Dear Sir,

Objection to proposed operating schedule William Rufus and Woodrow Wilson's

With regards to the above premises I have today had a meeting with the area manager for Witherspoons who has agreed to the following conditions.

Lloyds No 1 will have door supervisors from 9pm until closure on Friday, Saturdays and Sundays.

Woodrow Wilsons will amend their opening hours to close 12 midnight Sunday till Thursday and 1230am on Friday and Saturdays.

I will call for a review should the conditions not prove sufficient to meet the Crime and disorder objective.

I will therefore withdraw my objections with regards to doorstaff.
