1. Introduction

1.1 The Organisational Development (OD) Plan was approved by the Executive in March 2011. The plan sets out key objectives, outcomes for our employees, key actions and measures of success. Most of the measures of success are indicators we were already using, but a couple are based on questions from the 2011 employee opinion survey.

1.2 The priorities in the OD Plan are based on those in the Local Government Workforce Strategy 2010 - organisational development, leadership development, skills development, recruitment and retention, although pay and rewards has become recognition and reward.

1.3 This report builds on the previous report presented to the Resources Overview and Scrutiny Panel in December 2011.

1.4 A copy of the OD Plan is included as Annex A.

2 Organisational Development

2.1 Progress continues on *1.1 – Complete the restructure of the directorates*. Transformation reviews are continuing in Resources, Local Environment, Community Engagement and Economic Development.

2.2 The *annual employee opinion survey (1.4)* took place from 12 January to 3 February this year and results will be reported to the Senior Management Team, staff and the Consultative Joint Committee. A report will also come to the Resources Overview and Scrutiny Panel in March.

3 Leadership Development

3.1 The City Council is piloting the Institute of Leadership and Management (ILM) Level 5 Award in Management. This course is aimed at existing and aspiring middle managers and forms part of *2.1 – Design and deliver a middle managers leadership and development programme*. The monthly Management Briefing sessions and workshops in the Corporate Training Programme will also be used to develop middle managers.

3.2 The Corporate Training Programme will continue to include workshops which support *2.2 – Build on the ILM level 3 Award in First Line Management to create a development programme for first line managers*.

3.3 The City Council is working with North West Employers on *2.5 – Design and introduce management competencies*.

4 Skills Development

4.1 In support of *3.1 – Deliver a corporate training programme to meet the learning and development needs arising from transformation, directorate plans and team appraisals*, a new corporate training directory is produced every six months and specialised courses for specific directorates and teams are developed on a regular basis. Recent examples of these include Mediation Skills for Managers, Safeguarding Children, Recruiting and Promoting Staff and An Understanding of Disability.

4.2 Literacy and numeracy classes continue to be run at Bousteads Grassing and at the Civic Centre. *These contribute to 3.2 – Increase uptake of Skills for Life qualifications*. The City Council is working with Carlisle College to pilot an online numeracy qualification.

4.3 The City Council has a long history of supporting staff to gain qualifications and this continues to be demonstrated through 3.3 – *Provide opportunities for staff to gain relevant higher level qualifications including degrees and NVQs*. Staff have gained further qualifications from level 1 (equivalent to 5 GCSEs grade D to G) to level 7 (postgraduate) in a wide range of subjects. The annual Celebration of Learning event took place at Tullie House in December to celebrate the success of staff who have achieved qualifications in the last year.

4.4 The City Council's e-learning site was launched in December. This gives staff and Members access to a range of online courses in topics including equality and diversity, business continuity, data protection, health and safety, risk management and introduction to local government. New courses will be added each month and a monthly newsletter will be produced for the first six months to promote the e-learning site and advise staff and Members of new courses.

5 Recruitment and Retention

5.1 Staff from Carlisle City Council will be attending the 'Disability and Benefits of a Diverse Workforce' workshop on Friday 24th February at Carlisle United. The aim of the workshop is to raise disability awareness among employers and demonstrate how having a diverse workforce benefits organisations. This will support action on 4.1 – *Work with partners to promote employment opportunities at the City Council to under-represented groups*.

5.2 Good progress has been made on 4.2 – *Identify areas of the Council where apprenticeship and graduate trainee programmes could be developed to support succession planning* and the City Council now employs two apprentices. An apprenticeships page will be created on the Organisational Development Team section of the intranet to give managers advice about apprenticeships.

6 Recognition and Reward

6.1 Further progress has been made with *5.1 – Introduce a range of employee benefits*, and the holiday purchase scheme was launched in November 2011 for staff to purchase additional annual leave for the remainder of the current holiday year. The scheme will open again in February for staff to purchase additional leave for the next holiday year.

6.2 The City Council has been involved in *5.2 - Promote health and wellbeing initiatives to support staff*, for several years. Some of the money raised from the holiday purchase scheme is being used to fund health and wellbeing initiatives. New projects for early 2012 include refurbishing the bike sheds, a weight management course and a healthy heart day.

6.3 Progress on the actions in the OD Plan will continue to be reported on a quarterly basis.
