

Carlisle City Council

Report to Executive

Report details

Meeting Date:	19 January 2022
Portfolio:	Finance, Governance and Resources
Key Decision:	Yes: Recorded in the Notice Ref: KD.10/21
Policy and Budget Framework	Yes
Public / Private	Public
Title:	Revised Capital Programme 2021/22 and Provisional Capital Programme 2022/23 to 2026/27
Report of:	Corporate Director of Finance and Resources
Report Number:	RD 65/21

Purpose / Summary:

The report provides an update to RD47/21 and RD55/21 and sets out the proposed capital programme for 2022/23 to 2026/27 in the light of new capital proposals identified and summarises the estimated capital resources available to fund the programme.

Recommendations:

The Executive is asked to:

- (i) Note the revised capital programme and relevant financing for 2021/22 as set out in Appendices A and B;
- (ii) Give initial consideration and views on the proposed capital spending for 2022/23 to 2026/27 given in the report in the light of the estimated available resources;
- (iii) Note that any capital scheme for which funding has been approved by Council may only proceed after a full report, including business case and financial appraisal, has been approved.

Tracking

Executive:	19 January 2022
Scrutiny:	Not applicable
Council:	1 February 2022 (Budget Resolution)

1. Background

- 1.1. This report details the revised capital programme for 2021/22 together with the proposed methods of financing as set out in paragraph 3 and **Appendix A and B**.
- 1.2. The report also details the capital spending proposals for 2022/23 to 2026/27, together with the potential resources available to fund the programme. Members are asked to give initial consideration to the spending proposals.
- 1.3. The guiding principles for the formulation of the capital programme over the next five-year planning period are set out in the following policy documents that were approved by Council on 14 September 2021:
 - Capital Investment Strategy 2022-23 to 2026-27 (Report RD37/21)
 - Asset Management Plan (Report GD58/21)
- 1.4. A Corporate Programme Board of senior officers, (the SMT Transformation sub-group) continues to take the lead on the prioritisation of investment and the monitoring and evaluation of schemes. This is to improve performance monitoring and business case analysis of capital projects.

2. Capital Resources

- 2.1 There are several sources of capital resources available to the Council to fund capital expenditure, the main ones being:
 - Borrowing (Prudential Code - see paragraph 6.2)
 - Capital Grants e.g. DFG, specific capital grants
 - Capital Receipts e.g. proceeds from the sale of assets
 - Council Reserves e.g. Projects Reserve
- 2.2 In accordance with the Capital Investment Strategy, the Corporate Director of Finance and Resources will make recommendations on the most effective way of financing the Capital Programme to optimise the overall use of resources.
- 2.3 It should be noted that capital resources can only be used to fund capital expenditure and cannot, with the exception of the Council's own Reserves, be used to fund revenue expenditure. There are strict definitions of what constitutes capital expenditure.
- 2.4 It should also be noted that the resources available to support the capital programme can only be estimated during the year. The final position is dependent in particular on how successful the Council has been in achieving Capital Receipts from the sale of assets against its target i.e. the more capital receipts generated, the less is required to be taken from Borrowing and Council Reserves (and vice versa).

- 2.5 The cost of externally borrowing £1m to fund the capital programme will result in a charge to the revenue account in the next full year of approximately £50,000. This is made up of £20,000 for the cost of the interest payable (2% of £1m equates to £20,000) and a principal repayment provision of 3% of the outstanding sum (3% of £1m equates to £30,000).

3. Revised Capital Programme 2021/22

- 3.1 The capital programme for 2021/22 totalling £28,057,900 was approved by Council on 20 July 2021 as detailed in the 2020/21 out-turn report (RD16/21).
- 3.2 The revised capital programme for 2021/22 now totals £32,657,400 as detailed in **Appendix A** subject to the relevant approvals by Executive and Council for the changes.
- 3.3 **Appendix B** details the revised anticipated resources available and their use to fund the capital programme. These have been revised to take account of revised projections and valuations of asset sales.
- 3.4 A summary of the revised programme for 2021/22 is shown below:

Summary Programme	£	Appx
2021/22 Original Capital Programme	28,057,900	A
Other adjustments	4,599,500	
Revised Capital Programme (Dec 2021)	32,657,400	A
Estimated Capital Resources available	(3,862,495)	B
Potential Borrowing Requirement	28,794,905	

4. Capital Spending Proposals 2022/23 to 2026/27

- 4.1 The existing and capital spending proposals are summarised in the following table. It should be noted that new spending proposals that cannot be funded from external sources such as grants, or from 'new' capital receipt generation will incur a borrowing requirement.

Capital Scheme	App/ Para	2022/23 £000	2023/24 £000	2024/25 £000	2025/26 £000	2026/27 £000
<u>Current Commitments:</u>						
Vehicles & Plant	4.2	1,221	1,772	1,680	1,166	888
Planned Enhancements to Council Property	4.3	250	250	250	250	250
Disabled Facilities Grants	4.4	1,900	1,900	1,900	1,900	1,900
ICT Infrastructure	4.5	76	131	101	101	101
Leisure Facilities	4.6	3,450	0	0	0	0
Recycling Containers	4.7	45	45	45	45	45
Crematorium Infrastructure	4.8	900	0	0	0	0
Future High Street Fund	4.9	3,653	4,325	0	0	0
Flare Data Management System	4.10	150	0	0	0	0
Carlisle Southern Relief Road	4.11	5,000	0	0	0	0
Carlisle Sustainable Warmth	4.12	17,745	0	0	0	0
Total Existing Commitments		34,390	8,423	3,976	3,462	3,184
<u>New Spending Proposals:</u>						
Vehicles and Plant	4.2	(35)	360	(541)	0	325
ICT Infrastructure	4.5	334	(131)	(26)	0	0
Crematorium Infrastructure	4.8	875	875	0	0	0
Flare Data Management System	4.10	(150)	0	0	0	0
Sands Car Park Resurfacing	4.13	210	0	0	0	0
Swifts Car Park Resurfacing	4.14	200	0	0	0	0
Total New Spending Proposals		1,434	1,104	(567)	0	325
Total Potential Programme		35,824	9,527	3,409	3,462	3,509

- 4.2 The anticipated budgets for replacement of the Council's vehicle fleet. An initial review of the current replacement plan has been undertaken and the revised figures are included in the table above.
- 4.3 The allocation for planned enhancements to council properties is retained at the current level of £250,000, with further details provided in GD79/21 considered by Executive on 22 November 2021.
- 4.4 Disabled facilities grant allocation will not be known until early into 2022/23, although it has been assumed for the purpose of this report that the grant will be protected at the 2021/22 levels. This grant will be awarded via the County Council's Better Care Fund.
- 4.5 This is the anticipated budgets for improvements and developments to the Council's ICT infrastructure following a review of requirements.

- 4.6 This is the continuation of the provision of new leisure facilities at the Sands Centre.
- 4.7 An allocation for the replacement of the Council's stock of recycling and waste containers.
- 4.8 To provide new infrastructure for the crematorium including replacement cremators. The current commitment of £900,000 in 2022/23 is funded from the amounts set aside in the Cremator Replacement Earmarked Reserve.

The new spending proposal (£1.75m) for the replacement of the cremators refers to replacing gas powered cremators with electric powered ones which will help to reduce the amount of CO2 produced from the crematorium. Replacement on a like for like basis with gas powered cremators would require additional funding of approximately £300,000 - £400,000. The additional spend also provides additional funding to upgrade the building facilities at the crematorium. Further reports will be required on the project that will detail the most appropriate solution for the replacement of the cremators. The additional spend will require an additional borrowing requirement, however, the annual borrowing cost could be met from the annual sum currently set aside to the cremator reserve over a 23-year period.

- 4.9 This is a funding application to the Future High Streets Fund which seeks to redevelop and improve the area around the Greenmarket and Market Square in Carlisle City Centre. The project is part funded through the FHSF grant, with an overall funding requirement from the Council of £390,000.
- 4.10 The allocation for a new data management system that is used in Environmental Health and Private Sector Housing is no longer required with Local Government Reorganisation on the horizon.
- 4.11 The Council's contribution to the Carlisle Southern Link Road project.
- 4.12 A successful bid for grant funding for a county wide scheme totalling £19.955m across 2021/22 and 2022/23 for Sustainable Warmth (LAD3) and Home Upgrade (HUG1).
- 4.13 The Sands redevelopment project does not provide for any enhancement of the car park once the project is complete. This proposal seeks to provide funding to carry out resurfacing and enhancement work to the car park that will enhance the overall site once the project is completed.

- 4.14 As detailed above, the Swifts car park will serve as an overflow car park for the Sands and as such enhancement work is required to improve the standard of the surface.

As the budget process progresses, there may be further bids that come to light once full business cases are developed. There are also external bids for grant funding which have been submitted, or are in the process of being submitted, which if successful, will require the Capital Programme to be grossed up and to recognise the grant award, examples include The Towns Deal (£19.7m) and The Public Sector Decarbonisation Scheme (£1.87m).

5. Potential Capital Resources Available

- 5.1 The table below sets out the estimated revised resources available to finance the capital programme for 2022/23 to 2026/27.

Source of Funding	Para	2022/23 £000	2023/24 £000	2024/25 £000	2025/26 £000	2026/27 £000
Capital Grants:						
• Disabled Facilities Grant	5.2	(1,900)	(1,900)	(1,900)	(1,900)	(1,900)
• General Grants/Contributions	5.3	(21,174)	(4,325)	0	0	0
Capital Receipts:						
• Generated in year receipts used to fund resources	5.4	(286) 112	(101) 0	(4,653) 0	(1,145) 0	(2,585) 0
Direct Revenue Financing / Invest to Save	5.5	(1,962)	(1,062)	(1,062)	(1,062)	(1,062)
TOTAL RESOURCES		(25,210)	(7,388)	(7,615)	(4,107)	(5,547)

- 5.2 Disabled facilities grant allocation will not be known until early 2022/23, although it has been assumed for the purpose of this report that the grant will be protected at the 2021/22 levels. However as mentioned earlier this grant will be awarded via the County Council's Better Care Fund and there is still some uncertainty as to what the allocation will be.
- 5.3 General grants and contributions identified as funding streams for projects. This relates to the Future High Street Fund and Sustainable Warmth (LAD3 and HUG1) projects.
- 5.4 Capital receipts from the sale of fixed assets. A review of the asset disposal programme has been undertaken and a reprofiling of disposals between 2022/23 and 2026/27 has been incorporated into the table above.
- 5.5 Direct revenue financing in relation to invest to save schemes and use of earmarked reserves.

6. Summary Provisional Capital Programme 2022/23 to 2026/27

6.1 A summary of the estimated resources compared to the proposed programme year on year is set out below:

Source of Funding	2022/23 £000	2023/24 £000	2024/25 £000	2025/26 £000	2026/27 £000
Estimated in year Resources available (para 5.1)	(25,210)	(7,388)	(7,615)	(4,107)	(5,547)
Proposed Programme (para 4.1)	35,824	9,527	3,409	3,462	3,509
Projected (Surplus)/Deficit	10,614	2,139	(4,206)	(645)	(2,038)
Cumulative surplus/deficit b/fwd	28,795	39,409	41,548	37,342	36,697
Cumulative year end deficit i.e. overall borrowing needed to fund the capital programme	39,409	41,548	37,342	36,697	34,659
Borrowing undertaken previously	(14,000)	(14,000)	(14,000)	(14,000)	(14,000)
Cumulative deficit i.e. additional borrowing needed to support the capital	25,409	27,548	23,342	22,697	20,659

6.2 The Prudential Code gives authorities freedom to borrow to fund capital schemes subject to the over-riding principles of Affordability, Prudence and Sustainability. Whilst these freedoms could significantly impact on the capital resources available to the Authority, the principles referred to in effect mean that the Council is limited by the ongoing cost of any borrowing (i.e. the cost of prudential borrowing falls to be met from the General Fund recurring expenditure). The Prudential Code requires authorities to develop their own programmes for investment in fixed assets, based upon what the authority and local taxpayers can afford, and subject to a full Business Case and Options appraisal process.

The table above shows that there continues to be a borrowing requirement from 2022/23. In order to reduce the exposure of the council to a borrowing requirement the following steps could be examined during the course of this budget process:

- Continuous review of the asset disposal programme;
- Fundamental review of existing capital programme to ensure schemes are still required and are accurate;
- Maximisation of the use of grants and contributions from external sources;
- Providing an additional recurring revenue contribution to the capital programme;
- Invest to save schemes that can repay the capital investment over a period of time.

Local Environment Strategy

The Council's update Local Environment (Climate Change) Strategy was approved by full Council in the Spring of 2021 following the usual consultation process; the Strategy is supported by an action plan for addressing climate change issues as well individual actions required by the Council for reducing the its own carbon footprint. The Council is committed to becoming carbon neutral in the future and there may be a requirement for significant investment in achieving this goal, with recovery through the achievement of efficiency savings and/or by maximising any external grants and contributions available to support the strategy and action plan through the Council's Funding Strategy. However, any carbon reducing schemes will initially have to be funded from resources currently contained with the Council's existing Revenue and Capital budgets; with any new climate change initiatives, following the formal adoption and approval of the Local Environment (Climate Change) Strategy, being supported by robust business cases with a cost benefit analysis provided.

7. Risks

- 7.1 The ongoing impact of issues identified will be monitored carefully in budget monitoring reports and appropriate action taken.
- 7.2 The main risk to the Council is the overall cost of COVID-19 in terms of additional costs and delays to supplies.
- 7.3 The Government are likely to issue a supplementary Statutory Instrument which may limit the award of contracts for both revenue (£100,000) and capital projects (£1million) without the approval of the Shadow Authorities from April 2022.

8. Consultation

- 8.1 The Business and Transformation Scrutiny Panel considered the Executive's budget proposals issued for consultation at their meeting on 6 January 2022, and their views are considered elsewhere on this agenda. Public consultation has also taken place between 20 December and 17 January and the budget resolution taking into account any consultation feedback will be tabled by the Executive on 19 January.

9. Conclusion and reasons for recommendations

- 9.1 The Executive is asked to:
 - (i) Note the revised capital programme and relevant financing for 2021/22 as set out in Appendices A and B;
 - (ii) Give initial consideration and views on the proposed capital spending for 2022/23 to 2026/27 given in the report in the light of the estimated available resources;

- (iii) Note that any capital scheme for which funding has been approved by Council may only proceed after a full report, including business case and financial appraisal, has been approved.

10. Contribution to the Carlisle Plan Priorities

- 10.1 The Council's capital programme includes a range of positive projects that will directly benefit the people of Carlisle.

Appendices attached to report:

- Appendix A – Revised Capital Programme 2021/22
- Appendix B – Revised Capital Programme 2021/22 – Proposed Financing

Note: in compliance with section 100d of the Local Government Act 1972 the report has been prepared in part from the following papers:

- None

Corporate Implications:

Legal - The Council has a fiduciary duty to manage its resources properly and for the benefit of its community. In doing so it is required to take account of the advice it receives from its Corporate Director of Finance and Resources. The Council must have a balanced budget to deliver its services and also achieve and sustain an appropriate level of reserves.

Property Services - The Council has a significant property portfolio which assists in the management of its resources as detailed in the Asset Management Plan (GD58/21).

Finance - Financial implications are contained within the main body of the report.

Equality - This report raises no explicit issues relating to the public sector Equality Duty.

Information Governance - There are no information governance implications.
