ELECTED MEMBERS' ALLOWANCES – OUTTURN 2010/11

1. DETAILS

- 1.1 Set out in **Appendix 1** are the amounts paid directly to individual Members as part of the Elected Members' Allowances Scheme for 2010/11 as required under paragraph 15 of the Local Authority (Members Allowances) (England) regulations 2003.
- 1.2 The detail in respect of Travel and Subsistence for Members collectively is provided in 1.8 overleaf.
- 1.3 The overall position is summarised as follows:

	Budget	Outturn	Variance
	£	£	£
Basic Allowance	253,600	245,423	(8,177)
Special Responsibility allowance	95,300	92,141	(3,159)
Dependent Carers' Allowance	0	359	359
Co Opted Members' Allowance	0	1,334	1,334
Travel – General	18,400	16,861	(1,539)
Travel – Relating to Members' training	900	482	(418)
Subsistence General	2,100	8	(2,092)
Subsistence – Relating to Members' training	0	1,450	1,450
Total	370,300	358,058	(12,242)

- 1.4 There is an under-spend overall of £12,242. There is no recommendation at this stage to review the budget for Members Allowances. However the position will continue to be closely monitored during 2011/12 as part of the usual budget monitoring process.
- 1.5 The Basic Allowance budget is under-spent as although budgets are allocated for a full year from April, there was a period when the Council was one member short and there was no annual increase in allowances as there has been in previous years.
- 1.6 The Special Responsibility Allowance budget is under-spent partly due to some committees not sitting until later in the year and therefore allowances were paid for

part of the year only. Also as Members are only entitled to receive one Special Responsibility Allowance, if they are in two positions that attract an allowance, only one will be paid: this applied to one Member in 2010/11 and a saving is made as a result.

- 1.7 There has been an under-spend in respect to Travel and Subsistence. This is because claims for mileage and subsistence have come in well below the budget allocated.
