Subject Matter:

CARLISLE CITY COUNCIL CORPORATE IMPROVEMENT PLAN / BEST VALUE PERFORMANCE PLAN

The Head of Policy and Performance Services submitted Report PPP.22/07 presenting the second draft of the Corporate Improvement Plan 2007-2010, incorporating comments of Overview and Scrutiny Committees. The final version of the Plan would incorporate the requirements of the Best Value Performance Plan when that information became available.

The Community Overview and Scrutiny Committee on 15 February 2007, the Corporate Resources Overview and Scrutiny Committee on 22 February 2007 and the Infrastructure Overview and Scrutiny Committee on 8 March 2007 had considered the draft Plan. The Chairmen of the Community and Infrastructure Overview and Scrutiny Committees were present at the meeting and stated that the comments of their Committees appeared to have been taken on board and they looked forward to the opportunity to consider the second draft of the Plan.

In response to Member's questions, the Head of Policy and Performance Services advised that:

(a) On Page 2 of the Plan, the details regarding "Economic Regeneration including Longtown Market Town Initiative" had yet to be added to the Plan.

(b) The reference to "Neighbourhood Wardens", as highlighted by the Community Overview and Scrutiny Committee, should be replaced with Neighbourhood Enforcement Officers.

Decision:

1. That the updated contents of the draft Plan be approved as the basis for further consultation and development.
2. That it is noted that the Plan, in defining the priorities of the Council, assists current and future allocation of resources in ways that are relevant to the delivery of the priorities.
3. That the second draft of the Plan be referred to the Community, Corporate Resources and Infrastructure Overview and Scrutiny Committees for further consultation.
