1. BACKGROUND

- 1.1 This report shows the provisional outturn position for the General Fund Revenue budgets for 2012/13.
- 1.2 A summary of the overall position is shown in paragraph 2. Further details for each directorate are included in **Appendices A1 - A6** as follows:

 - (ii) An analysis of the major variances relating to both income and expenditure, with comments from the Director.

- 1.4 Please note that throughout this report:
- (i) the use of a bracket represents a favourable position i.e. either an underspend or additional income received,
 - (ii) the term 'underspend' is taken to include both reduced expenditure and/or increased income,
 - (iii) the term 'overspend' includes both spending above budget and/or reduced income levels.

- 2.3 The above table details the net Council budget. The Council's original gross budget for 2012/13 was £68.02m and although there are many individual variances as detailed by directorates in **Appendices A1 – A6**, the net underspend equates to 0.11% of this budget.

3. EXPLANATION OF MAJOR VARIANCES

- 3.1 The provisional outturn position for 2012/13 is an underspend of £75,247 after taking into account carry forward requests of £696,400 as set out in paragraph 6, and transfers to/from earmarked reserves totalling £312,697, as set out in paragraphs 4.1 to 4.4.
- 3.2 The reallocation of central departments' balances to service areas still has to be carried out, which explains many of the balances held on some management and support service centres. This reallocation will be completed before the Statement of Accounts is prepared.
- 3.3 Currently included in the Revenue Outturn is £238,300 of Highways Claimed Rights expenditure and £238,300 Highways Claimed Rights income that relates to capital schemes. In accordance with Capital Finance Regulations this expenditure and income should be included in the Council's Capital Programme for Statement of Accounts purposes. There will be no impact on the overall bottom line in the Revenue and Capital Outturn as the expenditure is fully funded, however this needs to be reflected correctly in the accounts.
- 3.4 Members are regularly updated on the budget position throughout the year, with quarterly reports being considered by the Executive and scrutinised by Resources Overview and Scrutiny Panel. Many of the variances shown in the Appendices have previously been reported with any necessary steps to mitigate the impact on the future budget position dealt with as part of the 2013/14 budget. However, some pressures have an ongoing impact which must be addressed during the forthcoming 2014/15 budget process. These include income shortfalls in respect of parking, the Lanes, development and building control fees.
- 3.5 Some of the main service expenditure and income variances are set out below. Many of these have been reported throughout the year in budget monitoring reports and further explanations are provided in the appendices.

4. KEY ISSUES

- 4.1 There has been less than expected expenditure for Sheepmount drainage and the Executive is asked to recommend the release the balance of £1,878 on the Sheepmount Reserve to the General Fund Reserve.
- 4.2 There has been less take up than expected for the career development package and the Executive is asked to recommend the release of the Job Evaluation Reserve balance of £29,670 to the General Fund Reserve
- 4.3 The City has operated Carlisle's On Street Parking contract since 2001 on behalf of Cumbria County Council. The aim of the original service, set up using contributions from the Residents Parking Scheme and balance of income from Excess Charge Notices, was that it should be funded by income from the issue of Penalty Charge Notices and self financing. In recent years this account has run into a deficit position and in 2009, Cumbria transferred the parking spaces at the northern end of Lowther Street to the City, to operate as an off street parking area, with income from ticket sales to be offset against the On Street Parking account. It is proposed that the outstanding balance of £190,000 on the account at the year end should be written off. Dialogue will be held with the County Council to tackle this recurring deficit in future years.
- 4.4 There is a balance of £296,193 on the Transformation Reserve earmarked to fund any future one-off costs associated with the Transformation programme. This is the remainder at 31st March 2013 after providing for redundancy and compensatory payments in 2012/13. It is proposed that this fund should be replenished by transferring £200,000 from the underspent revenue balance, subject to Council agreement, and details of the Reserve are provided in the table below.

Transformation Reserve	£
Opening Balance	477,895
Transfer in (agreed RD11/12)	250,000
Balance at 1st April 2012	727,895
Spent	(431,702)
Balance at 31st March 2013	296,193
Transfer In	200,000
Balance to carry forward	496,193
Known Commitments in 2013/14	246,193
Balance to carry forward	250,000

- 4.5 A provision of £175,000 is required to be established in order to provide for the future costs associated with the insolvent runoff of Municipal Mutual Insurance, who were previously one of the Council's insurers. Due to a scheme of arrangement being triggered, MMI have issued a levy rate of 15% against claims they have paid out since 1993 in relation to the Council's cover. The Council's levy is therefore £175,000. It is likely that further provisions will be needed in the future to meet the ongoing solvency issues MMI faces.
- 4.6 The Government's Welfare Reform Agenda, once fully implemented will have a major impact on the benefit system, including a household benefit cap and the introduction of the Universal Credit system which subsumes housing benefit (by 2017). In the medium to longer term the Council will have to significantly reduce staff resources working on benefits administration. Whilst staff redeployment policies will reduce the impact of the changes, there is likely to be voluntary/compulsory redundancies in the section. It is proposed that a Welfare Reform Reserve be established and the unused balance of £200,000, accrued from underspends on staffing and other savings, is transferred to the Reserve to fund such costs. It is further recommended that management of the Reserve rests with the Director of Community Engagement with the use of the Reserve requiring Executive approval.
- 4.7 There are items of expenditure totalling £45,755 included in the outturn that are to be funded by the release from earmarked reserves, which have previously been approved by the Executive. These include £38,594 from the EEAC Reserve for Fuel Poverty (DS100/09), and £7,161 from the Job Evaluation Reserve for the Career Development Package (C.109/11).

5. RECESSION PLANNING

- 5.1 The Council's bad debt provision has been increased in respect of housing benefit overpayments and penalty charge notices but reduced for sundry debtors, and this has been allocated directly to the services. Further details can be found in report RD14/13 elsewhere on the agenda.

6. CARRY FORWARD REQUESTS

- 6.1 In accordance with the Council's Constitution, any net underspending/savings on service estimates under the control of the Director may be carried forward. This is to facilitate the achievement of more strategic five year budgeting which requires greater flexibility of budgets between years as set out in the Medium Term Financial Plan. Approval of carry forwards is subject to the following as contained in the Council's Constitution:

- *the authorisation of the Director of Resources where the request relates to a specific committed item of expenditure where, due to external or other factors, the Director has been unable to spend the approved budget by 31 March. The use of the resource will be restricted to the purpose for which the estimate was originally intended. The carry forward will only be approved by the Director of Resources if the expenditure is within both the Directorate's and the Authority's budget as approved for that year. Any carry forward which would result in an over-spend for the Authority will require authorisation by the Council.*
- *any overspending on service estimates in total on budgets under the control of the Director must be carried forward to the following year, and will constitute the first call on service budgets in the following year, unless the Council determines otherwise by way of a supplementary estimate. The Director of Resources will report the extent of overspending carried forward to the Executive, Resources Overview and Scrutiny Panel and to the Council.*

The delegated power applies only in so far as the carry forwards do not take the Council into an overspend position.

- 6.2 Details of the carry forward requests, which itemise committed expenditure, are contained within **Appendix B**. The requests have been subject to the scrutiny of the relevant Director and Portfolio Holder prior to formal consideration by SMT and the Director of Resources, who is satisfied that budgets of £677,400 should be carried forward to 2013/14 and £19,000 to 2014/15. Although some Directorates have expended in excess of their budgets, or have suffered reduced income as detailed in the individual appendices, once the committed expenditure is taken into account there is an overall underspend across the whole authority. These amounts have therefore been included in the carry forward. The relevant Director will be able to give further details of carry forward requests if required at the meeting.

- 6.3 For information, the table below provides details of the outturn position (excluding funding) and level of carry forward requests over the last five years for illustrative purposes:

	2012/13 provisional £	2011/12 £	2010/11 £	2009/10 £	2008/09 £

7. BALANCE SHEET

- 7.1 In line with suggested best practice, information relating to significant items on the Council's balance sheet has been reported regularly to Members during the course of the year. The Council's balance sheet as at 31 March 2013 forms part of the annual Statement of Accounts that will be considered by the Audit Committee on 22 July, followed by a three month process.
- 7.2 The VAT partial exemption calculation continues to be monitored and has still to be finalised for 2012/13; however the provisional outturn figure is 2.92%, well below the permitted 5% limit.
- 7.3 The 2012/13 Collection Fund projected surplus has increased from £443,395 to £492,315 (Council share increased from £58,513 to £64,929). The Council Tax and NNDR Provisional outturn report provides further details and is considered elsewhere on the agenda (RD14/13)
- 7.4 At 31st March 2013 balances totalling £1,372,541 are held in respect of Section 106 agreements and other commuted sums, with a further £5,031,585 expected, relating to agreements for sites yet to be developed. These sums are to be used for the provision and future maintenance of public open spaces, children's play areas, cycleways and transport facilities etc. The City Council acts as custodian only for £802,381 of the sums held, in respect of projects for which Cumbria County Council

is responsible, including the Caldew Cycleway and Public Realm. Should the County Council not progress these projects, or they remain incomplete before the agreed deadlines, the custodial sums must be repaid, along with a premium for interest, to the Developers. Further details of the balances retained are set out in the table below:

Commuted Sums 2012/2013	Opening Balance & Receipts	Spend	Retained Balance 31/03/13	Expected Sums

7.5 The level of Council reserves was approved by Council in February 2013 and showed that there will be pressure on reserves from 2013/14 onwards if ambitious transformation savings are not delivered to plan. Due to the level of underspend identified within this report after all carry forward requests are approved and transfers to/from earmarked reserves, approximately £75,200 will be returned to the General Fund Reserve. This will replenish the usable revenue balances by 31 March 2015 to the minimum required.

- 7.6 In accordance with revised Capital Finance Regulations, costs associated with asset disposal totalling £62,994 that are included in the revenue outturn, can be funded from the capital receipt generated. This will result in an increase to revenue balances at 31st March 2013 and is reflected in the table above.

Transmission and maintenance savings to be rolled forward to fund costs of decommissioning and delay in implementing reduced service. 3. Late start to scheme; underspent budgets to be rolled forward to fund 2 years programme, scheduled for completion in 2014. 4. Underspends on IT, postages and office supplies, statutory systems training programmed for later in the year. 5. Savings on insurance excesses and claims. 6. Off Street Parking: Savings on management and staffing, (£129,600) taken into Salary Turnover Savings, set aside to offset anticipated contracts and ticket sales shortfall, totalling £146,337. On Street Parking: £5,987 net includes administration savings accrued to offset £43,076 income shortfall from PCN's etc. Other Contracts £64,158 net overspend: £71,632 Eden DC, £8,536 William Street (CCC), £7,248 Marks & Spencer, (£23,258) South Lakes includes management fee for Back Office support contract, still to complete, . 7. Savings on sub-contractors and other operational expenses offset by income shortfall. The year on year decrease in Claimed Rights budgets and capital projects has put the Highways' Team's ability to achieve the level of income fixed in the budgets at high risk and this function transfers to the County Council from 1st April 2013. 8. Underspend on insurance claims and reduced provision for bad debts. 9. Underspent allocations for Councillors' small scale projects, committed funds to be carried forward. 10. Savings on maintenance costs and energy due to efficiencies and reduced lighting levels. 11. Savings realised from efficiencies on transport, repairs, hire and fuel costs - although repairs costs are increasing as vehicle fleet ages. 12. Various minor underspends more than offset the income shortfalls across the services.

EX.48/13 PROVISIONAL GENERAL FUND REVENUE OUTTURN 2012/13
(Key Decision – KD.09/13)

Portfolio Finance, Governance and Resources

Relevant Overview and Scrutiny Panel Resources

Subject Matter

The Finance, Governance and Resources Portfolio Holder presented report RD.12/13 summarising the provisional outturn for the 2012/13 General Fund Revenue Budget. He informed Members that the outturn position showed that the net underspend for Council services as at 31 March 2013, once committed expenditure totalling £696,400 and £312,697 transfers to / from earmarked reserves were taken into account, was £75,247.

The table at Section 2.1 of the report showed that the Council's revised budget for 2012/13 was a total of £14,577,700. A summary of the expenditure for individual Directorates and an explanation of the major variances in those budgets were provided. Also itemised were the budget headings which had achieved savings and provided increased income.

Turning to the key issues, the Finance, Governance and Resources Portfolio Holder reported that the Government's Welfare Reform Agenda, once fully implemented would have a major impact on the benefit system, including a household benefit cap and the introduction of the Universal Credit system which would subsume housing benefit (by 2017). In the medium to longer term the Council would have to significantly reduce staff resources working on benefits administration. Whilst staff redeployment policies would reduce the impact of the changes, there were likely to be voluntary / compulsory redundancies in the Section. He proposed therefore that a Welfare Reform Reserve be established and the unused balance of £200,000 (accrued from underspends on staffing and other savings) be transferred to the Reserve to fund such costs. It was further recommended that management of the Reserve should rest with the Director of Community Engagement with the use of the Reserve requiring Executive approval.

It was also proposed that the Executive make recommendations to Council:

- to release the balance of £1,878 from the Sheepmount Reserve to the General Fund Reserve (as detailed in paragraph 4.1);
- to release the balance of £29,670 from the Job Evaluation Reserve to the General Fund Reserve (as detailed in paragraph 4.2);

- to write off the accrued deficit on the On Street Parking reserve of £190,000 to General Fund Balances (as outlined in paragraph 4.3);
- to top up the Transformation Reserve with £200,000 from the underspend position (as set out in paragraph 4.4); and
- to approve the establishment of the Municipal Mutual Insurance provision for £175,000 (as outlined in paragraph 4.5)

In terms of recession planning, the Finance, Governance and Resources Portfolio Holder explained that the Council's bad debt provision had been increased in respect of housing benefit overpayments and penalty charge notices, but reduced for sundry debtors which had been allocated directly to the services. Further details could be found in Report RD.14/13 elsewhere on the Agenda.

He also circulated details of the carry forward requests which had been submitted by Directorates adding that, if Members were minded to approve the carry forward requests, a recommendation would need to be submitted to the City Council.

The Finance, Governance and Resources Portfolio Holder advised that, due to the level of underspend identified within the report after all carry forward requests were approved and transfers to / from earmarked reserves, approximately £75,200 would be returned to the General Fund Reserve. That would replenish the usable revenue balances by 31 March 2015 to the minimum required.

In accordance with revised Capital Finance Regulations, costs associated with asset disposal totalling £62,994 which were included in the revenue outturn, could be funded from the capital receipt generated. That would result in an increase to revenue balances at 31 March 2013.

The Finance, Governance and Resources Portfolio Holder pointed out that the information contained within the report was provisional and subject to the formal audit process.

He also wished to place on record thanks to Financial Services Officers for keeping a tight reign on the Council's finances.

In conclusion, the Finance, Governance and Resources Portfolio Holder formally moved the recommendations, which were duly seconded by the Deputy Leader and Economy and Enterprise Portfolio Holder.

Summary of options rejected None

A summary of the expenditure for individual Directorates and an explanation of the major variances in those budgets were provided. Also itemised were the budget headings which had achieved savings and provided increased income.

Turning to the key issues, the Director of Resources reported that the Government's Welfare Reform Agenda, once fully implemented would have a major impact on the benefit system, including a household benefit cap and the introduction of the Universal Credit system which would subsume housing benefit (by 2017). In the medium to longer term the Council would have to significantly reduce staff resources working on benefits administration. Whilst staff redeployment policies would reduce the impact of the changes, there were likely to be voluntary / compulsory redundancies in the Section. He proposed therefore that a Welfare Reform Reserve be established and the unused balance of £200,000 (accrued from underspends on staffing and other savings) be transferred to the Reserve to fund such costs. It was further recommended that management of the Reserve should rest with the Director of Community Engagement with the use of the Reserve requiring Executive approval. The Executive had been asked to make a number of recommendations to Council as set out in the report.

The Director of Resources circulated details of the carry forward requests which had been submitted by Directorates, he advised that, due to the level of underspend identified within the report after all carry forward requests were approved and transfers to / from earmarked reserves, approximately £75,200 would be returned to the General Fund Reserve. That would replenish the usable revenue balances by 31 March 2015 to the minimum required.

In accordance with revised Capital Finance Regulations, costs associated with asset disposal totalling £62,994 which were included in the revenue outturn, could be funded from the capital receipt generated. That would result in an increase to revenue balances at 31 March 2013.

The Director of Resources pointed out that the information contained within the report was provisional and subject to the formal audit process.

The Executive had on 31 May 2013 (EX.48/13) considered the report and decided:

“That the Executive:

- (i) Noted the net underspend as at 31 March 2013 of £75,247 after carry forwards as in (ii) below, and net transfers to/from earmarked reserves as noted in (iii), (iv), (v) and (vi) below;
- (ii) Noted the committed expenditure totalling £696,400 to be met in 2013/14 which had been approved by the Director of Resources and under delegated powers, and the release of £677,400 in 2013/14 and £19,000 in 2014/15 from the General Fund Reserve, for recommendation to Council;
- (iii) Recommended that the City Council release the balance of £1,878 from the Sheepmount Reserve to the General Fund Reserve, as detailed in paragraph 4.1,
- (iv) Recommended that the City Council release the balance of £29,670 from the Job Evaluation Reserve to the General Fund Reserve, as detailed in paragraph 4.2;
- (v) Recommended that the City Council write off the accrued deficit on the On Street Parking reserve of £190,000 to General Fund Balances as outlined in paragraph 4.3;
- (vi) Recommended that the City Council top up the Transformation Reserve with £200,000 from the underspend position, as set out in paragraph 4.4;
- (vii) Recommended that the City Council approve the establishment of the Municipal Mutual Insurance provision for £175,000 as outlined in paragraph 4.5; and
- (viii) Recommended that the City Council approve the establishment of the Welfare Reform Reserve, as detailed in paragraph 4.6, noting that £200,000 would be transferred to the reserve as part of the year end process.”

In considering the report Member raised the following comments and concerns:

- A Member asked for an explanation of the expected sum of £3.5m next to Education in the Commuted Sums 2012/13 table.

The Director of Resources agreed to submit a written response to the Panel.

- Would Allerdale and Copeland Borough Councils be contributing to the Welfare Reform Reserve?

The Director of Resources confirmed that both Councils would share the cost of redundancies due to welfare reform.

- Why was the outstanding balance on the On Street Parking account being written off?

The Director of Resources explained that the deficit belonged to the City Council and the County Council was not obliged to pay it, as a result it would be written off.

RESOLVED - That the recommendations as set out in the Provisional General Fund Revenue Outturn 2012/13 Report (RD12/13) be agreed.
