Base Level	Sensitivity		
	£000	+/-1%	+/-2%	+/-3%

- Key Considerations:
 - The pay award for 2020/21 has not yet been agreed. 2% is factored into the MTFP.
 - Implications of the triennial pension revaluation for 2020 are incorporated into the budget.

7.3 **General Inflation**

- Annual increase in MTFP for expenditure **2%**
- Annual increase in MTFP for Income **3%**
- Sensitivity & Risk Analysis:

	Base Level	Sensitivity		
	£000	+/-1%	+/-2%	+/-3%

- Key Considerations:
 - Use of and Contribution to Reserves will impact on average balances and subsequently investment return achieved.
 - Capital Investment decisions will affect the Capital Financing Requirement and average balances
 - The investment returns used when the budget was set in February 2020 will need to be updated given current guidance on when interest rates are expected to change.

7.5 **Borrowing**

- Assumed Borrowing - 2020/21 **£22.0m**
- Assumed Borrowing Rate - 2020/21 **2.25% - 2.70%**

Borrowing assumptions are based on a Principal (capital) and Interest repayment loan

- Assumed Capital Financing Requirement (CFR) & Minimum Revenue Provision (MRP):

	2020/21	2021/22	2022/23	2023/24	2024/25
CFR	6,942	13,020	39,939	39,385	39,247
MRP	-	-	150	957	941

- Key Considerations:
 - Borrowing assumed in MTFP for Leisure facilities, Gateway 44 and Southern Relief Road
 - Any future Capital Programme decisions will likely require a borrowing requirement, either internal or external which will have an impact on the revenue budget
 - Re-profiling of anticipated capital receipts will impact on CFR, and subsequently MRP charge

Additions to the balances thereafter can be used either to support revenue budget shortfalls or projects within the Council's capital programme</p>	<p>Management of the reserve rests with the Corporate Director of Finance and Resources. Funding for the Reserve will be provided by windfall gains over and above those required to maintain the General Fund at its approved level and balances on reserves that are no longer needed. Approval to release funds from the reserve can only be given by the Council either as part of the budget process, or through consideration of supplementary estimates on an ad-hoc basis.</p>	This reserve is still required
Carry Forward Reserve	654	<p>To establish a reserve to hold carry forward budgets. Any expenditure in relation to a carry forward listed below will if possible be funded from base budgets but can be called from this reserve if the section is likely to be in an overspend position at year end.</p>	<p>Management of the Reserve rests with Corporate Director of Finance and Resources. Approval to release funds from the reserve can only be given by the Corporate Director of Finance and Resources and/or The Chief Executive.</p>	This reserve has been reviewed and re-allocated to specific projects

Reserve	Balance 31/3/20	Purpose	Conditions of Use	Future of the Reserve
Building Control Reserve	100	To provide funds for improvements to the delivery of the Building Control function.	Management of the reserve rests with the Corporate Director of Economic Development. The balance is ring-fenced by statute to support improvements to the Building Control Service and is not available for general use by the Council. Funding is provided from surpluses generated by the service annually. Approval to release funds from the reserve can only be given by Corporate Director of Economic Development via an Officer Decision Notice	This reserve is still required
Conservation Reserve	0	To purchase historic buildings at risk or fund repairs and / or improvements to historic buildings	Management of the reserve rests with the Corporate Director of Economic Development. Funding is provided from the sale of property. Approval to release funds from the reserve can only be given by the Executive of the Council.	This reserve is still required
Cremator Reserve	1,080	To build up resources to replace cremators when required	Management of the reserve rests with the Deputy Chief Executive. Approval to release funds from the reserve can only be given by the Executive of the Council.	This reserve is still required
City Centre Reserve	5	To establish a reserve for the future Festive Lighting Programme.	Approval to release funds from the reserve can only be given by an Officer Decision Notice by The Chief Executive in consultation with the Deputy Chief Executive, Portfolio Holder and Corporate Director of Finance and Resources.	This reserve is still required
Repairs & Renewals Reserve	0	To establish a Repairs and Renewals Fund that can be used for revenue and capital items in the future, e.g. ICT, Vehicles	Approval to release funds from the reserve can only be given by the Executive of the Council.	This reserve is still required
Flood Reserve	1,948	There are likely to be further costs that are not recoverable from insurers and it is proposed to establish a new reserve to contribute to these costs.	Management of the reserve rests with the Corporate Director of Finance and Resources with the use of the Reserve requiring an Officer Decision notice by the Corporate Director of Finance and Resources.	This reserve is still required and will be released in 2020/21 to support the reinstatement of the Civic Centre

Reserve	Balance 31/3/20	Purpose	Conditions of Use	Future of the Reserve
Prosecutions Reserve	36	For future anticipated Barrister & legal fees	Approval to release funds from the reserve can only be given by an Officer Decision Notice by the Corporate Director of Governance & Regulatory Services in consultation with the Chief Executive, Portfolio Holder & Corporate Director of Finance and Resources.	This reserve is still required
Revenues Grants Reserve	1,939	To hold grant funds received by the Council which have not yet been utilised.	Approval to release funds from the reserve only be given by the Corporate Director of Finance and Resources in consultation with the relevant Chief Officer.	This reserve is still required but should be subject to a review to determine if all balances held therein are still required
Planning Services Reserve	196	To establish a reserve for the 20% uplift on the new planning fees which are to be spent on the planning service to improve performance.	Approval to release funds from the reserve can only be given by an Officer Decision Notice by the Chief Executive in consultation with the Corporate Director of Economic Development, Portfolio Holder & Corporate Director of Finance and Resources.	This reserve is still required
Apprenticeship Reserve	78	To establish a reserve for the committed balances from the annual Apprentice Infrastructure budget that will be required in future years of the employment contracts.	Management of the Reserve Rests with the Corporate Director of Finance and Resources. Approval to release funds from the reserve only be given by the Corporate Director of Finance and Resources in consultation with the relevant Chief Officer.	This reserve is still required
Waverley Viaduct Reserve	30	To earmark funds towards the development of the Waverley Viaduct	Management of the Reserve Rests with the Corporate Director of Governance & Regulatory Services. Approval to release funds from the reserve only be given by the Corporate Director of Governance & Regulatory Services.	New Reserve
BRR Volatility Reserve	0	To cushion against losses in Business Rate income as a result of being part of the Cumbria Business Rates Pool	Management of the reserve rests with the Corporate Director of Finance and Resources with the use of the Reserve requiring an Officer Decision notice by the Corporate Director of Finance and Resources.	This reserve is still required

Provisions

Provision	Balance 31/3/20	Purpose	Future of the Provision
Business Rate Appeals	1,694	To provide an amount for settling outstanding appeals made against business rate liabilities by ratepayers. This amount represents the Council's 40% share of total appeals under business rate retention. This amount is charged against the Collection Fund when settled.	The provision is reviewed annually as part of the closure of accounts and adjusted according to the outstanding estimated appeals anticipated.
Insurance Provision	155	To provide an amount for settling outstanding insurance claims taking into account excesses to be paid by the Council and claims to be settled by insurers. The provision at 31 March 2019 also included amounts relating to excess payments due as part of the flood claim.	The provision is reviewed annually as part of the closure of accounts and adjusted according to the outstanding insurance claims at 31 March. Any reductions in to the provision are credited back to general fund and any increases required are charged to general fund as part of the outturn.
Rickergate Ringfenced Account	173	This provision was established to hold the net income received from properties acquired with NWDA funding in Rickergate. Funding was received to acquire the properties and the funding agreement obliged the Council to ring-fence the rental income achieved on the properties pending the final outcome for development of the area. There is therefore a potential obligation to repay these sums if no development occurs.	This provision is reviewed annually and the income generated in the year is added to the balance carried forward. Therefore, the provision is still required.
Land Charges Provision	34	This provision was established to provide a sum to settle claims against the Council for overpaid land charges. A national claim was brought forward that argued that Council's had overcharged for Land Charges in previous years.	This Provision is still required for land and property initiatives
Cemeteries Perpetuity Fund	75	This provision was established to maintain and repair cemetery headstones where owners cannot be contacted.	This Provision is still required
Licencing Appeals	20	This provision was established to provide a sum for settling costs associated with appeals to licencing decisions.	This Provision is still required

Provision	Balance 31/3/20	Purpose	Future of the Provision
Licensing Taxi Plates	7	This provision was established to hold sums paid for Taxi plate deposits	This Provision is still required
Standards Committee Complaints Provision	10	This provision was established to provide a sum for settling costs associated with complaints made from Standards Committee decisions.	This Provision is still required
Property Deposits	1	These provisions hold deposits made to the Council for property (e.g. grazing land), enterprise centre and market by tenants. If tenants vacate deposits are repaid.	This Provision is still required
Market Hall Deposits	9	These provisions hold deposits made to the Council for property (e.g. grazing land), enterprise centre and market by tenants. If tenants vacate deposits are repaid.	This Provision is still required
Enterprise Centre Deposits	9	These provisions hold deposits made to the Council for property (e.g. grazing land), enterprise centre and market by tenants. If tenants vacate deposits are repaid.	This Provision is still required
Civil Penalties	23	To establish a provision in relation to costs to be funded from Civil Penalties income in accordance with the Housing & Planning Act 2016.	New Provision
Working Time Directive	62	To establish a provision in relation to costs associated with the Working Time Directives.	New Provision
Bequests	18	These provisions hold balances in relation to bequests made to the Council. The Parker bequest was established in 1954 and was to benefit disabled children and other young residents of the City. The District Nursing Amenity Fund was established to provide amenities for nurses homes and retirement allowances to nurses.	These provisions are still required; however it is recommended that these provisions be reviewed to determine how best they can be utilised in line with their original purpose.

Appendix C - Corporate Charging Policy

This appendix sets out the corporate approach to the setting of fees and charges.

The Corporate Charging Policy applies to those fees and charges that the Council has control over and can set independently of any statutory provision. Any services where charges are set by Government or where services have to be self-financing are excluded from the Corporate Charging Policy.

The Corporate Charging Policy assumes that Income from fees included in the Charging Policy will increase by 1% above the inflation rate set for expenditure. For 2020/21 this equates to a 3% increase. The MTFP assumes that income will increase by 3% although this does not necessarily mean that charges have to increase by 3% as increases in demand could account for additional income.

Each service is required to consider how and to what extent each of the following applies to the fees and charges it proposes to set:

1. Objectives of Charge - Set out the principal objective(s) of setting the charge:

- Recover cost of service provision
- Generate Surplus Income (where permitted)
- Maintain existing service provision
- Fund service improvements or introduction of new service(s);
- Manage demand for service(s)
- Promote access to services for low-income households;
- Promote equity or fairness;
- Achieve wider strategic policy objectives (e.g. encouraging green policies);

2. Other factors influencing decisions on whether and how much to charge:

- The Council's historic approach to charging
- The views of local politicians, service users and taxpayers
- Other councils' and service providers approach to charging
- Levels of central government funding and policy objectives
- The Council's overall financial position
- Changes in demand for services
- Policy on Concessions
- Availability of powers to charge for discretionary services (e.g. pre-application planning advice)
- Central government policy objectives

3. Targeting Concessions - The following target groups should be considered:

- Persons over the age of 65
- Unemployed
- Young persons under the age of 18
- Students in full time higher education
- Community Groups
- Armed Forces Veterans
- Those in receipt of supplementary benefits, tax credits, attendance allowance, disability living allowance and other appropriate groups

4. Trading

The Council is empowered to sell goods or services to other public bodies or trade commercially through a company with non-public bodies. The objectives should be considered for relevant services (including Building Cleaning and Maintenance, Vehicle Maintenance, Grounds maintenance, Legal Services, Human Resources, IT, Payroll, Planning and Development Services) as follows to:

- Deliver services more strategically on an area-wide basis
- Achieving greater efficiency
- Capitalise on expertise within the council
- Utilise spare capacity
- Generate income
- Support service improvement

5. Value For Money

- Has charging been used as a tool for achieving strategic policy objectives?
- Has the optimum use of the power to charge been used?
- Has the impact of charging on user groups been monitored?
- Has charging secured improvements in value for money?
- Has charging been used as a tool to reduce increases in Council Tax?

Subject Matter

The Deputy Leader reported (RD.09/20) on the draft Medium Term Financial Plan (MTFP) 2021/22 to 2025/26, which set out the current framework for planning and managing the Council's financial resources, developing its annual budget strategy and updating its current five year financial plan. The Plan further linked the key aims and objectives of the Council, as contained in the Carlisle Plan, to the availability of resources thereby enabling the Council to prioritise the allocation of resources to best meet its overall aims and objectives.

The MTFP was reviewed annually commencing with the assumptions made in the Budget resolution approved by Council on 4 February 2020. In addition, the Corporate Charging Policy had been reviewed and included within the MTFP. The Charging Policy provided a framework detailing potential policy options for each charging area, whilst recognising the different approaches that might be required for different services and the various influences which needed to be acknowledged in charge setting.

Referencing paragraph 1.3, the Deputy Leader emphasised the importance of economic growth to the City, adding that the MTFP had been prepared at a time of great unknowns in respect of the economy, especially in terms of the impact of leaving the European Union, the financial impact and economic recovery from COVID-19 and also in terms of the Government's wider approach to Public Sector Funding in general and particularly for Local Government Funding.

Details of the key dates; key messages; and risks were also provided at Sections 2, 3 and 4 of the report.

The Deputy Leader concluded his presentation by moving the recommendation set out.

The Leader seconded the recommendation.

DECISION

That the Executive had given consideration to the draft Medium Term Financial Plan 2021/22 to 2025/26 as appended to Report RD.09/20; and made it available for consideration by the Business and Transformation Scrutiny Panel on 23 July 2020.

Reasons for Decision

To consult with the Business and Transformation Scrutiny Panel on the draft Medium Term Financial Plan 2021/22 to 2025/26

EXCERPT FROM THE MINUTES OF THE BUSINESS AND TRANSFORMATION SCRUTINY PANEL HELD ON 23 JULY 2020

BTSP.33/20 DRAFT MEDIUM TERM FINANCIAL PLAN 2021/22 TO 2025/26

The Corporate Director of Finance and Resources submitted the Council's draft Medium Term Financial Plan (RD.09/20) for the period 2021/22 to 2025/26 which set out the framework for planning and managing the Council's financial resources, developing its annual budget strategy and updating its current five year financial plan. The Plan linked the key aims and objectives of the Council, as contained in the Carlisle Plan, to the availability of resources, enabling the Council to prioritise the allocation of resources to best meet its overall aims and objectives.

The Executive had considered the Draft Medium Term Financial Plan 2021/22 to 2025/26 at their meeting on 20 July 2020 (Minute Excerpt EX.69/19 refers) and made the report available to the Panel for scrutiny.

In considering the Draft Medium Term Financial Plan (MTFP) 2021/22 to 2025/26 Members raised the following comments and questions:

- What were the opportunities for additional commercial and investment income; had the Council gathered comparative information from other local authorities on their approach to commercialisation?

The Corporate Director of Finance and Resources reminded the Panel of the recommendations in the Peer Challenge Review, one of which had been to develop a commercial strategy for Carlisle. Before this could happen there was a requirement to better understand what was meant by commercialisation, what the Council's appetite for risk was and what scope there was for commercial activities in Carlisle. The Council had significant assets on its balance sheets, commercial opportunities would come from making those assets work better for the Council. However, there was severe pressure on commercial income due to the Covid 19 pandemic and the Council had to be mindful of the current situation before it developed any strategy on commercialisation.

- Had the improved visuals in the 'Have your say' document increased public responses to the budget consultation process?

The Corporate Director of Finance and Resources responded that the new document had been well received, however, there would be continuous improvements made to the consultation documents to increase the engagement on the budget process with residents of Carlisle.

- The MTFP was an important document, however, it contained many areas of uncertainty, would the document be reviewed as matters developed?

The Corporate Director of Finance and Resources agreed there was great uncertainty in the document; it would be reviewed and updated as the situation changed, and further reports would be considered by the Panel as the budget process progressed.

- The climate emergency was a priority for the Council; however, it had not been included in the MTFP.

The Corporate Director of Finance and Resources explained that the Capital Strategy and Capital Programme included information on small climate change related projects. She added that she was awaiting further information from the Climate Change Group before any adjustments could be made to the MTFP.

A Member welcomed the inclusion in the Capital Strategy but felt that the climate emergency should also be referenced in the MTFP.

- Was there any indication how the lost income from business rates would be replaced until Government moved forward with the business rate review?

The Corporate Director of Finance and Resources clarified that the assumption had been made that the Council would not be in the Business Rate Pool in 2021/22, however, as the Business Rate Review had been deferred the impact on the pool arrangements were unknown. She assured the Panel that the situation was being closely monitored and the City Council had regular discussions with Cumbria County Council, the Police and the other Cumbria District Councils. She informed the Panel that government had announced a new comprehensive funding package to support local authorities with income shortfalls and deficits from collection fund recovery due to Covid 19.

- Would the Business Rate Appeals require all the provision in the MTFP?

The Corporate Director of Finance and Resources confirmed that significant provision had been made for Business Rate Appeals, work was being carried out with the Valuation Office to estimate the likely appeals and how successful they would be.

- Did the savings, as detailed in section 4.3.2 of the report, include additional requirements that may be a result of the exceptional circumstances?
- Did the yield from property rentals reflect the current situation?

The Corporate Director of Finance and Resources clarified that all assumptions and savings detailed in the MTFP were based on the situation at this point in time. She explained that work was being carried out using government guidance to look at income shortfalls, the figures did not include pressures which could arise as a result of Covid 19.

- Given the exceptional circumstances would the Council consider engaging someone with proven commercial and industrial experience to support the qualified, professional team in the Council?

The Finance, Governance and Resources Portfolio Holder reminded the Panel that the Council brought in specialist skills when required; the Council was already quite commercial in utilising income from its assets. He added that it was important to bring in income to ensure the continuing delivery of discretionary services.

- Would it be possible to close down the redundant bequests and release the funds to other projects?

The Corporate Director of Finance and Resources confirmed that the bequests could be closed, the money could be released to community groups or charities that met the conditions of the bequest.

- The Council annually earmarked reserves for the cremator, would it be possible in future to build this reserve from income from the cremator rather than allocations from the Council?

The Corporate Director of Finance and Resources clarified that the reserve was built up from contributions from the income generated by Bereavement Services..

- How would the Council mitigate the loss of the New Homes Bonus?

The Corporate Director of Finance and Resources explained that the New Homes Bonus had not been included in the budget, should any payments be received they would be additional income.

- What had been the reduction in housing benefit claims following the launch of Universal Credits, did it give the Council an indication of when its responsibility ended? In addition, Covid 19 had caused an increase nationally in Universal Credit applications, had this impacted on the reduction in housing benefit claims?

The Corporate Director of Finance and Resources responded that Universal Credit claims had not yet had a significant increase due to Covid 19 however the position would continue to be monitored.

- A Member urged the Executive to retain the Council Tax Reduction Scheme to continue to support the poorest and most vulnerable residents in Carlisle during this difficult time.

The Finance, Governance and Resources Portfolio reassured the Panel that the Executive had no intention of changing the Council Tax Reduction Scheme (CTRS). The CTRS had been included in the MTFP because there was a requirement to consider the Scheme annually. The City Council CTRS was considered one of the most generous and complete schemes in the Country, when government provided additional resources to enhance the scheme the Council increased the amount of support available. The Government recognised that many people were not eligible for the CTRS and a new hardship fund was being launched by the Council which supported those people in dealing with arrears.

The Corporate Director of Finance and Resources informed the Panel that the Council had stopped all debt recovery during the pandemic as it was mindful of the pressure on people in such uncertain times. Work was beginning on a soft reminder process, which many other authorities had undertaken, reminders would be sent out encouraging people to contact the Council if they were having issues in making payments so they could be supported with instalment options or through the CTRS process. This soft recovery approach would also be taken with sundry debtors where commercial income comes in.

REOLVED – 1) That the Panel had considered and commented upon the draft Medium Term Financial Plan 2021/22 to 2025/26 (RD.09/20);

2) That the Panel thanked the Corporate Director of Finance and Resources and her team for the production of the Medium Term Financial Plan during such uncertain and difficult times;

3) That the Panel request that reference is made to environmental policies in the Medium Term Financial Plan in the future;

- 4) That the Panel are included in the development of a commercial strategy;
- 5) That the Corporate Director of Finance and Resources undertake to consider the conditions of the redundant bequests and reallocate the funds to suitable community groups or charities;
- 6) That the Finance, Governance and Resources Portfolio Holder circulate a copy of the Council's Hardship Scheme to all Members.

Subject Matter

Pursuant to Minute EX.69/20, the Deputy Leader reported (RD.09/20) (amended) on the Medium Term Financial Plan (MTFP) 2021/22 to 2025/26, which set out the current framework for planning and managing the Council's financial resources, developing its annual budget strategy and updating its current five year financial plan. The Plan further linked the key aims and objectives of the Council, as contained in the Carlisle Plan, to the availability of resources thereby enabling the Council to prioritise the allocation of resources to best meet its overall aims and objectives.

The MTFP had been prepared at a time of great uncertainty in respect of the economy, especially in terms of the impact of leaving the European Union, the financial impact and economic recovery from COVID-19 and also in terms of the Government's wider approach to Public Sector Funding in general and particularly for Local Government Funding.

Details of the key dates; key messages; and risks were as outlined within the report.

The Deputy Leader highlighted, for the record, the undernoted minor changes to the MTFP:

- Page 18 - Investment returns and borrowing rates had been updated to ensure consistency between the MTFP and Capital Strategy
- Table 1a on page 20 of the pack had been amended to reflect the estimated costs of providing council services in 2025/26
- Table 6 on page 29 of the pack reflected the up-to-date capital reserves position
- Page 34 – before approval by Council, the risk assessment for the pay award would be changed to high rather than low as it was highly likely that would change

- Page 36 and page 37 of the pack now reflected the investment returns/borrowing assumptions built into the Treasury Management projections

The Business and Transformation Scrutiny Panel had scrutinised the matter on 23 July 2020 (BTSP.33/20 referred) resolving:

- “1) That the Panel had considered and commented upon the draft Medium Term Financial Plan 2021/22 to 2025/26 (RD.09/20);
- 2) That the Panel thanked the Corporate Director of Finance and Resources and her team for the production of the Medium Term Financial Plan during such uncertain and difficult times;
- 3) That the Panel request that reference is made to environmental policies in the Medium Term Financial Plan in the future;
- 4) That the Panel are included in the development of a commercial strategy;
- 5) That the Corporate Director of Finance and Resources undertake to consider the conditions of the redundant bequests and reallocate the funds to suitable community groups or charities;
- 6) That the Finance, Governance and Resources Portfolio Holder circulate a copy of the Council’s Hardship Scheme to all Members.”

The Chair of the Business and Transformation Scrutiny Panel had been invited to speak on the matter but was not in attendance.

Referring to the above-mentioned Minute, the Deputy Leader advised that the Panel had some concern at the lack of projected costs within the MTFP with regard to climate change. Further information was awaited from the Climate Change Group before any adjustments could be made to the MTFP, but the intention was to include those costs.

The Deputy Leader concluded by moving the recommendations, which were duly seconded by the Leader.

Summary of options rejected that the Medium Term Financial Plan should not be referred to Council for approval

DECISION

That the That the Executive:

1. Had considered the comments made by the Business and Transformation Scrutiny Panel on 23 July 2020 as detailed within Minute BTSP.33/20.
2. Referred the Medium Term Financial Plan 2021/22 to 2025/26 to Council on 8 September 2020 with a recommendation that the said Plan be approved.

Reasons for Decision

To consider the comments of the Business and Transformation Scrutiny Panel on the Medium Term Financial Plan prior to recommending the Plan to Council for approval
