Portfolio Strategy and Performance

Subject Matter

To consider a report of the Town Clerk and Chief Executive (TC.14/02) containing details of the City Council's performance over a range of Best Value and Audit Commission National Indicators for 2000/01 compared with a group of other similar Authorities and the national upper and low quartiles.

Members expressed some concern over the Local Authorities used to compare performance indicators, considering that they did not allow comparison on a "like for like" basis.

Summary of options rejected

None

DECISION

1. That the report be noted.
2. That the Overview and Scrutiny Committees be requested to examine performance areas within the lower quartile and invite appropriate Officers to attend their meetings to explain both the position and relevant action plans for improvement.

Reasons for Decision

In order to make the necessary arrangements for Overview and Scrutiny Committees to look into the performance of the City Council in certain service areas.
